WHEREAS, the City and the Developer desire to amend and restate the RDA in its entirety to reflect changes to the scope of activities the Developer agreed to undertake pursuant to the RDA; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The above recitals are incorporated herein and made a part hereof.

SECTION 2. The Commissioner of Planning and Development and the Commissioner of Transportation (each, a "Commissioner") or a designee of the Commissioner are each hereby authorized, with the approval of the City's Corporation Counsel, to negotiate, execute and deliver: (a) an amended and restated redevelopment agreement between the Developer and the City in substantially the form attached hereto as Exhibit A and made a part hereof (the "Redevelopment Agreement") and (b) such other supporting documents as may be necessary to carry out and comply with the provisions of the Redevelopment Agreement, with such changes, deletions and insertions as shall be approved by the persons executing the Redevelopment Agreement.

SECTION 3. The Developer is hereby designated as the developer for the Project (as defined in the Redevelopment Agreement) pursuant to Section 5/11-74.4-4 of the Act.

SECTION 4. A note of the City ("City Note") in a maximum aggregate principal amount up to \$181,156,066 plus (i) costs of issuance of the City Note, (ii) capitalized interest on the City Note for a period not exceeding three years from the date of issuance, and (iii) deposits to a debt service reserve fund for the City Note in an amount not exceeding the lesser of (A) 10% of the principal amount of the City Note, (B) 125% of the average annual debt service on the City Note, or (C) the maximum annual debt service on the City Note (collectively, "Permitted Note Expenditures") is authorized to be issued for the payment of a portion of the eligible redevelopment project costs (as such term is defined under the Act) included within the Project (such costs shall be known herein and in the Redevelopment Agreement as "TIF-Funded Infrastructure Components") and shall be designated as follows: "Tax Increment Allocation Revenue Note (The 78 Redevelopment Project)."

The City Note shall be substantially in the form attached to the Redevelopment Agreement as Exhibit H, and made a part hereof, with such additions or modifications as shall be determined to be necessary by the Authorized Officer (the person duly appointed and serving as the Chief Financial Officer of the City, or if no such person has been appointed, then the City Comptroller, being each referred to herein as an "Authorized Officer") of the City, at the time of issuance to reflect the purpose of the issue, as well as to reflect whether interest payable on the City Note shall be exempt from federal income taxation or shall be subject to federal income taxation.

The City Note shall be dated the date of delivery thereof, and shall also bear the date of authentication, shall be in fully registered form, shall be in the denomination of the outstanding principal amount thereof and shall become due and payable as provided therein. The proceeds of the City Note are hereby appropriated for the purposes set forth in this Section 4.

The City Note shall mature as described in the Redevelopment Agreement, and shall bear interest at a fixed interest rate as described in the Redevelopment Agreement until the principal amount of the City Note is paid or until maturity, with the exact rate to be determined by the Authorized Officer, computed on the basis of a 360-day year of twelve 30-day months.

The principal of and interest on the City Note shall be paid by check, draft or wire transfer of funds by the Authorized Officer of the City, as registrar and paying agent (the "Registrar"), payable in lawful money of the United States of America to the persons in whose names the City Note is registered at the close of business on the payment date, in any event no later than at the close of business on the 15th day of the month immediately after the applicable payment date; provided, that the final installment of the principal and accrued but unpaid interest of the City Note shall be payable in lawful money of the United States of America at the principal office of the Registrar or as otherwise directed by the City on or before the maturity date.

The seal of the City shall be affixed to or a facsimile thereof printed on the City Note, and the City Note shall be signed by the manual or facsimile signature of the Mayor of the City and attested by the manual or facsimile signature of the City Clerk or any Deputy Clerk of the City, and in case any officer whose signature shall appear on the City Note shall cease to be such officer before the delivery of the City Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

The City Note shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Registrar, as authenticating agent of the City for the City Note, and showing the date of authentication. The City Note shall not be valid or obligatory for any purpose or be entitled to any security or benefit under this ordinance unless and until such certificate of authentication shall have been duly executed by the Registrar by manual signature, and such certificate of authentication upon the City Note shall be conclusive evidence that the City Note has been authenticated and delivered under this ordinance.

SECTION 5. The City shall cause books for the registration and for the transfer of the City Note (to the extent such transfer is permitted under the Redevelopment Agreement) as provided in this ordinance to be kept at the principal office of the Registrar, which is hereby constituted and appointed the registrar of the City for the City Note. The City is authorized to prepare, and the Registrar shall keep custody of, multiple City Note blanks executed by the City for use in the transfer of the City Note.

Upon surrender for a transfer of the City Note authorized under the Redevelopment Agreement at the principal office of the Registrar, duly endorsed by, or accompanied by (i) a written instrument or instruments of transfer in form satisfactory to the Registrar, (ii) an investment representation in form satisfactory to the City and duly executed by, the registered owner or his attorney duly authorized in writing, (iii) the written consent of the City evidenced by the signature of the Authorized Officer (or his or her designee) and the Commissioner on the instrument of transfer, and (iv) any deliveries required under the Redevelopment Agreement, the City shall execute and the Registrar shall authenticate, date and deliver in the name of any such authorized transferee or transferees a new fully registered City Note of the same maturity, of authorized denomination, for the authorized principal amount of the City Note less previous retirements. The execution by the City of a fully registered City Note shall constitute full and due authorization of the City Note and the Registrar shall thereby be authorized to authenticate, date and deliver the City Note. The Registrar shall not be required to transfer or exchange a City Note during the period beginning at the close of business on the fifteenth day of the month immediately prior to the maturity date of the City Note nor to transfer or exchange a City Note after notice calling a City Note for prepayment has been made, nor during a period of five (5) business days next preceding mailing of a notice of prepayment of principal of a City Note. No beneficial interests in a City Note shall be assigned, except in accordance with the procedures for transferring a City Note described above.

The person in whose name the City Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of a City Note shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon the City Note to the extent of the sum or sums so paid.

No service charge shall be made for any transfer of the City Note, but the City or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer of the City Note.

SECTION 6. Subject to the limitations set forth herein, the Authorized Officer is authorized to determine the terms of the City Note and to issue the City Note on such terms as the Authorized Officer may deem to be in the best interest of the City. The principal of the City Note shall be subject to prepayment as provided in the form of City Note attached to the Redevelopment Agreement as Exhibit H. As directed by the Authorized Officer, the Registrar shall proceed with prepayment without further notice or direction from the City.

SECTION 7. The City Note hereby authorized shall be executed as in this ordinance and the Redevelopment Agreement provided as soon after the passage hereof as may be practicable and consistent with the terms of the Redevelopment Agreement, and thereupon, said City Note shall be deposited with the Commissioner, and delivered by the Commissioner to the Developer.

SECTION 8. Pursuant to the TIF Ordinance, the City has created or will create the Roosevelt/Clark TIF Fund (the "Fund"). The Authorized Officer is hereby directed to maintain the Fund as a segregated interest-bearing account, separate and apart from any other fund of the City, with a bank that is insured by the Federal Deposit Insurance Corporation or its successor. Pursuant to the TIF Ordinance, all Incremental Taxes received by the City for the Area are to be deposited into the Fund.

There is hereby created within the Fund a special sub-account to be known as the "Roosevelt/Clark Project Account" (the "Project Account"). The City shall designate and deposit into the Project Account the Available Incremental Taxes (as defined in the Redevelopment Agreement). Notwithstanding the foregoing, "Available Incremental Taxes" for purposes of this ordinance and the Redevelopment Agreement shall not include ad valorem taxes generated by or attributable to such parcels as may hereafter be assigned by the Cook County Assessor for the Podium Buildings (as defined in the Redevelopment Agreement) and associated air rights improvements within the Area (the "Excluded Podium PINs"). Taxes generated by or attributable to the Excluded Podium PINs shall not be deposited into the Project Account and shall not be pledged to, or available for, payment of principal of or interest on the City Note.

The City hereby assigns, pledges and dedicates the Project Account, together with all amounts on deposit therein, to the payment of the principal of and interest, if any, on the City Note when due under the terms of the Redevelopment Agreement and in accordance with the debt service schedule attached to the City Note. Upon deposit, the moneys on deposit in the Project Account may be invested as hereinafter provided. Interest and income on any such investment shall be deposited in the Project Account. All moneys on deposit in the Project Account shall be used to pay the principal of and interest on the City Note, at maturity or upon payment or redemption prior to maturity, in accordance with the terms of such note, which payments from the Project Account are hereby authorized and appropriated by the City. Upon payment of all amounts due under the City Note and the Redevelopment Agreement in accordance with their terms, the amounts on deposit in the Project Account, as applicable, shall be deposited in the Fund and the Project Account shall be closed.

Notwithstanding any of the foregoing, payments on the City Note will be subject to the availability of Incremental Taxes in the Project Account.

The City Note authorized hereby shall finance only the TIF-Funded Infrastructure Components described in the Redevelopment Agreement, and shall not finance, directly or indirectly, any other infrastructure governed by the separate Redevelopment Agreement anticipated to be entered into between the City and the Developer for the Area, including without limitation the Parking Facility and the River Wall Improvements, each as defined therein.

SECTION 9. The City Note is a special limited obligation of the City, payable solely from Available Incremental Taxes, and shall be a valid claim of the registered owners thereof only against said sources. The City Note shall not be deemed to constitute an indebtedness or a loan against the general taxing powers or credit of the City, within the meaning of any constitutional or statutory provision. The registered owner(s) of the City Note shall not have the right to compel any exercise of the taxing power of the City, the State of Illinois or any political subdivision thereof to pay the principal of or interest on the City Note.

SECTION 10. Moneys on deposit in the Fund or the Project Account, as the case may be, may be invested as allowed under Section 2-32-520 of the Municipal Code of the City of Chicago. Each such investment shall mature on a date prior to the date on which said amounts are needed to pay the principal of or interest on the City Note.

SECTION 11. Pursuant to the Redevelopment Agreement, the Developer shall complete the Project. The eligible redevelopment project costs of the Project constituting TIF-Funded Improvements up to the principal amount of \$181,156,066, when evidenced by Infrastructure Component Certificates of Expenditure shall be deemed to be a disbursement of the proceeds of the City Note. Upon issuance, the City Note shall have an initial principal balance equal to the costs of TIF-Funded Infrastructure Components that have been incurred and certified to the City in accordance with the Redevelopment Agreement, up to a maximum amount of \$181,156,066 plus Permitted Note Expenditures, as evidenced by Certificates of Expenditures delivered in accordance with the Redevelopment Agreement, and subject to the reductions described in the Redevelopment Agreement. After issuance, the principal amount outstanding under the City Note shall be the initial principal balance of the City Note, minus any principal amount and interest paid on the City Note and other reductions in principal as provided in the Redevelopment Agreement.

SECTION 12. The Mayor, the Authorized Officer, the City Clerk or any Deputy Clerk, the Commissioner (or his or her designee) and the other officers of the City are authorized to execute and deliver on behalf of the City such other documents, agreements and certificates and to do such other things consistent with the terms of this ordinance as such officers and employees shall deem necessary or appropriate in order to effectuate the intent and purposes of this ordinance.

SECTION 13. The Registrar shall maintain a list of the names and address of the registered owners from time to time of the City Note and upon any transfer shall add the name and address of the new registered owner and eliminate the name and address of the transferor.

SECTION 14. The provisions of this ordinance shall constitute a contract between the City and the registered owner of the City Note. All covenants relating to the City Note are enforceable by the registered owners of the City Note.

SECTION 15. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 16. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 17. This ordinance shall take effect upon its passage and approval.
