

ORDINANCE

WHEREAS, the City of Chicago (the "City"), is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, the City is authorized under its home rule powers to regulate the use and development of land; and

WHEREAS, it is a reasonable condition of development approval to ensure that adequate open space and recreational facilities exist within the City; and

WHEREAS, on April 1, 1998, the City Council of the City (the "City Council") adopted the Open Space Impact Fee Ordinance codified at Chapter 18 of Title 16 (the "Open Space Ordinance") of the Municipal Code of Chicago (the "Code") to address the need for additional public space and recreational facilities for the benefit of the residents of newly created residential developments in the City; and

WHEREAS, the Open Space Ordinance authorizes, among other things, the collection of fees from residential developments that create new dwelling units without contributing a proportionate share of open space and recreational facilities for the benefit of their residents as part of the overall development (the "Fee-Paying Developments"); and

WHEREAS, pursuant to the Open Space Ordinance, the Department of Finance ("DOF") has collected fees derived from the Fee-Paying Developments (the "Open Space Fees") and has deposited those fees in separate funds, each fund corresponding to the Community Area (as defined in the Open Space Ordinance), in which each of the Fee-Paying Developments is located and from which the Open Space Fees were collected; and

WHEREAS, the Open Space Ordinance requires that the Open Space Fees: (i) be used for open space acquisition or capital improvements, or both, which provide a direct and material benefit to the new development from which the fees are collected, and (ii) be expended within the same or a contiguous Community Area from which they were collected after a legislative finding by the City Council that the expenditure of the Open Space Fees will directly and materially benefit the developments from which the Open Space Fees were collected; and

WHEREAS, the Department of Planning and Development (the "Department") has determined that the Fee-Paying Developments built in the Avondale Community Area have deepened the already significant deficit of open space in the Avondale Community Area, which deficit was documented in the comprehensive plan entitled "The City Space Plan," adopted by the Chicago Plan Commission on September 11, 1997 and adopted by the City Council on May 20, 1998; and

WHEREAS, the Board of Education of the City of Chicago, a body politic and corporate (the "Board"), has proposed certain improvements including, but not limited to, the milling and disposing of existing asphalt and concrete pavement, installation of an approximately 8,100 square foot artificial turf field system, a new curb, drainage infrastructure, a new ornamental fence,

and a 7 foot high netting (the "Project") at Frank W. Reilly School Elementary School located at 3650 West School Street, Chicago, Illinois, 60618; and

WHEREAS, the Department wishes to make available to the Board proceeds from the Open Space Fees collected by DOF in an amount not to exceed Two Hundred Eighty-Six Thousand and No/100 dollars (\$286,000) for the purpose of funding the Project which will provide open space and recreational facilities for the benefit of the residents of the Avondale Community Area; and

WHEREAS, the Department and the Board have agreed to enter into an intergovernmental cooperation agreement in substantially the form attached hereto as Exhibit 1 (the "Agreement") whereby the Department shall pay for or reimburse the Board for a portion of the Project costs; and

WHEREAS, the Board has agreed to use the proceeds from the Open Space Fees for capital improvements relating to the Project subject to the terms and conditions specified in the Agreement; and

WHEREAS, the Department has determined that the use of the Open Space Fees to assist with the Project will provide a direct and material benefit to each of the Fee-Paying Developments from which the Open Space Fees were collected in that the Open Space Fees used for the Project will come from the specific fund set up by DOF for the Avondale Community Area in which a Fee-Paying Development is located and from which the Open Space Fees were collected; and

WHEREAS, the Department has recommended that the City Council (i) approve the use of the Open Space Fees for the purposes set forth in this ordinance; (ii) make a finding that the expenditure of the Open Space Fees as described herein will directly and materially benefit the Fee-Paying Developments from which the Open Space Fees were collected; and (iii) authorize the Department to enter into the Agreement; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are expressly incorporated in and made part of this ordinance as though fully set forth herein.

SECTION 2. The City Council hereby finds that the expenditure of the Open Space Fees for the purpose of funding the Project will directly and materially benefit the residents of those Fee-Paying Developments from which the Open Space Fees were collected and approves the use of the Open Space Fees for the Project.

SECTION 3. The Commissioner of Planning and Development (the "Commissioner") is hereby authorized to provide Open Space Fee proceeds to the Board in an amount not to exceed Two Hundred Eighty-Six Thousand and No/100 dollars (\$286,000) from the corresponding fund to pay for expenses permitted under the Open Space Ordinance.

SECTION 4. The Commissioner or a designee of the Commissioner are each hereby authorized, with the approval of the City's Corporation Counsel, to negotiate, execute and deliver

the Agreement in substantially the form attached hereto as Exhibit 1 and made a part hereof, and such other documents as may be necessary to carry out and comply with the provisions of the Agreement, with such changes, deletions and insertions as shall be approved by the persons executing the Agreement on the part of the Department.

SECTION 5. To the extent that any ordinance, resolution, rule, order or provision of the Code, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any other provisions of this ordinance.

SECTION 6. This ordinance shall take effect upon its passage and approval.
