RE: Recommendation to approve a technical amendment to the Newport Avenue Chicago Landmark District boundaries

Dear Clerk Valencia:

We are filing with your office for introduction at the October 30, 2024, City Council meeting as a transmittal to the Mayor and City Council of Chicago the recommendation of the Commission on Chicago Landmarks for a technical amendment to the original Newport Avenue Landmark District ordinance. This amendment will ensure the district boundaries accurately reflect the new location of one (1) contributing building, which was relocated approximately 29 feet west as part of the cta's Red Purple Modernization Project.

The material being submitted to you for this proposal includes the:

1. Commissioner Boatright memo to IGA; and
2. Letter of Support from 44th Ward Alderman Lawson, and
3. CCL Resolution; and
4. Ex. A and Ex. B of the 2005 Ordinance, as amended; and
5. Newport Avenue Landmark District Report, as amended

Thank you for your cooperation in this matter.

Sincerely,

Kathleen E. Dickhut
Deputy Commissioner
Bureau of Citywide Planning
