Annually, the City may allocate from the TIF Fund an amount (the "TIF District Administration Fee") not to exceed five percent (5%) of the Incremental Taxes to pay costs the City incurred to administer and monitor the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds before any City Funds are paid under this Agreement.

(c) Intentionally Omitted.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03, or if the cost of completing the Project exceeds the Project Budget, Owner shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 Preconditions of Disbursement. (e) Developer Parties have received no notice and have no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the Available Project Funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. Developer hereby agrees that, if the Project is not In Balance, Developer shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require Developer Parties to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the TIF Ordinances, this Agreement and/or the Escrow Agreement.

4.08 Conditional Grant. The City Funds are being granted on a conditional basis, subject to Developer Parties' compliance with the provisions of this Agreement, and are subject to being reimbursed as provided in Section 15.02.

4.09 Return of City Funds Upon Refinance, Sale or Transfer. For purposes of this Section 4.09, the term "Capital Event" shall mean an arms-length sale, transfer, or refinancing of the Project, excluding (i) a refinancing of the construction loan (if any) to a permanent loan as part of the normal course of business, (ii) a refinance of the Historic Tax Credit Equity, or (iii) a Permitted Transfer. Upon the occurrence of a Capital Event, the Owner agrees to pay and remit to the City a one-time payment in accordance with the following schedule:

- (a) An amount equal to 75% of the amount by which the Net Proceeds exceed the amount needed for Owner to achieve a 1.8x equity multiple on the Equity amount specified in Section 4.01, if the Capital Event occurs from the Closing through the fifth anniversary of the issuance of the Certificate.
- (b) An amount equal to 20% of the amount by which the Net Proceeds exceed the amount needed for Owner to achieve a 1.8x equity multiple on the Equity amount specified in Section 4.01 (up to the full amount of City Funds actually paid as of the date of the Capital Event), if the Capital Event occurs from the fifth anniversary of the issuance of the Certificate through the Reporting Period.

For purposes of calculating the return of City funds provided for above, Net Proceeds shall be calculated based on a price allocation for the Facility relative to the Overall Property, determined by the Owner as follows: (1) If a sale or recapitalization occurs, the allocation will be determined by the buyer; (2) if the buyer does not allocate the price, the allocation will be determined by an investment sales broker, and (3) if the Capital Event is a refinancing, the price allocation will be determined by a capital markets broker.

Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in Section 8.19(c) below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying, or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(iii) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge before the final determination of such proceedings; and/or

(iv) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, then Developer shall advise DPD in writing. At that time DPD in its sole discretion may, but shall not be obligated to, make all or any part of such payment or obtain such discharge and take any other related action which DPD deems advisable. By taking any action under this paragraph, DPD shall not waive or release any obligation or liability of Developer under this Agreement. Developer shall promptly reimburse DPD for all sums, if any, DPD pays under this paragraph and expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto. Notwithstanding anything contained in this paragraph to the contrary, this paragraph shall not be construed to obligate the City to pay any Governmental Charge. (c) Intentionally omitted.

(d) Notification to the Cook County Assessor of Change in Use or Ownership. If required under 35 ILCS 200/15-20 due to a change in use or ownership of the Property, within 90 days after the Closing Date, Developer shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor of such change in use or ownership. After delivery of the notification, Developer shall forward a copy of the return receipt to DPD, with a

copy to the City's Corporation Counsel's office.

8.20 Annual Compliance Report. Throughout the Reporting Period, Owner shall submit to DPD the Annual Compliance Report within 60 days after the end of the calendar year to which the Annual Compliance Report relates.

8.21 Inspector General. It is the duty of Developer Parties and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant, to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.22 Sustainable Development Policy. Developer Parties shall provide evidence acceptable to the City that they have complied with the Sustainable Development Policy for the Project within one (1) year after the date of the Certificate. If a default occurs under this Section 8.22, the City shall have the right to reduce the City Funds by \$250,000 as described in Section 15.02.

8.23. FOIA and Local Records Act Compliance.

(a) FOIA. Developer Parties acknowledge that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If Developer receives a request from the City to produce records within the scope of FOIA, then Developer covenants to comply with such request within 48 hours of the date of such request. Failure by Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that Developer Parties submit to the City as part of the Annual Compliance Report or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act.

8.24 Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties to this Agreement and, except as provided in Section 7 when the Certificate is issued, shall be in effect throughout the Term of the Agreement.

8.25 Increment and Rate of Return Reporting. Developer agrees to report the increment projected to be created by the Project at the Closing Date. Developer agrees to report the increment to date created by the Project. Developer agrees to report the Project's rate of return. Rate of return report to be independently verified by a third party chosen by the City.

8.26 Affordable Housing Covenant. Owner agrees and covenants to the City that, prior to any foreclosure of the Property by a lender providing Lender Financing, if any, the provisions of that certain City Regulatory Agreement shall govern the terms of Developer's obligation to provide affordable housing. Following foreclosure, if any, and from the date of such foreclosure through the Term of the Agreement, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(a) The Facility shall be operated and maintained solely as residential rental housing with certain residential amenities and retail space;

(b) At least 7 of the Affordable Units shall be available for occupancy to and be occupied solely by one or more individuals qualifying as 40% AMI Families.

(c) At least 7 of the Affordable Units shall be available for occupancy to and be occupied solely by one or more individuals qualifying as 50% AMI Families.

(d) At least 13 of the Affordable Units shall be available for occupancy to and be occupied solely by one or more individuals qualifying as 60% AMI Families.

(e) At least 7 of the Affordable Units shall be available for occupancy to and be occupied solely by one or more individuals qualifying as 70% AMI Families.

(f) At least 7 of the Affordable Units shall be available for occupancy to and be occupied solely by one or more individuals qualifying as 80% AMI Families.

(g) The Affordable Units have monthly rents not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

(h) As used in this Section 8.26, the following terms has the following meanings:

(i) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and

(ii) “40% AMI Families” shall mean Families whose annual income does not exceed forty percent (40%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(iii) “50% AMI Families” shall mean Families whose annual income does not exceed fifty percent (50%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(iv) “60% AMI Families” shall mean Families whose annual income does not exceed sixty percent (60%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(v) “70% AMI Families” shall mean Families whose annual income does not exceed seventy percent (70%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(vi) “80% AMI Families” shall mean Families whose annual income does not exceed eighty percent (80%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(i) The covenants set forth in this Section 8.26 shall run with the land and be binding upon any transferee.

(j) The City and Owner may enter into a separate agreement to implement the provisions of this Section 8.26.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations under this Agreement.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties to this Agreement and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement

with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02.

10.02 City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

“Actual residents of the City” means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement

Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit B) shall be expended for contract participation by MBEs and by WBEs:

- (1) At least 26 percent by MBEs.
- (2) At least six percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a "contractor" and this

Agreement (and any contract let by Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Before starting the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be

approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

The Developer Parties have provided the City with a Phase I Environmental Site Assessment ("Phase I ESA") compliant with ASTM E-1527-21.

The Phase I ESA did not identify any Recognized Environmental Conditions ("RECs").

The Developer shall cooperate and consult with the City at all relevant times (and in all cases upon the City's request) with respect to environmental matters. 2FM shall have the right to review and approve the sufficiency of the Phase I and Phase II ESAs, if applicable. The City must be named in a reliance letter for all environmental assessment reports produced concerning the Property.

The Developer acknowledges that, except in the case of information specifically designated by the Applicant/Grantee to be treated confidentially as a trade secret or secret process, the City may make environmental assessments, hazardous material building surveys, Illinois Environmental Protection Agency site remediation program submittals, or similar environmental documents relating to the property publicly available, and Applicant/Grantee consents to the City's publication of those documents.

Developer will conduct a Hazardous Building Material Survey of the Site prior to conducting any work that could constitute renovation, demolition, or abatement under the Environmental Laws ("abatement work") on or within an existing physical structure located on the Property. The Hazardous Building Material Survey shall include (but is not limited to):

- asbestos and lead-based paint surveys,
- testing and visually inspecting and, as necessary, testing the Property to determine the presence and location of polychlorinated-biphenyl (PCB)-containing equipment and materials (such as lighting ballasts, switchgears, transformers, and hydraulic fluids),
- mercury-containing equipment and materials (mercury lamps, thermostats, switches, thermometers, regulators, and gauges),
- radioactive material-containing equipment and/or waste,

- medical wastes (such as biological or infectious wastes, hazardous chemicals, and/or wastes),
- refrigerants such as chlorofluorocarbons (CFCs),
- large appliances or equipment,
- mold,
- or any other materials that may require special handling or disposal during or after renovation, demolition, or abatement work.

The Hazardous Building Material Survey must discuss each of the Hazardous Building Materials listed above and state whether or not they were identified. The Hazardous Building Material Survey must document the type, location, quantity, and condition of each Hazardous Building Material that is identified.

Any Hazardous Building Materials that will be impacted by renovation or demolition activities, or are in poor or unstable condition, must be properly abated. A report documenting the Hazardous Building Material Survey results and an abatement plan shall be submitted to the City for review prior to beginning any renovation, demolition, or abatement work. Please note that abatement does not necessarily require removal and disposal of materials. Alternative methods to stabilize or prevent access to materials may be utilized if appropriate.

The Developer will incorporate the results of the Hazardous Building Material Survey into its Project documents and perform abatement work as part of the Project in accordance with all Environmental Laws. A report documenting the completion of the abatement work shall be submitted to the City prior to approval of the Property for occupancy. If abatement work activities are not deemed sufficient by the City, the Developer shall continue work at their own expense until approved.

Applicant/Grantee acknowledges that, except in the case of information specifically designated by the Applicant/Grantee to be treated confidentially as a trade secret or secret process, the City may make environmental assessments, hazardous material building surveys, Illinois Environmental Protection Agency Site Remediation Program submittals, or similar environmental documents relating to the property publicly available, and Applicant/Grantee consents to the City's publication of those documents.

Without limiting any other provisions hereof, Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Developer: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which Developer, or any person directly or indirectly controlling, controlled by or under common control with Developer, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by Developer), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Developer or any of its Affiliates under any Environmental Laws relating to the Property.

Developer must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent before closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer Parties is not a waiver by the City of any requirements for Developer to obtain and maintain the specified coverages. Developer Parties shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer Parties of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by Developer Parties under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Developer Parties are a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Developer Parties must require Contractor and subcontractors to provide the insurance required herein, or Developer Parties may provide the coverages for Contractor and subcontractors. All Contractors and subcontractors are subject to the same insurance requirements of Developer unless otherwise specified in this Agreement.

If Developer Parties, any Contractor or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 13. INDEMNIFICATION

13.01 General Indemnity. Developer Parties agree to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnatee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(i) Developer Parties' failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) Developer Parties' or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, any official statement, limited offering memorandum or private placement memorandum or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by Developer or any Affiliate Developer or any agents, employees, contractors or persons acting under the control or at the request of Developer or any Affiliate of Developer; or

(iv) Developer Parties' failure to cure any misrepresentation in this Agreement or any other agreement relating to this Agreement;

provided, however, that Developer Parties shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. Developer Parties shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to Developer's loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at Developer's expense. Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by Developer with respect to the Project.

14.02 Inspection Rights. Upon three (3) business days' notice, Developer Parties shall permit any authorized representative of the City to access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. From the Closing Date through the end of the Term of the Agreement with respect to Owner and from the Closing Date through the issuance of the Certificate with respect to the Developer, the occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by a Developer Party, as applicable, hereunder:

(a) a Developer Party fails to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of such party under this Agreement or any related agreement;

(b) a Developer Party fails to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of such party under any other agreement with any person or entity if such failure may have a material adverse effect on such party's business, property, assets, operations or condition, financial or otherwise;

(c) a Developer Party makes or furnishes to the City any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted under this Agreement, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property,

including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against a Developer Party or for the liquidation or reorganization of a Developer Party, or alleging that a Developer Party is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer Party's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving a Developer Party; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for a Developer Party, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of a Developer Party; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) any judgment or order is entered against a Developer Party and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) an event of default occurs under the Lender Financing, if any, which default is not cured within any applicable cure period;

(i) the dissolution of Owner or Developer;

(j) a criminal proceeding (other than a misdemeanor) is instituted in any court against a Developer Party or any natural person who owns a material interest in a Developer Party and is not dismissed within thirty (30) days, or Developer Party or any natural person who owns a material interest in Developer Party is indicted for any crime (other than a misdemeanor);

(k) before the expiration of the Term of the Agreement, a majority of the ownership interests of Owner are sold or transferred (other than a Permitted Transfer or a sale or transfer to an Affiliate of Owner) without the prior written consent of the City;

(l) Developer Parties or any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to Developer Party fails to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer;

(m) failure to provide the City with an Annual Compliance Report within sixty (60) days of when it is due, as set forth in Section 8.20; or

(n) Developer Parties fail to obtain the Certificate prior to the third anniversary of the Closing Date.

For purposes of Sections 15.01(i) and 15.01(j), a person with a material interest in Developer shall be one having a direct or indirect beneficial interest (including ownership) exceeding 10% of Developer.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer are or shall be parties, suspend disbursement of City Funds, place a lien on the Project in the amount of City Funds paid and/or seek reimbursement of any City Funds paid, as set forth in this Section 15.02 below. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained in this Agreement. Upon the occurrence of an Event of Default under Section 8.06, Developer shall be obligated to repay to the City all previously disbursed City Funds.

Upon the occurrence of an Event of Default under Section 15.01(m), for which neither notice nor opportunity for cure shall be provided, Owner shall be obligated to pay to the City the amount of \$10,000 as liquidated damages, and not as a penalty, which such payment shall be required no more often than once per calendar year. Any payment of liquidated damages by Owner shall not relieve Owner of its obligation under Section 8.20.

Upon the occurrence of an Event of Default because of failure to comply with Section 8.22, (Sustainable Development Policy), the City's remedy shall be the right to reduce the amount of City Funds by \$250,000.

15.03 Curative Period. In the event a Developer Party shall fail to perform a monetary covenant which such Developer Party is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer Party has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer Party shall fail to perform a non-monetary covenant which Developer Party is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer Party shall not be deemed to have committed an Event of Default under this Agreement if it has started to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

15.04 Right to Cure by Investor Member and/or Lenders. In the event that an Event of Default occurs under this Agreement, and if, as a result thereof, the City intends to exercise any right or remedy available to it that could result in the termination of this Agreement, the cancellation, suspension, or reduction of any payment due from the City under this Agreement, the City shall send written notice of such intended exercise to the parties identified in Section 17 and the Investor Member and any lender providing Lender Financing, if any, shall have the right (but not the obligation) to cure such an Event of the Default within the cure periods set forth below, prior to exercising any remedies under the this Agreement.

(a) if the Event of Default is a monetary default, any party entitled to cure such default may cure it within 30 days after the expiration of the cure period, if any, granted to Developer with respect to such monetary default; and

(b) if the Event of Default is of a non-monetary nature, any party entitled to cure such default shall have the right to cure it within 30 days after the expiration of the cure period, if any, granted to Developer with respect to such non-monetary default; provided, however, that if such non-monetary default is not reasonably capable of being cured by any lender providing Lender Financing, if any, within such 30-day period, such period shall be extended for such reasonable period of time agreed to by the City as may be necessary to cure such default, provided that the party seeking such cure must diligently and continuously prosecute the cure of such default until the same has been cured and, if possession of the Project is necessary to effect such cure, the party seeking such cure must have instituted appropriate legal proceedings to obtain possession to the extent such party has the right to do so.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date of this Agreement with respect to the Property or any portion thereof that were made before or on the date of this Agreement in connection with Lender Financing, if any, and which are Permitted Liens are referred to in this Agreement as the "Existing Mortgages." Any mortgage or deed of trust that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to in this Agreement as a "New Mortgage." Any New Mortgage that Developer may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to in this Agreement as a "Permitted Mortgage." The City and Developer agree as follows:

(a) If a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest under this Agreement in accordance with Section 18.14 (Assignment), the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) If any mortgagee shall succeed to Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest under this Agreement in accordance with Section 18.14 (Assignment), the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "Developer" under this Agreement; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of Developer which accrued before such party succeeded to the interest of Developer under this Agreement, in which case Developer

shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest under this Agreement, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) From the Closing Date to the end of the Reporting Period, Owner shall not execute a New Mortgage with respect to the Property or any portion of the Property without the prior written consent of the Commissioner of DPD.

SECTION 18. MISCELLANEOUS

18.01 Amendment. This Agreement and its Exhibits may not be amended or modified without the prior written consent of the parties to this Agreement; provided, however, that the City, in its sole discretion, may amend, modify, or supplement the Redevelopment Plan without the consent of any party to this Agreement. No material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any

deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer (including those set forth in Sections 10.02 and 10.03) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by Developer by more than ninety (90) days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached to this Agreement, which is hereby incorporated into this Agreement by reference) constitutes the entire agreement between the parties to this Agreement and it supersedes all prior agreements, negotiations, and discussions between the parties relative to the subject matter of this Agreement.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to Developer Parties or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer Parties from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. Developer Parties agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or Developer Parties with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or Developer in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms of this Agreement. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties to this Agreement, shall constitute a waiver of any such parties' rights or of any obligations of any other party to this Agreement as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party under this Agreement are cumulative and the exercise of any one or more of the remedies provided for in this Agreement shall not be construed as a waiver of any other remedies of such party unless specifically so provided in this Agreement.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.09 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included in this Agreement and

the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.10 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, such ordinance(s) shall prevail and control.

18.11 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.12 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.13 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given, or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents, and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

18.14 Assignment. Developer may not sell, assign, or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City. Any successor in interest to Developer under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, as described in Section 7.02 (Effect of Issuance of Certificate; Continuing Obligations), for the Term of the Agreement. Developer consents to the City's sale, transfer, assignment, or other disposal of this Agreement at any time in whole or in part.

18.15 Binding Effect. This Agreement shall be binding upon Developer, the City and their respective successors and permitted assigns (as provided in this Agreement) and shall inure to the benefit of Developer, the City and their respective successors and permitted assigns (as provided in this Agreement). Except as otherwise provided in this Agreement, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.16 Force Majeure. Neither the City nor Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations under this Agreement. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

18.17 Business Economic Support Act. Pursuant to the Business Economic Support Act (30 ILCS 760/1 et seq.), if Developer Parties are required to provide notice under the WARN Act, the Developer Party shall, in addition to the notice required under the WARN Act, provide at the same time a copy of the WARN Act notice to the Governor of the State, the Speaker and Minority Leader of the House of Representatives of the State, the President and minority Leader of the Senate of State, and the Mayor of each municipality where Developer has locations in the State. Failure by a Developer Party to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth in this Agreement.

18.18 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party to this Agreement agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois, and the United States District Court for the Northern District of Illinois.

18.19 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Developer Parties agrees to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer Parties also will pay any court costs, in addition to all other sums provided by law.

18.20 Business Relationships. Developer Parties acknowledge (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (B) that Developer Parties have read such provision and understands that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a business relationship that creates a "Financial Interest" (as defined in Section 2-156-010 of the Municipal Code)(a "Financial Interest"), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a business relationship that creates a Financial Interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship that creates a Financial Interest, and (C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Developer hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, the parties to this Agreement have caused this Agreement to be executed on or as of the day and year first above written.
