(a) Except as set forth in Section 6.01(b) below, before entering into an agreement with a General Contractor or any subcontractor for construction of the Project, Developer Parties shall solicit, or shall cause the General Contractor to solicit, bids from qualified subcontractors eligible to do business with, and having an office located in, the City of Chicago, and if requested by DPD and/or DOH shall submit all bids received to DPD and/or DOH for its inspection and written approval. If Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. (ii) For Project work other than the TIF-Funded Improvements, if Developer selects a General Contractor (or the General Contractor selects any subcontractor) who has not submitted the lowest responsible bid, the difference between the lowest responsible bid and the higher bid selected shall be subtracted from the actual total Project costs for purposes of the calculation of the amount of City Funds to be contributed to the Project pursuant to Section 4.03(b). DPD and/or DOH shall respond to Developer Parties' written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by Developer to obtain the Certificate. Developer Parties may resubmit a written request for a Certificate upon completion of such measures.

The Developer Parties acknowledge and understand that the City will not issue the Certificate and pay out City Funds in connection with the Project, until the following conditions have been met:

- Receipt of a Certificate of Occupancy for the Project or other evidence acceptable to DPD and/or DOH that the Developer has complied with building permit requirements for the Project; and

- Evidence acceptable to DPD and/or DOH in the form of a closeout letter from DPD and/or DOH's Compliance and Monitoring division stating that the Developer Parties are in complete compliance with all City Requirements (MBE/WBE, City Residency, and Prevailing Wage); and
- Evidence acceptable to DPD and/or DOH that the Project has complied with the Sustainable Development Policy; and
- There exists neither an Event of Default which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction and/or rehabilitation of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the Certificate is issued, however, all executory terms and conditions of this Agreement and all representations and covenants contained in this Agreement will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Section 8.02 (Covenant to Redevelop), Section 8.06 (Jobs Covenant; Operating Covenant), Section 8.19 (Real Estate Provisions) and Section 8.20 (Annual Compliance Report) as covenants that run with the leasehold estate are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that when the Certificate is issued, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the Certificate is issued shall be binding only upon Developer Parties or a permitted assignee of Developer Parties who, pursuant to Section 18.14 (Assignment) of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer Parties' liabilities under this Agreement.

7.03 Failure to Complete. If Developer Parties fail to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed under this Agreement;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. If the aggregate cost of completing the TIF-Funded

Improvements exceeds the amount of City Funds available pursuant to Section 4.03, Developer Parties shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from Developer Parties.

8.17 Compliance with Laws. To the best of each of Developer Parties' knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, Developer Parties shall provide evidence satisfactory to the City of such compliance.

8.18 Recording and Filing. Owner shall cause this Agreement, certain exhibits (as specified by Corporation Counsel) and all amendments and supplements to this Agreement to be recorded and filed, at Owner's expense, against the Property on the date hereof in the Cook County Clerk's Office. Either this Agreement shall be recorded prior to any mortgage

made in connection with Lender Financing or, if this Agreement is not recorded first, a subordination agreement must be prepared, executed and recorded. Owner shall pay all fees and charges incurred in connection with any such recording. Upon recording, Owner shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Subject to subsection (ii) below, Developer Parties agree to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer Parties, the Property or the Project, or become due and payable, and which create or may create a lien upon Developer Parties or all or any portion of the Property or the Project. "Governmental Charge" means all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer Parties, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. Developer Parties have the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. Developer Parties' right to challenge real estate taxes applicable to the Property is limited as provided for in Section 8.19(c) below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying, or extending Developer Parties' covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer Parties has given prior written notice to DPD and/or DOH of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD and/or DOH's sole option;

(i) Developer Parties shall demonstrate to DPD and/or DOH's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge before the final determination of such proceedings; and/or

(ii) Developer Parties shall furnish a good and sufficient bond or other security satisfactory to DPD and/or DOH in such form and amounts as DPD and/or DOH shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer Parties' Failure To Pay Or Discharge Lien. If Developer Parties fail to pay any Governmental Charge or to obtain discharge of the same, then Developer Parties shall advise DPD and/or DOH in writing. At that time DPD and/or DOH in its sole discretion may, but shall not be obligated to, make all or any part of such payment or obtain such discharge and take any other related action which DPD and/or DOH deem advisable. By taking any action under this paragraph, DPD and/or DOH shall not waive or release any obligation or liability of Developer Parties under this Agreement. The Developer shall promptly reimburse DPD and/or DOH for all sums, if any, DPD and/or DOH pay under this paragraph and expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto. Notwithstanding anything contained in this paragraph to the contrary, this paragraph shall not be construed to obligate the City to pay any Governmental Charge. If Developer Parties fail to pay any Governmental Charge, the City, in its sole discretion, may require Developer Parties to submit to the City audited Financial Statements at Developer Parties' own expense.

(c) Real Estate Taxes.

(i) Real Estate Tax Exemption. With respect to the leasehold estate or the Project, neither of the Developer Parties nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to each Developer Party shall, during the Term of this Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect except for the units subject to the Consolidated Cooperation Agreement with the City and except for participating in the Cook County Affordable Housing Special Assessment Program, the public housing abatement under 35 ILCS 200/18-177, and the LIHTC Valuation Program or obtaining any exemption for which the City has provided prior consent.

(ii) Covenants Running with the Leasehold Estate. The parties agree that the restrictions contained in this Section 8.19(c) are covenants running with the leasehold estate and this Agreement shall be recorded by Developer Parties as a memorandum thereof, at Developer Parties' expense, with the Cook County Clerk's Office on the Closing Date. These restrictions shall be binding upon Developer Parties and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. Developer Parties agree that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.19(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of Developer Parties, its successors or assigns, may waive and terminate Developer Parties' covenants and agreements set forth in this Section 8.19(c).

(d) Notification to the Cook County Assessor of Change in Use or Ownership. If required under 35 ILCS 200/15-20 due to a change in use or ownership of the Property, within 90 days after the Closing Date, Developer Parties shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor of such change in use or ownership. After delivery of the notification, Developer Parties shall forward a copy of the return receipt to DPD and/or DOH, with a copy to the City's Corporation Counsel's office.

8.20 Annual Compliance Report. Starting when the Certificate is issued and continuing throughout the Term of the Agreement, Developer shall submit to DPD and/or DOH the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

8.21 Inspector General. It is the duty of Developer Parties and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer Parties' officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant, to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Developer Parties represent that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.22 Intentionally omitted

8.23. FOIA and Local Records Act Compliance.

(a) FOIA. Developer Parties acknowledge that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If Developer receives a request from the City to produce records within the scope of FOIA, then Developer Parties covenant to comply with such request within 48 hours of the date of such request. Failure by Developer Parties to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that Developer Parties submit to the City as part of the Annual Compliance Report or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by Developer Parties to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer Parties mark any such documents as "proprietary, privileged or confidential." If Developer Parties mark a document as "proprietary, privileged and confidential", then DPD and/or DOH will evaluate whether such document may be withheld under the FOIA. DPD and/or DOH, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. Developer Parties acknowledge that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, Developer Parties covenant to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act.

8.24 Survival of Covenants. All warranties, representations, covenants and agreements of Developer Parties contain in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer Parties' execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties to this Agreement and,

except as provided in Section 7 when the Certificate is issued, shall be in effect throughout the Term of the Agreement.

8.25 In connection with that certain Indictment filed on June 13, 2024 in the Superior Court of New Jersey Law Division, Docket No. 24-06-00111-S (the "Indictment"), each of the Developer Parties represents, warrants, and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder and throughout the Term of the Agreement, that none of the named defendants in the Indictment (i) is or will be an officer, director, manager, managing member, partner, general partner or limited partner of any Developer Party; (ii) owns or will own, directly or indirectly through one or more intermediate ownership entities, any ownership interest in any Developer Party; or (iii) controls or will control, directly or indirectly through one or more intermediate ownership entities, the day-to-day management of any Developer Party (the foregoing (i)-(iii) shall be hereinafter referred to as the "Restrictions"). Such Restrictions will no longer apply to a named defendant if the Indictment and any charges related to the Indictment are no longer pending and either (a) such defendant has not been convicted of any of the crimes alleged in the Indictment or any charges related to the Indictment or (b) such defendant has been acquitted of the crimes alleged in the Indictment or any charges related to the Indictment. Any default under this Section 8.25 shall constitute an Event of Default without notice or opportunity to cure.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations under this Agreement.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties to this Agreement and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Owner, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Owner operating on the Property (collectively, with Owner, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Owner and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color,

sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02, subject to the cure rights under 15.03.

10.02 City Resident Construction Worker Employment Requirement. Owner agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Owner, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Owner may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Upon 2 business days prior written notice, Owner, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD and/or DOH in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Upon 2 business days prior written notice, Owner, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD and/or DOH, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Owner, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD and/or DOH, affidavits and other supporting documentation will be required of Owner, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Owner has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Owner to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Owner, the General Contractor and/or the subcontractors to prosecution. Any

retainage to cover contract performance that may become due to Owner pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Owner must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Owner shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Owner agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit B) shall be expended for contract participation by MBEs and by WBEs:

- (1) At least 26 percent by MBEs.
- (2) At least six percent by WBEs.

(b) For purposes of this Section 10.03 only, Owner (and any party to whom a contract is let by Owner in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Owner in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Owner's MBE/WBE commitment may be achieved in part by Owner's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Owner) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Owner utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Owner's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Owner

shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD and/or DOH.

(d) Owner shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Owner or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Owner's compliance with this MBE/WBE commitment. Owner shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Owner, on five Business Days' notice, to allow the City to review Owner's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Owner shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Owner's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Before starting the Project, Owner shall be required to meet with the City's monitoring staff with regard to Owner's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Owner shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Owner shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Owner is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Owner, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Owner to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Owner available at law or in equity.

SECTION 11. ENVIRONMENTAL MATTERS

Owner hereby represents and warrants to the City that Owner has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all its Exhibits, the Scope Drawings, Plans and Specifications and all amendments thereto and the Redevelopment Plan.

Without limiting any other provisions hereof, Owner agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Owner: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which Owner, or any person directly or indirectly controlling, controlled by or under common control with Owner, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by Owner), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Owner or any of its Affiliates under any Environmental Laws relating to the Property.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Developer Parties and Contractors.

Developer Parties hereby waive and agree to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Developer Parties in no way limit Developer Parties' liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by Developer Parties under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Developer Party is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Developer Parties must require Contractor and subcontractors to provide the insurance required herein, or Developer Parties may provide the coverages for Contractor and subcontractors. All Contractors and subcontractors are subject to the same insurance requirements of Developer Parties unless otherwise specified in this Agreement.

If Developer Parties, any Contractor or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 13. INDEMNIFICATION

13.01 General Indemnity. Developer Parties agree to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and affiliates (individually an "Indemnatee," and collectively the "Indemnitees") harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees

shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(i) Developer Parties' failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) Developer Parties' or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, any official statement, limited offering memorandum or private placement memorandum or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by Developer Parties or any Affiliate Developer Parties or any agents, employees, contractors or persons acting under the control or at the request of Developer or any Affiliate of Developer Parties; or

(iv) Developer Parties' failure to cure any misrepresentation in this Agreement or any other agreement relating to this Agreement;

provided, however, that Developer Parties shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, Developer Parties shall contribute the maximum portion that it is permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. Developer Parties shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to Developer Parties' loan statements, if any, General Contractors' and contractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at Developer Parties' offices for inspection, copying, audit and examination by an authorized representative of the City, at Developer Parties' expense. Developer Parties shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by Developer Parties with respect to the Project.

14.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by Developer Parties under this Agreement (provided, however, the occurrence of an Event of Default by Owner shall not be deemed to constitute an Event of Default by CHA CSC and the occurrence of an Event of Default by CHA CSC shall not be deemed to constitute an Event of Default by Owner):

(a) a Developer Party fails to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of such party under this Agreement or any related agreement;

(b) a Developer Party fails to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of such party under any other agreement with any person or entity if such failure may have a material adverse effect on such party's business, property, assets, operations or condition, financial or otherwise;

(c) a Developer Party makes or furnishes to the City any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect when made;

(d) except as otherwise permitted under this Agreement, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against a Developer Party or for the liquidation or reorganization of a Developer Party, or alleging that a Developer Party is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of a Developer Party's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving such Developer Party; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for a Developer Party, for any substantial part of a Developer Party's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of a Developer Party; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) any judgment or order is entered against a Developer Party and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) an event of default occurs under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of a Developer Party or the death of any natural person who owns a material interest in a Developer Party;

(j) a criminal proceeding (other than a misdemeanor) is instituted in any court against a Developer Party or any natural person who owns a material interest in a Developer Party and is not dismissed within thirty (30) days, or a Developer Party or any natural person who owns a material interest in a Developer Party is indicted for any crime (other than a misdemeanor);

(k) before the expiration of the Term of the Agreement, a majority of the ownership interests of a Developer Party are sold or transferred without the prior written consent of the City;

(l) A Developer Party or any party that is a Controlling Person (defined in Section 1-23-010 of the Municipal Code) with respect to a Developer Party fails to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code; such failure shall render this Agreement voidable or subject to termination, at the option of the Chief Procurement Officer; or

(m) A Developer Party fails to submit the Annual Compliance Report to the City within 60 days after each anniversary of the Closing Date during the Term of the Agreement as provided in Section 8.20.

For purposes of Sections 15.01(i) and 15.01(j), a person with a material interest in a Developer Party shall be one having a direct or indirect beneficial interest (including ownership) exceeding 10% of a Developer Party. The City hereby agrees that, in addition to the cure rights set out in Section 15.03 below, any cure of any default made or tendered by one or more of Owner's investor members or a Lender providing Lender Financing shall be deemed to be a cure by the Owner and/or Developer Parties and shall be accepted or rejected on the same basis as if made or tendered by Owner and/or Developer Parties

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and Developer Parties are or shall be parties, suspend disbursement of City Funds, place a lien on the Project in the amount of City Funds paid, seek reimbursement of any City Funds paid and/or draw down up to the entire balance of the Letter of Credit, if any, as set forth in this Section 15.02 below. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to damages, injunctive relief or the specific performance of the agreements contained in this Agreement. Upon the occurrence of an Event of Default under Section 8.06, Developer Parties shall be obligated to repay to the City all previously disbursed City Funds.

Upon the occurrence of an Event of Default under Section 15.01(m), the defaulting Developer Party shall be obligated to pay to the City the amount of \$10,000 as liquidated damages, and not as a penalty, which such payment shall be required no more often than once per calendar year. Any payment of liquidated damages by the defaulting Developer Party shall not relieve such Developer Party of its obligation under Section 8.20.

Upon the occurrence of an Event of Default because of failure to comply with Section 8.22, (Sustainable Development Policy), the City's remedy shall be the right to reduce the amount of City Funds by \$250,000.

15.03 Curative Period. In the event Developer shall fail to perform a monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event Developer shall fail to perform a non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has started to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

15.04 Right to Cure by Investor Member and Lenders other than CHA CSC. In the event that an Event of Default occurs under this Agreement, and if, as a result thereof, the City intends to exercise any right or remedy available to it that could result in the termination of this Agreement, the cancellation, suspension, or reduction of any payment due from the City under this Agreement, the City shall send notice of such intended exercise to the parties identified in Section 17 and the Investor Member and any lender providing Lender Financing, other than CHA CSC, shall have the right (but not the obligation) to cure such an Event of Default under the following conditions:

- (i) if the Event of Default is a monetary default, the cure is completed within 30 days after the later of: (a) the expiration of the cure period, if any, granted to Developer Parties with respect to such monetary default; or (b) receipt by the lenders and the Investor Member of such notice from the City; and
- (ii) if the Event of Default is of a non-monetary nature, the cure is completed within 30 days after the later of: (a) the expiration of the cure period, if any, granted to Developer Parties with respect to such non-monetary default; or (b) receipt of such notice from the City; provided, however, that if such non-monetary default is not reasonably capable of being cured by the lenders or the Investor Member within such 30-day period, such period shall be extended for such reasonable period of time as may be necessary to cure such default, provided that the party seeking such cure must continue diligently to pursue such cure and, if possession of the Project is necessary to effect such cure, the party seeking such cure must have instituted appropriate legal proceedings to obtain possession.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date of this Agreement with respect to the Property or any portion thereof that were made before or on the date of this Agreement in connection with Lender Financing and which are Permitted Liens are referred to in this Agreement as the "Existing Mortgages." Any mortgage or deed of trust that Developer Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to in this Agreement as a "New Mortgage." Any New Mortgage that Developer Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to in this Agreement as a "Permitted Mortgage." The City and Developer Parties agree as follows:

(a) If a mortgagee or any other party shall succeed to Developer Parties' interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer Parties' interest under this Agreement in accordance with Section 18.14 (Assignment), the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to Developer Parties for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the leasehold estate specified in Section 7.02.

(b) If any mortgagee shall succeed to Owner's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer Parties' interest under this Agreement in accordance with Section 18.14 (Assignment), the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer Parties for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of "Developer Parties" under this Agreement; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party has no liability under this Agreement for any Event of Default of Developer Parties which accrued before such party succeeded to the interest of Developer Parties under this Agreement, in which case Developer Parties shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer Parties' interest under this Agreement, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the leasehold estate.

(c) Before the City issues a Certificate under Section 7, Developer Parties shall not execute a New Mortgage with respect to the Property or any portion of the Property without the prior written consent of the Commissioner of DPD and/or DOH.

SECTION 18. MISCELLANEOUS

18.01 Amendment.

Except for changes or amendments that are otherwise expressly identified as being in the discretion of the Commissioner, this Agreement and its Exhibits may not be amended or modified without the prior written consent of the parties to this Agreement; provided, however, that the City, in its sole discretion, may amend, modify, or supplement the Redevelopment Plan without the consent of any party to this Agreement. No material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 18.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer Parties (including those set forth in Sections 10.02 and 10.03) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer Parties affecting the Project site, the Project, or both, or increases any time agreed for performance by Developer Parties by more than ninety (90) days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached to this Agreement, which is hereby incorporated into this Agreement by reference) constitutes the entire agreement between the parties to this Agreement and it supersedes all prior agreements, negotiations, and discussions between the parties relative to the subject matter of this Agreement.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to Developer Parties or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer Parties from the City or any successor in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. Developer Parties agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or Developer Parties with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or Developer Parties in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms of this Agreement. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties to this Agreement, shall constitute a waiver of any such parties' rights or of any obligations of any other party to this Agreement as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party under this Agreement are cumulative and the exercise of any one or more of the remedies provided for in this Agreement shall not be construed as a waiver of any other remedies of such party unless specifically so provided in this Agreement.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

18.09 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included in this Agreement and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.10 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, such ordinance(s) shall prevail and control.

18.11 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.12 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.13 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD and/or DOH or the Commissioner, or any matter is to be to the City's, DPD and/or DOH's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given, or determined by the City, DPD and/or DOH or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City, DPD and/or DOH in making all approvals, consents, and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

18.14 Assignment. Developer Parties may not sell, assign, or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City. The City hereby consents to the execution and delivery of a Collateral Assignment in favor of a lender holding Lender Financing. Any successor in interest to Developer Parties under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, as described in Section 7.02 (Effect of Issuance of Certificate; Continuing Obligations), for the Term of the Agreement. Each of the Developer Parties consents to the City's sale, transfer, assignment, or other disposal of this Agreement at any time in whole or in part.

18.15 Binding Effect. This Agreement shall be binding upon Developer Parties, the City and their respective successors and permitted assigns (as provided in this Agreement) and shall inure to the benefit of Developer Parties, the City and their respective successors and permitted assigns (as provided in this Agreement). Except as otherwise provided in this Agreement, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.16 Force Majeure. Neither the City nor Developer Parties nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations under this Agreement. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

18.17 Business Economic Support Act. Pursuant to the Business Economic Support Act (30 ILCS 760/1 et seq.), if Developer Parties are required to provide notice under the WARN Act, Developer Parties shall, in addition to the notice required under the WARN Act, provide at the same time a copy of the WARN Act notice to the Governor of the State, the Speaker and Minority Leader of the House of Representatives of the State, the President and minority Leader of the Senate of State, and the Mayor of each municipality where Developer Parties has locations in the State. Failure by Developer Parties to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth in this Agreement.

18.18 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party to this Agreement agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois, and the United States District Court for the Northern District of Illinois.

18.19 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Developer Parties agree to pay upon demand the City's out-of-pocket expenses, including reasonable attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. This includes, subject to any limits under applicable law, attorney's fees and legal expenses, whether or not there is a lawsuit, including attorney's fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services. Developer also will pay any court costs, in addition to all other sums provided by law.

18.20 Business Relationships. Developer Parties acknowledge (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (B) that Developer Parties have read such provision and understand that pursuant to such Section 2-156-030 (b), it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a business relationship that creates a "Financial Interest" (as defined in Section 2-156-010 of the Municipal Code)(a "Financial Interest"), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving any person with whom the elected City official or employee has a business relationship that creates a Financial Interest, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship that creates a Financial Interest, and

(C) that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Developer Parties hereby represent and warrant that, to the best of their knowledge after due inquiry, no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

18.21 Faircloth-to-RAD Conversion. In connection with the anticipated conversion of certain residential housing units within the Project to RAD-assisted units through HUD's Faircloth-to-RAD program (the "RAD Conversion"), which is anticipated to occur after the completion of construction of the Project, the City and the Developer Parties intend to amend this Agreement and subordinate this Agreement to certain RAD-related regulatory agreements as may be required by HUD in connection with the RAD Conversion; provided that the terms of the such amendment and subordination will be in form and substance acceptable to the City in its sole discretion.
