Attachment for Section III – Income or Compensation to, Or Ownership by, City Elected Officials:

BofA Securities, Inc. ("BofAS") is a direct, wholly-owned subsidiary of NB Holdings, which itself is a direct, wholly-owned subsidiary of Bank of America Corporation (the "Corporation"), which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofAS, had approximately 213,000 full-time equivalent employees as of September 30, 2024, and is a global franchise, serving customers and clients around the world with operations across the U.S., and more than 35 countries. Additionally, as of September 30, 2024, the Corporation had approximately \$3.3 trillion dollars in assets. With the foregoing understanding, and in consideration of the confidential nature of our relationships with our many hundreds of thousands of clients, employees and shareholders, it is not reasonably feasible to perform such definitive due diligence spanning the full panoply of all of BofAS' and its related entities' departments, customers, employees, and principals to definitively determine if there are any such relationships which may currently pose a conflict of interest to our proposed relationship with you.

However, it is BofAS' intent that no other relationship, direct or indirect, can or would affect or impact its performance under any contract with you. We also note that all employees of the Corporation and its affiliates and subsidiaries including BofAS, are subject to a written Code of Conduct which each employee is required to read and acknowledge in writing on an annual basis, that requires all employees to disclose and receive appropriate approvals for any outside activities and relationships that may pose a conflict of interest to the Corporation or its affiliates and subsidiaries, and its business activities; as a result of those disclosures, no material conflicts have been identified.

In addition, with respect to those individuals supporting this transaction, BofAS confirms to the best of its knowledge and upon reasonable review that there are no conflicts of interest with the City of Chicago, or other entities that would disqualify BofAS from performing the requested services.

Attachment for Section V :

Disclosing Party certifies, as set forth below, to the best of its knowledge and belief that with respect to V.B.3.a.:

To the best of our knowledge and belief, after reasonable due diligence, neither BofA Securities, Inc. ("BofA Securities") nor its registered Executive Officers and Directors identified in Section II.B.1 of this EDS has had its authorization to act as a federal contractor revoked or suspended. No such information with respect to state or local entities is reported or to the best of our knowledge maintained separately.

V.B.3.b, c and e:

On May 11, 2019, BofA Securities, Inc. ("BofA Securities") agreed with Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S") to assume the assets and liabilities of the Global Banking and Markets business previously conducted by MLPF&S, including the regulatory and legal matters below.

In the ordinary course of business, BofA Securities is subject to regulatory examinations, information gathering requests, inquiries, and investigations ("Regulatory Inquiries") by various federal or state securities regulatory agencies and attorneys general, other local, state, and federal agencies, law enforcement, and self-regulatory organizations (collectively, "Regulators"); and is on occasion a defendant in or party to pending threatened legal actions and proceedings. In connection with formal and informal Regulatory Inquiries, BofA Securities receives numerous requests, subpoenas and orders for documents, testimony and information in connection with various aspects of their regulated activities, and in some cases regulatory action has been taken against BofA Securities. BofA Securities believes that it has cooperated fully with the Regulators in all such inquiries to date and intends to continue to cooperate fully with the Regulators in all such inquiries involving BofA Securities in the future.

Bank of America Corporation (the "Corporation"), BofA Securities' ultimate parent, makes all required disclosures in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K, all of which are filed with the U.S. Securities and Exchange Commission ("SEC") ("Regulatory Filings"). BofA Securities makes all required disclosures in its Form BD and ADV filings ("Form BD and ADV Filings") with the Financial Industry Regulatory Authority ("FINRA"). Those Regulatory Filings and Form BD and ADV Filings include disclosures of Regulatory Inquiries as required by federal law and applicable regulations. The Regulatory Filings are publicly available on the SEC's website at www.sec.gov. The Form BD Filings are publicly available on the FINRA BrokerCheck system at <http://brokercheck.finra.org/>. The Form ADV filings are publicly available on the SEC's Investment Adviser Search website at: <http://www.adviserinfo.sec.gov/IAPD/default.aspx>.

The Corporation cannot confirm or deny the existence of any other, non-public Regulatory Inquiry conducted by any Regulator unless required to do so by law.

Please note the following public matters involving BofA Securities' public finance business over the past five (5) years:

Municipal Bond Underwriting False Claims Act Lawsuits

Beginning in January 2016, the Corporation was served, along with a number of other banks, with lawsuits brought by Roger Hayes and Talbot Heppenstall (the "Relators") in Illinois, California, New Jersey and New York under those state's respective False Claims Acts. In each case, the Relators alleged that the

defendants falsely represented to state and municipal officials that they would obtain the lowest yields/highest prices for new negotiated municipal bond offerings in order to secure underwriting engagements for those offerings. All of the cases have been dismissed or withdrawn: The Illinois lawsuit was dismissed by the trial court without prejudice in September 2017; the California lawsuit was dismissed by the trial court with prejudice in March 2019; the New Jersey lawsuit was dismissed by the trial court without prejudice in early May 2019; and the Relators voluntarily discontinued the New York lawsuit in June 2019.

VRDO False Claims Act Lawsuits

Since November 2017, the Corporation has been served, along with a number of other banks, with lawsuits brought by Edelweiss Fund, LLC ("Edelweiss") in Illinois, California, Massachusetts, New Jersey and New York under those state's respective False Claims Acts. In February 2019, the Massachusetts state court permitted the substitution of Bjorn Johan Rosenberg for Edelweiss as the relator in the case. In each case, Edelweiss and Rosenberg purport to assert claims that the defendants engaged in a coordinated "robo-setting" scheme under which they allegedly set the rates for Variable Rate Demand Obligations ("VRDOs") mechanically in order to keep the rates artificially high and thereby reduce the chances of having to remarket the bonds. To date, the Attorney Generals of each of these states have declined to join in the lawsuits. The Massachusetts Supreme Court affirmed the trial court's dismissal of that case in May 2021. In October 2023, the defendants, including Bank of America, reached an agreement to settle the Illinois case for an aggregate of \$70 million. The New York, New Jersey and California cases remain pending.

VRDO Antitrust Actions

On February 20, 2019, the City of Philadelphia filed a putative antitrust class action complaint in the U.S. District Court for the Southern District of New York alleging that several of the Corporation's affiliates and affiliates of six other large banks, acting in their capacity as remarketing agents for VRDOs, conspired between 2008 and 2016 to artificially inflate interest rates on VRDOs to the detriment of their municipal issuer customers. The complaint asserts causes of action (i) under Section 1 of the Sherman Antitrust Act and Sections 4 and 16 of the Clayton Antitrust Act, (ii) for breach of contract, and (iii) for unjust enrichment. On March 25, 2019, the Mayor and City Council of Baltimore, Maryland filed a similar class action antitrust complaint in the U.S. District Court for the Southern District of New York against several Bank of America affiliates and affiliates of other banks. The trial judge has ordered the cases to be consolidated. On June 3, 2021, a new VRDO antitrust class action complaint was filed in the Southern District of New York on behalf of a proposed subclass of California municipal issuers and asserting several claims under California law based on the same alleged conduct. On August 6, 2021, Plaintiffs in the main case filed an amended complaint that includes the California plaintiffs as named parties and otherwise absorbs/covers their claims. In September 2023, the trial judge granted Plaintiffs motion for class certification.

Puerto Rico Lawsuits

On September 15, 2022, Drivetrain, LLC as trustee for the Commonwealth of Puerto Rico ("Trustee") filed a second amended complaint in the adversary proceeding captioned Drivetrain, LLC v. Barclays Capital, Inc. et al., Adv. Pro. No. 19-00280 in the U.S. Bankruptcy Court for the District of Puerto Rico against BofA Securities, Inc. ("BofA"), Merrill Lynch, Pierce, Fenner & Smith Inc. ("MLPF&S"), and Merrill Lynch Capital

Services, Inc. ("MLCS," and collectively with BofA and MLPF&S, the "BANA Entities") and numerous other financial institutions that served as underwriters on 17 bond issuances by the Commonwealth of Puerto Rico and its instrumentalities and/or entered into interest rate swap agreements in the years leading up to the bankruptcy. The Trustee asserts claims against MLCS (the swap counterparties) and the other swap counterparties for rescission of the swap agreements because they were allegedly never registered in accordance with Puerto Rico law. In addition, the Trustee asserts claims against the BANA Entities and the other financial institutions for: (i) recovery of fees provided under the underwriter and swap agreements based on a theory that the bond issuances were allegedly contrary to Puerto Rico laws and increased Puerto Rico's insolvency because (1) the Puerto Rico agency issuing the bonds allegedly did not have the authority to so, (2) the bond issuances were allegedly not in the interest of the general welfare of Puerto Rico, or (3) the bond issuances allegedly added general obligation debt in violation of Puerto Rico's constitutional debt limit, and (ii) fraudulent conveyance of all fees and/or interest and principal payments on bonds the BANA Entities received in connection with the allegedly invalid bond issuances and swap agreements.

In addition, Ambac Assurance Corporation ("AMBAC"), Financial Guaranty Insurance Company ("FGIC") and National Public Finance Guarantee Corporation have brought lawsuits in a local court in Puerto Rico against Merrill Lynch and certain affiliates and 8 other underwriters for one or more bonds issued from 2001 to 2007 by the Commonwealth of Puerto Rico and its agencies. The plaintiffs allege that they were induced to insure the bonds based upon defendants assurances that they had reasonably investigated the statements in the Official Statements and that the underwriters had a reasonable basis for believing that the statements were true and complete. All three complaints are based on two equitable doctrines of Puerto Rican law: *Doctrina de Actos Propios* (i.e., "doctrine of own acts," which protects a third party who relies in good faith on the veracity of manifestations or actions of another); and *Unilateral Declaration of Will* (i.e., the creation of an obligation through a unilateral act in the form of a concrete promise on which others are intended to rely). On July 9, 2021, the FGIC complaint was dismissed with prejudice. On July 30, 2021, the AMBAC complaint was also dismissed. The Puerto Rico Court of Appeals has affirmed both dismissals. On December 20, 2021, the Court of Appeals reversed the trial court's denial of defendant's motion to dismiss the National complaint and dismissed that lawsuit too. National sought permission to appeal to the Puerto Rico Supreme Court and the Supreme Court denied the petition on May 13, 2022.

BofA Securities' registered officers and employees make required disclosures in their Form U-4, which are filed with FINRA pursuant to a directive from the SEC. These Form U-4 filings are publicly available on the FINRA BrokerCheck system at <http://brokercheck.finra.org/>.

V.B.3.d:

The Disclosing Party performed due diligence within the Public Finance Group of BofA Securities to determine whether any Public Finance Group employees were aware of any public finance transactions (federal, state or local) having been terminated for cause or default within the last five years, and none of such employees were aware of any such terminations.

V.B.5.a, b and c:

Please see response to V.B.3. b c and e above.

In addition, to the best of our knowledge and belief, after reasonable due diligence, BofA Securities believes that it is not barred from contracting with any unit of State or local government pursuant to 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 because neither BofA Securities nor its current employees have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses. Moreover, BofA Securities is not aware of any former employees who have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses based on conduct that took place while they were employed by BofA Securities.

V.B.8:

To the best of our knowledge and belief, after reasonable due diligence, BofA Securities believes that it is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither BofA Securities (or any controlling person of BofA Securities) nor any entity that BofA Securities has been affiliated with (including BANA and Banc of America Securities LLC ("BAS")) have within the past 5 years been convicted of, admitted guilt to in any civil or criminal proceeding, or charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a). Finally, BofA Securities believes that it is not ineligible under Section 2-92-320 of the Municipal Code of Chicago because neither BofA Securities nor its current employees have within the past 5 years been convicted of or made an admission of guilt regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4). Moreover, BofA Securities is not aware of any former employees who have been convicted of or made an admission of guilt within the past 5 years regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4) based on conduct that took place while they were employed by BofA Securities.

Attachment for Section V.B.2:

As of the date hereof, neither the Disclosing Party nor any Affiliated Persons are delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago. In the interest of ongoing transparency, we acknowledge a preliminary sales and use tax audit report from the City Department of Revenue and are working with the City to ensure all taxes are timely paid. We stress that we have received no actual notice of delinquency and there is no final finding of any amounts that may be owed. In accordance with this certification, the Disclosing Party will update at the end of each calendar quarter any event that materially affects the accuracy of the statements and information put forth in this certification.

Attachment for Section V.B.12-13/Appendix A:

BofA Securities, Inc. ("BofAS") is a direct, wholly-owned subsidiary of NB Holdings, which itself is a direct, wholly-owned subsidiary of Bank of America Corporation (the "Corporation"), which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofAS, had approximately 213,000 full-time equivalent employees as of September 30, 2024, and is a global franchise, serving customers and clients around the world with operations across the U.S., and more than 35 countries. Additionally, as of September 30, 2024, the Corporation had approximately \$3.3 trillion dollars in assets. With the foregoing understanding, and in consideration of the confidential nature of our relationships with our many hundreds of thousands of clients, employees and shareholders, it is not reasonably feasible to perform such definitive due diligence spanning the full panoply of all of BofAS' and its related entities' departments, customers, employees, and principals to definitively determine if there are any such relationships which may currently pose a conflict of interest to our proposed relationship with you.

However, it is BofAS' intent that no other relationship, direct or indirect, can or would affect or impact its performance under any contract with you. We also note that all employees of the Corporation and its affiliates and subsidiaries including BofAS, are subject to a written Code of Conduct which each employee is required to read and acknowledge in writing on an annual basis, that requires all employees to disclose and receive appropriate approvals for any outside activities and relationships that may pose a conflict of interest to the Corporation or its affiliates and subsidiaries, and its business activities; as a result of those disclosures, no material conflicts have been identified.

In addition, with respect to those individuals supporting this transaction, BofAS confirms to the best of its knowledge and upon reasonable review that there are no conflicts of interest with the City of Chicago, or other entities that would disqualify BofAS from performing the requested services.

Attachment for Section V.D.:

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had approximately 213,000 full-time equivalent employees as of September 30, 2024. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response to business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the Public Finance Group of BofA Securities, Inc. to determine whether any of the Public Finance Group's employees were aware of any such relationships between the City elected officials and the Disclosing Party within the past 12 months.

ADDENDUM

CITY OF CHICAGO AFFIDAVIT DISCLOSING SLAVERY ERA PARTICIPATION, INVESTMENTS, OR PROFITS

BofA Securities, Inc. ("BofA Securities") is a direct, wholly owned subsidiary of NB Holdings Corporation ("NB Holdings"). NB Holdings is a direct, wholly owned subsidiary of Bank of America Corporation. Bank of America Corporation (the "Corporation") is a publicly held company whose shares are traded on the New York Stock Exchange and has no parent corporation. Based on the U.S. Securities and Exchange Commission Rules regarding beneficial ownership, Berkshire Hathaway Inc., 3555 Farnam Street, Omaha, Nebraska 68131, beneficially owns greater than 10% of Bank of America Corporation's outstanding common stock, which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofA Securities, is a global franchise, serving customers and clients around the world with operations in all 50 U.S. states, the District of Columbia, and more than 40 foreign countries. Given the size and breadth of the Bank of America family of companies, the extensive number of predecessor companies and the lack of availability of records for all predecessors dating back the slavery era, it is not reasonably possible to perform definitive due diligence across the full panoply of predecessor companies. In 2005, the Corporation engaged the research firm, Heritage Research Center, Ltd. to perform an extensive review of predecessor companies existing at the time to determine ties with slavery. The Heritage firm reported that they "did not identify any instances or occasions in which any Bank of America legacy banks made a profit from slavery." The firm found examples of abolitionist sentiment among founders and directors of several of the bank's predecessors, and strong objections to doing business with commercial interests involved in slavery in the bank's predecessors' histories. The firm also found two connections to slavery in the histories of the bank's predecessors. In 1863, two predecessor banks of Bank of America – Boatmen's Bank and Southern Bank in St. Louis – joined four other businesses in taking a security interest against all of the property of Charles McLaran for a past due debt. Mr. McLaran apparently owned slaves and the category "slaves" was listed in the agreement among the types of property pledged as security. That same year, Mr. McLaran paid his debts in full and the institutions released their claim on his property. At no time did any of the businesses own any of the slaves. In 1840, John Forsyth, Secretary of State of the United States, proposed to the directors of Bank of the Metropolis in Washington, D.C. to pledge slaves as security against an amount in dispute over a dishonored note, and the board agreed in principle to the proposal. The available evidence suggests that Forsyth and the directors reached an alternative arrangement several weeks later, and that the bank "did not file or receive a mortgage with Forsyth's slaves as collateral.

Attachment for Section III – Income or Compensation to, Or Ownership by, City Elected Officials:

BofA Securities, Inc. ("BofAS") is a direct, wholly-owned subsidiary of NB Holdings, which itself is a direct, wholly-owned subsidiary of Bank of America Corporation (the "Corporation"), which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofAS, had approximately 213,000 full-time equivalent employees as of September 30, 2024, and is a global franchise, serving customers and clients around the world with operations across the U.S., and more than 35 countries. Additionally, as of September 30, 2024, the Corporation had approximately \$3.3 trillion dollars in assets. With the foregoing understanding, and in consideration of the confidential nature of our relationships with our many hundreds of thousands of clients, employees and shareholders, it is not reasonably feasible to perform such definitive due diligence spanning the full panoply of all of BofAS' and its related entities' departments, customers, employees, and principals to definitively determine if there are any such relationships which may currently pose a conflict of interest to our proposed relationship with you.

However, it is BofAS' intent that no other relationship, direct or indirect, can or would affect or impact its performance under any contract with you. We also note that all employees of the Corporation and its affiliates and subsidiaries including BofAS, are subject to a written Code of Conduct which each employee is required to read and acknowledge in writing on an annual basis, that requires all employees to disclose and receive appropriate approvals for any outside activities and relationships that may pose a conflict of interest to the Corporation or its affiliates and subsidiaries, and its business activities; as a result of those disclosures, no material conflicts have been identified.

In addition, with respect to those individuals supporting this transaction, BofAS confirms to the best of its knowledge and upon reasonable review that there are no conflicts of interest with the City of Chicago, or other entities that would disqualify BofAS from performing the requested services.

Attachment for Section V :

Disclosing Party certifies, as set forth below, to the best of its knowledge and belief that with respect to V.B.3.a.:

To the best of our knowledge and belief, after reasonable due diligence, neither BofA Securities, Inc. ("BofA Securities") nor its registered Executive Officers and Directors identified in Section II.B.1 of this EDS has had its authorization to act as a federal contractor revoked or suspended. No such information with respect to state or local entities is reported or to the best of our knowledge maintained separately.

V.B.3.b, c and e:

On May 11, 2019, BofA Securities, Inc. ("BofA Securities") agreed with Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S") to assume the assets and liabilities of the Global Banking and Markets business previously conducted by MLPF&S, including the regulatory and legal matters below.

In the ordinary course of business, BofA Securities is subject to regulatory examinations, information gathering requests, inquiries, and investigations ("Regulatory Inquiries") by various federal or state securities regulatory agencies and attorneys general, other local, state, and federal agencies, law enforcement, and self-regulatory organizations (collectively, "Regulators"); and is on occasion a defendant in or party to pending threatened legal actions and proceedings. In connection with formal and informal Regulatory Inquiries, BofA Securities receives numerous requests, subpoenas and orders for documents, testimony and information in connection with various aspects of their regulated activities, and in some cases regulatory action has been taken against BofA Securities. BofA Securities believes that it has cooperated fully with the Regulators in all such inquiries to date and intends to continue to cooperate fully with the Regulators in all such inquiries involving BofA Securities in the future.

Bank of America Corporation (the "Corporation"), BofA Securities' ultimate parent, makes all required disclosures in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K, all of which are filed with the U.S. Securities and Exchange Commission ("SEC") ("Regulatory Filings"). BofA Securities makes all required disclosures in its Form BD and ADV filings ("Form BD and ADV Filings") with the Financial Industry Regulatory Authority ("FINRA"). Those Regulatory Filings and Form BD and ADV Filings include disclosures of Regulatory Inquiries as required by federal law and applicable regulations. The Regulatory Filings are publicly available on the SEC's website at www.sec.gov. The Form BD Filings are publicly available on the FINRA BrokerCheck system at <http://brokercheck.finra.org/>. The Form ADV filings are publicly available on the SEC's Investment Adviser Search website at: <http://www.adviserinfo.sec.gov/IAPD/default.aspx>.

The Corporation cannot confirm or deny the existence of any other, non-public Regulatory Inquiry conducted by any Regulator unless required to do so by law.

Please note the following public matters involving BofA Securities' public finance business over the past five (5) years:

Municipal Bond Underwriting False Claims Act Lawsuits

Beginning in January 2016, the Corporation was served, along with a number of other banks, with lawsuits brought by Roger Hayes and Talbot Heppenstall (the "Relators") in Illinois, California, New Jersey and New York under those state's respective False Claims Acts. In each case, the Relators alleged that the

defendants falsely represented to state and municipal officials that they would obtain the lowest yields/highest prices for new negotiated municipal bond offerings in order to secure underwriting engagements for those offerings. All of the cases have been dismissed or withdrawn: The Illinois lawsuit was dismissed by the trial court without prejudice in September 2017; the California lawsuit was dismissed by the trial court with prejudice in March 2019; the New Jersey lawsuit was dismissed by the trial court without prejudice in early May 2019; and the Relators voluntarily discontinued the New York lawsuit in June 2019.

VRDO False Claims Act Lawsuits

Since November 2017, the Corporation has been served, along with a number of other banks, with lawsuits brought by Edelweiss Fund, LLC ("Edelweiss") in Illinois, California, Massachusetts, New Jersey and New York under those state's respective False Claims Acts. In February 2019, the Massachusetts state court permitted the substitution of Bjorn Johan Rosenberg for Edelweiss as the relator in the case. In each case, Edelweiss and Rosenberg purport to assert claims that the defendants engaged in a coordinated "robo-setting" scheme under which they allegedly set the rates for Variable Rate Demand Obligations ("VRDOs") mechanically in order to keep the rates artificially high and thereby reduce the chances of having to remarket the bonds. To date, the Attorney Generals of each of these states have declined to join in the lawsuits. The Massachusetts Supreme Court affirmed the trial court's dismissal of that case in May 2021. In October 2023, the defendants, including Bank of America, reached an agreement to settle the Illinois case for an aggregate of \$70 million. The New York, New Jersey and California cases remain pending.

VRDO Antitrust Actions

On February 20, 2019, the City of Philadelphia filed a putative antitrust class action complaint in the U.S. District Court for the Southern District of New York alleging that several of the Corporation's affiliates and affiliates of six other large banks, acting in their capacity as remarketing agents for VRDOs, conspired between 2008 and 2016 to artificially inflate interest rates on VRDOs to the detriment of their municipal issuer customers. The complaint asserts causes of action (i) under Section 1 of the Sherman Antitrust Act and Sections 4 and 16 of the Clayton Antitrust Act, (ii) for breach of contract, and (iii) for unjust enrichment. On March 25, 2019, the Mayor and City Council of Baltimore, Maryland filed a similar class action antitrust complaint in the U.S. District Court for the Southern District of New York against several Bank of America affiliates and affiliates of other banks. The trial judge has ordered the cases to be consolidated. On June 3, 2021, a new VRDO antitrust class action complaint was filed in the Southern District of New York on behalf of a proposed subclass of California municipal issuers and asserting several claims under California law based on the same alleged conduct. On August 6, 2021, Plaintiffs in the main case filed an amended complaint that includes the California plaintiffs as named parties and otherwise absorbs/covers their claims. In September 2023, the trial judge granted Plaintiffs motion for class certification.

Puerto Rico Lawsuits

On September 15, 2022, Drivetrain, LLC as trustee for the Commonwealth of Puerto Rico ("Trustee") filed a second amended complaint in the adversary proceeding captioned Drivetrain, LLC v. Barclays Capital, Inc. et al., Adv. Pro. No. 19-00280 in the U.S. Bankruptcy Court for the District of Puerto Rico against BofA Securities, Inc. ("BofA"), Merrill Lynch, Pierce, Fenner & Smith Inc. ("MLPF&S"), and Merrill Lynch Capital

Services, Inc. ("MLCS," and collectively with BofA and MLPF&S, the "BANA Entities") and numerous other financial institutions that served as underwriters on 17 bond issuances by the Commonwealth of Puerto Rico and its instrumentalities and/or entered into interest rate swap agreements in the years leading up to the bankruptcy. The Trustee asserts claims against MLCS (the swap counterparties) and the other swap counterparties for rescission of the swap agreements because they were allegedly never registered in accordance with Puerto Rico law. In addition, the Trustee asserts claims against the BANA Entities and the other financial institutions for: (i) recovery of fees provided under the underwriter and swap agreements based on a theory that the bond issuances were allegedly contrary to Puerto Rico laws and increased Puerto Rico's insolvency because (1) the Puerto Rico agency issuing the bonds allegedly did not have the authority to so, (2) the bond issuances were allegedly not in the interest of the general welfare of Puerto Rico, or (3) the bond issuances allegedly added general obligation debt in violation of Puerto Rico's constitutional debt limit, and (ii) fraudulent conveyance of all fees and/or interest and principal payments on bonds the BANA Entities received in connection with the allegedly invalid bond issuances and swap agreements.

In addition, Ambac Assurance Corporation ("AMBAC"), Financial Guaranty Insurance Company ("FGIC") and National Public Finance Guarantee Corporation have brought lawsuits in a local court in Puerto Rico against Merrill Lynch and certain affiliates and 8 other underwriters for one or more bonds issued from 2001 to 2007 by the Commonwealth of Puerto Rico and its agencies. The plaintiffs allege that they were induced to insure the bonds based upon defendants assurances that they had reasonably investigated the statements in the Official Statements and that the underwriters had a reasonable basis for believing that the statements were true and complete. All three complaints are based on two equitable doctrines of Puerto Rican law: Doctrina de Actos Propios (i.e., "doctrine of own acts," which protects a third party who relies in good faith on the veracity of manifestations or actions of another); and Unilateral Declaration of Will (i.e., the creation of an obligation through a unilateral act in the form of a concrete promise on which others are intended to rely). On July 9, 2021, the FGIC complaint was dismissed with prejudice. On July 30, 2021, the AMBAC complaint was also dismissed. The Puerto Rico Court of Appeals has affirmed both dismissals. On December 20, 2021, the Court of Appeals reversed the trial court's denial of defendant's motion to dismiss the National complaint and dismissed that lawsuit too. National sought permission to appeal to the Puerto Rico Supreme Court and the Supreme Court denied the petition on May 13, 2022.

BofA Securities' registered officers and employees make required disclosures in their Form U-4, which are filed with FINRA pursuant to a directive from the SEC. These Form U-4 filings are publicly available on the FINRA BrokerCheck system at <http://brokercheck.finra.org/>.

V.B.3.d:

The Disclosing Party performed due diligence within the Public Finance Group of BofA Securities to determine whether any Public Finance Group employees were aware of any public finance transactions (federal, state or local) having been terminated for cause or default within the last five years, and none of such employees were aware of any such terminations.

V.B.5.a, b and c:

Please see response to V.B.3. b c and e above.

In addition, to the best of our knowledge and belief, after reasonable due diligence, BofA Securities believes that it is not barred from contracting with any unit of State or local government pursuant to 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 because neither BofA Securities nor its current employees have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses. Moreover, BofA Securities is not aware of any former employees who have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses based on conduct that took place while they were employed by BofA Securities.

V.B.8:

To the best of our knowledge and belief, after reasonable due diligence, BofA Securities believes that it is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither BofA Securities (or any controlling person of BofA Securities) nor any entity that BofA Securities has been affiliated with (including BANA and Banc of America Securities LLC ("BAS")) have within the past 5 years been convicted of, admitted guilt to in any civil or criminal proceeding, or charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a). Finally, BofA Securities believes that it is not ineligible under Section 2-92-320 of the Municipal Code of Chicago because neither BofA Securities nor its current employees have within the past 5 years been convicted of or made an admission of guilt regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4). Moreover, BofA Securities is not aware of any former employees who have been convicted of or made an admission of guilt within the past 5 years regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4) based on conduct that took place while they were employed by BofA Securities.

Attachment for Section V.B.2:

As of the date hereof, neither the Disclosing Party nor any Affiliated Persons are delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago. In the interest of ongoing transparency, we acknowledge a preliminary sales and use tax audit report from the City Department of Revenue and are working with the City to ensure all taxes are timely paid. We stress that we have received no actual notice of delinquency and there is no final finding of any amounts that may be owed. In accordance with this certification, the Disclosing Party will update at the end of each calendar quarter any event that materially affects the accuracy of the statements and information put forth in this certification.

Attachment for Section V.B.12-13/Appendix A:

BofA Securities, Inc. ("BofAS") is a direct, wholly-owned subsidiary of NB Holdings, which itself is a direct, wholly-owned subsidiary of Bank of America Corporation (the "Corporation"), which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofAS, had approximately 213,000 full-time equivalent employees as of September 30, 2024, and is a global franchise, serving customers and clients around the world with operations across the U.S., and more than 35 countries. Additionally, as of September 30, 2024, the Corporation had approximately \$3.3 trillion dollars in assets. With the foregoing understanding, and in consideration of the confidential nature of our relationships with our many hundreds of thousands of clients, employees and shareholders, it is not reasonably feasible to perform such definitive due diligence spanning the full panoply of all of BofAS' and its related entities' departments, customers, employees, and principals to definitively determine if there are any such relationships which may currently pose a conflict of interest to our proposed relationship with you.

However, it is BofAS' intent that no other relationship, direct or indirect, can or would affect or impact its performance under any contract with you. We also note that all employees of the Corporation and its affiliates and subsidiaries including BofAS, are subject to a written Code of Conduct which each employee is required to read and acknowledge in writing on an annual basis, that requires all employees to disclose and receive appropriate approvals for any outside activities and relationships that may pose a conflict of interest to the Corporation or its affiliates and subsidiaries, and its business activities; as a result of those disclosures, no material conflicts have been identified.

In addition, with respect to those individuals supporting this transaction, BofAS confirms to the best of its knowledge and upon reasonable review that there are no conflicts of interest with the City of Chicago, or other entities that would disqualify BofAS from performing the requested services.

Attachment for Section V.D.:

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had approximately 213,000 full-time equivalent employees as of September 30, 2024. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response to business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the Public Finance Group of BofA Securities, Inc. to determine whether any of the Public Finance Group's employees were aware of any such relationships between the City elected officials and the Disclosing Party within the past 12 months.

ADDENDUM

CITY OF CHICAGO AFFIDAVIT DISCLOSING SLAVERY ERA PARTICIPATION, INVESTMENTS, OR PROFITS

BofA Securities, Inc. ("BofA Securities") is a direct, wholly owned subsidiary of NB Holdings Corporation ("NB Holdings"). NB Holdings is a direct, wholly owned subsidiary of Bank of America Corporation. Bank of America Corporation (the "Corporation") is a publicly held company whose shares are traded on the New York Stock Exchange and has no parent corporation. Based on the U.S. Securities and Exchange Commission Rules regarding beneficial ownership, Berkshire Hathaway Inc., 3555 Farnam Street, Omaha, Nebraska 68131, beneficially owns greater than 10% of Bank of America Corporation's outstanding common stock, which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofA Securities, is a global franchise, serving customers and clients around the world with operations in all 50 U.S. states, the District of Columbia, and more than 40 foreign countries. Given the size and breadth of the Bank of America family of companies, the extensive number of predecessor companies and the lack of availability of records for all predecessors dating back the slavery era, it is not reasonably possible to perform definitive due diligence across the full panoply of predecessor companies. In 2005, the Corporation engaged the research firm, Heritage Research Center, Ltd. to perform an extensive review of predecessor companies existing at the time to determine ties with slavery. The Heritage firm reported that they "did not identify any instances or occasions in which any Bank of America legacy banks made a profit from slavery." The firm found examples of abolitionist sentiment among founders and directors of several of the bank's predecessors, and strong objections to doing business with commercial interests involved in slavery in the bank's predecessors' histories. The firm also found two connections to slavery in the histories of the bank's predecessors. In 1863, two predecessor banks of Bank of America – Boatmen's Bank and Southern Bank in St. Louis – joined four other businesses in taking a security interest against all of the property of Charles McLaran for a past due debt. Mr. McLaran apparently owned slaves and the category "slaves" was listed in the agreement among the types of property pledged as security. That same year, Mr. McLaran paid his debts in full and the institutions released their claim on his property. At no time did any of the businesses own any of the slaves. In 1840, John Forsyth, Secretary of State of the United States, proposed to the directors of Bank of the Metropolis in Washington, D.C. to pledge slaves as security against an amount in dispute over a dishonored note, and the board agreed in principle to the proposal. The available evidence suggests that Forsyth and the directors reached an alternative arrangement several weeks later, and that the bank "did not file or receive a mortgage with Forsyth's slaves as collateral.

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

Attachment for Section III – Income or Compensation to, Or Ownership by, City Elected Officials:

BofA Securities, Inc. ("BofAS") is a direct, wholly-owned subsidiary of NB Holdings, which itself is a direct, wholly-owned subsidiary of Bank of America Corporation (the "Corporation"), which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofAS, had approximately 213,000 full-time equivalent employees as of September 30, 2024, and is a global franchise, serving customers and clients around the world with operations across the U.S., and more than 35 countries. Additionally, as of September 30, 2024, the Corporation had approximately \$3.3 trillion dollars in assets. With the foregoing understanding, and in consideration of the confidential nature of our relationships with our many hundreds of thousands of clients, employees and shareholders, it is not reasonably feasible to perform such definitive due diligence spanning the full panoply of all of BofAS' and its related entities' departments, customers, employees, and principals to definitively determine if there are any such relationships which may currently pose a conflict of interest to our proposed relationship with you.

However, it is BofAS' intent that no other relationship, direct or indirect, can or would affect or impact its performance under any contract with you. We also note that all employees of the Corporation and its affiliates and subsidiaries including BofAS, are subject to a written Code of Conduct which each employee is required to read and acknowledge in writing on an annual basis, that requires all employees to disclose and receive appropriate approvals for any outside activities and relationships that may pose a conflict of interest to the Corporation or its affiliates and subsidiaries, and its business activities; as a result of those disclosures, no material conflicts have been identified.

In addition, with respect to those individuals supporting this transaction, BofAS confirms to the best of its knowledge and upon reasonable review that there are no conflicts of interest with the City of Chicago, or other entities that would disqualify BofAS from performing the requested services.

Attachment for Section V :

Disclosing Party certifies, as set forth below, to the best of its knowledge and belief that with respect to V.B.3.a.:

To the best of our knowledge and belief, after reasonable due diligence, neither BofA Securities, Inc. ("BofA Securities") nor its registered Executive Officers and Directors identified in Section II.B.1 of this EDS has had its authorization to act as a federal contractor revoked or suspended. No such information with respect to state or local entities is reported or to the best of our knowledge maintained separately.

V.B.3.b, c and e:

On May 11, 2019, BofA Securities, Inc. ("BofA Securities") agreed with Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S") to assume the assets and liabilities of the Global Banking and Markets business previously conducted by MLPF&S, including the regulatory and legal matters below.

In the ordinary course of business, BofA Securities is subject to regulatory examinations, information gathering requests, inquiries, and investigations ("Regulatory Inquiries") by various federal or state securities regulatory agencies and attorneys general, other local, state, and federal agencies, law enforcement, and self-regulatory organizations (collectively, "Regulators"); and is on occasion a defendant in or party to pending threatened legal actions and proceedings. In connection with formal and informal Regulatory Inquiries, BofA Securities receives numerous requests, subpoenas and orders for documents, testimony and information in connection with various aspects of their regulated activities, and in some cases regulatory action has been taken against BofA Securities. BofA Securities believes that it has cooperated fully with the Regulators in all such inquiries to date and intends to continue to cooperate fully with the Regulators in all such inquiries involving BofA Securities in the future.

Bank of America Corporation (the "Corporation"), BofA Securities' ultimate parent, makes all required disclosures in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K, all of which are filed with the U.S. Securities and Exchange Commission ("SEC") ("Regulatory Filings"). BofA Securities makes all required disclosures in its Form BD and ADV filings ("Form BD and ADV Filings") with the Financial Industry Regulatory Authority ("FINRA"). Those Regulatory Filings and Form BD and ADV Filings include disclosures of Regulatory Inquiries as required by federal law and applicable regulations. The Regulatory Filings are publicly available on the SEC's website at www.sec.gov. The Form BD Filings are publicly available on the FINRA BrokerCheck system at <http://brokercheck.finra.org/>. The Form ADV filings are publicly available on the SEC's Investment Adviser Search website at: <http://www.adviserinfo.sec.gov/IAPD/default.aspx>.

The Corporation cannot confirm or deny the existence of any other, non-public Regulatory Inquiry conducted by any Regulator unless required to do so by law.

Please note the following public matters involving BofA Securities' public finance business over the past five (5) years:

Municipal Bond Underwriting False Claims Act Lawsuits

Beginning in January 2016, the Corporation was served, along with a number of other banks, with lawsuits brought by Roger Hayes and Talbot Heppenstall (the "Relators") in Illinois, California, New Jersey and New York under those state's respective False Claims Acts. In each case, the Relators alleged that the

defendants falsely represented to state and municipal officials that they would obtain the lowest yields/highest prices for new negotiated municipal bond offerings in order to secure underwriting engagements for those offerings. All of the cases have been dismissed or withdrawn: The Illinois lawsuit was dismissed by the trial court without prejudice in September 2017; the California lawsuit was dismissed by the trial court with prejudice in March 2019; the New Jersey lawsuit was dismissed by the trial court without prejudice in early May 2019; and the Relators voluntarily discontinued the New York lawsuit in June 2019.

VRDO False Claims Act Lawsuits

Since November 2017, the Corporation has been served, along with a number of other banks, with lawsuits brought by Edelweiss Fund, LLC ("Edelweiss") in Illinois, California, Massachusetts, New Jersey and New York under those state's respective False Claims Acts. In February 2019, the Massachusetts state court permitted the substitution of Bjorn Johan Rosenberg for Edelweiss as the relator in the case. In each case, Edelweiss and Rosenberg purport to assert claims that the defendants engaged in a coordinated "robo-setting" scheme under which they allegedly set the rates for Variable Rate Demand Obligations ("VRDOs") mechanically in order to keep the rates artificially high and thereby reduce the chances of having to remarket the bonds. To date, the Attorney Generals of each of these states have declined to join in the lawsuits. The Massachusetts Supreme Court affirmed the trial court's dismissal of that case in May 2021. In October 2023, the defendants, including Bank of America, reached an agreement to settle the Illinois case for an aggregate of \$70 million. The New York, New Jersey and California cases remain pending.

VRDO Antitrust Actions

On February 20, 2019, the City of Philadelphia filed a putative antitrust class action complaint in the U.S. District Court for the Southern District of New York alleging that several of the Corporation's affiliates and affiliates of six other large banks, acting in their capacity as remarketing agents for VRDOs, conspired between 2008 and 2016 to artificially inflate interest rates on VRDOs to the detriment of their municipal issuer customers. The complaint asserts causes of action (i) under Section 1 of the Sherman Antitrust Act and Sections 4 and 16 of the Clayton Antitrust Act, (ii) for breach of contract, and (iii) for unjust enrichment. On March 25, 2019, the Mayor and City Council of Baltimore, Maryland filed a similar class action antitrust complaint in the U.S. District Court for the Southern District of New York against several Bank of America affiliates and affiliates of other banks. The trial judge has ordered the cases to be consolidated. On June 3, 2021, a new VRDO antitrust class action complaint was filed in the Southern District of New York on behalf of a proposed subclass of California municipal issuers and asserting several claims under California law based on the same alleged conduct. On August 6, 2021, Plaintiffs in the main case filed an amended complaint that includes the California plaintiffs as named parties and otherwise absorbs/covers their claims. In September 2023, the trial judge granted Plaintiffs motion for class certification.

Puerto Rico Lawsuits

On September 15, 2022, Drivetrain, LLC as trustee for the Commonwealth of Puerto Rico ("Trustee") filed a second amended complaint in the adversary proceeding captioned Drivetrain, LLC v. Barclays Capital, Inc. et al., Adv. Pro. No. 19-00280 in the U.S. Bankruptcy Court for the District of Puerto Rico against BofA Securities, Inc. ("BofA"), Merrill Lynch, Pierce, Fenner & Smith Inc. ("MLPF&S"), and Merrill Lynch Capital

Services, Inc. ("MLCS," and collectively with BofA and MLPF&S, the "BANA Entities") and numerous other financial institutions that served as underwriters on 17 bond issuances by the Commonwealth of Puerto Rico and its instrumentalities and/or entered into interest rate swap agreements in the years leading up to the bankruptcy. The Trustee asserts claims against MLCS (the swap counterparties) and the other swap counterparties for rescission of the swap agreements because they were allegedly never registered in accordance with Puerto Rico law. In addition, the Trustee asserts claims against the BANA Entities and the other financial institutions for: (i) recovery of fees provided under the underwriter and swap agreements based on a theory that the bond issuances were allegedly contrary to Puerto Rico laws and increased Puerto Rico's insolvency because (1) the Puerto Rico agency issuing the bonds allegedly did not have the authority to so, (2) the bond issuances were allegedly not in the interest of the general welfare of Puerto Rico, or (3) the bond issuances allegedly added general obligation debt in violation of Puerto Rico's constitutional debt limit, and (ii) fraudulent conveyance of all fees and/or interest and principal payments on bonds the BANA Entities received in connection with the allegedly invalid bond issuances and swap agreements.

In addition, Ambac Assurance Corporation ("AMBAC"), Financial Guaranty Insurance Company ("FGIC") and National Public Finance Guarantee Corporation have brought lawsuits in a local court in Puerto Rico against Merrill Lynch and certain affiliates and 8 other underwriters for one or more bonds issued from 2001 to 2007 by the Commonwealth of Puerto Rico and its agencies. The plaintiffs allege that they were induced to insure the bonds based upon defendants assurances that they had reasonably investigated the statements in the Official Statements and that the underwriters had a reasonable basis for believing that the statements were true and complete. All three complaints are based on two equitable doctrines of Puerto Rican law: Doctrina de Actos Propios (i.e., "doctrine of own acts," which protects a third party who relies in good faith on the veracity of manifestations or actions of another); and Unilateral Declaration of Will (i.e., the creation of an obligation through a unilateral act in the form of a concrete promise on which others are intended to rely). On July 9, 2021, the FGIC complaint was dismissed with prejudice. On July 30, 2021, the AMBAC complaint was also dismissed. The Puerto Rico Court of Appeals has affirmed both dismissals. On December 20, 2021, the Court of Appeals reversed the trial court's denial of defendant's motion to dismiss the National complaint and dismissed that lawsuit too. National sought permission to appeal to the Puerto Rico Supreme Court and the Supreme Court denied the petition on May 13, 2022.

BofA Securities' registered officers and employees make required disclosures in their Form U-4, which are filed with FINRA pursuant to a directive from the SEC. These Form U-4 filings are publicly available on the FINRA BrokerCheck system at <http://brokercheck.finra.org/>.

V.B.3.d:

The Disclosing Party performed due diligence within the Public Finance Group of BofA Securities to determine whether any Public Finance Group employees were aware of any public finance transactions (federal, state or local) having been terminated for cause or default within the last five years, and none of such employees were aware of any such terminations.

V.B.5.a, b and c:

Please see response to V.B.3. b c and e above.

In addition, to the best of our knowledge and belief, after reasonable due diligence, BofA Securities believes that it is not barred from contracting with any unit of State or local government pursuant to 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 because neither BofA Securities nor its current employees have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses. Moreover, BofA Securities is not aware of any former employees who have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses based on conduct that took place while they were employed by BofA Securities.

V.B.8:

To the best of our knowledge and belief, after reasonable due diligence, BofA Securities believes that it is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither BofA Securities (or any controlling person of BofA Securities) nor any entity that BofA Securities has been affiliated with (including BANA and Banc of America Securities LLC ("BAS")) have within the past 5 years been convicted of, admitted guilt to in any civil or criminal proceeding, or charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a). Finally, BofA Securities believes that it is not ineligible under Section 2-92-320 of the Municipal Code of Chicago because neither BofA Securities nor its current employees have within the past 5 years been convicted of or made an admission of guilt regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4). Moreover, BofA Securities is not aware of any former employees who have been convicted of or made an admission of guilt within the past 5 years regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4) based on conduct that took place while they were employed by BofA Securities.

Attachment for Section V.B.2:

As of the date hereof, neither the Disclosing Party nor any Affiliated Persons are delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago. In the interest of ongoing transparency, we acknowledge a preliminary sales and use tax audit report from the City Department of Revenue and are working with the City to ensure all taxes are timely paid. We stress that we have received no actual notice of delinquency and there is no final finding of any amounts that may be owed. In accordance with this certification, the Disclosing Party will update at the end of each calendar quarter any event that materially affects the accuracy of the statements and information put forth in this certification.

Attachment for Section V.B.12-13:

BofA Securities, Inc. ("BofAS") is a direct, wholly-owned subsidiary of NB Holdings, which itself is a direct, wholly-owned subsidiary of Bank of America Corporation (the "Corporation"), which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofAS, had approximately 213,000 full-time equivalent employees as of September 30, 2024, and is a global franchise, serving customers and clients around the world with operations across the U.S., and more than 35 countries. Additionally, as of September 30, 2024, the Corporation had approximately \$3.3 trillion dollars in assets. With the foregoing understanding, and in consideration of the confidential nature of our relationships with our many hundreds of thousands of clients, employees and shareholders, it is not reasonably feasible to perform such definitive due diligence spanning the full panoply of all of BofAS' and its related entities' departments, customers, employees, and principals to definitively determine if there are any such relationships which may currently pose a conflict of interest to our proposed relationship with you.

However, it is BofAS' intent that no other relationship, direct or indirect, can or would affect or impact its performance under any contract with you. We also note that all employees of the Corporation, and its affiliates and subsidiaries including BofAS, are subject to a written Code of Conduct which each employee is required to read and acknowledge in writing on an annual basis, that requires all employees to disclose and receive appropriate approvals for any outside activities and relationships that may pose a conflict of interest to the Corporation or its affiliates and subsidiaries, and its business activities; as a result of those disclosures, no material conflicts have been identified.

In addition, with respect to those individuals supporting this transaction, BofAS confirms to the best of its knowledge and upon reasonable review that there are no conflicts of interest with the City of Chicago, or other entities that would disqualify BofAS from performing the requested services.

Attachment for Section V.D.:

Please note that Bank of America Corporation ("BAC") and its subsidiaries had approximately 213,000 full-time equivalent employees as of September 30, 2024. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response to business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the Public Finance Group of BofA Securities, Inc. to determine whether any of the Public Finance Group's employees were aware of any such relationships between the City elected officials and the Disclosing Party within the past 12 months.

ADDENDUM

CITY OF CHICAGO AFFIDAVIT DISCLOSING SLAVERY ERA PARTICIPATION, INVESTMENTS, OR PROFITS

BofA Securities, Inc. ("BofA Securities") is a direct, wholly owned subsidiary of NB Holdings Corporation ("NB Holdings"). NB Holdings is a direct, wholly owned subsidiary of Bank of America Corporation. Bank of America Corporation (the "Corporation") is a publicly held company whose shares are traded on the New York Stock Exchange and has no parent corporation. Based on the U.S. Securities and Exchange Commission Rules regarding beneficial ownership, Berkshire Hathaway Inc., 3555 Farnam Street, Omaha, Nebraska 68131, beneficially owns greater than 10% of Bank of America Corporation's outstanding common stock, which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofA Securities, is a global franchise, serving customers and clients around the world with operations in all 50 U.S. states, the District of Columbia, and more than 40 foreign countries. Given the size and breadth of the Bank of America family of companies, the extensive number of predecessor companies and the lack of availability of records for all predecessors dating back the slavery era, it is not reasonably possible to perform definitive due diligence across the full panoply of predecessor companies. In 2005, the Corporation engaged the research firm, Heritage Research Center, Ltd. to perform an extensive review of predecessor companies existing at the time to determine ties with slavery. The Heritage firm reported that they "did not identify any instances or occasions in which any Bank of America legacy banks made a profit from slavery." The firm found examples of abolitionist sentiment among founders and directors of several of the bank's predecessors, and strong objections to doing business with commercial interests involved in slavery in the bank's predecessors' histories. The firm also found two connections to slavery in the histories of the bank's predecessors. In 1863, two predecessor banks of Bank of America – Boatmen's Bank and Southern Bank in St. Louis – joined four other businesses in taking a security interest against all of the property of Charles McLaran for a past due debt. Mr. McLaran apparently owned slaves and the category "slaves" was listed in the agreement among the types of property pledged as security. That same year, Mr. McLaran paid his debts in full and the institutions released their claim on his property. At no time did any of the businesses own any of the slaves. In 1840, John Forsyth, Secretary of State of the United States, proposed to the directors of Bank of the Metropolis in Washington, D.C. to pledge slaves as security against an amount in dispute over a dishonored note, and the board agreed in principle to the proposal. The available evidence suggests that Forsyth and the directors reached an alternative arrangement several weeks later, and that the bank "did not file or receive a mortgage with Forsyth's slaves as collateral.
