Comment on Section V-E-2

The Disclosing Party is a member of the Capital One banking organization, an enterprise founded in 1988, well after the slavery era. Capital One has grown since its founding, including via the acquisition of other banking organizations.

In 2017, the Disclosing Party provided a detailed research report in connection with a prior affordable housing-related EDS, a copy of which is on file with the City of Chicago Department of Law. In that EDS, the Disclosing Party noted slavery era history in connection with the Union Bank (of Louisiana) ("Union Bank"). Union Bank, through a series of business combinations, was a predecessor entity of Hibernia National Bank, which was a bank that the Disclosing Party's parent corporation acquired in 2005.

The 2017 research report was produced by a third-party historical research firm, History Associates Inc. ("History Associates"), that was retained by the Disclosing Party's parent corporation to search publicly available records related to predecessors of the parent company and its subsidiaries and affiliates, including the Disclosing Party, in search of evidence of investments or profits from slavery or slaveholder insurance policies during the slavery era. History Associates conducted a review of surviving mortgage and conveyance records from 24 Louisiana parishes, and found references to 437 enslaved individuals owned by Union Bank at some point, and 8,149 individuals used to secure loans or mortgages issued by that bank. The History Associates research report includes names of enslaved individuals where known.

Since 2017, the Disclosing Party has not acquired any entities, including its recent acquisition of Discover Bank, that have histories extending back to the slavery era.

of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A(1) and A(2) above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities," as that term is defined in the Lobbying Disclosure Act of 1995, as amended.

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A(1) through A(4) above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

B. CERTIFICATION REGARDING EQUAL EMPLOYMENT OPPORTUNITY

Is the Disclosing Party the Applicant?

PROHIBITION ON WAGE & SALARY HISTORY SCREENING - CERTIFICATION

This Appendix is to be completed only by an Applicant that is completing this EDS as a “contractor” as defined in MCC Section 2-92-385. That section, which should be consulted (www.amlegal.com), generally covers a party to any agreement pursuant to which they: (i) receive City of Chicago funds in consideration for services, work or goods provided (including for legal or other professional services), or (ii) pay the City money for a license, grant or concession allowing them to conduct a business on City premises.

On behalf of an Applicant that is a contractor pursuant to MCC Section 2-92-385, I hereby certify that the Applicant is in compliance with MCC Section 2-92-385(b)(1) and (2), which prohibit: (i) screening job applicants based on their wage or salary history, or (ii) seeking job applicants’ wage or salary history from current or former employers. I also certify that the Applicant has adopted a policy that includes those prohibitions.

☐ Yes

☐ No

☐ N/A – I am not an Applicant that is a “contractor” as defined in MCC Section 2-92-385.

This certification shall serve as the affidavit required by MCC Section 2-92-385(c)(1).

If you checked “no” to the above, please explain.

Comments on Section V-B Further Certifications

V-B-1: This certification does not apply to the Disclosing Party as the Matter is not a contract being handled by the City's Department of Procurement Services.

V-B-2: The Disclosing Party certifies that it is not delinquent in the payment of any tax administered by the Illinois Department of Revenue, except for taxes that are being contested in good faith in applicable legal proceedings (whether judicial or administrative). Neither the Disclosing Party nor its Affiliated Entities are delinquent in paying any fine, fee, tax or other source of indebtedness owed to the City of Chicago ("Debts") except for Debts which are being contested in good faith in applicable legal proceedings and except for possible delinquencies in the ordinary course of business arising from: (i) property on which the Disclosing Party or its Affiliated Entities hold only a mortgage and do not own the underlying property; (ii) property of the Disclosing Party or its Affiliated Entities which is leased to others where such tenants bear the legal responsibility of payments to the City; (iii) property which the Disclosing Party or its Affiliated Entities have taken ownership of property through foreclosure or other delinquency proceedings; and (iv) property owned by the Disclosing Party or its Affiliated Entities as a trustee and fiduciary where the holder of the beneficial interest is responsible for payment of Debts.

Representatives and agents of the Disclosing Party and its Affiliated Entities contact City representatives (or otherwise receive information) as necessary to identify outstanding Debts duly payable by the Disclosing Party and its Affiliated Entities and any such Debts are settled accordingly.

V-B-3-a: The Disclosing Party certifies this statement with respect to the Disclosing Party itself and to the best of its knowledge with respect to the persons identified in Section II(B)(1) as to the time period during which person has been affiliated with the Disclosing Party.

V-B-3-b, c and e and V-B-5-a, b, c and d (as to 2-92-320(a)(5)): The Disclosing Party is routinely involved in litigation in various state and federal courts. With an approximate worldwide collective headcount of 76,300 (as of December 31, 2025), such a large business presence and a wide variety of activities subject to complex and extensive regulatory frameworks at the local, state, and federal levels, it is not possible for the Disclosing Party and its Affiliated Entities to perform due diligence across the full panoply of associates in preparing the Disclosing Party's response and it is possible that allegations or findings of civil or criminal liability, as well as the termination of one or more transactions for various reasons may have arisen and pertain to or be the subject of matters covered in these certifications. The Disclosing Party (including with respect to those persons identified in Section II(B)(1) who are employed by the Disclosing Party) makes all required disclosures in the Forms 10-K, 10-Q and 8-K (filed by its ultimate publicly-traded parent corporation, Capital One Financial Corporation, with the Securities and Exchange Commission) and in the Annual Report of the ultimate parent corporation as posted on its website. In addition, any registered broker-dealer and investment

adviser subsidiaries or affiliates make all required disclosures in their Form BDs and filed with FINRA and their Form ADVs as filed with the SEC. These filings include disclosures of investigations and litigation as required by the securities regulatory organizations and federal law, and are publicly available (a copy of the "Litigation" portions of the Form 10-K by the Disclosing Party's parent corporation for calendar year 2025 is attached). The Disclosing Party cannot confirm or deny the existence of any other non-public investigation conducted by any governmental agency unless required to do so by law. With respect to those persons identified in Section II(B)(1) who may not be employed by the Disclosing Party (such as independent directors), such persons are involved in a wide variety of business, charitable, social and other activities and transactions independent of their activities on behalf of the Disclosing Party and the Disclosing Party cannot further certify. As for any unrelated Contractor, Affiliated Entity or such Contractors or Agents of either ("Unrelated Entities"), however, the Disclosing Party certifies that with respect to the Matter it has not and will not knowingly hire, without disclosure to the City of Chicago, any Unrelated Entities who are unable to certify to such statements and the Disclosing Party cannot further certify as to the Unrelated Entities. It is the Disclosing Party's policy to diligently investigate any allegations relevant to the requested certifications, promptly resolve any allegations or findings and at all times comply in good faith with all applicable legal requirements.

V-B-3-d: The Disclosing Party performed due diligence within the Governmental and Policy Affairs Group of the Disclosing Party and/or its Affiliated Entities ("GPAG Group") to determine whether any GPAG Group employees were aware of any public finance transactions (federal, state or local) having been terminated for cause or default within the last five years, and none of such employees were aware of any such transactions.

V-B-5: Please note that our responses are on behalf of the Disclosing Party and its Affiliated Entities only and not on behalf of any Contractors.

V-B-6: Disclosing Party certifies to this Statement as to the Disclosing Party and its Affiliated Entities only. (Please see "Litigation Matters" attachments for potentially relevant additional information, if any.)

V-B-12: The Disclosing Party, including its Affiliated Entities, has a worldwide collective headcount of approximately 76,300 (as of December 31, 2025), and is unaware of any particular employee having been a City of Chicago employee or elected or appointed official during the time period previously described, but did not, for its new hires during the period of March 2025 through March 2026, collect data on immediately preceding employment by the City of Chicago or status of a new hire as an elected or appointed official of the City of Chicago.

Litigation

In accordance with the current accounting standards for loss contingencies, we establish reserves for legal and regulatory related matters that arise from the ordinary course of our business activities when it is probable that a loss associated with a claim or proceeding has been incurred and the amount of the loss can be reasonably estimated. Except as discussed below, litigation and regulatory matters were not considered to be material to our financial condition. Litigation claims and proceedings of all types are subject to many uncertain factors that generally cannot be predicted with assurance.

We are defendants or respondents in a number of evolving legal and regulatory matters. For certain matters, we are able to estimate reasonably possible losses above existing reserves, and for other matters, such an estimate is not possible at this time. Management estimates that reasonably possible future losses above our reserves for legal and regulatory matters as of December 31, 2025 are up to approximately \$300 million. Our reserve and reasonably possible loss estimates involve considerable judgment and reflect that there is significant uncertainty regarding numerous factors that may impact the ultimate loss levels. Notwithstanding our attempt to estimate a reasonably possible range of loss beyond our current accrual levels for some legal and regulatory matters based on current information, it is possible that actual future losses will exceed both the current accrual level and reasonably possible losses disclosed here. Given the inherent uncertainties involved in these matters and the very large or indeterminate damages sought in some of these, there is significant uncertainty as to the ultimate liability we may incur from these legal and regulatory matters and an adverse outcome in one or more of these matters could be material to our results of operations or cash flows for any particular reporting period.

Below we provide a description of potentially material legal and regulatory proceedings and claims.

Discover Card Product Misclassification

Discover and certain of its subsidiaries entered into a settlement agreement to resolve putative class actions filed on behalf of merchants allegedly affected by the Card Product Misclassification. The court granted preliminary approval of the settlement on July 30, 2025. Discover reserved \$1.2 billion related to this matter and the class action settlement will be the primary means through which restitution will be paid to adversely affected merchants, merchant acquirers and other intermediaries.

Discover was also named as a defendant in a putative class action on behalf of shareholders alleging securities and other claims based on the Card Product Misclassification, among other subjects. On March 31, 2025, the court dismissed the putative shareholder class action without prejudice, and on May 14, 2025, plaintiffs moved for leave to file an amended complaint. Discover was also subject to an SEC investigation into the Card Product Misclassification matter. We are cooperating with the investigation.

Interchange Litigation

In 2005, a putative class of retail merchants filed antitrust lawsuits against Mastercard and Visa and several issuing banks, including Capital One, seeking both injunctive relief and monetary damages for an alleged conspiracy by defendants to fix the level of interchange fees. The Visa and Mastercard payment networks and issuing banks entered into settlement and judgment sharing agreements allocating the liabilities of any judgment or settlement arising from all interchange-related cases.

The lawsuits were consolidated before the U.S. District Court for the Eastern District of New York for certain purposes and were settled in 2012. The class settlement, however, was invalidated by the United States Court of Appeals for the Second Circuit in June 2016, and the suit was bifurcated into separate class actions seeking injunctive and monetary relief, respectively. In addition, numerous merchant groups opted out of the 2012 settlement.

The monetary relief class action settled for \$5.5 billion and was approved by the District Court in December 2019. The Second Circuit affirmed the settlement in March 2023, and it is final. Some of the merchants that opted out of the monetary relief class have brought cases, and some of those cases have settled and some remain pending. Visa created a litigation escrow account following its initial public offering of stock in 2008 that funds the portion of these settlements attributable to Visa-allocated transactions. Any settlement amounts based on Mastercard-allocated transactions that have not already been paid are reflected in our reserves. Visa and Mastercard reached a settlement with the injunctive relief class and filed a motion for preliminary approval, which was denied by the District Court in June 2024. Visa and Mastercard reached a new settlement with the injunctive relief class and filed a motion for preliminary approval with the District Court in November 2025.

Cybersecurity Incident

On July 29, 2019, we announced that on March 22 and 23, 2019 an outside individual gained unauthorized access to our systems. This individual obtained certain types of personal information relating to people who had applied for our credit card products and to our credit card customers (the "2019 Cybersecurity Incident"). As a result of the 2019 Cybersecurity Incident, we have been subject to numerous legal proceedings and other inquiries.

We are named as a defendant in four putative consumer class action cases in Canadian courts alleging harm from the 2019 Cybersecurity Incident. The lawsuits allege breach of contract, negligence, violations of various privacy laws and a variety of other legal causes of action. Courts in British Columbia and Quebec have certified classes of consumers. The final two putative class actions, both of which are pending in Alberta have not advanced beyond a preliminary stage.

Savings Account Litigation and Related Attorney General Litigation

On July 10, 2023, we were sued in a putative class action in the Eastern District of Virginia by savings account holders alleging breach of contract and a variety of other causes of action relating to our introduction of a new savings account product with a higher interest rate than existing savings account products ("Savings Account Litigation"). Since the original suit, we were sued in six similar putative class actions in federal courts in California, Illinois, Ohio, Virginia, New Jersey and New York. On March 20, 2024, we filed with the Judicial Panel on Multidistrict Litigation a motion to consolidate and transfer related actions to the Eastern District of Virginia. In June 2024, the Judicial Panel granted the motion and transferred the related actions to the Eastern District of Virginia. Plaintiffs filed a consolidated complaint on July 1, 2024, and the court set a trial date in July 2025. In November 2024, the court denied our motion to dismiss.

On May 14, 2025, the New York Attorney General sued Capital One in the Southern District of New York alleging a variety of causes of action under New York and federal law based on factual allegations similar to those raised in the Savings Account Litigation pending in the Eastern District of Virginia ("New York Attorney General Litigation"). On August 7, 2025, the New York Attorney General Litigation was transferred to the Eastern District of Virginia and Capital One filed a motion to dismiss on August 29, 2025.

The parties in the Savings Account Litigation reached an agreement to settle the case and the court granted preliminary approval of the settlement. In September 2025, the New York Attorney General, on behalf of itself and 17 other state attorneys general, filed an amicus brief opposing the class action settlement in the Savings Account Litigation and in November 2025, the court denied final approval of the settlement. In December 2025, the parties reached a new settlement. If approved by the court, the new settlement will include a \$425 million settlement fund, which is reflected in our reserves, and an agreement to increase the interest rate on 360 Savings accounts to match the interest paid on 360 Performance Savings accounts. The new settlement will also resolve the New York Attorney General Litigation. The court granted preliminary approval on January 12, 2026. A final approval hearing is scheduled on April 20, 2026.

Other Pending and Threatened Litigation

In addition, we are commonly subject to various pending and threatened legal actions relating to the conduct of our normal business activities. In the opinion of management, the ultimate aggregate liability, if any, arising out of all such other pending or threatened legal actions is not expected to be material to our consolidated financial position or our results of operations.

Deposit Insurance Assessments

On November 16, 2023, the FDIC finalized a rule to implement a special assessment to recover the loss to the Deposit Insurance Fund ("DIF") arising from the protection of uninsured depositors in connection with the systemic risk determination announced on March 12, 2023, following the closures of Silicon Valley Bank and Signature Bank. In December 2023, the FDIC provided notification that it would be collecting the special assessment at an annual rate of approximately 13.4 basis points ("bps") over eight quarterly collection periods, beginning with the first quarter of 2024 with the first payment due on June 28, 2024. On December 16, 2025, the FDIC adopted an interim final rule reducing the assessment rate for the eighth and final quarterly collection period based on updated loss estimates, and announced that no extension of the assessment period will be necessary. The special assessment base is equal to an insured depository institution's estimated uninsured deposits reported on its Consolidated Reports of Condition and Income as of December 31, 2022 ("2022 Call Report"), adjusted to exclude the first \$5.0 billion of uninsured deposits. We recognized \$289 million in operating expense in the fourth quarter of 2023 associated with the special assessment based on our 2022 Call Report, which was revised and refiled during 2023. As a result of updates from the FDIC related to our portion of the FDIC's estimate of relevant DIF losses, we have recognized \$289 million of operating expenses related to the special assessment as of December 31, 2025.

On July 8, 2025, the FDIC invoiced CONA for additional special assessment fees and interest and asserted that CONA underreported its estimated uninsured deposits on the 2022 Call Report. CONA disagrees with the FDIC's special assessment calculation. On September 10, 2025, CONA filed suit against the FDIC in the United States District Court for the Eastern District of Virginia seeking a declaratory judgment that CONA does not owe the disputed portion of the FDIC's special assessment. On November 17, 2025, the FDIC filed a counterclaim seeking payment of the disputed amount. While we cannot predict the outcome of this dispute with the FDIC, we estimate that the amount of reasonably possible additional special assessment fees above our existing accrual is approximately \$150 million, based on the FDIC's December 2025 interim final rule and other factors. CONA has deposited collateral satisfactory to the FDIC related to the disputed additional assessment amounts that have been invoiced to date. The deposited collateral will remain in custody with a third-party bank pending resolution of the dispute.

Finally, the ultimate amount of expenses associated with the special assessment will also be impacted by the finalization of the losses incurred by the FDIC in the resolutions of Silicon Valley Bank and Signature Bank. For additional information about the special assessment, including the interim final rule, see “Part I—Item 1. Business—Supervision and Regulation—Resolution and Recovery Planning Requirements and Related Authorities—FDIC Deposit Insurance Assessments.”

9. [FOR APPLICANT ONLY] The Applicant and its Affiliated Entities will not use, nor permit their subcontractors to use, any facility listed as having an active exclusion by the U.S. EPA on the federal System for Award Management ("SAM").

10.
