Not less than ten (10) Business Days before the Closing, the Developer shall obtain a commitment for an owner's policy of title insurance for the City Property, issued by the Title Company (the "Title Commitment"). The Developer shall be solely responsible for and shall pay all costs associated with updating the Title Commitment (including all search, continuation, and later date fees), and obtaining the Title Policy and any endorsements.

The City shall have no obligation to cure title defects; provided, however, if there are exceptions for general real estate taxes due or unpaid prior to the Closing Date with respect to the City Property or liens for such unpaid property taxes, the City shall ask the County to void the unpaid taxes as provided in Section 21-100 of the Property Tax Code, 35 ILCS 200/21-100, or file an application for a Certificate of Error with the Cook County Assessor, or tax injunction suit or petition to vacate a tax sale in the Circuit Court of Cook County. If, after taking the foregoing actions and diligently pursuing same, the City Property remains subject to any tax liens, or if the City Property is encumbered with any other exceptions that would adversely affect the use and insurability of the City Property for the development of the Project, the Developer shall have the option to do one of the following: (a) accept title to the City Property subject to the exceptions, without reduction in the Purchase Price; or (b) terminate this Agreement by delivery of written notice to the City, in which event this Agreement shall be null and void, and except as otherwise specifically provided herein, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement as aforesaid, the Developer shall be deemed to have accepted title subject to all exceptions.

5.05 Evidence of Clean Title. The Developer, at its own expense, must have provided the City with searches under its name and any Trade Names as follows:

Secretary of State	UCC search
Secretary of State	Federal tax search
Cook County Recorder	UCC/Fixture search
Cook County Recorder	Federal tax search
Cook County Recorder	State tax search
Cook County Recorder	Memoranda of judgments search
U.S. District Court	Pending suits and judgments
Clerk of Circuit Court, Cook County	Pending suits and judgments

5.06 Environmental. Developer has provided DPD with copies of that certain Phase I ESA completed with respect to the Property and any Phase II ESA with respect to the Property required by the City. Developer has provided the City with a letter from the environmental engineer(s) who completed such audit(s), authorizing the City to rely on such audit(s). The Developer must submit to DPD for DPD's approval a Phase I ESA (or update to a Phase I ESA) of the City Property dated no more than 180 days prior to the Closing Date and a reliance letter authorizing the City to rely upon and use all Phase I and Phase II ESAs of the City Property and any addendums and updates thereto.

5.07 Corporate Documents. Developer has provided a copy of its articles or certificate of incorporation or organization containing the original certification of the Secretary of State; certificates of good standing from the Secretary of State of its state of incorporation or organization and all other states in which Developer is qualified to do business; a secretary's certificate in such form and substance as the

Corporation Counsel may require; bylaws or operating agreement; and such other organizational documentation as the City has requested.

5.08 Economic Disclosure Statement. Developer shall provide to the City an EDS, dated as of the Closing Date, which is incorporated by reference, and Developer further will provide any other affidavits or certifications as may be required by federal, state or local law in the award of public contracts, all of which affidavits or certifications are incorporated by reference.

5.09 Insurance. The Developer, at its own expense, must have insured the Property in accordance with Exhibit C hereto, or Accord Form 27 certificates evidencing the required coverages.

5.10 Construction Compliance Informational Conference. Developer shall provide to the City a copy of the informational conference letter signed by DPD's construction and compliance division.

5.11 Surveys. Developer shall provide the City with a copy of the Survey(s).

5.12 Developer Property. The Developer must be in title to the Developer Property on the day it executes this Agreement and on the Closing Date.

5.13 Performance and Payment Bond. Developer shall provide the City with a performance and payment bond in the full amount of the Construction Contract, underwritten by a surety satisfactory to the City and the Corporation Counsel, and naming the City as co-obligee on such bond.

SECTION 5A. CONVEYANCE OF THE CITY PROPERTY

The following provisions govern the City's conveyance of the City Property to the Developer:

(i) Purchase Price. The City hereby agrees to sell, and the Developer hereby agrees to purchase, upon and subject to the terms and conditions of this Agreement, the City Property, for the Purchase Price, which will be paid by the Developer to the City at the Closing. Except as specifically provided herein to the contrary, the Developer shall pay all escrow fees and other title insurance fees and closing costs.

(ii) Form of Quitclaim Deed. The City shall convey title to the City Property by a quitclaim deed for the sum of One Dollar (\$1.00). The conveyance and title shall, in addition to the provisions of this Agreement, be subject to:

- (A) the Redevelopment Plan;
- (B) the standard exceptions in an ALTA insurance policy;
- (C) all general real estate taxes;
- (D) easements, encroachments, covenants and restrictions of record and not shown of record; and
- (E) such other title defects as may exist.

If necessary to clear title of exceptions for general real estate tax liens attributable to taxes due and payable prior to the Closing Date, the City shall submit to the County a tax abatement letter and/or file a vacation of tax sale proceeding in the Circuit Court of Cook County, seeking the exemption or waiver of such pre-closing tax liabilities, but shall have no further duties with respect to any such taxes.

(iii) Closing. The City's conveyance of the City Property shall occur on the Closing Date.

(iv) Recordation of Quitclaim Deed. The Developer shall promptly record the quitclaim deed for the City Property in the Office of the County Clerk, Cook County, Illinois, Recordings Division. The Developer shall pay all costs for recording the quitclaim deed.

(v) Escrow. In the event that the Developer requires conveyance through an escrow, the Developer shall pay all escrow fees.

SECTION 6. COMPLETION OF CONSTRUCTION OR REHABILITATION

6.01 Certificate of Completion of Construction or Rehabilitation. Upon completion of the Project in accordance with the terms of this Agreement and upon the Developer's written request, DPD shall issue to the Developer a Certificate of Completion of Construction or Rehabilitation (the "Certificate") in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. If the Developer has not fulfilled its obligation, DPD will issue a written statement detailing the measures which must be taken in order to obtain them.

DPD may require a single inspection by an inspecting architect hired at the Developer's expense to confirm the completion of the Project. DPD shall make its best efforts to respond to Developer's written request for the Certificate within forty-five (45) days by issuing the Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by Developer in order to obtain the Certificate. Developer may resubmit a written request for the Certificate upon completion of such measures.

The Developer acknowledges and understands that the City will not issue the Certificate and pay out Capital Grant in connection with the Project, until the following conditions have been met:

- Evidence certified to and acceptable to DPD of the Final Project Cost. As described in Section 4.02, the Capital Grant will be reduced on a pro rata basis if the Final Project Cost is less than the Estimated Project Cost;
- Evidence that the Developer has incurred NOF Eligible Costs in an equal amount to, or greater than, the NOF Funds;
- Receipt of a Certificate of Occupancy or other evidence acceptable to DPD that the developer has complied with building permit requirements for Project;
- Evidence acceptable to DPD that the Project is in compliance with the Operations Covenant and the Occupancy Covenant; and
- Evidence acceptable to DPD in the form of a closeout letter from the Department of Housing's Bureau of Construction and Compliance stating that the Developer is in complete compliance

with all City Requirements (MBE/WBE, City Residency, and Prevailing Wage), as defined in Exhibit F.

Any approval given by DPD pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings or any other City department, nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the Property or any part thereof.

6.02 Continuing Obligations. The Certificate relates only to the respective performance of the work associated with the Project improvements. After the issuance of the Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein unrelated to such work will remain in effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 7.02, 7.04, and 7.05 as covenants that run with the land will bind any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement or such shorter period as may be explicitly provided for therein. The other executory terms of this Agreement shall be binding only upon the Developer or a permitted assignee under Section 7.01(i) of this Agreement.

6.03 Failure to Complete. If the Developer fails to complete the Project in accordance with the terms of this Agreement, the Certificate will not be issued, and the City will have, but will not be limited to, any of the following rights and remedies, subject in each case to Section 11 hereof:

(a) the right to terminate this Agreement and cease all disbursement of NOF Funds not yet disbursed under this Agreement; and

(b) the right to seek reimbursement of the previously disbursed NOF Funds from the Developer.

6.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide the Developer, at the Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

6.05 Failure to Obtain Certificate. If the Developer has not received the Certificate by the Certificate Deadline, the City shall have the right to terminate the Agreement and cancel any future payments.

SECTION 7. COVENANTS/REPRESENTATIONS/WARRANTIES OF DEVELOPER

7.01 General. Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of NOF Funds hereunder that:

(a) Developer is a corporation or limited liability company duly incorporated or organized, validly existing, qualified to do business in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by Developer of this Agreement has been duly authorized by all necessary action, and does not and will not violate its certificate or articles of incorporation or organization, bylaws or operating agreement as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which Developer is now a party or by which Developer is now or may become bound;

(d) during the Term of the Agreement, the Developer will continue to own good, indefeasible and merchantable fee simple title to the Property (and all improvements thereon), or a leasehold interest therein, free and clear of all liens except for the Permitted Liens and such other matters as DPD may consent to in writing;

(e) Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting Developer which would impair its ability to perform under this Agreement;

(g) Developer has and shall maintain all government permits, certificates and consents necessary to conduct its business and to construct, complete and operate the Project;

(h) Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which Developer is a party or by which Developer is bound;

(i) Developer shall not do any of the following without the prior written consent of DPD for the Term of the Agreement: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business; (3) enter into any transaction outside the ordinary course of Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (5) enter into any transaction that would cause a material and detrimental change to Developer's financial condition;

(j) Developer has not incurred, and, prior to the issuance of a Certificate, shall not, without the prior written consent of the Commissioner, allow the existence of any liens against the Property (or

improvements thereon) other than the Permitted Liens; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except lender financing as disclosed to the City; and

(k) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code;

7.02 Covenant to Redevelop. Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

7.03 Use of NOF Funds. NOF Funds disbursed to Developer shall be used by Developer solely to reimburse Developer for its payment for NOF-Funded Improvements as provided in this Agreement.

7.04 Operations Covenant. The Developer hereby covenants and agrees, throughout the Compliance Period, to maintain its operations at the Project (the "Operations Covenant"). The covenants set forth in this Section shall run with the land and be binding upon any transferee.

7.05 Occupancy Covenant. The Developer hereby covenants and agrees, throughout the Compliance Period, to maintain that not less than seventy-five percent (75%) of the Project shall remain occupied, and otherwise open for business (the "Occupancy Covenant"). The covenants set forth in this Section shall run with the land and be binding upon any transferee.

7.06 Jobs Creation and Retention. The Developer estimates that the Project will result in the creation of (i) approximately twelve (12) FTE permanent jobs (the "Permanent Jobs") and (ii) during the construction of the Project, approximately one-hundred and fifty (150) temporary full-time construction jobs (the "Construction Jobs," and collectively with Permanent Jobs, the "Jobs"). Notwithstanding any other provision in this Agreement to the contrary, the failure to create the specified number of Jobs shall not constitute an Event of Default.

7.07 Jobs Reporting Requirement. The Developer hereby covenants and agrees, throughout the Term of the Agreement, to maintain the Local Hiring and/or Local Residency, as applicable, and shall submit to DPD evidence of compliance with these requirements, and other information about jobs maintained at the Project, in a form acceptable to DPD in its sole discretion.

7.08 Annual Compliance Report. Following the issuance of the Certificate, each year throughout the Term of the Agreement, the Developer shall submit to DPD by June 30th the Annual Compliance Report itemizing each of Developer's obligations under this Agreement during the preceding calendar year. If this report is not received within this timeframe, the City will notify Developer in writing of such deficiency. Thereafter, Developer shall have ten (10) days to file the Annual Compliance Report

with DPD. Developer's failure to timely submit the report will constitute an event of default.

7.09 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of NOF Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any NOF-Funded Improvement or other Project Costs, as applicable. Developer shall provide information with respect to any entity to receive NOF Funds directly or indirectly (whether through payment to the Affiliate by Developer and reimbursement to Developer for such costs using NOF Funds, or otherwise), upon DPD's request, prior to any such disbursement.

7.10 Conflict of Interest. Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the NOF program, or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the Redevelopment Area.

7.11 Disclosure of Interest. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

7.12 Financial Statements. Developer shall obtain and provide to DPD Financial Statements for Developer's most recent fiscal year ended before the Closing Date and each year thereafter for the Term of the Agreement. In addition, Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

7.13 Insurance. The Developer shall provide and maintain during the Term of the Agreement, and cause other applicable parties to provide and maintain, the insurance coverages specified in Exhibit C.

7.14 Compliance with Laws. To the best of Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, Developer shall provide evidence satisfactory to the City of such compliance.

7.15 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property in the Recorder's Office of Cook County. If the Permitted Liens include any existing mortgages, such mortgagee must execute a subordination agreement acceptable to the City in its sole discretion.

7.16 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer,

contractor, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

7.17 Non-Governmental Charges. Except for the Permitted Liens, and subject to the next sentence, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charges. The Developer has the right, before any delinquency occurs, to contest any Non-Governmental Charge by appropriate legal proceedings properly and diligently prosecuted, so long as such proceedings serve to prevent any sale or forfeiture of the Property.

7.18 Governmental Charges.

(a) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

(b) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option:

(i) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; or

(ii) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

7.19 Developer's Failure to Pay or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

7.20 FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City with the Annual Compliance or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et seq., as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

7.21 Affordable Housing Covenant; Inclusionary Housing Agreement.

(a) Developer agrees and covenants to the City that:

- (i) if the Inclusionary Housing Agreement remains in effect, Developer shall be obligated to provide affordable housing in the Project as described in the Inclusionary Housing Agreement for a term of thirty (30) years ("Affordability

Period”) and at least ten percent (10%) of the residential units shall be available for occupancy to and be occupied solely by Eligible Households; and

- (ii) if the Inclusionary Housing Agreement is terminated or released prior to the expiration of the Term of this Agreement, including without limitation due to foreclosure by a lender providing Lender Financing, then Developer shall be obligated to provide affordable housing in the Project as described in Section 7.21(b) from the date the Inclusionary Housing Agreement is terminated or released through the remaining Term of the Agreement.

- (b) The Project shall be operated and maintained solely as residential rental housing with certain commercial restaurant use.

At least two (2) of the units (including 1 one-bedroom and 1 two-bedroom units) shall be available for occupancy to and be occupied solely by one or more individuals qualifying as 50% AMI Families.

At least three (3) of the units (including 1 one-bedroom and 2 two-bedroom units) shall be available for occupancy to and be occupied solely by one or more individuals qualifying as sixty percent (60%) AMI Families.

All of the rental units must be affordable to households with a range of income at a weighted average of sixty percent (60%) of the Chicago-area median income.

As used in this Section 7.21(b), the following terms have the following meanings:

“Family” shall mean one or more individuals, whether or not related by blood or marriage.

“50% AMI Families” shall mean Families whose annual income does not exceed fifty percent (50%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by HUD, and thereafter such income limits shall apply to this definition.

“60% AMI Families” shall mean Families whose annual income does not exceed sixty percent (60%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by HUD, and thereafter such income limits shall apply to this definition.

- (c) The covenants set forth in this Section shall run with the land and be binding upon any transferee throughout the term of the Affordability Period.

- (d) The City and Developer may enter into a separate agreement to implement the provisions of this Section.

7.22 ARO Compliance. In addition to the Annual Compliance Report, the Developer is required to provide an Annual Owner's Certification ("AOC") to DOH's Long-Term Monitoring and Compliance team each year during the Affordability Period.

AOC submissions may include, but are not limited to, the following documentation:

- AOC submission packet
- Tenant Profile Compliance Report
- Indemnification Form
- Tenant Selection Plan
- Annual Compliance Training Certification
- HUD-935.2A Affirmative Fair Housing Marketing Plan
- First and last/signature page of lease.

7.23 Restrictions on Use. The Developer, for itself and its successors and assigns, covenants and agrees as follows:

(a) Compliance with Redevelopment Plan. The Developer shall use the Property in compliance with the Redevelopment Plan.

(b) Non-Discrimination. The Developer shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or the Project or any part thereof.

The Developer, for itself and its successors and assigns, acknowledges and agrees that the development and use restrictions set forth in this Section 7.23 constitute material, bargained-for consideration for the City, and are intended to further the City's public policies.

SECTION 8. MAINTAINING RECORDS AND RIGHT TO INSPECT

8.01 Books and Records. The Developer, the general contractor, and each subcontractor shall keep and maintain books and records that fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto and as otherwise necessary to evidence the Developer's compliance with its obligations under this Agreement, including, but not limited to, payroll records, general contractor's and subcontractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices and the like. Such books and records shall be available at the applicable party's offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer's expense.

8.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 9. ENVIRONMENTAL MATTERS

9.1 "AS IS" SALE. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD AN ADEQUATE OPPORTUNITY TO INSPECT THE CITY PROPERTY AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITIONS AND RISKS OF THE CITY PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE CITY PROPERTY (AND ANY IMPROVEMENTS THEREON). THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES IN DECIDING WHETHER TO ACQUIRE THE CITY PROPERTY, AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER ACKNOWLEDGES AND AGREES THAT THE CITY PROPERTY IS BEING CONVEYED, AND THE DEVELOPER AGREES TO ACCEPT THE CITY PROPERTY, IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING, WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE CITY PROPERTY (OR ANY IMPROVEMENTS THEREON), ITS COMPLIANCE WITH ANY LAWS, OR THE SUITABILITY OR MERCHANTABILITY OF THE CITY PROPERTY FOR ANY PURPOSE WHATSOEVER. THE DEVELOPER ACKNOWLEDGES AND AGREES THAT IT IS SOLELY RESPONSIBLE FOR ANY INVESTIGATION AND REMEDIATION WORK NECESSARY TO PUT THE CITY PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

9.2 Environmental Investigation. The City shall grant the Developer the right, at its sole cost and expense, and in the City's customary form and subject to City's receipt from Developer of required documentation (e.g., evidence of insurance and an Economic Disclosure Statement and Affidavit), to enter the Property to perform any surveys, environmental assessments, soil tests and other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property; provided, however, that the City shall have the right to review and approve the scope of work for any environmental testing. If the Developer determines that it is not satisfied, in its sole and absolute discretion, with the condition of the Property, it may terminate this Agreement by written notice to the City any time prior to the Closing Date, whereupon this Agreement shall be null and void and, except as otherwise specifically provided, neither Party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 9.2, the Developer shall be deemed satisfied with the condition of the Property.

9.3 Environmental Remediation. The Developer has obtained a Phase I ESA of the Property dated August 18, 2022, and a follow-up Phase II ESA. The Phase II ESA disclosed the presence of contamination exceeding residential remediation objectives as set forth in 35 Ill. Adm. Code Part 742, and the Developer has agreed to enroll the Property (or the applicable portion thereof) in the SRP and take all necessary and proper steps to obtain written approval from the IEPA of a Remedial Action Plan ("RAP Approval Letter"). The Developer acknowledges and agrees that it may not commence construction on the Property until the IEPA issues the RAP Approval Letter for the Property. Upon receipt of the RAP Approval Letter, the Developer covenants and agrees to complete all Remediation Work necessary to obtain a Final Comprehensive Residential NFR Letter for the Property. The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the SRP Documents and any changes thereto, and the Developer's estimate of the cost to perform the Remediation Work. The City must be named in a reliance letter for all environmental assessments prepared for the Property. The Developer shall bear sole responsibility for all costs of the Remediation Work necessary to obtain the Final

Comprehensive Residential NFR Letter, and any other investigative and cleanup costs associated with the Property, including, but not limited to, the removal of pre-existing building foundations, demolition debris, and soil or soil gas not meeting the requirements of 35 Ill. Adm. Code Part 742. In addition, the Developer shall remove and close any identified underground storage tanks ("USTs") in accordance with applicable regulations, including 41 Ill. Adm. Code Part 175, and shall properly address any identified leaking USTs in accordance with 35 Ill. Adm. Code Part 734. The Developer shall also abandon any permanent wells pursuant to the requirements provided in Section 920.120 of the Illinois Water Well Construction Code (77 Ill. Adm. Code Part 920). The Developer shall promptly transmit to the City copies of all Environmental Documents prepared or received with respect to the Remediation Work, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies. The Developer acknowledges and agrees that the City will not issue a Certificate of Completion or permit occupancy of the Project until the IEPA has issued, AIS has approved (which approval will not be unreasonably withheld), and the Developer has recorded a Final Comprehensive Residential NFR Letter for the Property with the Cook County Clerk's Office. If the Developer fails to obtain the Final Comprehensive Residential NFR Letter within six (6) months of the submission of the RACR to the IEPA, then the City shall have the right to record a notice of default of this RDA against the Property. The Developer must abide by the terms and conditions of the Final Comprehensive Residential NFR Letter.

9.4 Release and Indemnification. The Developer, on behalf of itself and the other Developer Parties, or anyone claiming by, through, or under the Developer Parties, hereby releases, relinquishes and forever discharges the City from and against any and all Losses which the Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Property or the migration of Hazardous Substances from or to other property, unless the Hazardous Substances migrate from property owned by the City to the Property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any Losses arising under CERCLA, and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Furthermore, the Developer shall defend (through an attorney reasonably acceptable to the City), indemnify, and hold the City harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims.

9.5 Release Runs with the Land. The covenant of release in Section 9.4 shall run with the Property, and shall be binding upon all successors and assigns of the Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the City Property to the Developer for the Purchase Price. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer, or any of the Developer Parties, arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, neither the Developer, nor any of the Developer Parties, will assert that those obligations must be satisfied in whole or in part by the City because Section 9.4 contains a full, complete and final release of all such claims.

9.6 Survival. This Section 9 shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination). The Developer hereby represents and warrants to the City that it has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with the requirements of all Environmental Laws and this Agreement. The Developer agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City and relating to the Project or the Property.

SECTION 10. INDEMNIFICATION

Developer agrees to indemnify, defend and hold the City, its officers, officials, members, agents and employees harmless from and against any and all losses, costs, damages, liabilities, claims, suits, judgments, demands, actions, causes of action of every kind or nature and expenses (including, without limitation, attorneys' fees and court costs) arising out of or incidental to the failure of Developer to perform its obligations under this Agreement. Upon reasonable notice from the City of any claim which the City believes to be covered hereunder, Developer shall timely appear in and defend all suits brought upon such claim and shall pay all costs and expenses incidental thereto, but the City shall have the right, at its option and at its own expense, to participate in the defense of any suit, without relieving Developer of any of its obligations hereunder. The obligations set forth in this section shall survive any termination or expiration of this Agreement.

SECTION 11. DEFAULT AND REMEDIES

11.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 7 (Covenants, Representations, and Warranties of Developer), shall constitute an "Event of Default" by the Developer hereunder:

(a) the failure of Developer to complete the Project in accordance with the terms of this Agreement;

(b) the failure of the Developer to comply with any covenant or obligation, or the breach by the Developer of any representation or warranty, under this Agreement or any related agreement;

(c) the making or furnishing by Developer to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) the commencement of any bankruptcy, insolvency, liquidation or reorganization proceedings under any applicable state or federal law, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(e) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(f) the entry of any judgment or order against the Developer or the Property which remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(g) the dissolution of the Developer or the death of any natural person who owns a fifty percent (50%) or more ownership interest in the Developer, unless, in the case of a death, the Developer establishes to the DPD's satisfaction that such death shall not impair the Developer's ability to perform its executory obligations under this Agreement; or

(h) in the event the Developer relocates the business without the prior written consent of the City during the Term of the Agreement.

11.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, may suspend disbursement of NOF Funds and may seek reimbursement of NOF Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy.

11.03 Cure Period. In the event Developer shall fail to perform a covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to perform such covenant within thirty (30) days of its receipt of a written notice from the City specifying that it has failed to perform such covenant; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default

within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

SECTION 12. MORTGAGING OF THE PROJECT

The Permitted Liens are the only mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof. No mortgagee shall have the right to succeed to the Developer's rights under this Agreement unless the sale, assignment, or transfer receives the sole written consent of the City. This consent shall be in the City's sole discretion and which, if granted, may be conditioned upon, among other things, the assignee's assumption of all of the Developer's obligations under this Agreement.

Upon the request of a lender providing Lender Financing, the City shall agree to subordinate its interests under this Agreement to the mortgage of such lender pursuant to a written subordination agreement, the form of which shall be in a form reasonably acceptable to the City and Corporation Counsel.

SECTION 13. GENERAL PROVISIONS

13.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this Section 13.01 shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental or construction obligations of Developer by more than ten percent (10%) or materially changes the Project site or character of the Project or any activities undertaken by Developer affecting the Project site, the Project, or both, or increases any time agreed for performance by Developer by more than one-hundred and eighty (180) days.

13.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

13.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

13.04 Further Assurances. The Developer agrees to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

13.05 No Implied Waivers. No waiver by either Party of any breach of any provision of this Agreement will be a waiver of any continuing or succeeding breach of the breached provision, a waiver of the breached provision itself, or a waiver of any right, power or remedy under this Agreement. No notice

to, or demand on, either Party in any case will, of itself, entitle that Party to any further notice or demand in similar or other circumstances.

13.06 Titles and Headings. Titles and headings to paragraphs contained in this Agreement are for convenience only and are not intended to limit, vary, define or expand the content of this Agreement.

13.07 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

13.08 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

13.09 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

13.10 Governing Law and Venue. This Agreement will be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to the principles of conflicts of law thereof. If there is a lawsuit under this Agreement, each Party hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois.

13.11 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

13.12 Binding Effect. This Agreement shall be binding upon Developer, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of Developer, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

13.13 Force Majeure. Neither the City nor the Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes

with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

13.14. Notices. Unless otherwise specified, any notice, demand or request required hereunder shall be given in writing at the Notice Address, by any of the following means: (a) personal service; (b) overnight courier, or (c) registered or certified mail, return receipt requested.

13.15. Severability. If any provision of this Agreement, or the application thereof, to any person, place or circumstance, shall be held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement and such provisions as applied to other persons, places and circumstances shall remain in full force and effect only if, after excluding the portion deemed to be unenforceable, the remaining terms shall provide for the consummation of the transactions contemplated hereby in substantially the same manner as originally set forth herein.

13.16. Survival of Agreements. All warranties, representations, covenants and agreements of this Agreement shall be true, accurate and complete at the time of the execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and shall be in effect throughout the Term of the Agreement.

13.17. Exhibits. All of the exhibits attached to this Agreement are incorporated into this Agreement by reference.

1. Bid Requirement for General Contractor and Subcontractors. Prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, Developer shall solicit, or shall cause the General Contractor to solicit, a minimum of three (3) bids, and select the lowest, from qualified contractors eligible to do business with, and having an office located in, the City of Chicago, and shall submit all bids received to DPD, if requested, for its inspection and written approval. 2. Construction Contract. Prior to the Closing Date, the Developer must provide DPD with a certified copy of the construction contract, together with any modifications, amendments or supplements thereto, and upon DPD's request, a copy of any subcontracts. CONSTRUCTION HIRING REQUIREMENTS

1. Employment Opportunity. The Developer shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Paragraph, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (1) through (4) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this paragraph shall be a basis for the City to pursue its remedies under the Redevelopment Agreement.

2. Prevailing Wage. The Developer, the General Contractor and all subcontractors must pay the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all persons

working on the Project. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this Prevailing Wage.

3. City Resident Construction Worker Employment Requirement. The Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Paragraph concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Paragraph concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Paragraph. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this paragraph to be included in all construction contracts and subcontracts related to the Project.

4. MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that, during the Project:

(a) Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "MBE/WBE" Program"), Section 2-92-420 et seq., Municipal Code, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this paragraph 4, during the course of the Project, at least the following percentages of the MBE/WBE Budget attached hereto as Exhibit B (as these budgeted amounts may be reduced to reflect decreased actual costs) shall be expended for contract participation by MBEs or WBEs:

- i. At least 26 percent by MBEs;
and

ii. At least 6 percent by WBEs.

(b) For purposes of MBE/WBE Commitment only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" as such terms are defined in Section 2-92-420, Municipal Code.

(c) Consistent with Section 2-92-440, Municipal Code, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer), or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as a General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both an MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this paragraph 4. The Developer or the General Contractor may meet all or part of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code for the voluntary use of MBEs or WBEs in its activities and operations other than the Project.

(d) Prior to the City's issuance of a Final Certificate, the Developer shall provide to DPD a final report describing its efforts to achieve compliance with this MBE/WBE commitment. Such report shall include inter alia the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DPD in determining the Developer's compliance with this MBE/WBE commitment. DPD has access to the Developer's books and records, including, without limitation, payroll records, books of account and tax returns, and records and books of account in accordance with the Redevelopment Agreement, on five (5) business days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this Subsection (e), the disqualification procedures are further described in Section 2-92-540, Municipal Code.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this paragraph 4 shall be undertaken in accordance with Section 2-92-450, Municipal Code.

(g) Prior to the commencement of the Project, the Developer, the General Contractor and all major subcontractors shall be required to meet with the monitoring staff of DPD with regard to the Developer's compliance with its obligations under this Section 7.04. During this meeting, the Developer shall demonstrate to DPD its plan to achieve its obligations under this Section 7.04, the sufficiency of which shall be approved by DPD. During the Project, the Developer shall, upon the request of the monitoring staff of DPD, such interim reports as the monitoring staff may require. Failure to submit such documentation on a timely basis, or a determination by DPD, upon analysis of the documentation, that the Developer is not complying with its obligations hereunder shall, upon the delivery of written notice to the Developer, be deemed an Event of Default hereunder.
