

ORDINANCE

WHEREAS, the City of Chicago (the "City") is a home rule unit of government under Article VII, Section 6(a) of the Constitution of the State of Illinois, and as such may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is authorized under its home rule powers to regulate the use and development of land; and

WHEREAS, it is a reasonable condition of development approval to ensure that adequate open space and recreational facilities exist within the City; and

WHEREAS, on April 1, 1998, the City Council of the City (the "City Council") adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City; and

WHEREAS, the Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"); and

WHEREAS, pursuant to the Open Space Ordinance, the City's Department of Finance ("DOF") has collected fees derived from the Fee-Paying Developments (the "Open Space Fees") and has deposited those fees in separate funds, each fund corresponding to the Community Area (as defined in the Open Space Ordinance) in which each of the Fee-Paying Developments is located and from which the Open Space Fees were collected; and

WHEREAS, the City's Department of Planning and Development ("DPD") has determined that the Fee-Paying Developments built in the Austin Community Area have deepened the already significant deficit of open space in the Austin Community Area, which deficit was documented in the comprehensive plan entitled "The CitySpace Plan," adopted by the Chicago Plan Commission on September 11, 1997 and adopted by the City Council on May 20, 1998 and appearing on pages 69309-69311 of the Journal of the Proceedings of the City Council of the same date; and

WHEREAS, Territory NFP, an Illinois not-for-profit corporation, is a local community group dedicated to preserving and developing open space (the "Grantee"); and

WHEREAS, the City desires to grant to the Grantee certain Open Space Fee proceeds funds to pay or reimburse the Grantee for development of the Territory Community Garden to be generally located at 557 North Central Avenue, Chicago, Illinois in the Austin Community Area (the "Project"); and

WHEREAS, DPD desires to provide to the Grantee Open Space Fee proceeds in the amount of \$270,000 from the Austin Community Area for the Project; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fee proceeds be used for open space acquisition or capital improvements, or both, which provide a direct and material benefit to the new development from which the Open Space Fees are collected; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fee proceeds be expended within the same or a contiguous community area from which they were collected after a legislative finding by the City Council that the expenditure of the Open Space Fee proceeds will directly and materially benefit the developments from which the Open Space Fees were collected; and

WHEREAS, DPD has agreed to use Open Space Fee proceeds to pay for site preparation costs relating to the Project; and

WHEREAS, DPD has determined that the use of the Open Space Fee proceeds to assist the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected in that the Open Space Fee proceeds used for the Project will come from the specific funds set up by DOF for the corresponding Community Areas in which a Fee-Paying Development is located and from which the Open Space Fees were collected; and

WHEREAS, DPD has recommended that the City Council make a finding that the expenditure of the Open Space Fee proceeds as described herein will directly and materially benefit the Fee-Paying Developments from which the Open Space Fees were collected; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated in and made part of this ordinance as though fully set forth herein.

SECTION 2. The City Council hereby finds that the expenditure of Open Space Fee proceeds will directly and materially benefit the residents of those Fee-Paying Developments from which the Open Space Fees were collected and approves the use of the Open Space Fee proceeds.

SECTION 3. The Commissioner of Planning and Development (the "Commissioner") and a designee of the Commissioner are each hereby authorized, subject to the approval of the Corporation Counsel, to enter into an agreement with the Grantee in connection herewith, in substantially the form attached hereto as Exhibit A and made a part hereof, with such changes, deletions and insertions as shall be approved by the persons executing the agreement, and to provide Open Space Fee proceeds to the Grantee in an amount not to exceed \$270,000, from the corresponding fund to pay for expenses permitted under the Open Space Ordinance.

SECTION 4. Open Space Fee proceeds in the amount of \$270,000 from the Austin Community Area are hereby appropriated for the purposes described herein.
