The Mayor and the Authorized Officer may each designate another to act as their respective proxy and to affix their respective signatures to each of the Bonds, whether in temporary or definitive form, and to any other instrument, certificate or document required to be signed by the Mayor or the Authorized Officer pursuant to this ordinance or the Bond Indenture. In each case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxy for the Mayor and the Authorized Officer, respectively. In that event, except as provided below in this Section, when money becomes available for payment of the interest, (a) the Trustee shall, pursuant to Section 6.06(d) hereof, establish a Special Record Date for

the payment of that interest which shall be not more than 15 nor fewer than 10 days prior to the date of the proposed payment, and (b) the Trustee shall cause notice of the proposed payment and of the Special Record Date to be mailed by first-class mail, postage prepaid, to each Holder at its address as it appears on the Register not fewer than 10 days prior to the Special Record Date and, thereafter, the interest shall be payable to the Persons who are the Holders of the Bonds (or their respective Predecessor Bonds) at the close of business on the Special Record Date.

None of the Issuer, the State or any political subdivision thereof shall be obligated to pay the principal of, premium, if any, or interest on the Bonds or other costs incident thereto except from the payments pledged with respect thereto and certain reserve funds established in connection therewith. Neither the faith and credit nor the taxing power of the United States of America, the Issuer, the State or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds or other costs incident thereto. The Bonds are not a debt of the United States of America or any agency thereof, and are not guaranteed by the United States of America or any agency thereof.

Section 2.06 Indenture Constitutes Contract. In consideration of the purchase and acceptance of the Bonds issued hereunder by those who shall hold them from time to time, the provisions of this Indenture shall be deemed to be a part of, and continue to be, a contract between the Issuer and the Holders of the Bonds from time to time.

Section 2.07 Execution. The Bonds shall be executed on behalf of the Issuer by the manual or facsimile signature of its Mayor, attested by the manual or facsimile signature of its City Clerk or Deputy City Clerk, under the official seal, or a facsimile thereof, of the Issuer. Any facsimile signatures shall have the same force and effect as if said officers had manually signed said Bonds. Any reproduction of the official seal of the Issuer on the Bonds shall have the same force and effect as if the official seal of the Issuer had been impressed on the Bonds.

In case any officer whose manual or facsimile signature shall appear on any Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery, and also any Bond may bear the facsimile signatures of, or may be signed by, such persons as at the actual time of the execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

Section 2.08 Authentication. Only such Bonds as shall have endorsed thereon a certificate of authentication substantially in the form on the attached **Exhibit A** duly executed by the Trustee shall be entitled to any right or benefit under this Indenture. No Bond shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly executed manually by the Trustee; and such executed certificate upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Trustee, but it shall not be necessary that the same person sign the certificate of authentication of all of the Bonds.

Section 2.09 Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer shall execute and the Trustee shall authenticate a new Bond, of like date, interest rate, maturity and denomination as that mutilated, lost, stolen or destroyed. Any mutilated Bond shall first be surrendered to the Trustee; and in the case of any lost, stolen or destroyed Bond, there shall first be furnished to the Issuer and the Trustee evidence of such loss, theft or destruction reasonably satisfactory to them together with indemnity reasonably satisfactory to them. In the event any such Bond shall have matured, instead of issuing a duplicate Bond or Bonds the Trustee shall, upon the written direction of the Issuer, pay the same without surrender thereof. The Issuer and the Trustee may charge the holder or owner of such Bond with their reasonable fees and expenses, including the cost of printing replacement Bonds.

Every new Bond issued pursuant to this Section shall, with respect to such Bond, constitute an additional contractual obligation of the Issuer, whether or not the mutilated, lost, stolen or destroyed Bond shall be found at any time, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Bonds duly issued hereunder. All Bonds shall be held and owned on the express condition that the foregoing provisions of this Section are exclusive with respect to the replacement or payment of mutilated, lost, stolen or destroyed Bonds and shall preclude any and all rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

Section 2.10 Transfer and Exchange of Bonds; Persons Treated as Holders. The Trustee as Registrar shall cause a bond register (herein sometimes referred to as the "Bond Register") to be kept for the registration of transfers of Bonds. Any Bond may be transferred only upon an assignment duly executed by the registered Holder or his or her duly authorized representative in such form as shall be satisfactory to the Registrar, and upon surrender of such Bond to the Trustee for cancellation. Whenever any Bond or Bonds shall be surrendered for transfer, the Issuer shall execute and the Trustee shall authenticate and deliver to the transferee a replacement fully registered Bond or Bonds of Authorized Denomination in an aggregate principal amount equal to the unmatured and unredeemed principal amount of, and bearing interest at the same rate and maturing on the same date or dates as, the Bonds being presented and surrendered for transfer.

Any Bond may, in accordance with its terms, be exchanged, at the office of the Trustee, for a new fully registered Bond or Bonds, of the same maturity, of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed principal amount of, and bearing interest at the same rate as, the Bonds being exchanged. In the event of a partial redemption of a Bond, the

Trustee shall authenticate and deliver to the Owner thereof a new Bond of like date, interest rate, maturity and denomination as the partially redeemed Bond in the amount of the unredeemed principal thereof.

In all cases in which Bonds shall be transferred or exchanged hereunder, the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be the valid limited obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Bonds surrendered upon transfer or exchange. Neither the Issuer nor the Trustee shall be required to make any exchange or transfer of a Bond during a period beginning at the opening of business 15 days before (i) any Interest Payment Date (including any special interest payment date described in Section 2.02 hereof), or (ii) the day of the mailing of a notice of redemption of Bonds and ending at the close of business on the day of such mailing or such Interest Payment Date, or to transfer or exchange any Bonds selected for redemption, in whole or in part.

The Person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of or on account of the principal of and premium and interest on any such Bond shall be made only to or upon the order of the registered Holder thereof or his legal representative, and neither the Issuer nor the Trustee shall be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums to be paid.

Section 2.11 Cancellation and Disposition of Bonds. Any Bond surrendered for the purpose of payment or retirement, or for exchange, or for replacement or payment pursuant to Section 2.09, shall be cancelled upon surrender thereof to the Trustee. Evidence of such surrender and cancellation shall be provided to the Issuer by the Trustee, if requested in writing. Cancelled Bonds, or unissued Bond inventory held in blank by the Trustee upon the maturity or total redemption of the Bonds, shall be disposed of by the Trustee in accordance with its retention policy then in effect and evidence of such disposition shall be provided by the Trustee to the Issuer, if requested in writing.

Section 2.12 Book-Entry Provisions. The provisions of this Section shall apply so long as the Bonds are maintained in book-entry form with The Depository Trust Company or another Securities Depository, any provisions of this Indenture to the contrary notwithstanding.

(a) *Payments.* The Bonds shall be payable to the Securities Depository, or its nominee, as the registered owner of the Bonds, on each date on which the principal of, interest on, and premium, if any, on the Bonds is due as set forth in this Indenture and in the Bonds. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the Issuer and the Trustee in writing. Without notice to or the consent of the beneficial owners of the Bonds, the Issuer and the Securities Depository may agree in writing to make payments of principal, premium, if any, and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the Issuer shall give the Trustee written notice thereof, and the Trustee shall make payments with respect to the Bonds in the manner specified in such notice as set forth herein. Neither the Issuer nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, interest on, and premium, if any, on the Bonds to Participants or the beneficial owners of the Bonds or their nominees.

(b) *Replacement of the Securities Depository.* The Issuer may, and in the case of subparagraph (ii) or (iii) below shall, discontinue use of a Securities Depository as the depository of the Bonds if (i) the Issuer, in its sole discretion, determines that (A) such Securities Depository

is incapable of discharging its duties with respect to the Bonds, or (B) the interest of the beneficial owners of the Bonds might be adversely affected by the continuation of the book-entry system with such Securities Depository as the depository for the Bonds, (ii) the beneficial owners of 100% of the Bonds Outstanding direct the Issuer to do so, or (iii) such Securities Depository determines not to continue to act as a depository for the Bonds or is no longer permitted to act as such depository. Notice of any determination pursuant to clauses (i), (ii) or (iii) shall be given to such Securities Depository at least 30 days prior to any such determination (or such fewer number of days as shall be acceptable to such Securities Depository). The Issuer shall have no obligation to make any investigation to determine the occurrence of any events that would permit the Issuer to make any determination described in this paragraph.

(c) *Discontinuance of Book-Entry or Change of Securities Depository.* If, following a determination or event specified in paragraph (b) above, the Issuer discontinues the maintenance of the Bonds in book-entry form with the then current Securities Depository, the Issuer will issue replacement Bonds to the successor Securities Depository, if any, or, if no replacement Securities Depository is selected for the Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant or if directed to do so by the beneficial owners of 100% of the Bonds Outstanding pursuant to subparagraph (b)(ii) above, to the beneficial owners of the Bonds shown on the records of such Participant. Replacement Bonds shall be in fully registered form and in authorized denominations, be payable as to interest on the Interest Payment Dates of the Bonds by check mailed to each registered owner at the address of such owner as it appears on the bond registration books maintained by the Bond Registrar for such purpose at the principal corporate trust office of the Trustee or at the option of any registered owner of not less than \$1,000,000 principal amount of Bonds, by wire transfer to any address in the continental United States of America on such Interest Payment Date to such registered owner as of the Regular Record Date relating to such Interest Payment Date, if such registered owner provides the Trustee with written notice of such wire transfer address not later than such Regular Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent written notice provided 10 business days prior to the next applicable Regular Record Date). Principal and redemption premium, if any, on the replacement Bonds are payable only upon presentation and surrender of such replacement Bond or Bonds at the principal corporate trust office of the Trustee.

(d) *Effect of Book-Entry System.* The Securities Depository and its Participants and the beneficial owners of the Bonds, by their acceptance of the Bonds, agree that the Issuer and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the beneficial owners of the Bonds, nor shall the Issuer or the Trustee be liable for the failure of any Participant or other nominee of the beneficial owners to perform any obligation of the Participant to a beneficial owner of the Bonds.

Section 2.13 Delivery of the Bonds. Upon execution and delivery of this Indenture, and satisfaction of the conditions established by the Issuer in the Ordinance and in the Bond Purchase Agreement for delivery of the Bonds, the Issuer shall execute the Bonds and deliver them to the Trustee with written directions to authenticate them. The Trustee shall authenticate and deliver the Bonds as provided in this Indenture, but only upon the receipt of the following:

(i) An order of the Issuer directing the Trustee to authenticate and deliver the Bonds (a form of which is attached hereto as **Exhibit A**) against receipt of the initial purchase price therefor;

(ii) A certified copy of the Ordinance;

(iii) Executed counterparts of this Indenture and the other Financing Documents specifically listed in the definition of Financing Documents;

(iv) An opinion of Counsel to the Issuer addressed to the Trustee to the effect that the Bonds have been duly authorized, executed and delivered and that the Bond Documents have been duly executed and delivered by the Issuer and constitute valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their respective terms, subject to bankruptcy, insolvency or other laws affecting creditors' rights generally and, with respect to certain remedies which require, or may require, enforcement by a court of equity, such principles of equity as the court having jurisdiction may impose;

(v) An opinion of Bond Counsel addressed to the Trustee, substantially to the effect that this Indenture and the Bonds constitute legal, valid and binding obligations of the Issuer, subject to customary exceptions relating to bankruptcy and insolvency, and to the further effect that the interest on the Bonds is excludable from the gross income of the holders thereof for federal income tax purposes under existing law, subject to customary exceptions and this Indenture creates a lien on the Trust Estate;

(vi) An opinion of counsel for the Borrower addressed to the Trustee to the effect that the Borrower Documents have been duly authorized, executed and delivered by the Borrower and are legal, valid and binding agreements of the Borrower in accordance with their respective terms subject to customary qualifications and exceptions;

(vii) Funds the Trustee is required to receive for deposit pursuant to Section 4.02 hereof;

(viii) Reimbursement of all fees and expenses due to Trustee hereunder;

(ix) A request and authorization signed by an Authorized Issuer Representative authorizing the Trustee to authenticate and to deliver the Bonds to the Underwriter upon payment to the Trustee for the account of the Issuer of the amount specified in such request and authorization plus accrued interest, if any, thereon to the date of delivery;

(x) Evidence in writing of recordation of the Land Use Restriction Agreement (which may be in the form of a title company certified copy); and

(xi) Any other documents or opinions which the Trustee, the Issuer or Bond Counsel may reasonably require, which requirement shall be deemed to be satisfied upon the delivery of the Opinion of Bond Counsel.

Section 2.14 Special Agreement with Holders. Notwithstanding any provision of this Indenture or of any Bond to the contrary, with the written approval of the Borrower, the Trustee may but shall not be obligated to, enter into an agreement with any Holder providing for making all payments to that Holder of principal of and interest on that Bond or any part thereof (other than any payment of the entire unpaid principal amount thereof) at a place and in a manner other than as provided in this Indenture and in the Bond, without presentation or surrender of the Bond, upon any conditions which shall be satisfactory to the Trustee and the Borrower; provided, that payment in any event shall be made to the Person in whose name a Bond shall be registered on the Register, with respect to payment of principal, on the date such principal is due, and, with respect to the payment of interest, as of the applicable Regular Record Date or Special Record Date, as the case may be.

The Trustee will furnish a copy of each of those agreements, certified to be an accurate copy by an officer of the Trustee, to the Issuer and the Borrower. Any payment of principal or interest pursuant to such an agreement shall constitute payment thereof pursuant to, and for all purposes of, this Indenture.

Section 2.15 CUSIP Numbers. The Issuer in issuing the Bonds may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; *provided* that the Trustee shall have no liability for any defect in the "CUSIP" numbers as they appear on any Bond, notice or elsewhere, and, *provided further* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Bonds, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the "CUSIP" numbers.

ARTICLE 3 REDEMPTION OF BONDS

Section 3.01 Redemption of Bonds. The Bonds are subject to redemption prior to their stated maturity as follows:

(a) Optional Redemption. The Bonds are subject to optional redemption in whole or in part by the Issuer at the written direction of the Borrower on the Initial Remarketing Date at a redemption price of 100% of the principal amount of such Bonds to be redeemed plus accrued interest to the applicable Redemption Date given to the Trustee at least five (5) Business Days prior to the Initial Remarketing Date or the optional redemption date, as applicable. After the Initial Remarketing Date, the Borrower, in consultation with the Remarketing Agent, may establish an optional redemption date with respect to any subsequent Remarketing Period and, thereafter, the Bonds are subject to optional redemption in whole or in part by the Issuer at the written direction of the Borrower on or after the applicable redemption date at a redemption price of 100% of the principal amount of such Bonds to be redeemed plus accrued interest to the applicable redemption date.

(b) Reserved.

(c) Mandatory Redemption. The Bonds shall be redeemed in whole at a redemption price of 100% of the principal amount of such Bonds, plus accrued interest to the Redemption Date, on any Mandatory Tender Date upon the occurrence of any of the following events: (i) the Borrower has previously elected not to cause the remarketing of the Bonds, (ii) the conditions to remarketing set forth in this Indenture have not been met by the dates and times set forth in Section 3.07(b) or Section 3.07(d) hereof, or (iii) the proceeds of a remarketing on deposit in the Remarketing Proceeds Account at 11:00 a.m. Local Time on the Mandatory Tender Date are insufficient to pay the purchase price of the Outstanding Bonds on such Mandatory Tender Date. Bonds subject to redemption in accordance with this paragraph shall be redeemed from (I) amounts on deposit in the Collateral Fund, (II) amounts on deposit in the Negative Arbitrage Account of the Bond Fund, (III) amounts on deposit in the Project Fund, and (IV) any other Eligible Funds available or made available for such purpose at the written direction of the Borrower.

(d) Purchase in Lieu of Redemption. At the election of the Borrower upon a pending redemption in whole of the Bonds, by written notice to the Trustee and the Remarketing Agent given not less than five (5) Business Days in advance of such redemption date, the Bonds will be deemed tendered for purchase in lieu of the redemption on such date and the call for redemption shall be cancelled. The

purchase price of Bonds so purchased in lieu of redemption shall be the principal amount thereof together with all accrued and unpaid interest to the date of redemption and any prepayment fee, if due, and shall be payable on the date of redemption thereof. Bonds so purchased in lieu of redemption shall remain Outstanding and shall be registered to or upon the direction of the Borrower.

Section 3.02 Partial Redemption. In the case of a partial redemption of Bonds when Bonds of denominations greater than \$5,000 are then Outstanding, each \$5,000 unit of face value of principal thereof shall be treated as though it were a separate Bond of the denomination of \$5,000. If it is determined that one or more, but not all of the \$5,000 units of face value represented by a Bond are to be called for redemption, then upon notice of redemption of a \$5,000 unit or units, the Holder of that Bond shall surrender the Bond to the Trustee (a) for payment of the redemption price of the \$5,000 unit or units of face value called for redemption (including without limitation, the interest accrued to the date fixed for redemption and any premium), and (b) for issuance, without charge to the Holder thereof, of a new Bond or Bonds of the same series, of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

If less than all of an Outstanding Bond of one maturity in a Book-Entry System is to be called for redemption, the Trustee shall give notice to the Depository or the nominee of the Depository that is the Holder of such Bond, and the selection of the Beneficial Ownership Interests in that Bond to be redeemed shall be at the sole discretion of the Depository and its participants.

Section 3.03 Notice of Redemption. Unless waived by any Holder of Bonds to be redeemed, official written notice of redemption shall be given by the Trustee on behalf of the Issuer by mailing a copy of an official redemption notice by first-class mail, postage prepaid, to the Holder of each Bond to be redeemed, at the address of such Holder shown on the Register at the opening of business on the fifth day prior to such mailing, not less than 20 days nor more than 30 days prior to the date fixed for redemption. With respect to a mandatory redemption pursuant to Section 3.01(c), the Notice of Mandatory Tender provided to Holders pursuant to Section 3.06 shall serve as the notice of redemption required by this Section 3.03 and no further notice of redemption will be required to the Holders. A second written notice of redemption shall be given by the Trustee on behalf of the Issuer, as soon as practicable, by first-class mail to the Holder of each Bond which has been so called for redemption (in whole or in part) but has not been presented and surrendered to the Trustee within 30 days following the date fixed for redemption of that Bond.

All notices of redemption shall state:

- (a) the Redemption Date;
- (b) the redemption price;
- (c) if less than all Outstanding Bonds are to be redeemed, the identification by designation, letters, numbers or other distinguishing marks (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed;
- (d) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date;
- (e) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the Designated Office of the Trustee, and;

(f) that the notice of redemption is conditioned upon there being deposited with the Trustee on or prior to the date of redemption money sufficient to pay the redemption price of the Bonds to be redeemed and, in the case of any redemption premium on Bonds, that there be on deposit Eligible Funds sufficient to pay such redemption premium; and

(g) such other information as the Trustee deems advisable.

Notices of redemption shall be revocable in the event that there is not on deposit with the Trustee by 10:00 a.m. Central time on the date of redemption money sufficient to pay the redemption price of the Bonds to be redeemed or, in the case of any redemption premium on Bonds, there is not on deposit Eligible Funds sufficient to pay such redemption premium.

If the Bonds are not then held in a Book-Entry System, in addition to the foregoing notice, further written notice shall be given by the Trustee on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (i) the CUSIP numbers of all Bonds being redeemed; (ii) the date of issue of the Bonds as originally issued; (iii) the rate of interest borne by each Bond being redeemed; (iv) the maturity date of each Bond being redeemed; and (v) any other descriptive information deemed necessary in the sole discretion of the Trustee to identify accurately the Bonds being redeemed.

(b) Each further notice of redemption shall be sent at least 15 days before the redemption date by electronic mail, registered or certified mail or overnight delivery service to the Electronic Municipal Market Access ("EMMA") or if EMMA is not in existence, to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(c) Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number (if any) identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

Failure to receive notice by mailing or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any other Bond.

Notice of any redemption hereunder with respect to Bonds held under a Book-Entry System shall be given by the Trustee on behalf of the Issuer only to the Depository, or its nominee, as the Holder of such Bonds. Selection of Beneficial Ownership Interests in the Bonds called for redemption is the responsibility of the Depository and any failure of such Depository to notify the Beneficial Owners of any such notice and its contents or effect will not affect the validity of such notice of any proceedings for the redemption of such Bonds.

Section 3.04 Payment of Redeemed Bonds. Notice of Redemption having been given in the manner provided in this Article III, the Bonds and portions thereof called for redemption shall become due and payable on the Redemption Date, and upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, including interest accrued to the Redemption Date.

Upon the payment of the price of Bonds being redeemed or prepaid, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed or prepaid with the proceeds of such check or other transfer.

If money for the redemption of all of the Bonds and portions thereof to be redeemed, together with interest accrued thereon to the Redemption Date, is held by the Trustee on the Redemption Date, so as to be available therefor on that date and if notice of redemption has been deposited in the mail as aforesaid, then from and after the Redemption Date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be Outstanding hereunder. If such money shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption.

All money deposited in the Bond Fund and held by the Trustee for the redemption, purchase or prepayment of particular Bonds shall be held in trust for the account of the Holders thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds.

Section 3.05 Mandatory Tender

(a) Mandatory Tender for Purchase. All Outstanding Bonds shall be subject to Mandatory Tender by the Holders for purchase in whole and not in part on each Mandatory Tender Date. The purchase price for each such Bond shall be payable in lawful money of the United States of America by check, shall equal 100% of the principal amount to be purchased and accrued interest, if any, to the Mandatory Tender Date, and shall be paid in full on the applicable Mandatory Tender Date.

(b) Mandatory Tender Dates. The Mandatory Tender Dates shall consist of (i) the Initial Mandatory Tender Date and (ii) any subsequent dates for mandatory tender of the Bonds established in writing by the Borrower with the written consent of the Remarketing Agent in connection with a remarketing of the Bonds pursuant to Section 3.07 hereof.

(c) Holding of Tendered Bonds. While tendered Bonds are in the custody of the Trustee pending purchase pursuant hereto, the tendering Holders thereof shall be deemed the owners thereof for all purposes, and interest accruing on tendered Bonds through the day preceding the applicable Mandatory Tender Date is to be paid as if such Bonds had not been tendered for purchase.

(d) Effect of Prior Redemption. Notwithstanding anything herein to the contrary, any Bond tendered under this Section 3.05 will not be purchased if such Bond matures or is redeemed on or prior to the applicable Mandatory Tender Date.

(e) Purchase of Tendered Bonds. The Trustee shall utilize the following sources of payments to pay the tender price of the Bonds not later than 2:30 p.m. Local Time on the Mandatory Tender Date in the following priority: (i) amounts deposited in the Remarketing Proceeds Account, to pay the principal amount, plus accrued interest, of Bonds tendered for purchase; (ii) amounts on deposit in the Collateral Fund, to pay the principal amount of Bonds tendered for purchase; (iii) amounts on deposit in the Negative Arbitrage Account of the Bond Fund to pay the accrued interest, if any, on Bonds tendered for purchase; (iv) amounts on deposit in the Project Fund; and (v) any other Eligible Funds available or made available for such purpose at the written direction of the Borrower.

(f) Undelivered Bonds. Bonds shall be deemed to have been tendered for purposes of this Section 3.05 whether or not the Holders shall have delivered such Undelivered Bonds to the Trustee, and subject to the right of the Holders of such Undelivered Bonds to receive the purchase price of such Bonds on the Mandatory Tender Date, such Undelivered Bonds shall be null and void.

If such Undelivered Bonds are to be remarketed, the Trustee shall authenticate and deliver new Bonds in replacement thereof pursuant to the remarketing of such Undelivered Bonds.

Section 3.06 Mandatory Tender Notice

(a) Notice to Holders. Not less than 30 days preceding a Mandatory Tender Date, the Trustee shall, on behalf of the Issuer, give written notice of mandatory tender to the Holders of the Bonds then Outstanding (with a copy to the Borrower, the General Partner, the Investor Limited Partner and the Remarketing Agent) by Electronic Means or by first class mail, postage prepaid, at their respective addresses appearing on the Register stating:

(i) the Mandatory Tender Date and that (A) all Outstanding Bonds are subject to Mandatory Tender for purchase on the Mandatory Tender Date, (B) all Outstanding Bonds must be tendered for purchase no later than 12:00 Noon, Local Time, on the Mandatory Tender Date and (C) Holders will not have the right to elect to retain their Bonds;

(ii) the address of the Designated Office of the Trustee at which Holders should deliver their Bonds for purchase;

(iii) that all Outstanding Bonds will be purchased on the Mandatory Tender Date at a price equal to the principal amount of the Outstanding Bonds plus interest accrued to, but not including, the Mandatory Tender Date; and

(iv) that any Bonds not tendered will nevertheless be deemed to have been tendered and will cease to bear interest from and after the Mandatory Tender Date.

(b) Second Notice. In the event that any Bond required to be delivered to the Trustee for payment of the purchase price of such Bond shall not have been delivered to the Trustee on or before the 30th day following a Mandatory Tender Date, the Trustee shall, on behalf of the Issuer, mail a second notice to the Holder of the Bond at its address as shown on the Register setting forth the requirements set forth in this Indenture for delivery of the Bond to the Trustee and stating that delivery of the Bond to the Trustee (or compliance with the provisions of this Indenture concerning payment of lost, stolen or destroyed Bonds) must be accomplished as a condition to payment of the purchase price or redemption price applicable to the Bond.

(c) Failure to Give Notice. Neither failure to give or receive any notice described in this Section 3.06, nor the lack of timeliness of such notice or any defect in any notice (or in its content) shall affect the validity or sufficiency of any action required or provided for in this Section 3.06.

Section 3.07 Remarketing of Bonds

(a) Notice of Mandatory Tender. No later than 11:00 a.m. Local Time on the 30th day prior to each Mandatory Tender Date, the Trustee shall give notice to the Borrower, the General Partner and the Remarketing Agent by telephone or electronic mail, confirmed on the same day in writing, which states the aggregate principal amount of Bonds which are to be tendered or deemed to be tendered pursuant to Section 3.05 hereof, which shall be all Outstanding Bonds.

(b) Preliminary Conditions to Remarketing. No later than 11:00 a.m. Local Time on the 15th day prior to the Mandatory Tender Date then in effect, the Borrower may give notice to the

Remarketing Notice Parties by telephone or electronic mail, confirmed on the same day in writing, that it elects to cause the Bonds to be remarketed. A remarketing of the Bonds shall be permitted only if the following conditions are satisfied no later than the time the foregoing election notice is given:

(i) Written notice by the Borrower to the Remarketing Notice Parties of the Remarketing Period pursuant to Section 3.10 of the Loan Agreement, which period shall be approved in writing by the Remarketing Agent;

(ii) Delivery to the Trustee, the Rating Agency, and the Remarketing Agent of a written preliminary Cash Flow Projection with respect to the proposed Remarketing Period;

(iii) The Borrower shall have notified the Issuer and the Trustee in writing that it has approved as to form and substance any disclosure document or offering materials which, in the Opinion of Counsel to the Remarketing Agent addressed to the Issuer and the Trustee, is necessary to be used in connection with the remarketing of the Outstanding Bonds; and

(iv) The Borrower shall have obtained the written consent of the Lender and HUD approving the remarketing of the Bonds.

(c) Remarketing. Not less than 10 days before each Remarketing Date, the Remarketing Agent shall offer for sale and use its best efforts to sell the Bonds Outstanding on the Remarketing Date at a price equal to 100% of the principal amount of such Bonds plus, if such Remarketing Date is a date other than an Interest Payment Date, accrued interest on such Bonds from the preceding Interest Payment Date to which interest has been paid. No later than the Business Day following the day on which the Remarketing Agent makes its determination of the Remarketing Rate, the Remarketing Agent shall give notice, by telephone or electronic mail, promptly confirmed in writing, to the Remarketing Notice Parties specifying the principal amount of Bonds, if any, it has remarketed (including Bonds to be purchased by the Remarketing Agent on the Remarketing Date for its own account), the Remarketing Rate(s) and the Remarketing Period applicable to the Bonds.

The Remarketing Agent shall have the right to remarket the Bonds tendered pursuant to Section 3.05 hereof; provided, however, that no Bonds shall be remarketed at a price less than 100% of the principal amount thereof plus accrued interest (if any) without the prior written consent of the Borrower and Investor Limited Partner; and provided, further, that the purchase price of any Bond paid to the tendering Holder allocable to such discount shall be paid with Eligible Funds made available therefor and on deposit with the Trustee prior to the remarketing of such Bonds. The Remarketing Agent shall have the right to purchase any Bond tendered or deemed tendered pursuant to Section 3.05 hereof at 100% of the principal amount thereof, and to thereafter sell such Bond. Any such purchase shall constitute a remarketing hereunder.

The Remarketing Agent shall not remarket any Bond to the Issuer, the Borrower, any guarantor of the Bonds or any person which is an "insider" of the Issuer, the Borrower, or any such guarantor within the meaning of the Bankruptcy Code.

(d) Final Conditions to Remarketing.

(i) If, not less than four (4) Business Days preceding the Remarketing Date:

(1) the Remarketing Agent shall have notified the Trustee in writing of the remarketing of the Outstanding Bonds and that the proceeds from the remarketing (including proceeds of remarketing of Outstanding Bonds to be purchased by the Remarketing Agent on the Remarketing Date for its own account) or other funds equal to the amount needed to purchase the remarketed Bonds on the Remarketing Date are expected to be available to the Trustee on the Remarketing Date for deposit into the Remarketing Proceeds Account; and

(2) the Trustee and the Issuer shall have received written notice from the Remarketing Agent that the Rating Agency shall have received and approved a Cash Flow Projection based on the interest rate(s) to be in effect with respect to the Outstanding Bonds on and after the applicable Remarketing Date;

(3) there shall be on deposit with the Trustee, from Eligible Funds provided by the Borrower an amount sufficient to pay the Extension Payment set forth in the Cash Flow Projection for deposit (A) to the Negative Arbitrage Account of the Bond Fund with respect to the payment of Bond Service Charges during the new Remarketing Period and (B) to the Expense Fund with respect to the payment of Administrative Expenses during the new Remarketing Period;

(4) there shall be on deposit with the Trustee, from Eligible Funds provided by the Borrower an amount sufficient to pay the estimated Remarketing Expenses for deposit in the Expense Fund, or provision for the payment of the estimated Remarketing Expenses shall have been made to the satisfaction of the Trustee and the Remarketing Agent;

(5) the Trustee shall have received written notice from the Remarketing Agent that the Remarketing Agent has received written confirmation from the Rating Agency that the then current rating assigned to the Outstanding Bonds will continue to be effective on the Remarketing Date; and

(6) the Trustee shall have received an Opinion of Bond Counsel to the effect that the remarketing of the Bonds will not adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes;

then the Trustee shall immediately give notice, by telephone or electronic mail, which notice shall be immediately confirmed in writing, to the Remarketing Agent, the Borrower and the [Investor Limited Partner] that (a) all conditions precedent to the remarketing of the Outstanding Bonds have been satisfied and (b) the sale and settlement of the Outstanding Bonds is expected to occur on the Mandatory Tender Date. Following the Trustee's notice, the Outstanding Bonds shall be sold to the purchasers identified by the Remarketing Agent for delivery and settlement on the Mandatory Tender Date, and the Trustee shall apply (i) the funds in the Remarketing Proceeds Account of the Bond Fund on the Remarketing Date to payment of the purchase price of the Outstanding Bonds and (ii) the funds in the Expense Fund to payment of the Remarketing Expenses.

(e) Failure to Satisfy Final Conditions. If not less than four (4) Business Days preceding a Mandatory Tender Date, any condition set forth in paragraph (d) of this Section 3.07 has not been satisfied then the Remarketing Agent shall not sell any of the Outstanding Bonds on the Remarketing Date and the Trustee shall cancel all Outstanding Bonds pursuant to Section 3.08 hereof.

(f) Remarketing Proceeds. No later than 11:00 a.m. Local Time on each Mandatory Tender Date, the Remarketing Agent shall either (i) pay to the Trustee, in immediately available funds, the proceeds theretofore received by the Remarketing Agent from the remarketing of Bonds tendered for purchase on such Mandatory Tender Date or (ii) cause to be paid to the Trustee by the purchasers of the remarketed Bonds the purchase price plus accrued interest (if any) in immediately available funds. The proceeds from the remarketing of the Bonds shall be deposited in the Remarketing Proceeds Account, segregated from any funds of the Borrower and the Issuer and shall in no case be considered to be or be assets of the Borrower or the Issuer. Funds representing remarketing proceeds received by the Remarketing Agent after 11:00 a.m. Local Time on each Mandatory Tender Date shall be paid to the Trustee as soon as practicable upon such receipt.

(g) Delivery of Purchased Bonds. On or before the Business Day next preceding each Mandatory Tender Date, the Remarketing Agent, by telephonic advice or electronic mail, shall notify the Trustee of (i) the principal amount of Bonds to be sold by the Remarketing Agent pursuant to Section 3.07 hereof and the purchase price, and, unless the Bonds are then in the Book-Entry System, the names, addresses and social security numbers or other tax identification numbers of the proposed purchasers thereof and (ii) the principal amount of Bonds tendered for purchase on such Mandatory Tender Date which will not be sold by the Remarketing Agent pursuant to Section 3.07 hereof. Such telephonic advice shall be confirmed by written notice delivered or electronically communicated at the same time as the telephonic advice.

Bonds purchased by the Trustee on a Mandatory Tender Date that have been remarketed shall be delivered to the purchasers thereof as directed in writing by the Remarketing Agent. Bonds delivered as provided in this Section shall be registered in the manner directed in writing by the recipient thereof.

Section 3.08 Cancellation of Bonds. The Trustee shall immediately cancel Bonds if the tender price of the Bonds is paid from amounts other than proceeds derived from the remarketing of the Bond.

ARTICLE 4 FUNDS; INVESTMENTS

Section 4.01 Establishment of Funds. The following funds are hereby established and shall be maintained by the Trustee under this Indenture and held in trust by the Trustee for the benefit of the Bonds:

- (a) the Bond Fund, and therein the Negative Arbitrage Account and the Remarketing Proceeds Account (but only at such times as money is to be deposited or held in such Accounts as provided in this Indenture);
- (b) Project Fund;
- (c) Costs of Issuance Fund;
- (d) Collateral Fund;

- (e) Rebate Fund; and
- (f) Expense Fund.

Each fund and account therein shall be maintained by the Trustee as a separate and distinct trust fund or account to be held, managed, invested, disbursed and administered as provided in this Indenture. All money deposited in the funds and accounts created hereunder shall be used solely for the purposes set forth in this Indenture. The Trustee shall keep and maintain adequate records pertaining to each fund and account, and all disbursements therefrom, in accordance with its general practices and procedures in effect from time to time. The Trustee may also terminate funds and accounts that are no longer needed.

The Trustee shall, at the written direction of an Authorized Borrower Representative and may, in its discretion, establish such additional accounts within any fund, and subaccounts within any of the accounts, as the Issuer (as requested in writing) or the Trustee may deem necessary or useful for the purpose of identifying more precisely the sources of payments into and disbursements from that fund and its accounts, or for the purpose of complying with the requirements of the Code, but the establishment of any such account or subaccount shall not alter or modify any of the requirements of this Indenture with respect to a deposit or use of money in the Special Funds or the Rebate Fund, or result in commingling of funds not permitted hereunder.

Section 4.02 Application of Bond Proceeds

- (a) The proceeds of the Bonds in the amount of \$ _____ shall be allocated, deposited or delivered by the Trustee to the Project Fund.
- (b) On the Closing Date, the Trustee shall receive the Initial Borrower Deposit from or on behalf of the Borrower, which the Trustee shall deposit to the Costs of Issuance Fund.
- (c) On the Closing Date, the Trustee shall deposit Eligible Funds in the amount of \$0 for deposit to the Negative Arbitrage Account of the Bond Fund.

Section 4.03 Bond Fund

On the Closing Date, there shall be deposited in the Bond Fund, from the proceeds of the sale of the Bonds, any accrued interest to be paid with respect to the Bonds, and in the Negative Arbitrage Account of the Bond Fund the amount set forth in Section 4.02(c) hereof, which is an amount equal to the amount of interest payments on the Bonds from the closing date to the initial Mandatory Tender Date. The portion of any Extension Payment received by the Trustee in connection with a remarketing in accordance with Section 3.07 hereof designated for the payment of Bond Service Charges shall also be deposited in the Negative Arbitrage Account.

So long as there are any Outstanding Bonds, to the extent the Borrower has not received a credit against Loan Payments, all Loan Payments under the Loan Agreement shall be paid on or before each Interest Payment Date directly to the Trustee, and deposited in the Bond Fund, in at least the amount necessary to pay the Bond Service Charges due on the Bonds on such Interest Payment Date.

The Bond Fund (and accounts therein for which provision is made in this Indenture) and the money and Eligible Investments therein shall be used solely and exclusively for the payment of Bond Service Charges as they become due.

Bond Service Charges shall be payable, as they become due, in the following order: (a) from money on deposit in the Bond Fund (excluding the Negative Arbitrage Account therein), (b) next from money on deposit in the Negative Arbitrage Account of the Bond Fund, (c) next from money on deposit in the Collateral Fund and transferred as necessary to the Bond Fund, and (d) thereafter, from money on deposit in the Project Fund and transferred as necessary to the Bond Fund.

Upon receipt by the Trustee of a Cash Flow Projection provided on behalf of the Borrower, the Trustee is hereby authorized to release from the Negative Arbitrage Account the amount set forth in the Cash Flow Projection to be released to or at the written direction of the Borrower from such account.

Section 4.04 Project Fund

(a) Money in the Project Fund shall be disbursed in accordance with the provisions of this Section 4.04 and Section 3.06 of the Loan Agreement. Upon the deposit of Eligible Funds in the Collateral Fund as provided in Section 4.06 hereof, and subject to the provisions of this Section 4.04, the Trustee shall disburse the Bond proceeds on deposit in the Project Fund, for use by the Borrower to pay Costs of the Project in accordance with Section 3.06 of the Loan Agreement. Promptly upon the receipt of such Eligible Funds, the Trustee shall be unconditionally and irrevocably obligated to disburse an equal amount from the Project Fund, or, if the Trustee is unable for any reason to make such disbursement, the Trustee shall return such Eligible Funds to the party that provided them. The Trustee shall cause to be kept and maintained adequate records pertaining to the Project Fund and all disbursements therefrom. If requested in writing by the Issuer, the General Partner or the Borrower, after the Project has been completed and a Completion Certificate is filed as provided in Section 4.07 hereof, the Trustee shall provide copies of the records pertaining to the Project Fund and disbursements therefrom to the Issuer and the Borrower and the General Partner. The Trustee shall satisfy this obligation by providing statements for all periods in which there are funds in the Project Fund.

(b) In order to satisfy certain requirements of HUD with respect to the Mortgage Loan, proceeds of the Bonds may be provided to Lender, and thereafter be advanced by the Lender to the Borrower, for use by the Borrower to pay Costs of the Project. As set forth in the Tax Compliance Certificate, however, proceeds of the Bonds shall only be used by the Borrower to pay either Costs of the Project or Bond Service Charges.

(c) Notwithstanding any provision of the Loan Agreement or any other provision of this Indenture to the contrary, the Trustee shall not disburse money from the Project Fund, other than to pay Bond Service Charges on the Bonds, unless and until Eligible Funds in an amount equal to or greater than the requested disbursement amount have been deposited in the Collateral Fund. Prior to making any disbursement (except to the extent necessary to pay Bond Service Charges), the Trustee shall determine that the aggregate principal amount that will be held in (a) the Collateral Fund and (b) the Project Fund, after the anticipated disbursement, is at least equal to the then-Outstanding principal amount of the Bonds; provided, however, to the extent money on deposit in the Project Fund is invested in Eligible Investments, the Trustee is hereby authorized to make the following allocations and exchanges, which allocations and exchanges shall occur prior to the disbursement of amounts on deposit in the Project Fund to pay Project Costs: (i) allocate all or a portion of the Eligible Investments in the Project Fund, in the amount specified in the request for disbursement, to the Collateral Fund and (ii) transfer a like amount from the Collateral Fund to the Project Fund. To the extent money is not otherwise available to the Trustee, including money on deposit in the Bond Fund or the Collateral Fund, the Trustee shall transfer from the Project Fund to the Bond Fund sufficient money to pay Bond Service Charges on each Interest Payment Date without further written direction. Except to the extent proceeds of the Bonds might be used to pay

Bond Service Charges, as described in the previous sentence, Bond Proceeds on deposit in the Project Fund shall only be used to fund Costs of the Project.

(d) On any Redemption Date, the Trustee shall transfer any amounts then on deposit in the Project Fund into the Bond Fund to pay Bond Service Charges on the Bonds.

(e) Upon obtaining actual knowledge of the occurrence and continuance of an Event of Default hereunder because of which the principal amount of the Bonds has been declared to be due and immediately payable pursuant to Section 6.02 hereof, any money remaining in the Project Fund shall be promptly transferred by the Trustee to the Bond Fund.

Section 4.05 Costs of Issuance Fund

Amounts on deposit in the Costs of Issuance Fund shall be used by the Trustee to pay costs of issuance as directed in writing by the Borrower. Any amounts remaining on deposit in the Costs of Issuance Fund 30 days after the Closing Date shall be promptly returned to the Borrower or disbursed at the written direction of the Borrower.

Section 4.06 Collateral Fund

The Trustee shall deposit into the Collateral Fund all Eligible Funds received pursuant to Section 4.02 of the Loan Agreement and any other Eligible Funds received by the Trustee for deposit into the Collateral Fund. Section 4.02 of the Loan Agreement requires the Borrower to provide written direction to the Lender to deliver or cause to be delivered the Lender Funds portion of the Eligible Funds, or to otherwise cause to be delivered Eligible Funds from any other source, to the Trustee for deposit into the Collateral Fund in an amount equal to, and as a prerequisite to the disbursement of, the amount of Bond proceeds on deposit in the Project Fund to be disbursed by the Trustee to pay Costs of the Project.

The Trustee shall transfer money in the Collateral Fund as follows: (a) on each Bond Payment Date, to the Bond Fund the amount necessary to pay Bond Service Charges on the Bonds on such Bond Payment Date (to the extent money is not otherwise available to the Trustee, including money on deposit in the Bond Fund); (b) on the Mandatory Tender Date, to the Bond Fund, the amount necessary to pay the purchase price of the Bonds, to the extent the Bonds are not remarketed on any Mandatory Tender Date or amounts on deposit in the Remarketing Proceeds Account of the Bond Fund are insufficient therefor; and (c) on the Maturity Date of the Bonds, to the Bond Fund the amount necessary to pay all amounts due on the Bonds on such date.

On any Redemption Date, the Trustee shall transfer all amounts then on deposit in the Collateral Fund into the Bond Fund to pay Bond Service Charges on the Bonds.

Amounts on deposit in the Collateral Fund in excess of the amount required to pay Bond Service Charges after payment in full of the Bonds shall be transferred to the Borrower.

The Bonds shall not be, and shall not be deemed to be, paid or prepaid by reason of any deposit into the Collateral Fund unless and until the amount on deposit in the Collateral Fund is transferred to the Bond Fund and applied to the payment of the principal of any of the Bonds, the principal component of the redemption price of any of the Bonds or the principal component of the tender price of any of the Bonds, all as provided in this Indenture.

Each deposit into the Collateral Fund shall constitute an irrevocable deposit solely for the benefit of the Holders, subject to the provisions hereof.

Section 4.07 Completion of the Project

The completion of the Project and payment of all costs and expenses incident thereto shall be evidenced by the filing with the Trustee of the Completion Certificate required by Section 3.09 of the Loan Agreement, the form of which is attached as Exhibit C thereto. As soon as practicable after the filing with the Trustee of the Completion Certificate, any balance remaining in the Project Fund (other than the amounts retained by the Trustee as described in the Completion Certificate) shall be deposited or applied in accordance with the written direction of the Authorized Borrower Representative pursuant to Section 3.06 of the Loan Agreement, subject to Section 10.12 hereof. Provided however that if the Mortgage Loan has been assigned to FHA (with notice of such assignment to be delivered to the Trustee by an Authorized Borrower Representative), any such balance shall be paid to the Lender.

Section 4.08 Expense Fund

The portion of any Extension Payment received by the Trustee in connection with an extension of the Mandatory Tender Date pursuant to Section 3.07 hereof designated for the payment of Administrative Expenses shall be deposited in the Expense Fund. The Trustee shall apply money on deposit in the Expense Fund solely for the following purposes, on the dates specified below, in the following order of priority:

- (a) to transfer money to the Rebate Fund to the extent necessary to pay the Rebate Amount (if any) pursuant to Section 4.09 hereof;
- (b) to pay the Ordinary Trustee's Fees and Expenses when due;
- (c) to pay the Issuer Fee and the City Administrative Fee when due;
- (d) to pay the Dissemination Agent Fee when due; and
- (e) to pay the costs associated with the remarketing of the Bonds on the Initial Mandatory Tender Date.

To the extent money in the Expense Fund is not sufficient to pay the foregoing fees and expenses, such deficiency shall be paid by the Borrower pursuant to Section 4.04 of the Loan Agreement immediately upon written demand by the Trustee.

Section 4.09 Rebate Fund

Any provision hereof to the contrary notwithstanding, amounts credited to the Rebate Fund shall be free and clear of any lien hereunder.

The Trustee shall, at the cost and expense of the Borrower, furnish to the Issuer, the Borrower and the General Partner all information reasonably requested in writing by the Issuer, the Borrower or the General Partner with respect to the Bonds and investments of the Funds and accounts maintained by the Trustee hereunder. The purpose of the Rebate Fund is to facilitate compliance with Section 148(f) of the Code. Any monies deposited in such Fund shall be for the sole benefit of the United States of America and shall not be subject to the lien of the Indenture or to the claim of any other Person, including, without limitation, the Bondholders and the Issuer. The requirements of this Section 4.09 are subject to, and shall be interpreted in accordance with, Section 148(f) of the Code and the Treasury Regulations applicable thereto (the "**Regulations**") and shall apply except to the extent the Trustee and the Issuer are furnished with an opinion of Bond Counsel or other evidence satisfactory to the Trustee and the Issuer that the

Regulations contain an applicable exception. The Trustee shall make all payments under the written direction of the Borrower or Rebate Analyst on their behalf.

Promptly at the end of each five-year period after the dated date of the Bonds and also upon the retirement of the Bonds, the Trustee shall provide the Borrower with a statement of earnings on funds and accounts held under this Indenture during any period not covered by a prior statement. Each statement shall include the purchase and sale prices of each investment, if any (including any commission paid thereon which shall be separately stated if such information is available), the dates of each investment transaction, information as to whether such transactions were made at a discount or premium and such other information known or reasonably available to the Trustee as the Borrower or rebate analyst shall reasonably request in writing. If so requested in writing by the Borrower at any time, the Trustee shall create within the Bond Fund separate accounts for purposes of accounting for earnings on amounts attributable to the Bonds.

The Trustee shall promptly transfer to the Rebate Fund each amount required to be deposited therein pursuant to the written direction of the Borrower, or the Rebate Analyst on their behalf, pursuant to the Tax Certificates, first from earnings in the Project Fund, and, second, to the extent amounts in the Project Fund are insufficient, from revenues which have been deposited into the Bond Fund and earnings thereon. To the extent that the amount to be deposited into the Rebate Fund exceeds the amount which can be transferred from such Funds, the Trustee shall promptly notify the Borrower and an amount equal to such deficiency shall be paid promptly by the Borrower to the Trustee for deposit into the Rebate Fund.

The Borrower and the Trustee, on behalf of the Issuer, shall keep such records as will enable them to fulfill their respective responsibilities under this Section 4.09 and Section 148(f) of the Code, and the Borrower shall engage a rebate analyst as may be necessary in connection with such responsibilities. The Trustee, to the extent records of all calculations performed by the rebate analyst are furnished to it in writing, will retain such records until six (6) years after the retirement of the last obligation of the Bonds. The fees and expenses of the rebate analyst shall be paid by the Borrower pursuant to the Loan Agreement to the extent amounts provided hereunder and available in the Rebate Fund are insufficient for such purpose. For purposes of the computation of rebatable arbitrage earnings required under the Tax Certificates, the Trustee shall, at the cost and expense of the Borrower, make available to the Borrower and the Issuer during normal business hours all written information in the Trustee's control which is requested in writing by the Borrower in connection with such computations.

Section 4.10 Investment of Special Funds and Rebate Fund

Except as otherwise set forth in this Section, money in the Special Funds and the Rebate Fund shall be invested and reinvested by the Trustee in Eligible Investments as designated in and at the written direction of the Authorized Borrower Representative. At no time shall the Borrower direct that any funds constituting gross proceeds of the Bonds (including, without limitation, moneys deposited in or credited to the Collateral Fund and the Negative Arbitrage Account) be used in any manner as would constitute failure of compliance with Section 148 of the Code.

Except as provided in the following paragraph, investments of money in the Bond Fund, the Project Fund and the Collateral Fund shall be invested in Government Obligations at the written directions of the Authorized Borrower Representative.

Money in the Bond Fund, the Project Fund, and the Collateral Fund may be invested in an investment described in clause (b) of the definition of Eligible Investments at the written directions of the Authorized Borrower Representative to the extent that (a) it is impractical to invest such money in Government Obligations because the amount to be invested is too small or Government Obligations are not available at that time for purchase, (b) such money is being held in the Remarketing Proceeds Account, (c)

such money has been received less than 30 days prior to date on which Bonds are to mature or be paid upon redemption or mandatory tender, or (d) the Borrower has directed the Trustee in writing that such money will be needed to make a disbursement from the Project Fund prior to the date on which available Government Obligations would mature.

Absent written investment instructions, the Trustee shall invest moneys in any Account for which investments are permitted in the **[Federated Treasury Cash Reserves Fund (TISXX) or a successor money market fund so long as Zions Bancorporation is Trustee]**.

Investments of money in the Bond Fund and the Collateral Fund shall mature or be redeemable at the direction of the Borrower at the times and in the amounts necessary to provide money to pay Bond Service Charges on the Bonds as they become due on each Interest Payment Date. Each investment of money in the Project Fund shall mature or be redeemable at the written direction of the Borrower to the Trustee at the times and in the amounts as may be necessary to make anticipated payments from the Project Fund. Any of those investments may be purchased from or sold to the Trustee, or any bank, trust company, securities firm or savings and loan association which is an Affiliated Party of the Trustee. The Trustee shall sell or redeem investments credited to the Bond Fund to produce sufficient money applicable hereunder to, and at the times required for the purposes of paying, Bond Service Charges when due as aforesaid, and shall do so without necessity for any order on behalf of the Issuer and without restriction by reason of any order. If the Trustee is required to sell or otherwise dispose of any Eligible Investments prior to maturity, the Borrower shall, at the Borrower's expense, deliver to the Trustee (i) a Cash Flow Projection and (ii) Eligible Funds in the amount set forth in such Cash Flow Projection, if any. Anything herein to the contrary notwithstanding, amounts on deposit in the Collateral Fund shall not be invested at a yield in excess of the yield of the Bonds.

An investment made from money credited to the Special Funds shall constitute part of that respective Fund. All investment earnings from amounts on deposit in the Project Fund and the Collateral Fund shall be allocated to the Bond Fund. All gains resulting from the sale of, or income from, any investment made from amounts on deposit in the Special Funds shall be credited to and become part of the Bond Fund. All investment earnings, gains resulting from the sale of, or income from, any investment made from amounts on deposit in the Rebate Fund shall be retained therein. Any investment losses from moneys credited to a Fund shall be charged against the respective Fund. The Trustee shall not be liable for losses on investments made in compliance with the provisions of this Indenture.

Ratings of Eligible Investments shall be determined at the time of purchase of such Eligible Investments and without regard to ratings subcategories. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades, including cash sweep account fees. Although each of the Issuer and the Borrower recognizes that it may obtain a broker confirmation or written statement containing comparable information at no additional cost, each of the Issuer and the Borrower hereby agrees that confirmations of Eligible Investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month. The Trustee may conclusively rely upon the Authorized Borrower Representative's written instructions as to both the suitability and legality of the directed investments.

Following the Closing Date, at the direction of the Borrower, the Trustee is permitted to purchase, sell or exchange Eligible Investments with a Cash Flow Projection. Notwithstanding anything herein to the contrary, (i) earnings received by the Trustee with respect to Eligible Investments purchased for the purpose of paying Bond Service Charges shall be held uninvested and (ii) Bond proceeds and the Negative Arbitrage Deposit shall be held uninvested until the Trustee has purchased, sold or exchanged Eligible Investments.

The Trustee may make any and all investments permitted by this Section through its own bond or investment department, unless otherwise directed in writing by the Authorized Borrower Representative.

Section 4.11 Money to be Held in Trust

The funds created under this Indenture shall be in the custody of the Trustee in its trust capacity hereunder; and the Issuer authorizes and directs the Trustee to withdraw moneys from said funds for the purposes specified herein, which authorization and direction the Trustee hereby accepts. All moneys required to be deposited with or paid to the Trustee under any provision of this Article IV shall be held by the Trustee in trust, and except for moneys held in the Rebate Fund or deposited with or paid to the Trustee for the redemption of Bonds, notice of redemption of which has been duly given, shall while held by the Trustee constitute part of the security for the Holders and be subject to the lien hereof.

Section 4.12 Valuation

For the purpose of determining the amount on deposit to the credit of any Special Fund, the value of obligations in which money in such Fund shall have been invested shall be computed (i) in the case of Government Obligations held in the Special Funds, at the maturity or redemption value (as applicable) as of the maturity or next redemption date and (ii) in the case of all other Eligible Investments, at the then market value thereof. The Trustee shall have no liability for the accuracy of any such valuation.

The Eligible Investments shall be valued by the Trustee as of the end of each calendar month.

Section 4.13 Nonpresentment of Bonds

In the event any Bond shall not be presented for payment when the principal thereof becomes due in whole or in part, whether at maturity, at the Redemption Date or otherwise, or a check for interest is uncashed, if funds sufficient to pay such Bonds shall have been made available to the Trustee for the benefit of the Holder or Holders thereof, all liabilities of the Issuer to the Holder thereof for the payment of such Bond, as the case may be, shall thereupon cease and be completely discharged, and it shall be the duty of the Trustee to hold such funds for a period of six years after maturity of all Bonds, without liability for interest thereon, in a separate account in the Bond Fund for the benefit of the Holder of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Indenture or on, or with respect to, said Bond. After the expiration of such six-year period, the Trustee shall return said funds to the Issuer upon its written request and the Holder or Holders of any such unrepresented Bond shall be entitled to payment of said Bond only from said funds held by the Issuer. The obligation of the Trustee under this Section to pay any such funds to the Issuer shall be subject to any provisions of law applicable to the Trustee or to such funds providing other requirements for disposition of unclaimed property.

Section 4.14 Repayment to the Borrower from the Bond Fund

On any Mandatory Tender Date, any amounts in the Bond Fund in excess of the amount necessary to cover any negative arbitrage (assuming 0.00% interest earnings on all deposits) and after all of the Outstanding Bonds shall be deemed paid and discharged under the provisions of this Indenture shall, upon written instruction to the Trustee from the Borrower, be paid to or at the direction of the Borrower. Except as provided in Section 4.09 and Section 4.13 hereof, any amounts remaining in the Special Funds (a) after all of the Outstanding Bonds shall be deemed paid and discharged under the provisions of this Indenture, and (b) after payment of all fees, charges and expenses of the Trustee and the Issuer and of all other amounts required to be paid under this Indenture, the Loan Agreement, the Land Use Restriction Agreement and the Note, shall be paid to the Borrower to the extent that those amounts are in excess of those necessary to

effect the payment and discharge of the Outstanding Bonds. Provided however that if the Mortgage Loan is in default, such excess shall be paid to the Lender.

Section 4.15 Payment of Fees

In connection with the issuance of the Bonds and with the Project, the Borrower will pay the following fees in the following manner:

The Trustee will pay, from the Expense Fund, the following fees on behalf of the Borrower:

- (i) To the Issuer, an Issuer Fee in an amount equal to 1.5% of the par amount of the Bonds, payable on the Closing Date from Borrower equity;
- (ii) To the Issuer, a Bond Legal Reserve Fee in an amount equal to 0.10% of the par amount of the Bonds, payable on the Closing Date from Borrower equity; and
- (iii) To the Trustee, the Ordinary Trustee Fees and Expenses; and
- (iv) To the Issuer, a City Administrative Fee in an amount equal to 0.15% of the outstanding principal amount of the Bonds, accruing monthly and payable to the Issuer semi-annually.

ARTICLE 5 GENERAL COVENANTS AND REPRESENTATIONS

Section 5.01 Payment of Principal or Redemption Price of and Interest on Bonds. The Issuer shall promptly pay or cause to be paid the principal or redemption price of, and the interest on, every Bond issued hereunder according to the terms thereof, but shall be required to make such payment or cause such payment to be made only out of revenues available therefor under this Indenture. The Issuer hereby designates the principal corporate trust office of the Trustee as the place of payment for the Bonds.

Section 5.02 Instruments of Further Assurance. The Issuer and the Trustee shall do, execute, acknowledge and deliver, such indentures supplemental hereto, and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Trustee all its interest in the property herein described and the revenues, receipts and other amounts pledged hereby to the payment of the principal of, premium, if any, and interest on the Bonds paid solely from the Trust Estate. Any and all interest in property hereafter acquired which is of any kind or nature herein provided to be and become subject to the lien hereof shall and without any further conveyance, assignment or act on the part of the Issuer or the Trustee, become and be subject to the lien of this Indenture as fully and completely as though specifically described herein, but nothing contained in this sentence shall be deemed to modify or change the obligations of the Issuer under this Section.

Section 5.03 Recordation and Filing. Pursuant to the Loan Agreement, the Borrower shall cause financing statements with respect to the Trust Estate described in this Indenture to be at all times filed in such manner and in such places if required by law in order to fully preserve and protect the rights of the Issuer and the Trustee hereunder and to perfect the security interest created by this Indenture in the Trust Estate described herein. To the extent possible under applicable law, as in effect in the jurisdiction(s) in which the Trust Estate is located, the Borrower will maintain the priority of the security interest herein created in the Trust Estate as a first lien thereon, and warrant, protect, preserve and defend its interest in the Trust Estate and the security interest of the Trustee herein and all rights of the Trustee under this Indenture against all actions, proceedings, claims and demands of all Persons, all paid for by the Borrower.

Section 5.04 No Modification of Security. The Issuer shall not, without the written consent of the Trustee, alter, modify or cancel, or agree to consent to alter, modify or cancel any agreement which relates to or affects the security for the Bonds. The Trustee shall not consent to any change in the maturity of the GNMA Security or the Mortgage Note, except as provided in Article VIII hereof.

Section 5.05 Reports. The Trustee shall furnish annually, to the Borrower (which shall furnish copies thereof to HUD), the GNMA Issuer and any Bondholder who requests copies thereof and furnishes an address to which such reports and statements are to be sent copies of (a) any written reports furnished to the Trustee with regard to the Project and (b) annual statements of the Trustee with regard to fund balances. The Trustee shall be reimbursed by the Borrower for its reasonable costs and expenses in preparing any such statements.

Section 5.06 Tax Covenants

(a) The Issuer, to the extent that it has control over any of the following proceeds or payments, and the Trustee, to the extent that it has discretion with respect to investment of such proceeds, covenant and agree that they will not take any action or fail to take any action with respect to the investment of the proceeds of any Bonds issued under this Indenture or with respect to the payments derived from the security pledged hereunder or from the Loan Agreement which would result in constituting the Bonds "arbitrage bonds" within the meaning of such term as used in Section 148 of the Code. The Issuer further covenants and agrees that the Issuer will comply with and take all actions required by the Arbitrage Certificate. The Trustee shall, at the cost and expense of the Borrower, cause to be prepared all rebate calculations required to be performed pursuant to the Tax Certificates.

(b) The Issuer covenants that it shall not use or cause the use of any proceeds of Bonds or any other funds of the Issuer, directly or indirectly, in any manner, and shall not take or cause to be taken any other action or actions, or fail to take any action or actions, which would result in interest on any of the Bonds becoming includable in gross income of any Holder thereof. The Issuer further covenants that it shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Issuer on the Bonds shall be excluded from the gross income of the recipients thereof for federal income tax purposes.

ARTICLE 6

DEFAULT PROVISIONS AND REMEDIES OF TRUSTEE AND HOLDERS

Section 6.01 Events of Default. Each of the following shall be an "Event of Default":

(a) default in the due and punctual payment of any interest on any Bond, subject to a five (5) day notice and cure period; or

(b) default in the due and punctual payment of the principal of or premium, if any, on any Bond whether at the stated maturity thereof, or on proceedings for redemption thereof, or on the maturity thereof by declaration, subject to a five (5) day notice and cure period; or

(c) failure by the Issuer to observe or perform any other covenant, agreement or obligation on its part to be observed or performed contained in this Indenture or in the Bonds, which failure shall have continued for a period of 30 days after written notice, by registered or certified mail, to the Issuer and the Borrower specifying the failure and requiring that it be remedied, which notice may be given by the Trustee in its discretion and shall be given by the Trustee at the written request of the Holders of a majority in aggregate principal amount of Bonds then Outstanding

(unless, notwithstanding any attempt to cure such failure, it cannot be cured within 30 days and, notwithstanding, is cured within 180 days); or

(d) the occurrence and continuation of an event of default under the Loan Agreement of which the Trustee has actual notice or of which the Trustee is deemed to have notice pursuant to Section 7.04(i) hereof.

The Trustee and the Issuer agree that notwithstanding the provisions hereof, no default under the terms of this Indenture shall be construed as resulting in a default under the Mortgage Loan Documents unless such event also constitutes a default thereunder.

Section 6.02 Acceleration. Upon the occurrence of an Event of Default described in Section 6.01(a) or (b) hereof, the Trustee may, and upon the written request of the Holders of not less than a majority in aggregate principal amount of Bonds then Outstanding shall, by written notice delivered to the Borrower and the Issuer, declare the principal of all Bonds then Outstanding (if not then due and payable), and the interest accrued thereon, to be due and payable immediately. If the Trustee is unable to determine that sufficient funds will be available to pay (not out of the Trustee's own funds) the full amount of the principal and accrued but unpaid interest to the Holders of the Bonds as of the date of acceleration, the Trustee shall declare the principal of the Bonds immediately due and payable, but only upon written direction of Controlling Holders of the Bonds then Outstanding. Upon the occurrence of any Event of Default other than those described in Sections 6.01(a) and 6.01(b) hereof, the Trustee may, and upon written consent of all Holders of Bonds then Outstanding shall, declare by a notice in writing delivered to the Borrower, the principal of all Bonds then Outstanding (if not then due and payable), and the interest thereon, to be due and payable immediately. Upon such declaration, that principal and interest shall become and be due and payable immediately. Interest on the Bonds shall accrue to the date determined by the Trustee for the tender of payment to the Holders pursuant to that declaration; provided, that interest on any unpaid principal of Bonds Outstanding shall continue to accrue from the date determined by the Trustee for the tender of payment to the Holders of those Bonds.

The provisions of the preceding paragraph are subject, however, to the condition that if, at any time after declaration of acceleration and prior to the entry of a judgment in a court for enforcement hereunder (after an opportunity for hearing by the Issuer and the Borrower),

(a) all sums payable hereunder (except the principal of and interest on Bonds which have not reached their stated maturity dates but which are due and payable solely by reason of that declaration of acceleration), plus interest to the extent permitted by law on any overdue installments of interest at the rate borne by the Bonds shall have been duly paid or provision shall have been duly made therefor by deposit with the Trustee, and

(b) all existing Events of Default shall have been cured,

then and in every case, the Trustee shall, upon being instructed in writing by the Investor Limited Partner, waive the Event of Default and its consequences and shall rescind and annul that declaration. No waiver or rescission and annulment shall extend to or affect any subsequent Event of Default or shall impair any rights consequent thereon.

The Investor Limited Partner shall be entitled (but not obligated) to cure any Event of Default hereunder within the time frame provided to the Borrower hereunder. The Issuer and the Trustee agree that cure of any default or Event of Default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 6.03 Rights of Holders. If any Event of Default shall have occurred and be continuing, then the Trustee may and, if requested so to do by the Holders of not less than 25% in aggregate principal amount of Bonds affected by such default, and if indemnified as provided herein, the Trustee shall:

- (a) by mandamus or other suit, action or proceeding at law or in equity require the Issuer to perform its covenants and duties under this Indenture;
- (b) bring suit upon the Bonds;
- (c) by action or suit in equity require the Issuer to account for its actions as if it were the trustee of an express trust for the Holders of the Bonds;
- (d) by action or suit in equity enjoin any acts or things that may be unlawful or in violation of the rights of the Holders of the Bonds;
- (e) take any action to enforce its remedies under the Loan Agreement; or
- (f) take such other steps to protect and enforce its rights and the rights of the Holders of the Bonds, whether by action, suit or proceeding in aid of the execution of any power herein granted or for the enforcement of any other appropriate legal or equitable remedy.

Section 6.04 Rights of Holders to Direct Proceedings. Subject to the provisions of Section 6.08 hereof, the Holders of a majority in principal amount of the Bonds shall have the right at any time, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture for the benefit of the Bonds, or for the appointment of a receiver or any other proceedings hereunder for the benefit of the Bonds, in accordance with the provisions of law and of this Indenture.

Section 6.05 Waiver by Issuer. Upon the occurrence of an Event of Default, to the extent that such right may then lawfully be waived, neither the Issuer nor anyone claiming through or under it shall set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or redemption laws now or hereinafter in force, in order to prevent or hinder the enforcement of this Indenture; and the Issuer, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws and all right of appraisal and redemption to which it may be entitled under the laws of the State.

Section 6.06 Application of Moneys. If at any time after the occurrence of an Event of Default the money held by the Trustee under this Indenture (other than amounts in the Rebate Fund) shall not be sufficient to pay the principal of and interest on the Bonds as the same become due and payable, such money, together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of remedies in this Article or otherwise, shall, be applied by the Trustee as set forth in this Section 6.06.

After payment of any costs, expenses, liabilities and advances paid, incurred or made by the Trustee in the collection of money and to all fees of the Trustee for expenses pursuant to any right given or action taken under the provisions of this Article or the provisions of the Loan Agreement, the Land Use Restriction Agreement or the Note (including without limitation, reasonable attorneys' fees and expenses, except as limited by law or judicial order or decision entered in any action taken under this Article VI), all money received by the Trustee, shall be applied as follows, subject to Section 2.03 hereof and any provision made pursuant to Section 4.10 or Section 4.11 hereof:

(a) Unless the principal of all of the Bonds shall have become, or shall have been declared to be, due and payable, all of such money shall be deposited in the Bond Fund and shall be applied:

First: To the payment to the Holders entitled thereto of all installments of interest then due on the Bonds, in the order of the dates of maturity of the installments of that interest, beginning with the earliest date of maturity and, if the amount available is not sufficient to pay in full any particular installment, then to the payment thereof ratably, according to the amounts due on that installment, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds; and

Second: To the payment to the Holders entitled thereto of the unpaid principal of any of the Bonds which shall have become due, in the order of their due dates, beginning with the earliest due date, with interest on those Bonds from the respective dates upon which they became due at the rates specified in those Bonds, and if the amount available is not sufficient to pay in full all Bonds due on any particular date, together with that interest, then to the payment thereof ratably, according to the amounts of principal due on that date, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds.

(b) If the principal of all of the Bonds shall have become due or shall have been declared to be due and payable pursuant to this Article, all of such money shall be deposited into the Bond Fund and shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest, of interest over principal, of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds.

(c) If the principal of all of the Bonds shall have been declared to be due and payable pursuant to this Article, and if that declaration thereafter shall have been rescinded and annulled under the provisions of Section 6.02 or Section 6.10 hereof, subject to the provisions of paragraph (b) of this Section in the event that the principal of all of the Bonds shall become due and payable later, the money shall be deposited in the Bond Fund and shall be applied in accordance with the provisions of Article II.

(d) Whenever money is to be applied pursuant to the provisions of this Section, such money shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of money available for application and the likelihood of additional money becoming available for application in the future. Whenever the Trustee shall direct the application of such money, it shall fix the date upon which the application is to be made, and upon that date, interest shall cease to accrue on the amounts of principal, if any, to be paid on that date, provided the money is available therefor. The Trustee shall give notice of the deposit with it of any money and of the fixing of that date, all consistent with the requirements of Section 2.03 hereof for the establishment of, and for giving notice with respect to, a Special Record Date for the payment of overdue interest. The Trustee shall not be required to make payment of principal of a Bond to the Holder thereof, until the Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if it is paid fully.

Section 6.07 Remedies Vested in Trustee. All rights of action, including the right to file proof of claims, under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds, and any recovery of judgment shall be for the benefit as provided herein of Holders of the Outstanding Bonds.

Section 6.08 Remedies of Holders. No Holder of any Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of any provision of this Indenture or for the execution of any trust hereunder or for the appointment of a receiver or any other remedy hereunder, unless: (a) a default shall have occurred of which the Trustee shall have been notified as provided herein; (b) such default shall have become an Event of Default; (c) the Holders of at least 25% in aggregate principal amount of the Outstanding Bonds shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (d) such Holders shall have offered to the Trustee indemnity as provided herein; and (e) the Trustee shall within 60 days thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding, and such notification, request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts under this Article VI, and to any action or cause of action for the enforcement of this Indenture, or for any other remedy hereunder; it being understood and intended that no one or more Holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture or the rights of any other Holders of the Bonds or to obtain priority or preference over any other Holders (other than as provided herein) or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all Holders of Bonds. Nothing contained in this Indenture shall, however, affect or impair the right of any Holder to enforce the payment of the principal of, the premium, if any, and interest on any Bond at the maturity thereof or the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds issued hereunder to the respective Holders thereof, at the time, in the place, from the sources and in the manner expressed herein and in said Bonds.

Section 6.09 Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and the Trustee shall be restored to their former positions and rights hereunder with respect to the Trust Estate herein conveyed, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 6.10 Waivers of Events of Default. The Trustee shall waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Bonds upon the written request of the Holders of a majority of the Outstanding Bonds; provided, however, that there shall not be waived (a) any default in the payment of the principal of any Bonds at the date of maturity specified therein, or upon proceedings for mandatory redemption, or (b) any default in the payment when due of the interest or premium on any such Bonds, unless prior to such waiver or rescission all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds on overdue installments of interest or all arrears of payments of principal or premium, if any, when due (whether at the stated maturity thereof or upon proceedings for mandatory redemption) as the case may be, and all fees, costs, and expenses (including reasonable fees and expenses of counsel) of the Trustee, in connection with such default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereto.

Section 6.11 Notice of Defaults; Opportunity to Cure Defaults. If an Event of Default shall occur, the Trustee shall give written notice of the Event of Default, by Electronic Means or by registered or certified mail, to the Issuer, the Borrower, the Investor Limited Partner and the Remarketing Agent, within five days after the Trustee has actual notice of the Event of Default pursuant to Section 7.04(i) hereof. If an Event of Default occurs of which the Trustee has actual notice pursuant to this Indenture, the Trustee

shall give written notice thereof, within 30 days after the Trustee's receipt of notice of its occurrence, to the Holders of all Bonds then Outstanding as shown by the Register at the close of business 15 days prior to the mailing of that notice; provided, that except in the case of a default in the payment of the principal of or interest on any Bond, the Trustee shall be protected in withholding such notice if the Trustee in good faith determines that the withholding of notice to the Holders is in the interests of the Holders.

ARTICLE 7

THE TRUSTEE AND REMARKETING AGENT

Section 7.01 Certain Duties and Responsibilities. Except during the continuance of an Event of Default:

(i) The Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether they conform to the requirements of this Indenture.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(i) This subsection (c) shall not be construed to limit the effect of subsection (a) of this Section;

(ii) The Trustee shall not be liable for any error of judgment made in good faith by a responsible officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with directions received pursuant to Section 6.04 or the direction of the Holders of a majority in principal amount of Outstanding Bonds relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(d) No provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

Section 7.02 Notice of Default. Within 30 days after the occurrence of any default hereunder of which the Trustee is deemed to have notice hereunder, the Trustee shall transmit by first class mail, to the Holders of all Bonds then Outstanding notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived prior thereto; provided, however, that, except in the case of a default in the payment of the principal of (or premium, if any) or interest on any Bond when due, the Trustee shall be protected in withholding such notice if and so long as the Trustee in good faith determines that the withholding of such notice is in the interests of the Holders of the Bonds. For the purpose of this Section the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default.

Section 7.03 Reserved

Section 7.04 Certain Rights of Trustee. Except as otherwise provided in Section 7.01 hereof:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document conforming to the requirements, if any, of this Indenture, and believed by it to be genuine, and to have been signed or presented by the proper party or parties;

(b) any Request or Statement of the Issuer mentioned herein shall be sufficiently evidenced by an order or Request of the Issuer signed by an Authorized Issuer Representative and any resolution or ordinance of the governing body of the Issuer may be sufficiently evidenced by a Certificate of the Issuer;

(c) any notice, request, direction, election, order or demand of the Borrower mentioned herein shall be sufficiently evidenced by an instrument purporting to be signed in the name of the Borrower by an Authorized Borrower Representative (unless other evidence in respect thereof be herein specifically prescribed);

(d) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon a Certificate of the Issuer;

(e) the Trustee may consult with counsel, architects and engineers and other experts, and the written advice of such counsel, architects or engineers and other experts shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(f) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders of the Bonds pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(g) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request,

direction, consent, order or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such fact or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer and the Borrower, including the Project, personally or by agent or attorney;

(h) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder whether directly or by or through agents or attorneys, but the Trustee shall be responsible for any misconduct or negligence on the part of any agent or attorney so appointed;

(i) the Trustee shall not be required to take notice or be deemed to have notice of any default hereunder (except for any default due to the Trustee's failure to make any of the payments required to be made by Article IV hereof) unless the Trustee shall be specifically notified in writing of such default by the Issuer or the Holders of at least 25% in principal amount of Bonds affected thereby;

(j) all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the principal corporate trust office of the Trustee at the Notice Address referred to in Section 1.01 hereof;

(k) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder (including, without limitation, as Dissemination Agent); and

(l) the Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(m) Upon written request by the Rating Agency, the Trustee shall furnish to the Rating Agency the balance of funds on hand with the Trustee and other information as may be reasonably required to maintain the rating on the Bonds.

Section 7.05 Not Responsible for Recitals or Issuance of Bonds. The recitals contained herein and in the Bonds, except the certificates of authentication, shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Bonds.

Section 7.06 Trustee May Hold Bonds. The Trustee in its individual or any other capacity may become the owner or pledgee of Bonds and may otherwise deal with the Issuer with the same rights it would have if it were not Trustee.

Section 7.07 Reserved

Section 7.08 Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party shall, *ipso facto*, be and become successor Trustee hereunder and vested with all title to the whole property or Trust Estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without

the execution or filing of any instruments or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 7.09 Resignation by the Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving 60 days' written notice by registered or certified mail to the Issuer and to each Holder of the Bonds then Outstanding; provided that no such resignation shall take effect until a successor Trustee shall have been appointed and shall have accepted such appointment as provided in Section 7.11. If no successor Trustee shall have been appointed and have accepted appointment within 60 days following the giving of all required notices of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee. The cost of such petition shall be paid by the Borrower.

Section 7.10 Removal of the Trustee. The Trustee may be removed at any time by an instrument or document or concurrent instruments or documents in writing delivered to the Trustee, with copies thereof mailed to the Issuer, the Remarketing Agent and the Borrower and General Partner, and signed by or on behalf of the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding.

The Trustee also may be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Issuer or the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding under this Indenture.

The removal of the Trustee under this Section 7.10 shall take effect upon the appointment of a successor Trustee as provided for in Section 7.11 of this Indenture.

Section 7.11 Appointment of Successor Trustee by the Holders; Temporary Trustee. If (a) the Trustee shall resign, shall be removed, shall be dissolved, or shall become otherwise incapable of acting hereunder, (b) the Trustee shall be taken under the control of any public officer or officers, or (c) a receiver shall be appointed for the Trustee by a court, then a successor Trustee shall be appointed by the Issuer, with the written consent of the Borrower and General Partner; provided, that if a successor Trustee is not so appointed within 10 days after (i) a notice of resignation or an instrument or document of removal is received by the Issuer, as provided in Sections 7.09 and 7.10 hereof, respectively, or (ii) the Trustee is dissolved, taken under control, becomes otherwise incapable of acting or a receiver is appointed, in each case, as provided above, then, so long as the Issuer shall not have appointed a successor Trustee, the Holders of a majority in aggregate principal amount of Bonds then Outstanding may designate a successor Trustee by an instrument or document or concurrent instruments or documents in writing signed by or on behalf of those Holders. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section, the Holder of any Bond Outstanding hereunder or any retiring Trustee may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

Section 7.12 Concerning Any Successor Trustee. Every successor Trustee appointed pursuant to this Section (a) shall be a trust company or a bank having the powers of a trust company, (b) shall be in good standing within the State, (c) shall be duly authorized to exercise trust powers within the State, (d) shall have a reported capital, surplus and retained earnings of not less than \$50,000,000, and (e) shall be willing to accept the trusteeship under the terms and conditions of this Indenture.

Every successor Trustee appointed hereunder shall execute and acknowledge, and shall deliver to its predecessor, the Issuer and the Borrower and General Partner an instrument or document in writing

accepting the appointment. Thereupon, without any further act, the successor shall become vested with all of the trusts, properties, remedies, powers, rights, duties, obligations, discretions, privileges, claims, demands, causes of action, immunities, estates, titles, interests and liens of its predecessor. Upon the written request of its successor, the Issuer or the Borrower or General Partner, and payment of all fees and expenses owed to it, the predecessor Trustee (a) shall execute and deliver an instrument or document transferring to its successor all of the trusts, properties, remedies, powers, rights, duties, obligations, discretions, privileges, claims, demands, causes of action, immunities, estates, titles, interests and liens of the predecessor Trustee hereunder, and (b) shall take any other action necessary to duly assign, transfer and deliver to its successor all property (including without limitation, all securities and moneys) held by it as Trustee. Should any instrument or document in writing from the Issuer be requested by any successor Trustee for vesting and conveying more fully and certainly in and to that successor the trusts, properties, remedies, powers, rights, duties, obligations, discretions, privileges, claims, demands, causes of action, immunities, estates, titles, interests and liens vested or conveyed or intended to be vested or conveyed hereby in or to the predecessor Trustee, the Issuer shall execute, acknowledge and deliver that instrument or document.

Section 7.13 Trustee as Paying Agent and Bond Registrar; Additional Paying Agents. The Trustee is hereby designated and agrees to act as Paying Agent and Registrar for and in respect to the Bonds.

The Issuer from time to time may appoint one or more additional Paying Agents and, in the event of the resignation or removal of any Paying Agent, successor Paying Agents. Any such additional Paying Agent or successor Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing and delivering to the Issuer and the Trustee a written acceptance thereof.

Section 7.14 Successor Trustee as Trustee, Paying Agent and Bond Registrar. In the event of a change in the office of Trustee, the predecessor Trustee which shall have resigned or shall have been removed shall cease to be Trustee and Paying Agent on the Bonds and Bond Registrar, and the successor Trustee shall become such Trustee, Paying Agent and Bond Registrar.

Section 7.15 Representations by Trustee. The Trustee hereby represents and warrants that as of the date of execution of this Indenture:

- (a) It is duly organized and validly existing in good standing under the laws of the jurisdiction of its organization and has the power and authority to enter into and perform its obligations under this Indenture;
- (b) this Indenture has been duly authorized, executed and delivered by it; and
- (c) to the best of the Trustee's knowledge, the execution of this Indenture by the Trustee does not violate laws, statutes, ordinances, regulations or agreements which are binding on the Trustee.

Section 7.16 Concerning the Remarketing Agent. The Remarketing Agent identified in Section 1.01 hereof shall serve as the Remarketing Agent for the Bonds. The Remarketing Agent shall designate to the Trustee its Designated Office and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Issuer, the Borrower, the General Partner and the Trustee. In addition, the Remarketing Agent will agree particularly to:

- (a) Keep such records relating to its computations of interest rates for the Bonds as shall be consistent with prudent industry practice and to make such records available for inspection by the Issuer, the Trustee and the Borrower and the General Partner at all reasonable times; and

- (b) perform all of its functions and duties under this Indenture.

The Remarketing Agent shall be entitled to advice of legal counsel on any matter relating to the Remarketing Agent's obligations hereunder and shall be entitled to act upon the opinion of such counsel in the exercise of reasonable care in fulfilling such obligations.

The Remarketing Agent shall be entitled to appoint additional co-Remarketing Agents to assist in the performance of the Remarketing Agent's obligations under this Indenture, and any such appointment shall be effective without any action by the Issuer or the Borrower being necessary; provided that any such co-Remarketing Agent, shall have a capitalization of at least \$5,000,000, or shall have a line of credit with a commercial bank in the amount of at least \$5,000,000, shall be in conformity with all standards and requirements of the Municipal Securities Rulemaking Board and the Securities and Exchange Commission, and shall be authorized by law to perform all the duties imposed upon it by this Indenture. The Remarketing Agent shall take responsibility for any co-Remarketing Agent it appoints.

Section 7.17 Qualification of Remarketing Agent. The Remarketing Agent shall be a member in good standing of the Financial Industry Regulatory Authority having a capitalization of at least \$5,000,000, or shall have a line of credit with a commercial bank in the amount of at least \$5,000,000, and shall be authorized by law to perform all the duties imposed upon it by this Indenture. Subject to the terms of the Remarketing Agreement, the Remarketing Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least 30 days' notice of such resignation to the Issuer, the Borrower and the Trustee. The Remarketing Agent may be removed, with prior notice to the Issuer, at any time by the Borrower, with at least 30 days' notice of such removal to the Remarketing Agent.

Upon any resignation or removal of the Remarketing Agent, the departing Remarketing Agent shall pay over, assign and deliver any money and Bonds held by it in such capacity to its successor.

The Trustee, within 30 days of the resignation or removal of the Remarketing Agent or the appointment of a successor Remarketing Agent, shall give notice thereof by registered or certified mail to the Rating Agency (if the Bonds are then rated) and to the Holders of the Bonds.

Section 7.18 Information for Rating Agency and Notice of Certain Events. The Trustee shall provide the Rating Agency upon its written request such information within the Trustee's possession as the Rating Agency shall reasonably require from time to time in order to maintain the rating on the Bonds;

The Trustee shall notify the Rating Agency and the Remarketing Notice Parties of (a) the occurrence of an Event of Default of which the Trustee has actual notice, (b) any change in the identity of the Trustee, (c) any amendments, modifications, supplements or changes to this Indenture, the Loan Agreement, the Note or the Bonds, including any extension of principal or modification of interest or redemption premium due on any of the Bonds, in each case only in the event the Trustee has actual notice, (d) any change or notification of proposed change of the Mandatory Tender Date or Remarketing Date pursuant to the remarketing of the Bonds, (e) any partial prepayment of the Loan or the giving of notice of the call for redemption of any Bonds in connection with the prepayment of the Loan, (f) any defeasance or acceleration of the Bonds hereunder, (g) any change in the Remarketing Agent or the Lender of which the Trustee has actual knowledge, (h) the occurrence of any monetary or other material default under the Loan of which the Trustee has actual notice, (i) any change or proposed change in the structure or identity of the Borrower of which the Trustee has actual knowledge, (j) any change in the investment of funds subject to the lien of this Indenture, (k) any sale of Eligible Investments below par, as shown in a Cash Flow Projection delivered to the Rating Agency prior to the sale date.

ARTICLE 8
SUPPLEMENTAL INDENTURE

Section 8.01 Supplemental Indentures Not Requiring Consent of Bondholders. The Issuer and the Trustee, without the consent of or notice to any of the Bondholders, may enter into a bond indenture or bond indentures supplemental to this Indenture as shall not be materially adverse to the interest of the Holders of the Bonds for any one or more of the following reasons:

- (a) to cure any ambiguity or formal defect or omission in this Indenture;
- (b) to subject to the lien and pledge of this Indenture additional revenues, properties or collateral;
- (c) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders or the Trustee or any of them;
- (d) to modify, amend or supplement this Indenture or any bond indenture supplemental hereto in such manner as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939 or any similar federal statute hereafter in effect or under any state securities laws;
- (e) to permit the Trustee to comply with any obligations imposed upon it by law;
- (f) to achieve compliance of this Indenture with any applicable federal securities or tax laws or state securities laws;
- (g) to maintain the exclusion from gross income for federal income taxation of interest on the Bonds;
- (h) to obtain, improve or maintain the rating on the Bonds from any nationally recognized securities rating agency so long as such change does not affect the interest rates, maturities or redemption provisions of the Bonds and does not, in the opinion of Bond Counsel, adversely affect the exclusion from gross income for federal income taxation of interest on the Bonds; or
- (i) in connection with any other change in this Indenture which, in the judgment of the Trustee, is not to the prejudice of the Trustee or the Bondholders.

The Trustee may rely upon an opinion of counsel as conclusive evidence that execution and delivery of a supplemental bond indenture have been effected in compliance with the provisions of this Article.

Section 8.02 Supplemental Indentures Requiring Consent of Bondholders. Exclusive of Supplemental Indentures to which reference is made in Section 8.01 hereof and subject to the terms, provisions and limitations contained in this Section, and not otherwise, with the consent of the Holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding, evidenced as provided in this Indenture, and with the written consent of the Borrower if required by Section 8.05 hereof, the Issuer and the Trustee may execute and deliver Supplemental Indentures adding any provisions to, changing in any manner or eliminating any of the provisions of this Indenture or any Supplemental

Indenture or restricting in any manner the rights of the Holders. Nothing in this Section shall permit, however, or be construed as permitting:

- (a) without the consent of the Holder of each Bond so affected, (i) an extension of the maturity of the principal of or the interest on any Bond or (ii) a reduction in the principal amount of any Bond or the rate of interest thereon, or
- (b) without the consent of the Holders of all Bonds then Outstanding, (i) the creation of a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (ii) a reduction in the aggregate principal amount of the Bonds required for consent to a Supplemental Indenture.

If the Issuer shall request that the Trustee execute and deliver any Supplemental Indenture for any of the purposes of this Section, upon (i) being satisfactorily indemnified with respect to its expenses in connection therewith, and (ii) if required by Section 8.05 hereof, receipt of the Borrower's written consent to the proposed execution and delivery of the Supplemental Indenture, the Trustee shall, at the written direction of the Issuer, cause notice of the proposed execution and delivery of the Supplemental Indenture (which notice shall be prepared by the Borrower) to be mailed by first-class mail, postage prepaid, to all Holders of Bonds then Outstanding at their addresses as they appear on the Register at the close of business on the fifteenth day preceding that mailing.

The Trustee shall not be subject to any liability to any Holder by reason of the Trustee's failure to mail, or the failure of any Holder to receive, the notice required by this Section. Any failure of that nature shall not affect the validity of the Supplemental Indenture when there has been consent thereto as provided in this Section. The notice shall set forth briefly the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the Designated Office of the Trustee for inspection by all Holders.

If the Trustee shall receive, within a period prescribed by the Borrower, of not less than 60 days, but not exceeding one year, following the mailing of the notice, an instrument or document or instruments or documents, in form to which the Trustee does not reasonably object, purporting to be executed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding (which instrument or document or instruments or documents shall refer to the proposed Supplemental Indenture in the form described in the notice and specifically shall consent to the Supplemental Indenture in substantially that form), the Trustee shall, but shall not otherwise, execute and deliver the Supplemental Indenture in substantially the form to which reference is made in the notice as being on file with the Trustee, without liability or responsibility to any Holder, regardless of whether that Holder shall have consented thereto.

The Trustee may rely upon an opinion of counsel as conclusive evidence that the execution and delivery of any Supplemental Indenture have been effected in compliance with the provisions of this Article.

Any consent shall be binding upon the Holder of the Bond giving the consent and, anything herein to the contrary notwithstanding, upon any subsequent Holder of that Bond and of any Bond issued in exchange therefor (regardless of whether the subsequent Holder has notice of the consent to the Supplemental Indenture). A consent may be revoked in writing, however, by the Holder who gave the consent or by a subsequent Holder of the Bond by a revocation of such consent received by the Trustee prior to the execution and delivery by the Trustee of the Supplemental Indenture. At any time after the Holders of the required percentage of Bonds shall have filed their consents to the Supplemental Indenture, the Trustee shall make and file with the Issuer a written statement that the Holders of the required percentage of Bonds have filed those consents. That written statement shall be conclusive evidence that the consents have been so filed.

If the Holders of the required percentage in aggregate principal amount of Bonds Outstanding shall have consented to the Supplemental Indenture, as provided in this Section, no Holder shall have any right (a) to object to (i) the execution or delivery of the Supplemental Indenture, (ii) any of the terms and provisions contained therein, or (iii) the operation thereof, (b) to question the propriety of the execution and delivery thereof, or (c) to enjoin or restrain the Trustee or the Issuer from that execution or delivery or from taking any action pursuant to the provisions thereof.

Section 8.03 Amendments to Loan Agreement Not Requiring Consent of the Bondholders.

The Issuer and the Borrower, without the consent of the Bondholders, may enter into any amendment, change or modification to the Loan Agreement as shall not be materially adverse to the interests of the Holder of the Bonds or the Trustee for any one or more of the following purposes:

- (a) to cure any ambiguity or formal defect or omission in the Loan Agreement;
- (b) to grant to or confer upon the Issuer or the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may be lawfully granted to or conferred upon the Issuer or the Trustee or either of them;
- (c) to maintain the exclusion from gross income for federal income taxation of interest of the Bonds;
- (d) to obtain, improve or maintain the rating on the Bonds so long as such change does not affect the interest rates, maturities or redemption provisions of the Bonds and does not, in the opinion of Bond Counsel, adversely affect the exclusion from gross income for federal income taxation of interest on the Bonds; or
- (e) in connection with any other change which, in the judgment of the Trustee, is not to the prejudice of the Trustee or the Bondholders.

The Trustee may rely upon an opinion of counsel as conclusive evidence that such amendment, change or modification has been effected in compliance with the provisions of this Article.

Section 8.04 Amendments to Loan Agreement Requiring Consent of Bondholders. With the consent of the Holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding, the Issuer, the Trustee and the Borrower may from time to time enter into amendments, changes and modifications to the Loan Agreement for the purpose of modifying, altering, amending, adding to or rescinding any of the terms or provisions contained therein; provided, however, that no such amendment, change or modification shall permit or be construed as permitting: (a) any adverse effect on the security for the Bonds, (b) a reduction in the amount of Bonds, the Holders of which are required to approve any such amendment, change or modification without the consent of Holders of all Bonds at the time Outstanding which would be affected by the action to be taken; or (c) any action which may result in the denial of the exclusion of the interest on the Bonds from gross income for federal income tax purposes.

If at any time, the Borrower or the Issuer shall request the consent of the Trustee to any such amendment, change or modification of the Loan Agreement, the Trustee shall, upon being satisfactorily indemnified by the Borrower with respect to expenses, cause notice of such proposed amendment, change or modification to be given in the same manner as provided above with respect to supplemental bond indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the corporate trust office of the Trustee for inspection by all Bondholders. If, within 60 days following the giving of such notice the Holders of not less than two-thirds in aggregate principal amount of Outstanding Bonds at the

time of the execution of any such amendment, change or modification shall have consented to and approved the execution thereof as described above, no Holder of any Bond shall have any right to object to the terms and provisions contained therein, or to the operation thereof, or in any manner to question the propriety of the execution thereof or to enjoin or to restrain the Issuer or the Trustee from consenting to the execution thereof. The Trustee may rely upon an opinion of counsel as conclusive evidence that such amendment, change or modification has been effected in compliance with the provisions of this Article.

Section 8.05 Consent of Borrower and Investor Limited Partner. Anything contained herein to the contrary notwithstanding, any Supplemental Indenture executed and delivered in accordance with this Article VIII which affects in any material respect any rights or obligations of the Borrower shall not become effective unless and until the Borrower and Investor Limited Partner shall have consented in writing to the execution and delivery of that Supplemental Indenture.

Section 8.06 Responsibilities of Trustee. Notwithstanding anything else contained herein, the Trustee shall not be required to enter into any Supplemental Indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Section 8.07 Authorization to Trustee; Effect of Supplement

The Trustee is authorized to join with the Issuer in the execution and delivery of any Supplemental Indenture in accordance with this Article and to make the further agreements and stipulations which may be contained therein. Thereafter,

- (a) That Supplemental Indenture shall form a part of this Indenture;
- (b) All terms and conditions contained in that Supplemental Indenture as to any provision authorized to be contained therein shall be deemed to be a part of the terms and conditions of this Indenture for any and all purposes;
- (c) This Indenture shall be deemed to be modified and amended in accordance with the Supplemental Indenture; and
- (d) The respective rights, duties and obligations under this Indenture of the Issuer, the Borrower, the Trustee, the Remarketing Agent and all Holders of Bonds then Outstanding shall be determined, exercised and enforced hereunder in a manner which is subject in all respects to those modifications and amendments made by the Supplemental Indenture.

Express reference to any executed and delivered Supplemental Indenture may be made in the text of any Bonds issued thereafter, if that reference is deemed necessary or desirable by the Trustee or the Issuer. A copy of any Supplemental Indenture for which provision is made in this Article, except a Supplemental Indenture described in Section 8.01(g) hereof, shall be mailed to the Holders by the Trustee. The Trustee shall not be required to execute any supplemental indenture containing provisions adverse to the Trustee.

Section 8.08 Opinion of Counsel. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, the opinion of any counsel approved by it as conclusive evidence that (a) any proposed Supplemental Indenture complies with the provisions of this Indenture, and (b) it is proper for the Trustee to join in the execution of that Supplemental Indenture under the provisions of this Article. That counsel may be counsel for the Issuer or the Borrower.

Before the Issuer and the Trustee shall enter into any Supplemental Indenture, there shall have been delivered to the Trustee an opinion of Bond Counsel to the effect that such Supplemental Indenture will not adversely affect the Federal Tax Status of the Bonds.

Section 8.09 Modification by Unanimous Consent. Notwithstanding anything contained elsewhere in this Indenture, the rights and obligations of the Issuer and of the Holders, and the terms and provisions of the Bonds and this Indenture or any Supplemental Indenture, may be modified or altered in any respect with the consent of (a) the Issuer, (b) the Holders of all of the Bonds then Outstanding, (c) the Borrower and the Investor Limited Partner and (d) if such modification or alteration contains provisions adverse to the Trustee, the Trustee.

ARTICLE 9

SATISFACTION AND DISCHARGE OF INDENTURE

Section 9.01 Discharge of Lien. If (a) the Issuer shall pay all of the Outstanding Bonds, or shall cause them to be paid and discharged, or if there otherwise shall be paid to the Holders of the Outstanding Bonds, all Bond Service Charges due or to become due thereon, and (b) provision also shall be made for the payment of all other sums payable hereunder or under the Loan Agreement, the Land Use Restriction Agreement and the Note, then this Indenture shall cease, terminate and become null and void (except for those provisions surviving by reason of Section 9.03 hereof in the event the Bonds are deemed paid and discharged pursuant to Section 9.02 hereof), and the covenants, agreements and obligations of the Issuer hereunder shall be released, discharged and satisfied.

Thereupon, and subject to the provisions of Section 9.03 hereof if applicable,

(a) the Trustee shall release this Indenture (except for those provisions surviving by reason of Section 9.03 hereof in the event the Bonds are deemed paid and discharged pursuant to Section 9.02 hereof), and shall execute and deliver to the Issuer any instruments or documents in writing, prepared by or on behalf of the Issuer, as shall be requisite to evidence that release and discharge or as reasonably may be requested by the Issuer;

(b) the Trustee shall release and satisfy the Note and deliver such release and satisfaction to the Borrower; and

(c) the Trustee shall assign and deliver to the Issuer any property subject at the time to the lien of this Indenture which then may be in its possession, except amounts in the Bond Fund required (i) to be paid to the Borrower under Section 4.14 hereof, or (ii) to be held by the Trustee under Section 4.13 hereof or otherwise for the payment of Bond Service Charges.

Section 9.02 Payment and Discharge of Bonds. All or any part of the Bonds shall be deemed to have been paid and discharged within the meaning of this Indenture, including without limitation, Section 9.01 hereof, if:

(a) the Trustee as paying agent shall have received, in trust for and irrevocably committed thereto, sufficient money, or

(b) the Trustee shall have received, in trust for and irrevocably committed thereto, noncallable Government Obligations which are certified by an Independent public accounting firm of national reputation to be of such maturities or redemption dates and interest payment dates, and to bear such interest, as will be sufficient together with any money to which reference is made in subparagraph (a) above, without further investment or reinvestment of either the principal amount

thereof or the interest earnings therefrom (which earnings are to be held likewise in trust and so committed, except as provided herein), for the payment of all Bond Service Charges on those Bonds at their maturity.

Any money held by the Trustee in accordance with the provisions of this Section may be invested by the Trustee only in noncallable Government Obligations having maturity dates, or having redemption dates which, at the option of the owner of those obligations, shall be not later than the date or dates at which money will be required for the purposes described above. To the extent that any income or interest earned by, or increment to, the investments held under this Section is determined from time to time by the Trustee to be in excess of the amount required to be held by the Trustee for the purposes of this Section, that income, interest or increment shall be transferred at the time of that determination in the manner provided in Section 4.14 hereof for transfers of amounts remaining in the Bond Fund.

If any Bonds shall be deemed paid and discharged pursuant to this Section 9.02, then within 15 days after such Bonds are so deemed paid and discharged the Trustee shall cause a written notice to be given to each Holder as shown on the Register on the date on which such Bonds are deemed paid and discharged. Such notice shall state the numbers of the Bonds deemed paid and discharged or state that all Bonds are deemed paid and discharged, and shall set forth a description of the obligations held pursuant to subparagraph (b) of the first paragraph of this Section 9.02.

Section 9.03 Survival of Certain Provisions. Notwithstanding the foregoing, any provisions of this Indenture which relate to the maturity of Bonds, interest payments and dates thereof, optional and mandatory redemption provisions, credit against mandatory sinking fund requirements, exchange, transfer and registration of Bonds, replacement of mutilated, destroyed, lost or stolen Bonds, the safekeeping and cancellation of Bonds, non-presentment of Bonds, the holding of moneys in trust, and repayments of moneys in funds held hereunder, and the duties of the Trustee and the Bond Registrar in connection with all of the foregoing, shall remain in effect and be binding upon the Trustee, the Bond Registrar, the Paying Agent and the Holders notwithstanding the release and discharge of this Indenture. The provisions of this Article shall survive the release, discharge and satisfaction of this Indenture.

ARTICLE 10 MISCELLANEOUS

Section 10.01 Consents and Other Instruments of Bondholders. Any consent, request, direction, approval, waiver, objection, appointment or other instrument required by this Indenture to be signed and executed by the Bondholders may be signed and executed in any number of concurrent writings of similar tenor and may be signed or executed by such Bondholders in person or by agent appointed in writing. Proof of the execution of any such instrument, if made in the following manner, shall be sufficient for any of the purposes of this Indenture and shall be conclusive in favor of the Trustee with regard to any action taken under such instrument, namely:

(a) The fact and date of the execution by any Person of any such instrument may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the Person signing such instrument acknowledged to him the execution thereof. Where such execution is by an officer of a corporation or association or a member of a limited liability company or a partner of a partnership on behalf of such corporation, association, limited liability company or partnership, such affidavit or certificate shall also constitute sufficient proof of his authority.

(b) The ownership of Bonds shall be proven by the Bond Register.

(c) Any request, consent or vote of the Holder of any Bond shall bind every future Holder of any Bond issued in exchange therefor or in lieu thereof, in respect of anything done or permitted to be done by the Trustee or the Issuer pursuant to such request, consent or vote.

(d) In determining whether the Holders of the requisite amount of the principal amount of the Bonds then Outstanding have concurred in any demand, request, direction, consent or waiver under this Indenture, Bonds which are owned by the Issuer or the Borrower or by any Person directly or indirectly controlling or controlled by, or under direct or indirect common control with the Issuer or the Borrower shall be disregarded and deemed not to be Outstanding for the purpose of determining whether the Trustee shall be protected in relying on any such demand, request, direction, consent or waiver. Only Bonds which the Trustee actually knows to be so owned shall be disregarded. Bonds so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section if the pledgee shall establish to the satisfaction of Issuer and the Trustee the pledgee's right to vote such Bonds. In case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee.

Section 10.02 Limitation of Rights. With the exception of rights conferred expressly in this Indenture, nothing expressed or mentioned in or to be implied from this Indenture or the Bonds is intended or shall be construed to give to any Person other than the parties hereto, the Remarketing Agent, the Borrower, and the Holders of the Bonds any legal or equitable right, remedy, power or claim under or with respect to this Indenture or any covenants, agreements, conditions and provisions contained herein. This Indenture and all of those covenants, agreements, conditions and provisions are intended to be, and are, for the sole and exclusive benefit of the parties hereto, the Remarketing Agent, the Borrower and the Holders of the Bonds, as provided herein.

Section 10.03 Severability. If any provision of this Indenture shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute, rule of law or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable to any extent whatever.

The invalidity of any one or more phrases, sentences, clauses or sections in this Indenture contained shall not affect the remaining portions of this Indenture or any part thereof

Section 10.04 Notices. All notices, certificates or other communications hereunder shall be sufficiently given and shall be deemed given three days after deposit by first-class mail, except any notice specifically required to be given by certified or registered mail shall be deemed given three days after being mailed by certified or registered mail, postage prepaid, and any notice dispatched by messenger, facsimile or telegram, addressed to the Notice Address of the person to whom such notices, certificates or other communications are given shall be deemed given when delivered.

Section 10.05 Payments Due on Saturdays, Sundays and Holidays. In any case where the date of maturity of interest on or principal of the Bonds, or the date fixed for redemption of any Bonds, shall be a Saturday, Sunday, legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after such date.

Section 10.06 Priority of this Indenture. This Indenture shall be superior to any liens which may be placed upon the Revenues or any other funds or accounts created pursuant to this Indenture.

Section 10.07 Counterparts. This Indenture may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture and signature pages for all purposes.

Section 10.08 Governing Law. The laws of the State shall govern the construction of this Indenture and of all Bonds issued hereunder, without reference to its conflict of laws principles.

Section 10.09 No Recourse. No recourse shall be had for the principal of, redemption premium, if any, and interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in the Indenture or the Loan Agreement against any past, present or future official, officer or employee of the Issuer or the Trustee, as such, either directly or through the Issuer or the Trustee or any successor to either, under any rule of law, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability is hereby expressly waived and released as a condition of and consideration for the execution of the Indenture and the Loan Agreement and the issuance of the Bonds.

Section 10.10 Successors and Assigns. All the covenants and representations contained in this Indenture, by or on behalf of the Issuer and the Trustee, shall bind and inure to the benefit of their respective successors and assigns, whether expressed or not.

Section 10.11 Books, Records and Accounts. The Trustee agrees to keep proper books, records and accounts in which complete and correct entries shall be made of all transactions relating to the receipt, disbursements, investment, allocation and application of the proceeds received from the sale of the Bonds, the revenues received from the Funds created pursuant to this Indenture and all other money held by the Trustee hereunder. The Trustee shall make such books, records and accounts available for inspection by the Issuer or the Holder of any Bond during reasonable hours and under reasonable conditions.

Section 10.12 Mortgage Loan Documents and Regulations Control

(a) In the event of any conflict and to the extent that there is any inconsistency or ambiguity between the provisions of this Indenture and the provisions of the Controlling HUD and GNMA Requirements or the Mortgage Loan Documents, the Controlling HUD and GNMA Requirements and Mortgage Loan Documents will be deemed to be controlling, and any such ambiguity or inconsistency will be resolved in favor of, and pursuant to the terms of the Controlling HUD and GNMA Requirements and Mortgage Loan Documents, as applicable. Notwithstanding any provision of this Indenture to the contrary, the parties hereto acknowledge and agree that all of their respective rights and powers to any assets or properties of the Borrower are subordinate and subject to the liens created by the Mortgage, together with any and all amounts from time to time secured thereby, and interest thereon, and to all of the terms and provisions of the Mortgage, and any and all other documents executed by the Borrower as required by HUD or GNMA in connection therewith.

(b) Enforcement of the covenants in this Indenture will not result in, and neither the Issuer, the Trustee nor any parties indemnified by the Borrower pursuant to this Indenture has or shall be entitled to assert, any claim against the Project, the Mortgage Loan proceeds, any reserves or deposits required by HUD in connection with the Mortgage Loan transaction, or the rents or

deposits or other income of the Project other than available "Surplus Cash" as defined in the HUD Regulatory Agreement.

(c) Failure of the Issuer or the Borrower to comply with any of the covenants set forth in this Indenture will not serve as a basis for default on the Mortgage Loan, the underlying mortgage, or any of the other Mortgage Loan Documents.

(d) The Bonds are not a debt of the United States of America, HUD, FHA, GNMA or any other agency or instrumentality of the federal government, and are not guaranteed by the full faith and credit of the United States or any agency or instrumentality thereof.

(e) There is no pledge hereunder of the gross revenues or any of the assets of the Project.

(f) Nothing contained herein shall inhibit or impair the right of FHA to require or agree to any amendment, change or modification of any Mortgage Loan Documents.

(g) Proceeds from any condemnation award or from the payment of a claim under any hazard insurance policy relating to the Project will not be payable to the Trustee, but will be payable in accordance with the Mortgage Loan Documents.

(h) Notwithstanding anything to the contrary in the event of an assignment or conveyance of the Mortgage Loan to the Federal Housing Commissioner, subsequent to the issuance of the Bonds, all money remaining in all funds and accounts other than the Rebate Fund and any other funds remaining under the Indenture after payment or provision for payment of debt service on the Bonds and the fees and expenses of the Issuer, Trustee and other such parties unrelated to the Borrower (other than funds originally deposited by the Borrower or related parties on or before the date of issuance of the Bonds) shall be returned to the Lender.

(i) HUD shall not have any obligation under the Disbursement Agreement (or otherwise) to continue to provide Lender Funds if there is a Borrower default under and assignment of the Mortgage Loan to HUD.

Section 10.13 Force Majeure. In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 10.14 U.S.A. Patriot Act. The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may reasonably request in order for the Trustee to satisfy the requirements of the U.S.A. Patriot Act.

Section 10.15 Waiver of Jury Trial. EACH OF THE ISSUER, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING

ARISING OUT OF OR RELATING TO THIS INDENTURE, THE BONDS OR THE TRANSACTION CONTEMPLATED HEREBY.

IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed and their respective corporate seals to be hereunto affixed and attested, all as of the date and year first above written.

Notice of the Special Record Date shall be mailed to Holders not less than 10 days prior thereto. The principal of and interest on this Bond are payable in lawful money of the United States of America, without deduction for the services of the paying agent. While the Bonds are held in a book-entry system and in certain other circumstances, all as provided in the Indenture, principal of and interest on this Bond is required to be paid by wire transfer or other arrangement, other than any payment of the entire unpaid principal amount hereof.

This Bond is one of a duly authorized series of bonds of the Issuer designated as its Multifamily Housing Revenue Bonds (111 W. Monroe Project), Series 2025 (the "Bonds"), in the aggregate principal amount of \$_____ (the "Bonds"), pursuant to Article VII, Section 6 of the 1970 Constitution of the State of Illinois, and pursuant to the Ordinance adopted by the Issuer on March __, 2025. The Bonds are issued under and are equally and ratably secured as to principal, premium, if any, and interest by an Indenture dated as of _____ 1, 2025, from the Issuer to the Trustee (the "Indenture"), to which Indenture and all indentures supplemental thereto (copies of which are on file at the office of the Trustee) reference is hereby made. By the acceptance of this Bond, the Holder hereof assents to all of the provisions of the Indenture.

The Bonds, together with premium, if any, and interest thereon, do not constitute an indebtedness, liability, general or moral obligation or a pledge of the full faith or loan of credit of the Issuer, the State of Illinois, or any political subdivision of the State of Illinois within the meaning of any constitutional or statutory provisions. None of the Issuer, the State of Illinois or any political subdivision thereof shall be obligated to pay the principal of, premium, if any, or interest on the Bonds or other costs incident thereto except from the revenues and assets pledged with respect thereto. Neither the full faith and credit nor the taxing power of the United States of America, the Issuer, the State of Illinois or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds or other costs incident thereto. The Bonds are not a debt of the United States of America or any agency thereof, and are not guaranteed by the United States of America or any agency thereof.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the certificate of authentication shall have been signed by the Trustee.

The Bonds are being issued by the Issuer for the purpose of financing a loan (the "Loan") to be made to 111 Monroe Affordable LP, an Illinois limited partnership (the "Borrower"). The Loan will be used by the Borrower to pay a portion of the costs of acquiring and constructing the Project, as defined in the Indenture and as further described in the Loan Agreement dated as of even date with the Indenture (the "Loan Agreement"), between the Issuer and the Borrower. The Bonds are special limited obligations of the Issuer, issued or to be issued under and are secured and entitled equally and ratably to the protection given by the Indenture, including payments under the Loan made to the Trustee by the Borrower.

The Bonds are subject to redemption and tender prior to their stated maturity as follows:

(a) Optional Redemption. The Bonds are subject to optional redemption in whole or in part by the Issuer at the written direction of the Borrower on any date on or after the later to occur of (a) the date that the Project is placed in service, as certified in writing by the Borrower to the Trustee, and (b) the

Optional Redemption Date (as defined in the Indenture) at a redemption price equal to 100% of the principal amount of the Bonds plus accrued interest to the Redemption Date.

(b) Reserved.

(c) Mandatory Redemption. The Bonds shall be redeemed in whole at a redemption price of 100% of the principal amount of such Bonds, plus accrued interest to the Redemption Date, on any Mandatory Tender Date upon the occurrence of any of the following events: (i) the Borrower has previously elected not to cause the remarketing of the Bonds, (ii) the conditions to remarketing set forth in the Indenture have not been met by the dates and times set forth therein, or (iii) the proceeds of a remarketing on deposit in the Remarketing Proceeds Account at 11:00 a.m. Local Time on the Mandatory Tender Date are insufficient to pay the purchase price of the Outstanding Bonds on such Mandatory Tender Date. Bonds subject to redemption in accordance with this paragraph shall be redeemed from (i) amounts on deposit in the Collateral Fund, (ii) amounts on deposit in the Negative Arbitrage Account of the Bond Fund, (iii) amounts on deposit in the Project Fund, and (iv) any other Eligible Funds available or made available for such purpose at the direction of the Borrower.

(d) Purchase in Lieu of Redemption. At the election of the Borrower upon a redemption in whole of the Bonds, by written notice to the Trustee and the Remarketing Agent given not less than five (5) Business Days in advance of such redemption date, the Bonds will be deemed tendered for purchase in lieu of the redemption on such date and the call for redemption shall be cancelled. The purchase price of Bonds so purchased in lieu of redemption shall be the principal amount thereof together with all accrued and unpaid interest to the date of redemption and any prepayment fee, if due, and shall be payable on the date of redemption thereof. Bonds so purchased in lieu of redemption shall remain Outstanding and shall be registered to or upon the direction of the Borrower.

(e) Mandatory Tender. The Bonds are subject to mandatory tender in whole on each Mandatory Tender Date. Holders will not have the right to elect to retain their Bonds. Upon presentation and surrender of the Bonds by the Holder on the date fixed for tender, the Holder shall be paid the principal amount of the Bonds to be tendered, plus accrued interest on such Bonds to the tender date.

Reference is made to the Indenture for a more complete description of the Project, the provisions, among others, with respect to the nature and extent of the security for the Bonds, the rights, duties and obligations of the Issuer, the Trustee and the Holders of the Bonds, and the terms and conditions upon which the Bonds are issued and secured. Each Holder assents, by its acceptance hereof, to all of the provisions of the Indenture.

The Borrower is required by the Loan Agreement to cause the Lender (as defined in the Indenture) to provide on its behalf the Lender's portion of the Eligible Funds (as defined in the Indenture) to the Trustee in the amounts and at the times necessary to pay the principal of and interest (the "Bond Service Charges") on the Bonds. In the Indenture, the Issuer has assigned to the Trustee, to provide for the payment of the Bond Service Charges on the Bonds, the Issuer's right, title and interest in and to the Loan Agreement, except for Reserved Rights as defined in the Indenture. To secure its compliance with certain covenants in the Loan Agreement, the Borrower has executed and delivered a Regulatory and Land Use Restriction Agreement, dated as of _____ 1, 2025 (the "Land Use Restriction Agreement") between the Issuer and the Borrower.

Copies of the Indenture, the Loan Agreement and the Land Use Restriction Agreement are on file in the designated corporate trust office of the Trustee.

The Bond Service Charges on the Bonds are payable solely from the Revenues, as defined and as provided in the Indenture (being, generally, the amounts payable under the Loan Agreement and any unexpended proceeds of the Bonds), and are an obligation of the Issuer only to the extent of the Revenues. The Bonds are not secured by an obligation or pledge of any money raised by taxation and do not represent or constitute a debt or pledge of the faith and credit of the Issuer.

The Bonds are issuable only as fully registered bonds and, except as provided in the Indenture, in printed or typewritten form, registered in the name of Cede & Co. as nominee of The Depository Trust Company, New York, New York ("DTC"), which shall be considered to be the Holder for all purposes of the Indenture, including, without limitation, payment by the Issuer of Bond Service Charges, and receipt of notices to, giving of consents by and exercise of rights of, Holders.

The Holder of this Bond shall have no right to enforce the provisions of the Indenture, or to institute action to enforce the covenants therein, or to take any action with respect to any default thereunder, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Neither the Issuer nor the Borrower shall be liable for an acceleration of the Bonds or payment of additional interest thereon in the event that interest on the Bonds is declared or becomes includable in gross income for federal income tax purposes.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

This Bond is transferable by the Holder hereof in person or by his attorney duly authorized in writing at the principal corporate trust office of the Trustee, but only in the manner and subject to the limitations provided in the Indenture upon payment of any tax, fee or other governmental charge required to be paid with respect to such transfer, and upon surrender and cancellation of this Bond. Upon such transfer a new registered Bond or bonds of the same maturity and interest rate and of authorized denomination or denominations for the same aggregate principal amount will be issued to the transferee in exchange therefor.

The Issuer and the Trustee may deem and treat the registered owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the Issuer nor the Trustee shall be affected by any notice to the contrary.

Subject to the limitations of the Indenture and upon payment of any tax, fee or other governmental charge required to be paid with respect to such exchange, Bonds may be exchanged for a like aggregate principal amount of Bonds of the same maturity and interest rate.

The principal hereof may be declared or may become due on the conditions and in the manner and at the time set forth in the Indenture upon the occurrence of an event of default as provided in the Indenture.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on this Bond, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemental thereto, against any trustee, officer or employee, as such, past, present or future, of the Issuer or any successor, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for the issue hereof, expressly waived and released. (p) The proceeds of the Bonds shall be used or deemed used exclusively to pay costs that (i) are (A) capital expenditures (as defined in Section 1.150-1(a) of the Code's regulations) and (B) not made for the acquisition of existing property, to the extent prohibited in Section 147(d) of the Code; (ii) are made exclusively with respect to a "qualified residential rental project" within the meaning of Section 142(d) of the Code and that for the greatest number of buildings the proceeds of the Bonds shall be deemed allocated on a pro rata basis to each building in the Project and the land on which it is located so that each building and the land on which it is located will have been financed fifty percent (50%) or more by the proceeds of the Bonds for the purpose of complying with Section 42(h)(4)(B) of the Code, and the Borrower further covenants that it will not exercise any option to redeem the Bonds under the Indenture except upon the express written consent of the Investor Limited Partner of the Borrower; provided, however, the foregoing representation, covenant and warranty is made for the benefit of the Borrower and its partners and neither the Trustee nor the Issuer shall have any obligation to enforce this covenant nor shall they incur any liability to any Person, including without limitation, the Borrower, the partners of the Borrower, any other affiliate of the Borrower or the holders of the Bonds for any failure to meet the intent expressed in the foregoing representation, covenant and warranty; and provided further, failure to comply with this representation, covenant and warranty shall not constitute a default or "Event of Default" under this Loan Agreement or the Indenture; and (iii) are costs related to the issuance of the Bonds.

(q) All building, zoning, safety, health, fire, water district, sewerage and environmental protection agency permits and other licenses and permits that are required by any governmental body for the acquisition, rehabilitation, equipping, use, occupancy and operation of the Project have been obtained and are in full force and effect (except for those which are not yet required to have been obtained in connection with the acquisition, rehabilitation and equipping of the Project, and which will be obtained at or prior to the time required by law in connection with the acquisition, rehabilitation and equipping of the Project).

The Borrower acknowledges that the representations and covenants herein made by the Borrower have been expressly and specifically relied upon by the Issuer in determining to make the Loan to the Borrower and the Loan would not have been made but for such representations and covenants. All material information provided by the Borrower to the Issuer concerning the Project and the Borrower was and is on the date of execution of this Loan Agreement true and correct

(j) If the Borrower becomes aware of any situation, event or condition which would result in the interest of the Bonds becoming includable in gross income for federal income tax purposes,

the Borrower shall promptly give written notice thereof to the Issuer, the Investor Limited Partner and the Trustee.

ARTICLE III PLAN OF FINANCING

Section 3.01 Issuance of Bonds; Application of Proceeds

To provide funds to finance the Loan for purposes of assisting the Borrower in paying Project Costs, the Issuer shall simultaneously with the execution and delivery hereof proceed with the issuance and delivery of the Bonds upon receipt by the Trustee of the items listed in Section 2.13 of the Indenture. The Issuer agrees to deposit the proceeds of sale of the Bonds in accordance with the Indenture.

The Bonds will be issued pursuant to the Indenture in the aggregate principal amount, will bear interest, will mature and will be subject to redemption, mandatory tender and remarketing as set forth therein. The Borrower hereby approves the terms and conditions of the Indenture and the Bonds, and the terms and conditions under which the Bonds will be issued, sold and delivered and will comply with those provisions of the Indenture that contemplate action by the Borrower, all as if the Borrower were a party to the Indenture.

Pending disbursement pursuant to Section 3.06 hereof, the proceeds of the Bonds deposited in the Project Fund, together with any investment earnings thereon, shall constitute a part of the Revenues assigned by the Issuer to the Trustee as security for the payment of Bond Service Charges as provided in the Indenture.

Section 3.02 The Loan. The Issuer agrees, upon the terms and conditions herein, to make the Loan to the Borrower with the proceeds received by the Issuer from the sale of the Bonds by causing such proceeds to be deposited with the Trustee for disposition as provided in the Indenture. The obligation of the Issuer to finance the Loan shall be deemed fully discharged upon the deposit of the proceeds of the Bonds with the Trustee. The Loan shall be evidenced by the Note payable to the Trustee.

Section 3.03 Mortgage Loan to Borrower; GNMA Certificates

To provide and secure funds for the repayment of the Loan, and to provide for the delivery of the Eligible Funds, the Borrower shall simultaneously with the execution and delivery hereof, proceed with obtaining the Mortgage Loan from the Lender and entering into the Disbursement Agreement. In particular, the Borrower will promptly take all necessary actions on its part to close the Mortgage Loan and satisfy all other terms and conditions of the FHA Commitment and the requirements of the Lender.

The Borrower represents that the Mortgage Loan is to be insured by FHA pursuant to and in accordance with the provisions of Section [221(d)(4)] of the National Housing Act and applicable regulations thereunder, and that the Mortgage Loan will be in the maximum original principal amount of \$_____.00. The Mortgage Loan will be secured on a non-recourse basis pursuant to the Mortgage Loan Documents.

In connection with the Mortgage Loan, the Borrower shall execute and deliver such documents as may be customarily utilized for insured mortgage loans under the provisions of Section [221(d)(4)] of the National Housing Act and applicable regulations thereunder, with such omissions, insertions and variations as may be permitted by such regulations and as may be consistent with the terms and provisions of this Loan Agreement.

Section 3.04 Acquisition and Construction

The Borrower (a) shall acquire and construct the Project with all reasonable dispatch and in accordance with the Plans and Specifications, (b) shall pay when due all fees, costs and expenses incurred in connection with that acquisition and construction from funds made available therefor in accordance with this Loan Agreement or otherwise, except to the extent being contested in good faith, and (c) shall ask for, demand, sue for, levy, recover and receive all those sums of money, debts and other demands whatsoever which may be due, owing and payable under the terms of any contract, order, receipt, writing and instruction in connection with the acquisition and construction of the Project, and shall enforce the provisions of any contract, agreement, obligation, bond or other performance security with respect thereto. It is understood that the Project is that of the Borrower and any contracts made by the Borrower with respect thereto, whether acquisition contracts, construction contracts or otherwise, or any work to be done by the Borrower on the Project are made or done by the Borrower in its own behalf and not as agent or contractor for the Issuer. The Borrower agrees that it will compensate all workers employed in the acquisition and construction of the Project as required by law.

Section 3.05 Plans and Specifications

The written Plans and Specifications will be delivered to the Trustee upon request; provided that the Trustee shall have no duty to review such Plans and Specifications. The Borrower may revise the Plans and Specifications from time to time, provided that no revision shall be made which would change the purpose of the Project to other than purposes permitted by the Act and the Land Use Restriction Agreement.

Section 3.06 Disbursements from the Project Fund

Subject to the provisions below and so long as no Event of Default hereunder has occurred and is continuing for which the principal amount of the Bonds has been declared to be immediately due and payable pursuant to Section 8.02 hereof and Section 6.02 of the Indenture, and no Determination of Taxability has occurred, disbursements from the Project Fund shall be made only to pay Costs of the Project.

Any disbursements from the Project Fund for the payment of Costs of the Project shall be made by the Trustee only upon the receipt by the Trustee of: (a) a requisition in the form attached hereto as **Exhibit B**, signed by an Authorized Borrower Representative; and (b) Eligible Funds in an amount at least equal to the amount of any such requisition for deposit in the Collateral Fund as provided in Section 4.02 hereof and in accordance with Section 4.06 of the Indenture. The Borrower hereby acknowledges and agrees that it shall submit requisitions to the Trustee no more frequently than once each calendar month. Each such requisition shall be consecutively numbered and, if such requisition requests amounts corresponding to an advance of Lender Funds, accompanied by a copy of the approval of FHA or the Lender for FHA Insurance of the payments or reimbursements requested, for the portion of such requisition requiring such approval. The Trustee shall not be responsible for verifying such approval has been obtained.

Approved Requisitions may be submitted to the Trustee by Electronic Means and shall include accompanying supporting materials. In making such payment, the Trustee may rely upon such Requisitions and shall not be required to make any investigation in connection therewith.

Any money in the Project Fund remaining after the Completion Date and payment, or provision for payment, in full of the Costs of the Project, at the written direction of the Authorized Borrower Representative, promptly shall be paid into the Bond Fund for payment of Bond Service Charges or released to the Borrower (or, if the Mortgage Loan shall have been assigned to FHA in connection with a mortgage insurance claim, released to the Lender), provided the Borrower obtains an opinion of Bond Counsel

addressed to the Trustee that such deposit or release will not adversely affect the Federal Tax Status of the Bonds.

Notwithstanding any provision of this Loan Agreement or any provision of the Indenture to the contrary, the Trustee shall not disburse funds from the Project Fund unless and until the Trustee confirms that Eligible Funds in the Collateral Fund plus Eligible Funds in the Project Fund, less the amount of the requested disbursement from the Project Fund, is at least equal to the then-outstanding principal amount of the Bonds.

Section 3.07 Duties and Obligations of the Borrower

Borrower accepts and agrees to perform its duties and obligations set forth in the Indenture.

Section 3.08 Borrower Required to Pay Costs in Event Project Fund Insufficient

If money in the Project Fund is not sufficient to pay all Costs of the Project, the Borrower, nonetheless, will complete the Project in accordance with the Plans and Specifications and shall pay all such additional Costs of the Project from its own funds and other available funds. The Borrower shall pay all Costs of Issuance of the Bonds in excess of the amounts deposited in the Costs of Issuance Fund. The Borrower shall not be entitled to any reimbursement for any such additional Costs of the Project or payment of Costs of Issuance from the Issuer, the Trustee or any Holder; nor shall it be entitled to any abatement, diminution or postponement of any Loan Payments or other amounts to be paid under this Loan Agreement.

Section 3.09 Completion Date

The Borrower shall notify the Issuer and the Trustee of the Completion Date by the delivery of a Completion Certificate signed by the Authorized Borrower Representative substantially in the form of **Exhibit C** attached hereto. The Completion Certificate shall be delivered as promptly as practicable after the occurrence of the events and conditions referred to in paragraphs (a) and (b) of the Completion Certificate.

Section 3.10 Remarketing of Bonds

The Borrower is hereby granted the right to (a) give written notice of a remarketing of the Bonds in the manner and to the extent set forth in Section 3.07 of the Indenture and (ii) designate, in writing, the length of the Remarketing Period and the related Mandatory Tender Date in the manner and to the extent set forth in Sections 3.05 and 3.07 of the Indenture.

Section 3.11 Investment of Fund Money

At the written request of the Authorized Borrower Representative, any money held as part of the Special Funds and the Rebate Fund shall be invested or reinvested by the Trustee in Eligible Investments as provided in the Indenture. The Issuer (to the extent within its control) and the Borrower each hereby covenants that it will restrict that investment and reinvestment and the use of the proceeds of the Bonds, and moneys on deposit in or credited to the Collateral Fund and the Negative Arbitrage Account of the Bond Fund, in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time of delivery of and payment for the Bonds or subsequent intentional acts, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code. No provision of this Loan Agreement shall be construed to impose upon the Trustee any obligation or responsibility for compliance with arbitrage regulations.

The Borrower shall provide the Issuer with, and the Issuer may base its certifications as authorized by the Arbitrage Certificate on, a certificate of an Authorized Borrower Representative for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the Borrower on the date of delivery of and payment for the Bonds regarding the amount and use of the proceeds of the Bonds and the facts, estimates and circumstances on which those expectations are based.

Section 3.12 Rebate Calculations and Payments

The Borrower shall appoint a Rebate Analyst, the expense of which shall be borne by the Borrower.

The Issuer has covenanted in the Indenture to take any and all actions necessary to assure compliance with Section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Bonds. In furtherance of this covenant, the Borrower, on behalf of the Issuer, hereby covenants (i) within sixty (60) days of the payment in full of the Bonds, to calculate, or cause to be calculated, and provide to the Trustee and the Issuer such calculations in writing, with such written directions as are necessary to fully comply with the arbitrage and rebate requirements set forth in the Indenture and comply fully with Section 148 of the Code, including the timely payment of any Rebatable Arbitrage owed; and (ii) to deposit into the Rebate Fund to pay to the federal government any "Rebatable Arbitrage," to the extent required by Section 148(f) of the Code. The Borrower further agrees to comply with the provisions and requirements of Section 4.09 of the Indenture relating to the obligation to pay to the Trustee, for deposit into the Rebate Fund established under the Indenture, the "Rebatable Arbitrage" as required thereunder and under Section 148 of the Code.

If the amount then on deposit in the Rebate Fund created under the Indenture is less than the Rebatable Arbitrage (taking into account the amount or amounts, if any, previously paid to the United States), the Borrower shall, within 30 days after the date of the aforesaid calculation, deposit or cause to be deposited to the credit of the Rebate Fund an amount sufficient to cause the Rebate Fund to contain an amount equal to the Rebatable Arbitrage. The obligation of the Borrower to make or cause to be made such payments shall remain in effect and be binding upon the Borrower, notwithstanding the release and discharge of the Indenture or the termination of this Loan Agreement, for so long as may be required to maintain the Federal Tax Status of the Bonds in accordance with applicable law. The Borrower shall obtain such records of the computations made pursuant to this Section as are required under Section 148(f) of the Code and shall retain such records for at least six (6) years after the maturity or retirement of the Bonds.

The Borrower further covenants that, during the term of the Bonds, in the event the Borrower sells or otherwise disposes of the Project, it will require that the transferee execute a covenant similar to that in this Section in the sale or other documents concerning the disposition and will require such transferee to include such a covenant in future transfer documents. The special covenants of the Borrower in this Section shall survive the defeasance or payment in full of the Bonds and the termination of this Loan Agreement and the Indenture, notwithstanding any other provision of this Loan Agreement, until the requirement for payment of any Rebatable Arbitrage has been fully satisfied.

The obligations of the Borrower under this Section shall survive the termination of this Loan Agreement and the Indenture and the payment and performance of all of the other obligations of the Borrower hereunder and under the other Borrower Documents for so long as may be required to maintain the Federal Tax Status of the Bonds in accordance with applicable law, or until the Borrower has transferred the Project to an unrelated entity with the prior written consent of the Issuer, which transferee assumes the obligations of the Borrower pursuant to this Section.

ARTICLE IV
LOAN PAYMENTS; ELIGIBLE FUNDS AND ADDITIONAL PAYMENTS

Section 4.01 Loan Repayment; Delivery of Note. In consideration of and in repayment of the Loan, the Borrower shall deliver or cause to be delivered to the Trustee on or before each Bond Payment Date, a Loan Payment in an amount equal to the amount necessary to pay Bond Service Charges due on such Bond Payment Date. All such Loan Payments shall be paid to the Trustee in accordance with the terms of the Note for the account of the Issuer and shall be held and disbursed in accordance with the provisions of the Indenture and this Loan Agreement.

The Borrower shall be entitled to a credit against the Loan Payments required to be made with respect to the Bonds on any date equal to the available money in the Bond Fund or money transferred thereto from the Collateral Fund or the Project Fund for the payment of Bond Service Charges on that date.

To secure the Borrower's performance of its obligations under this Loan Agreement, the Borrower shall execute and deliver, concurrently with the issuance and delivery of the Bonds, the Note and the Land Use Restriction Agreement.

The Note shall secure equally and ratably all Outstanding Bonds, except that, so long as no Event of Default has occurred and is continuing hereunder, payments by the Borrower on the Note shall be used by the Trustee to make a like payment of Bond Service Charges and shall constitute Loan Payments.

Upon payment in full, in accordance with the Indenture, of the Bond Service Charges on any or all Bonds, whether at maturity or otherwise, or upon provision for the payment thereof having been made in accordance with the provisions of the Indenture, (a) the Note shall be deemed fully paid, the obligations of the Borrower thereunder shall be terminated, and the Note shall be surrendered by the Trustee to the Borrower, and shall be canceled by the Borrower, or (b) an appropriate notation shall be endorsed thereon evidencing the date and amount of the principal payment (or prepayment) equal to the Bonds so paid, or with respect to which provision for payment has been made, and that Note shall be surrendered by the Trustee to the Borrower for cancellation if all Bonds shall have been paid (or provision made therefor) and canceled as aforesaid. Unless the Borrower is entitled to a credit under express terms of this Loan Agreement or the Note, all payments on the Note shall be in the full amount required thereunder.

Section 4.02 Eligible Funds

In consideration of and as a condition to the disbursement of Bond proceeds in the Project Fund to pay Project Costs, and to secure the Borrower's obligation to make Loan Payments, the Borrower shall provide written direction to the Lender to deliver or cause to be delivered to the Trustee the Lender Funds portion of the Eligible Funds, or shall otherwise cause to be delivered to the Trustee, Eligible Funds from any other source, equal to the amount of the proposed disbursement. The Trustee shall not deposit such funds into the Collateral Fund unless it is prepared to disburse, on the same business day if such Eligible Funds are received prior to 10 AM, and otherwise within one Business Day, an equal amount of funds from the Project Fund. All such Eligible Funds shall be paid to the Trustee for the account of the Issuer and shall be held in the Collateral Fund and disbursed in accordance with the provisions of the Indenture. Upon deposit of such Eligible Funds into the Collateral Fund, the Trustee shall be unconditionally and irrevocably obligated to disburse an equal amount from the Project Fund to the party depositing the related Eligible Funds. As provided in the Indenture, these amounts will be advanced by such party to the Borrower for the purpose of financing either Costs of the Project or Bond Service Charges.

The Borrower hereby covenants and agrees to repay the Loan on or before any date that any payment of interest or principal is required to be made in respect of the Bonds pursuant to the Indenture,

until the principal of and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Indenture, in cash or cash equivalents, a sum which, together with any other moneys available for such payment in any account of the Bond Payment Fund, will enable the Trustee to pay the amount payable on such date as principal of (whether at maturity or acceleration or otherwise) and interest on the Bonds as provided in the Indenture. Payments by the Trustee of principal and interest on the Bonds from amounts in the Bond Payment Fund and funds deposited in the Collateral Fund under the Indenture shall be credited against the Borrower's obligation to pay principal and interest on the Loan.

The Borrower shall make or cause to be made all Loan Payments directly to the Trustee at its Designated Office. The Borrower shall direct the Lender to deposit Eligible Funds directly to the Trustee at its Designated Office. Additional Payments shall be made by the Borrower directly to the person or entity to whom or to which they are due.

It is understood and agreed that all payments of principal and interest payable by the Borrower under this Section 4.02 are assigned by the Issuer to the Trustee for the benefit of the Holders of the Bonds (excluding amounts on deposit in the Rebate Fund). The Borrower consents to such assignment.

In the event the Borrower should fail to make any of the payments required in this Section 4.02, the item or installment so in default shall continue as an obligation of the Borrower until the amount in default shall have been fully paid, and the Borrower agrees to pay the same with interest thereon, to the extent permitted by law, from the date when such payment was due, at the rate of interest borne by the Bonds.

Section 4.03 Special Funds

The Borrower and the Issuer each acknowledge that neither the Borrower nor the Issuer has any interest in the Bond Fund or the Collateral Fund and any money deposited therein shall be in the custody of and held by the Trustee in trust for the benefit of the Holders.

Section 4.04 Additional Payments

The Borrower shall pay as Additional Payments hereunder the following:

(a) Whether out of the proceeds of the Mortgage Loan or other funds, all Costs of Issuance of the Bonds, the costs of obtaining the FHA Insurance and all expenses incurred in closing the Mortgage Loan.

(b) All Extension Payments and other sums required under Section 3.07 of the Indenture in order to revise or extend the Mandatory Tender Date or remarket the Bonds, and the Borrower further agrees to execute any and all certificates required by the Issuer, the Trustee or the Remarketing Agent in order to effectuate such revision, extension or remarketing.

(c) To the Trustee, (i) the Ordinary Trustee Fees and Expenses to the extent that the funds available in the Expense Fund under the Indenture for the payment thereof are not sufficient and available therefor and (ii) the extraordinary Trustee fees and expenses.

(d) To the Issuer (i) the Ordinary Issuer Fees to the extent that the funds available under the Indenture for the payment thereof are not sufficient and available therefor and (ii) the Extraordinary Issuer's Fees and Expenses.

(e) All costs of printing any replacement Bonds required to be issued under the Indenture to the extent such costs are not paid by the Holders.

(f) To the extent not paid by the Trustee from the Expense Fund, all of the fees and expenses of the Rebate Analyst (including, but not limited to, the Rebate Analyst Fee) and any other necessary consultant employed by the Borrower, the Trustee or the Issuer in connection with any of the requirements imposed by Section 4.09 of the Indenture and the Issuer Tax Certificate to the extent funds available under the Indenture are not sufficient and applied therefor. The Borrower shall provide or cause to be provided all information and money (including money necessary to make deposits to the Rebate Fund required by the Indenture and the Issuer Tax Certificate and the fees and expenses of the Rebate Analyst to the extent available money in the Bond Fund under the Indenture are inadequate to pay such amounts) to the Trustee and the Rebate Analyst to enable the Trustee and the Rebate Analyst to comply with the Indenture and the Issuer Tax Certificate.

(g) To the Dissemination Agent, the Dissemination Agent Fee, to the extent funds available in the Expense Fund under the Indenture are not sufficient and applied therefor, as well as any other costs and expenses in order to provide for compliance with the terms of the Continuing Disclosure Agreement.

(h) To the Remarketing Agent, the Remarketing Agent Fee and any Remarketing Expenses.

In the event the Borrower is in default under any provision of any of the Borrower Documents and such default is not cured after expiration of all applicable notice and cure provisions, the Borrower shall be liable to, and upon demand shall pay to, the Issuer, the Trustee and the Lender all reasonable fees and disbursements of such persons and their agents (including reasonable attorneys' fees and expenses) which are reasonably connected therewith or incidental thereto except to the extent such fees and disbursements are paid from money available therefor under the Indenture.

To provide for certain of the anticipated Additional Payments, the Borrower agrees to cause to be deposited a portion of the Initial Borrower Deposit into the Expense Fund and the Costs of Issuance Fund as required under the Indenture, and authorizes the Trustee to pay, from money on deposit in the Costs of Issuance Fund and the Expense Fund, the amounts provided to be paid from the Costs of Issuance Fund or the Expense Fund in accordance with Sections 4.05 and 4.08, respectively, of the Indenture. All such amounts shall be paid directly to the parties entitled thereto for their own account as and when such amounts become due and payable.

Upon the payment, prepayment, or incurrence of any such cost, expense, or liability described in this Section by any such party, the Additional Payments in respect thereof shall be payable upon written demand to the Borrower, which demand shall be accompanied by invoices or other appropriate documentation concerning the nature, amount and incurrence of such cost, expense or liability. If the Additional Payments payable under this Section are not paid upon such demand, such Additional Payments shall bear interest from the date of such payment or the incurrence thereof at the Interest Rate for Advances until the amount due shall have been fully paid.

Except as otherwise provided herein, the obligations of the Borrower under this Section shall survive the termination of this Loan Agreement and the Indenture and the payment and performance of all of the other obligations of the Borrower hereunder and under the other Borrower Documents, unless and until the Borrower has transferred the Project to an unaffiliated entity with the prior written consent of the Issuer, which transferee assumes the obligations of the Borrower pursuant to this Section.

Section 4.05 Obligations of the Borrower Unconditional. The obligations of the Borrower to make the payments required under this Loan Agreement, and to perform and observe the other agreements on its part contained herein shall be absolute and unconditional, irrespective of any defense or any right of notice, setoff, recoupment or counterclaim it might otherwise have against the Issuer, the Trustee or any other person. Subject to termination as provided herein, the Borrower (a) will not suspend or discontinue, or permit the suspension or discontinuance of, any payments provided for under this Loan Agreement, (b) will perform and observe all of its other agreements contained in this Loan Agreement and (c) will not terminate this Loan Agreement for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, destruction of or damage to the Project, commercial frustration of purpose, or change in the tax or other laws or administrative rulings of or administrative actions by the United States of America or the State or any political subdivision of either, any failure of the Issuer to perform and observe any agreement, whether express or implied, or any duty, liability, or obligation arising out of or connected with this Loan Agreement, whether express or implied, or any failure of the Trustee to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with the Indenture, whether express or implied.

Section 4.06 Limited Obligation of Issuer. The obligations of the Issuer under this Loan Agreement are special, limited obligations of the Issuer, payable solely out of the Revenues. The obligations of the Issuer hereunder shall not be deemed to constitute an indebtedness or an obligation of the Issuer, the State of Illinois or any political subdivision thereof within the meaning of any constitutional limitation or statutory provision, or a charge against the credit or general taxing powers, if any, of any of them.

Section 4.07 Assignment of Issuer's Rights. As security for the payment of the Bonds, the Issuer will, pursuant to the Indenture and the Assignment, assign and pledge to the Trustee all of the Issuer's right, title and interest in and to this Loan Agreement and the Promissory Note, except that it will retain the Issuer Reserved Rights, but such retention by the Issuer will not limit in any way the exercise by the Trustee of its rights hereunder, under the Assignment or under the Indenture, the Promissory Note and the Bonds. Notwithstanding anything herein to the contrary, the Issuer hereby directs the Borrower to make all payments under this Loan Agreement (except with respect to the Issuer Reserved Rights) and the Promissory Note directly to the Trustee. The Borrower hereby acknowledges and consents to such pledge and assignment, and agrees to make payments directly to the Trustee (except with respect to the Issuer Reserved Rights), without defense or set-off, recoupment or counterclaim by reason of any dispute between the Borrower on the one hand, and the Trustee or the Issuer on the other hand, or otherwise. After any such assignment and pledge referenced in this Loan Agreement, the Indenture, the Bonds or the Promissory Note, all rights, interest and benefits accruing to the Issuer under this Loan Agreement or the Promissory Note, except for the Issuer Reserved Rights, shall be assigned to and become the rights and benefits of the Trustee. Any obligations of the Issuer as provided in the Indenture, this Loan Agreement, the Bonds or the Promissory Note shall remain the obligations of the Issuer to the extent provided herein and therein after such assignment. The Issuer agrees that the Trustee, in its name or in the name of the Issuer, may enforce all rights of the Issuer (other than the Issuer Reserved Rights) and all obligations of the Borrower under and pursuant to the assigned documents as aforesaid, and the Issuer will not enforce such rights and obligations itself except at the written direction of the Trustee, in each case whether or not the Issuer is in Default hereunder.

The Trustee will have all rights and remedies herein accorded to the Issuer (except for Issuer Reserved Rights).

ARTICLE V SPECIAL COVENANTS

Section 5.01 Access to the Project. The Borrower agrees that the Issuer, the Trustee and their duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right to inspect the Project and the acquisition, rehabilitation and equipping thereof at all reasonable times. The Borrower acknowledges that the Issuer shall monitor the acquisition, rehabilitation and equipping of the Project. The Issuer, the Trustee and their duly authorized agents shall also be permitted, at all reasonable times, to examine the books, accounts, contracts, documents, and other papers of the Borrower with respect to the Project which shall all be maintained by the Borrower in reasonable condition and for audit.

Section 5.02 Further Assurances and Corrective Instruments. The Issuer and the Borrower agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for carrying out the expressed intention of this Loan Agreement.

Section 5.03 Issuer and Borrower Representatives. Whenever under the provisions of this Loan Agreement the approval of the Issuer or the Borrower is required or the Issuer or the Borrower is required to take some action at the request of the other, such approval or such request shall be given in writing both for the Issuer by an Authorized Issuer Representative and for the Borrower by an Authorized Borrower Representative. The Trustee shall be authorized to act on any such approval or request pursuant to the Indenture.

Section 5.04 Financing Statements. The Borrower shall, or shall cause to be executed and filed any and all financing statements, or any amendments thereof or continuation statements thereto, to perfect the security interests granted in the Indenture, in the manner prescribed in the Indenture. The Borrower shall pay all costs of filing such instruments and any fees and expenses (including reasonable attorney's fees) associated therewith.

Section 5.05 Insurance. The Borrower shall obtain and keep in force such insurance coverage as may be required by the Issuer in its reasonable discretion from time to time. All insurance policies and renewals thereof relating to the Project shall be in a form acceptable to the Issuer in its reasonable discretion and shall designate the Issuer and the Trustee as additional insured for liability insurance on the Project. The Issuer shall be furnished with full copies of all policies within fifteen (15) calendar days of receipt thereof and shall have the right to receive duplicate copies of policies and renewals, and the Borrower shall promptly furnish the Issuer with copies of all renewal notices and all receipts for paid premiums within fifteen (15) calendar days of receipt thereof. The Borrower shall notify the Issuer at least 30 calendar days in advance of an endorsement or of any change in the terms of coverage adverse to the Issuer. In the event of loss, the Borrower shall give prompt notice to the insurance carrier and the Issuer.

With respect to any casualty insurance, it shall (a) be in an amount equal to the greater of the actual cash value or the replacement cost of the insurable then existing improvements and equipment in the Project and (b) be provided by an insurance company with a claims paying ability rating of not less than "B+V" by A.M. Best.

Section 5.06 Restriction on Plans and Specifications. The Borrower will not cause, permit or suffer to exist, any material deviations from the Plans and Specifications and will not approve or consent to any construction change directive which results in a material deviation from the Plans and Specifications without the prior approval of the Issuer, which approval shall not be unreasonably withheld, conditioned or delayed.

Section 5.07 Reserved

Section 5.08 Borrower Receipt of Insurance or Condemnation Proceeds. In the event the Borrower receives any proceeds of insurance or any condemnation awards with respect to the Project from a party other than the Trustee, the Borrower shall promptly upon receipt remit all such insurance proceeds or condemnation awards to the Lender to be used in accordance with the Mortgage Loan Documents.

Section 5.09 Financial Information. The Borrower agrees that it will have the books and records of the Borrower audited annually by an independent certified public accountant as soon as practicable after the close of each fiscal year of the Borrower, and will furnish within 120 days after the end of each fiscal year to the Issuer and the Trustee a copy of the audit report certified by such certified public accountant and prepared in accordance with generally accepted accounting principles, which report shall include calculations of the availability of funds for distributions and disclose the amount of member distributions for the preceding year. The Borrower and the Issuer acknowledge that the Trustee shall have no obligations under this Section 5.09 other than to receive such statements and, if requested, to furnish such statements to Holders. The Trustee shall not have any obligation to review such statement provided to it, nor shall the Trustee be deemed to have notice of any item contained therein or Event of Default or Default which may be disclosed therein in any manner. The Trustee shall have no duty to request copies of any such statements which are required to be furnished to it hereunder.

Section 5.10 Environmental Requirements; Indemnity

(a) As between the Issuer and the Borrower, the Issuer and the Borrower agree and understand that the terms and provisions of an environmental indemnification agreement between the parties, if any, shall govern all indemnifications from the Borrower to the Issuer with respect to environmental matters affecting the Project. The terms and provisions of such environmental indemnification agreement are incorporated herein by this reference, mutatis mutandis, as if fully set forth herein with respect to such relationship. As such, the balance of the provisions of this Section govern only the relationship between the Borrower and the Issuer with respect to indemnifications from the Borrower to the Issuer with regard to environmental matters affecting the Project.

(b) For purposes of this Section 5.10, the term "Hazardous Substance" means and includes any substance, material or waste, including asbestos, petroleum and petroleum products (including crude oil), that is or becomes designated, classified or regulated as "toxic," "hazardous" or a "pollutant," or that is or becomes similarly designated, classified or regulated, under any applicable federal, state or local law, regulation or ordinance, but does not include any such substance that is a customary and ordinary household, cleaning or office product used on the Premises (as defined below) by Borrower or any tenant or agent of Borrower, or customary construction materials used during the course of rehabilitation of the Project by the Borrower and its general contractor, provided such use is in accordance with applicable hazardous materials laws.

(c) Before signing this Loan Agreement, the Borrower researched and inquired into the previous uses and owners of the premises on which the Project is located (the "**Premises**") and obtained a Phase I environmental site assessment a Phase II site assessment and other reports with respect to the environmental conditions of the Premises, copies of which have been delivered to the Issuer. Based on that due diligence, the Borrower represents and warrants to the Issuer that, except as the Borrower has disclosed to the Issuer in writing and as described in the Phase I environmental site assessment and Phase II site assessment, to the best of the Borrower's knowledge, (i) no Hazardous Substance has been disposed of, or released to or from, or otherwise now exists in, on, under or around, the Premises, and (ii) no aboveground or underground storage tanks are now or have ever been located on or under the Premises.

(d) The Borrower has complied, and will comply and cause all tenants and any other persons who may come upon the Premises to comply in all material respects with all federal, state and local laws, regulations and ordinances governing or applicable to Hazardous Substances, including those requiring disclosures to prospective and actual buyers or tenants of all or any portion of the Premises. The Borrower will not install or allow to be installed any aboveground or underground storage tanks on the Premises. The Borrower must comply with the recommendations of any qualified environmental engineer or other expert engaged by the Borrower with respect to the Premises. The Borrower must promptly notify the Issuer in writing (1) if it knows, suspects or believes there may be any Hazardous Substance in or around any part of the Premises, any improvements constructed on the Premises, or the soil, groundwater or soil vapor on or under the Premises, or that the Borrower or the Premises may be subject to any threatened or pending investigation by any governmental agency under any law, regulation or ordinance pertaining to any Hazardous Substance, and (ii) of any claim made or threatened by any person, other than a governmental agency, against the Borrower arising out of or resulting from any Hazardous Substance being present or released in, on or around any part of the Premises, any Improvements constructed on the Premises or the soil, groundwater or soil vapor on or under the Premises (any of the matters described in clauses (i) and (ii) above a "Hazardous Substances Claim").

(e) The Issuer, the Trustee and their respective officers, employees, directors, agents, assignees, and any purchasers of the Premises at any foreclosure sale (each individually, an "Indemnified Party," and all collectively, the "Indemnified Parties"), have the right at any reasonable time and upon notice to the Borrower to enter and visit the Premises for the purposes of observing the Premises, taking and removing soil or groundwater samples and conducting tests on any part of the Premises. The Indemnified Parties have no duty, however, to visit or observe the Premises or to conduct tests, and no site visit, observation or testing by any Indemnified Party imposes any liability on any Indemnified Party. In no event will any site visit, observation or testing by any Indemnified Party be a representation that Hazardous Substances are or are not present in, on or under the Premises, or that there has been or will be compliance with any law, regulation or ordinance pertaining to Hazardous Substances or any other applicable governmental law. Neither the Borrower nor any other party is entitled to rely on any site visit, observation or testing by any Indemnified Party. The Borrower waives to the fullest extent permitted by law any such duty of care on the part of the Indemnified Parties or any other party to protect the Borrower or inform the Borrower or any other party of any Hazardous Substances or any other adverse condition affecting the Premises. Any Indemnified Party will give the Borrower reasonable notice before entering the Premises. The Indemnified Party will make reasonable efforts to avoid interfering with the Borrower's and its tenants' use of the Premises in exercising any rights provided in this Section. The Borrower must pay all costs and expenses incurred by an Indemnified Party in connection with any inspection or testing conducted in accordance with this subsection. The results of all investigations conducted and/or reports prepared by or for any Indemnified Party must at all times remain the property of the Indemnified Party, and under no circumstances will any Indemnified Party have any obligation whatsoever to disclose or otherwise make available to the Borrower or any other party the results or any other information obtained by any of them in connection with the investigations and reports. Notwithstanding the foregoing, the Indemnified Parties hereby reserve the right, and the Borrower hereby expressly authorizes any Indemnified Party, to make available to any party (including any governmental agency or authority and any prospective bidder at any foreclosure sale of the Premises) any and all reports, whether prepared by any Indemnified Party or prepared by the Borrower and provided to any Indemnified Party (collectively, "Environmental Reports") that any Indemnified Party may have with respect to the Premises. The Borrower consents to the Indemnified Parties' notifying any party (either as part of a notice of sale or otherwise) of the availability of any or all of the Environmental Reports and the information contained therein. The Borrower acknowledges that the Indemnified Parties cannot control or otherwise assure the truthfulness or accuracy of the Environmental Reports and that the release of the Environmental Reports, or any information contained therein, to prospective bidders at any foreclosure sale of the Premises may have a material and adverse effect upon the amount that a party may bid at such sale. The Borrower agrees that the Indemnified

Parties have no liability whatsoever as a result of delivering any or all of the Environmental Reports or any information contained therein to any third party, and the Borrower hereby releases and forever discharges the Indemnified Parties from any and all claims, damages, or causes of action, arising out of, connected with or incidental to the Environmental Reports or the delivery thereof, unless resulting from the gross negligence or willful misconduct of the Indemnified Parties

(f) The Borrower must promptly undertake any and all remedial work ("**Remedial Work**") in response to Hazardous Substances Claims to the extent required by governmental agency or agencies involved or as recommended by prudent business practices, if such standard requires a higher degree of remediation, and in all events to minimize any impairment to the Issuer's security under the Borrower Documents. All Remedial Work must be conducted (i) in a diligent and timely fashion by licensed contractors acting under the supervision of a consulting environmental engineer, (ii) pursuant to a detailed written plan for the Remedial Work approved by all applicable public or private agencies or persons with a legal or contractual right to such approval, (iii) with insurance coverage pertaining to liabilities arising out of the Remedial Work as is then customarily maintained with respect to such activities, and (iv) only following receipt of any required permits, licenses or approvals. The selection of the Remedial Work contractors and consulting environmental engineer, the contracts entered into with such parties, any disclosures to or agreements with any public or private agencies or parties relating to Remedial Work and the written plan for the Remedial Work (and any changes thereto) at the Issuer's option, is subject to the Issuer's prior written approval, which may not be unreasonably withheld, conditioned or delayed.

(g) The obligations and rights of the parties under this Section 5.10 continue in full force and effect until the first to occur of full, final and indefeasible repayment of the Liabilities or the transfer of title to all or any part of the Premises at a foreclosure sale or by deed in lieu of such foreclosure (any such foregoing transfer being referred to as a "Foreclosure Transfer"). The parties' obligations and rights under this Section 5.10 continue in full force and effect after the full and final payment of the Liabilities or a Foreclosure Transfer, as the case may be, but (i) in the case of a full and final payment of the Liabilities, the Borrower's obligations under this Section 5.10 are thereafter limited to the indemnification obligations of subsections (i) and (j) below as to Indemnified Costs (as defined below) arising out of or as a result of events prior to the full and final payment of the Liabilities, and (ii) in the case of a Foreclosure Transfer, the obligations do not include the obligation to reimburse any Indemnified Party for diminution in value of the Premises resulting from the presence of Hazardous Substances on the Premises before the date of the Foreclosure Transfer if, and to the extent that, the Indemnified Party recovers on a deficiency judgment including compensation for such diminution in value; provided, however, that nothing in this sentence impairs or limits an Indemnified Party's right to obtain a judgment in accordance with applicable law for any deficiency in recovery of all obligations, subject to the provisions of Section 9.03 hereof. As used in this Section 5.10, the term "Indemnified Costs" means all actual or threatened liabilities, claims, actions, causes of action, judgments, orders, damages (including foreseeable and unforeseeable consequential damages), costs, expenses, fines, penalties and losses incurred in connection with Hazardous Substances on the Property (including sums paid in settlement of claims and all consultant, expert and reasonable legal fees and expenses of the Issuer's counsel), including those incurred in connection with any investigation of site conditions or any clean-up, remedial, removal or restoration work (whether of the Premises or any other property), or any resulting damages, harm or injuries to the person or property of any third parties or to any natural resources.

(h) Except for those arising from the gross negligence or willful misconduct of the Indemnified Parties, the Borrower shall indemnify, defend and hold the Indemnified Parties harmless for, from and against any and all Indemnified Costs directly or indirectly arising out of or resulting from any Hazardous Substance being present or released in, on or around any part of the Premises, or in the soil, groundwater or soil vapor on or under the Premises, including: (i) any claim for such Indemnified Costs asserted against any Indemnified Party by any federal, state or local governmental agency, including the

United States Environmental Protection Agency and the Illinois Environmental Protection Agency, and including any claim that any Indemnified Party is liable for any such Indemnified Costs as an "owner" or "operator" of the Premises under any law relating to Hazardous Substances; (ii) any claim for such Indemnified Costs asserted against any Indemnified Party by any person other than a governmental agency, including (1) any person who may purchase or lease all or any portion of the Premises from the Borrower, from any Indemnified Party or from any other purchaser or lessee, (2) any person who may at any time have any interest in all or any portion of the Premises, (3) any person who may at any time be responsible for any clean-up costs or other Indemnified Costs relating to the Premises, and (4) any person claiming to have been injured in any way as a result of exposure to any Hazardous Substance; (iii) any Indemnified Costs incurred by any Indemnified Party in the exercise by the Indemnified Party of its rights and remedies under this Section 5.10; and (iv) any Indemnified Costs incurred by any Indemnified Party as a result of currently existing conditions in, on or around the Premises, whether known or unknown by the Borrower or the Indemnified Parties at the time this Loan Agreement is executed, or attributable to the acts or omissions of the Borrower, any of the Borrower's tenants, or any other person in, on or around the Premises with the consent or under the direction of the Borrower.

(i) Upon demand by any Indemnified Party, the Borrower must defend any investigation, action or proceeding involving any Indemnified Costs that is brought or commenced against any Indemnified Party, whether alone or together with the Borrower or any other person, all at the Borrower's own cost and by counsel reasonably approved by the Indemnified Party. In the alternative, any Indemnified Party may elect to conduct its own defense at the Borrower's expense.

(j) In addition to any other rights or remedies the Issuer may have under this Loan Agreement, at law or in equity, upon the occurrence of an Event of Default under this Loan Agreement not cured within the applicable cure period, the Issuer may do or cause to be done whatever is necessary to cause the Premises to comply with any and all laws, regulations and ordinances governing or applicable to Hazardous Substances, and any other applicable law, rule, regulation, order or agreement, and the cost thereof will become immediately due and payable upon demand by the Issuer, and if not paid when due will accrue interest at the default rate set forth in the Bonds, until paid. The Borrower hereby acknowledges and agrees that any amounts realized by the Issuer by reason of the following may be applied to pay the Liabilities prior to being applied to pay the Borrower's obligations to reimburse the Issuer for costs and expenses, including those incurred by the Issuer in enforcing its rights and remedies under the provisions of this Section 5.10: (i) any payments made pursuant to the Bonds or any of the Borrower Documents (other than payments made to the Issuer for reimbursement of costs and expenses or for enforcement of its rights and remedies, under the provisions of this Section 5.10); (ii) any foreclosure of documents evidencing or securing the Liabilities (including any amounts realized by reason of any credit bid in connection with any such foreclosure); (iii) any conveyance in lieu of foreclosure; (iv) any other realization upon any security for the Liabilities; (v) any recoveries against the Borrower personally (except for recoveries against the Borrower for reimbursement of costs and expenses or enforcement of the Issuer's rights and remedies under this Section 5.10); and (vi) any recoveries against any person or entity other than the Borrower (including any guarantor) to the maximum extent permitted by applicable law.

ARTICLE VI RESTRICTION ON TRANSFER

Section 6.01 Borrower to Maintain its Existence; Sale of Project.

(a) The Borrower shall maintain its existence, not dissolve or sell, transfer or otherwise dispose of all or substantially all of its assets and not consolidate with or merge into another entity or permit one or more other entities to consolidate with or merge into it; provided, that it may do so if the surviving, resulting or transferee entity assumes in writing all of the obligations of the Borrower under

the Borrower Documents. The Borrower shall not permit one or more other entities to consolidate with or merge into it, or take any action or allow any action to be taken to terminate the existence of the Borrower except as provided herein.

(b) No sale, assignment or transfer of the Project, except as may be otherwise required by FHA or the Lender, shall be made unless (a) FHA, and if necessary, the Lender, and the Issuer consent to such assignment or transfer, (b) the transferee or assignee, as the case may be, assumes all the duties of the Borrower under the Borrower Documents, provided that such assumption may contain an exculpation of the assignee from personal liability with respect to any obligation hereunder arising prior to such sale, assignment or transfer, and (c) no Event of Default as certified in writing to the Trustee by the Borrower shall have occurred and be continuing under the Indenture or this Loan Agreement. The Trustee shall consent to any such assignment or transfer if (i) the Borrower provides a written certification to the Trustee that the aforesaid conditions have been satisfied, (ii) the Trustee receives an Opinion of Bond Counsel addressed to the Trustee to the effect that such transfer or assignment would not adversely affect the Federal Tax Status of the Bonds, and (iii) the Trustee receives written confirmation from the Rating Agency that such transfer or assignment will not result in a withdrawal or reduction in any rating on the Outstanding Bonds by the Rating Agency (if the Bonds are then rated by the Rating Agency). Upon the assumption of the duties of the Borrower by a purchaser, assignee or transferee as provided herein, the outgoing Borrower shall be released from all executory obligations so assumed; provided, however, the Borrower shall not be released from its obligation (x) to pay or reimburse the fees and expenses of the Issuer and the Trustee incurred prior to such sale, assignment or transfer and (y) to indemnify the Trustee and the Issuer with respect to any obligation, event or action incurred or arising prior to such sale, assignment or transfer. Nothing contained in this Section shall be construed to supersede any provisions regarding assignment and transfer of the Project contained in the Mortgage Loan Documents.

(c) Notwithstanding anything to the contrary contained herein or in any other Borrower Document, and subject to the consent of FHA and the Lender as required by the Controlling HUD and GNMA Requirements or the Mortgage Loan Documents, the following shall be permitted and shall not require the prior written approval of the Issuer, the Lender or the Trustee: (a) the transfer by the Investor Limited Partner of its respective interests in the Borrower in accordance with the terms of the Borrower's Organizational Documents, (b) the removal of the General Partner of the Borrower in accordance with the Organizational Documents and the replacement thereof with the Investor Limited Partner or any of its respective affiliates, (c) the transfer of ownership interests in the Investor Limited Partner, (d) upon the expiration of the tax credit compliance period, the transfer of the interests of the Investor Limited Partner in the Borrower to the Borrower's General Partner or any of its respective affiliates, and (e) any amendment to the Organizational Documents to memorialize the transfers or removal described above. The parties agree that this section shall control to the extent of any conflict in any Borrower Documents. In the event the Borrower intends to sell, lease (except to the tenants who will occupy units in the Project), sublease or otherwise materially encumber the whole of or any part of the Project or sell, assign or otherwise, except as otherwise provided herein, transfer any interest in the Borrower (a "transfer"), it shall (i) apply to the Issuer for consent to transfer, and (ii) comply with the provisions of the Land Use Restriction Agreement restricting any such transfer.

ARTICLE VII INDEMNIFICATION

Section 7.01 Indemnification of Issuer and Trustee

(a) Except as otherwise provided below and subject to Sections 8.07 and 9.04 hereof, the Issuer and the Trustee, and each of their officers, agents, independent contractors, employees, successors and assigns, and, in the case of the Issuer, its elected and appointed officials, past, present or future

(hereinafter the “**Indemnified Persons**”), shall not be liable to the Borrower for any reason. The Borrower shall defend, indemnify and hold the Indemnified Persons harmless from any loss, claim, damage, tax, fine, penalty or expense (including, but not limited to, reasonable counsel fees, costs, expenses and disbursements), or liability (other than with respect to payment of the principal of or interest on the Promissory Note) of any nature due to any and all suits, actions, legal or administrative proceedings, expenses or claims arising or resulting from, or in any way connected with: (i) the financing, installation, operation, use or maintenance of the Project; (ii) any act, failure to act, or misrepresentation by the Borrower or any member of the Borrower, or any Person acting on behalf of, or at the direction of, the Borrower or any member of the Borrower, in connection with the issuance, sale or delivery of the Bonds; (iii) any false or misleading representation made by the Borrower in the Borrower Documents; (iv) the breach by the Borrower of any covenant contained in the Borrower Documents, or the failure of the Borrower to fulfill any such covenant which are not cured within all applicable notice and cure periods; (v) enforcing any obligation or liability of the Borrower under this Loan Agreement, the Promissory Note, or the other Borrower Documents, or any related agreement; (vi) taking any action requested by the Borrower; (vii) taking any action reasonably required by the Borrower Documents; or (viii) taking any action considered necessary by the Issuer or the Trustee, and which is authorized by the Borrower Documents. If any suit, action or proceeding is brought against any Indemnified Person, the interests of the Indemnified Person in that suit, action or proceeding shall be defended by counsel to the Indemnified Person or the Borrower, as the Indemnified Person shall determine. If such defense is by counsel to the Indemnified Person, the Borrower shall indemnify and hold harmless the Indemnified Person for the cost of that defense, including reasonable counsel fees, disbursements, costs and expenses. If the Indemnified Persons affected by such suit determine that the Borrower shall defend the Indemnified Persons, the Borrower shall immediately assume the defense at its own cost. Neither the Indemnified Persons nor the Borrower shall be liable for any settlement of any proceeding made without each of their consent. In no event shall the Borrower be liable to an Indemnified Person for the Indemnified Person’s own willful misconduct or gross negligence.

(b) Any provision of this Loan Agreement or any other instrument or document executed and delivered in connection therewith to the contrary notwithstanding, the Issuer retains the right to enforce: (i) any applicable federal or state law or regulation or resolution of the Issuer related to the Project, and (ii) any rights accorded the Issuer by federal or state law or regulation or resolution of the Issuer, and nothing in this Loan Agreement shall be construed as an express or implied waiver thereof.

(c) If the Indemnified Persons are requested by the Borrower to take any action under this Loan Agreement or any other instrument executed in connection herewith for the benefit of the Borrower, they will do so if and only if: (i) the Indemnified Persons are a necessary party to any such action; (ii) the Indemnified Persons have received specific written direction from the Borrower, as required hereunder or under any other instrument executed in connection herewith, as to the action to be taken by the Indemnified Persons; and (iii) a written agreement of indemnification and payment of costs, liabilities and expenses satisfactory to the Indemnified Persons has been executed by the Borrower prior to the taking of any such action by the Indemnified Persons.

(d) The obligations of the Borrower under this Section 7.01 shall survive any assignment or termination of this Loan Agreement and, as to the Trustee, any resignation or removal of the Trustee.

(e) Indemnification of the Issuer by the Borrower with respect to environmental matters shall be governed exclusively by the terms and provisions of any environmental indemnification agreement.

ARTICLE VIII DEFAULTS AND REMEDIES

Section 8.01 Defaults Defined. The following shall be “Defaults” under this Loan Agreement and the term “Default” shall mean, whenever it is used in this Loan Agreement, any one or more of the following events:

(a) The Borrower shall fail to pay any Loan Payment on or prior to the date on which that Loan Payment is due and payable to the extent amounts on deposit in the Bond Fund, including amounts transferred from the Collateral Fund and the Project Fund are insufficient to pay the Bond Service Charges due on the next Bond Payment Date;

(b) The Borrower shall fail to observe and perform any other agreement, term or condition contained in this Agreement and the continuation of such failure for a period of 30 days after written notice thereof shall have been given to the Borrower and Investor Limited Partner by the Issuer or the Trustee, or for such longer period as the Issuer and the Trustee may agree to in writing; provided, that if the failure is other than the payment of money and is of such nature that it can be corrected but not within the applicable period, that failure shall not constitute an Event of Default so long as the Borrower institutes curative action within the applicable period and diligently pursues that action to completion, which must be resolved within 180 days after the aforementioned notice;

(c) The Borrower shall: (i) admit in writing its inability to pay its debts generally as they become due; (ii) have an order for relief entered in any case commenced by or against it under the federal bankruptcy laws, as now or hereafter in effect, which is not dismissed within 90 days; (iii) commence a proceeding under any other federal or state bankruptcy, insolvency, reorganization or similar law, or have such a proceeding commenced against it and either have an order of insolvency or reorganization entered against it or have the proceeding remain undismissed and unstayed for ninety days; (iv) make an assignment for the benefit of creditors; or (v) have a receiver or trustee appointed for it or for the whole or any substantial part of its property which appointment is not vacated within a period of 90 days;

(d) Any representation or warranty made by the Borrower herein or any statement in any report, certificate, financial statement or other instrument furnished in connection with this Loan Agreement or with the purchase of the Bonds shall at any time prove to have been false or misleading in any adverse material respect when made or given;

(e) There shall occur an “Event of Default” as defined in the Indenture; and

(f) There shall occur an “Event of Default” as defined in the Land Use Restriction Agreement by the Borrower under the Land Use Restriction Agreement that is continuing after any applicable notice and cure period.

Notwithstanding the foregoing, if, by reason of Force Majeure, the Borrower is unable to perform or observe any agreement, term or condition hereof which would give rise to an Event of Default under subsection (b) hereof, the Borrower shall not be deemed in default during the continuance of such inability. However, the Borrower shall promptly give written notice to the Trustee and the Issuer of the existence of an event of Force Majeure and shall use commercially reasonable efforts to remove the effects thereof; provided that the settlement of strikes or other industrial disturbances shall be entirely within its discretion.

Any term of this Loan Agreement, the Indenture or of any related document to the contrary notwithstanding, and notwithstanding an agreement of indemnity, the Trustee shall have no responsibility,

obligation or duty to enter upon, or otherwise take possession or control of, the Project or the Premises, or take any other action which could constitute taking possession or control of the Project or the Premises (i) if it will require the approval of a governmental regulator that cannot be obtained, (ii) until the Trustee shall be indemnified to its sole satisfaction and (iii) until the Trustee shall be satisfied, in its sole discretion and determination, that neither it nor the trusts created under the Indenture shall incur, by reason of such action, any personal liability under any federal or State law for hazardous wastes, hazardous materials or other environmental liabilities or any other liability.

The term “**Force Majeure**” shall mean, without limitation, the following:

(i) acts of God; strikes, lockouts or other industrial disturbances; acts of terrorism or of public enemies; orders or restraints of any kind of the government of the United States of America or of the State or any of their departments, agencies, or officials, or any civil or military authority; insurrections; civil disturbances; riots; landslides; earthquakes; fires; hurricanes; tornados; storms; droughts; floods; arrests; restraint of government and people; explosions; breakage, malfunction or accident to facilities, machinery, transmission pipes or canals; partial or entire failure of utilities; shortages of labor, materials, supplies or transportation; or

(ii) any cause, circumstance or event not reasonably within the control of the Borrower. The Borrower agrees, however, to use its best efforts to remedy with all reasonable dispatch the cause or causes preventing the Borrower from carrying out its agreement.

The declaration of an Event of Default under subsection (c) above, and the exercise of remedies upon any such declaration, shall be subject to any applicable limitations of federal bankruptcy law affecting or precluding that declaration or exercise during the pendency of or immediately following any bankruptcy, liquidation or reorganization proceedings.

Section 8.02 Remedies on Default. Whenever any Default referred to in Section 8.01 hereof shall have happened and be continuing beyond the expiration of any applicable cure period, the Trustee, or the Issuer (in the event the Trustee does not act), may take one or any combination of the following remedial steps:

(a) If the Trustee has declared the Bonds immediately due and payable pursuant to Section 9.01 of the Indenture, by written notice to the Borrower, declare an amount equal to all amounts then due and payable on the Bonds, whether by acceleration of maturity (as provided in the Indenture) or otherwise, to be immediately due and payable, whereupon the same shall become immediately due and payable; and

(b) Take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Loan Agreement, the Promissory Note, the Land Use Restriction Agreement or any other Borrower Document in the event of default thereunder.

Notwithstanding the foregoing, neither the Issuer nor the Trustee shall be obligated to take any step which in its opinion will or might cause it to expend time or money or otherwise incur liability unless and until indemnity satisfactory to it has been furnished to the Issuer or the Trustee, as applicable, at no cost or expense to the Issuer or the Trustee. Any amounts collected as Loan Payments or applicable to Loan Payments and any other amounts which would be applicable to payment of Bond Service Charges collected pursuant to action taken under this Section shall be paid into the Bond Fund and applied in accordance with

the provisions of the Indenture or, if the Outstanding Bonds have been paid and discharged in accordance with the provisions of the Indenture, shall be paid as provided in Section 4.14 of the Indenture for transfers of remaining amounts in the Bond Fund.

The provisions of this Section are subject to the further limitation that the rescission by the Trustee of its declaration that all of the Bonds are immediately due and payable also shall constitute an annulment of any corresponding declaration made pursuant to paragraph (a) of this Section and a waiver and rescission of the consequences of that declaration and of the Event of Default with respect to which that declaration has been made, provided that no such waiver or rescission shall extend to or affect any subsequent or other default or impair any right consequent thereon.

Section 8.03 No Remedy Exclusive. Subject to Section 9.01 of the Indenture, no remedy herein conferred upon or reserved to the Issuer or the Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power nor shall it be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be required in this Article. Such rights and remedies as are given the Issuer hereunder shall also extend to the Trustee, and the Trustee and the Holders, subject to the provisions of the Indenture, including, but not limited to the Reserved Rights of the Issuer, shall be entitled to the benefit of all covenants and agreements herein contained.

Section 8.04 Agreement to Pay Attorneys' Fees and Expenses. In the event the Borrower should Default under any of the provisions of this Loan Agreement or under the Promissory Note and the Issuer and/or Trustee should employ attorneys or incur other expenses for the collection of payments required hereunder or under the Promissory Note, or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained herein or in the Promissory Note, the Borrower agrees that it will on demand therefor pay to the Issuer and the Trustee, as the case may be, the reasonable fees and expenses of such attorneys (including, without limitation, those incurred to enforce this provision) and such other expenses so incurred by the Issuer and/or the Trustee. This Section 8.04 will continue in full force and effect notwithstanding the full payment of the obligations under the Loan Agreement or the termination of this Loan Agreement for any reason.

Section 8.05 No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Loan Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 8.06 Right to Cure. Notwithstanding anything to the contrary herein or Otherwise in the Borrower Documents, if the Borrower shall, for whatever reason, at any time fail to pay any amount or perform any act which it is obligated to pay or perform under any of the Borrower Documents and, as a result, a default or event of default occurs or may occur thereunder, the Investor Limited Partner shall have the right to perform such act or pay such amount on behalf of the Borrower and thereby cure or prevent such default or event of default, provided such default or event of default is cured within any applicable cure period or grace period provided to the Borrower herein or otherwise in the Borrower Documents.

Section 8.07 Default by Issuer; Limited Liability. Notwithstanding any provision or obligation to the contrary herein set forth, no provision of this Loan Agreement shall be construed so as to give rise to a pecuniary liability of the Issuer or a charge upon the general credit of the Issuer. The liability

of the Issuer hereunder shall be limited to its interest in this Loan Agreement, the Promissory Note, and any other Borrower Documents, and the lien of any judgment shall be restricted thereto. In the performance of the agreements of the Issuer herein contained, any obligation it may incur for the payment of money shall not be a debt of the Issuer, and the Issuer shall not be liable on any obligation so incurred. The Issuer does not assume general liability for the repayment of the Bonds or for the costs, fees, penalties, taxes, interest, commissions, charges, insurance or any other payments recited herein, and the Issuer shall be obligated to pay the same only out of Revenues. The Issuer shall not be required to do any act whatsoever, or exercise any diligence whatsoever, to mitigate the damages to the Owner if an Event of Default shall occur hereunder.

ARTICLE IX MISCELLANEOUS

Section 9.01 Term of Agreement. This Loan Agreement shall remain in full force and effect from the date hereof until such time as all of the Bonds and all amounts payable hereunder and under the Indenture shall have been fully paid or provision made for such payments, whichever is later, provided, that the provisions of Sections 5.10, 7.01 and Article VIII hereof shall survive termination of this Loan Agreement.

Section 9.02 Notices; Publication of Notice

(a) All notices, advice, certifications or other communications hereunder between the Issuer and the Borrower shall be sufficiently given and shall be deemed given when delivered by hand or overnight courier, or mailed by certified or registered mail, postage prepaid, return receipt requested, or transmitted by electronic means (including, without limitation, facsimile transmission) addressed to the appropriate Notice Address. The Issuer or the Borrower may, by notice given hereunder, designate any further or different addresses to which subsequent notices, advice, certifications or other communications shall be sent. Notices to persons other than the Issuer or the Borrower (such as, for example, notices to owners of Bonds) shall be governed by the other applicable provisions of the Indenture.

(b) Whenever the Issuer or the Borrower is required or permitted to give or publish notice of any event or occurrence under this Loan Agreement, such notice shall be given or published in such manner and by such means as the Issuer or the Borrower, as the case may be, shall determine to be appropriate. Such publication may be by (but is not limited to) any of the following means: (i) publication in one or more newspapers or trade journals selected by the Issuer or the Borrower, as the case may be; (ii) publication by or through one or more financial information reporting services; (iii) delivery to one or more "nationally recognized municipal securities information repositories" (as such terms is defined in Securities and Exchange Commission Rule 15c2-12) or any successor repository or entity fulfilling a substantially similar or like role; or (iv) by mailing a copy of such notice by first class mail, postage prepaid, to the person entitled to receive the notice at such person's address as shown on the records of the Issuer or the Borrower.

Section 9.03 Nonrecourse Liability of Borrower. Except as provided herein, the monetary obligations of the Borrower contained in this Loan Agreement (except for fees, payments and indemnification under Sections 3.12, 4.04, 7.01 and 8.04 hereof) shall be limited obligations payable solely from the income and assets of the Project and neither the Borrower nor any partner, manager, member, director, official or officer of the Borrower shall have any personal liability for the satisfaction of any obligation of the Borrower or claim against the Borrower, arising out of this Loan Agreement. Notwithstanding anything contained in this Loan Agreement to the contrary, neither the Issuer nor the Trustee may assert any claim arising hereunder against the Borrower's interest in the Project, any reserve or deposit made with the Lender or with any other entity that is required by HUD in connection with the

Mortgage Loan, or in the rents or other income of the Project for the payment of any charge or obligation due hereunder except to the extent available from then currently available "Surplus Cash" as that term is defined in the HUD Regulatory Agreement approved for distribution by HUD.

The limit on the Borrower's liability set forth in this Section shall not, however, be construed, and is not intended to in any way, to constitute a release, in whole or in part, of the indebtedness evidenced by this Loan Agreement or a release, in whole or in part, or an impairment of the security interest, or in case of any default or enforcing any other right of the Issuer under this Loan Agreement or to alter, limit or affect the liability of any person or party who may now or hereafter or prior hereto guarantee, or pledge, grant or assign its assets or collateral as security for, the obligations of the Borrower under this Loan Agreement.

The provisions of this Section shall survive the termination of this Loan Agreement

Section 9.04 No Pecuniary Liability of Issuer. No agreements or provisions contained in this Loan Agreement or any agreement, covenant or undertaking by the Issuer contained in any document executed by the Issuer in connection with the Project or any property of the Borrower financed, directly or indirectly, out of proceeds of the Bonds or the issuance, sale and delivery of the Bonds will give rise to any pecuniary liability of the Issuer (including tax and rebate liability) or its past, present or future officers, directors, employees, commissioners, agents or members of its governing body and their successors and assigns or constitute a charge against the Issuer's general credit, or obligate the Issuer financially in any way, except with respect to the Trust Estate. No failure of the Issuer to comply with any terms, covenants or agreements in this Loan Agreement or in any document executed by the Issuer in connection with the Bonds will subject the Issuer or its past, present or future officers, directors, employees, commissioners, agents and members of its governing body and their successors and assigns to any pecuniary charge or liability except to the extent that the same can be paid or recovered from the Trust Estate. Without limiting the requirement to perform its duties or exercise its rights and powers under this Loan Agreement upon receipt of appropriate indemnity or payment, none of the provisions of this Loan Agreement or the Indenture will require the Issuer to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Loan Agreement. Nothing in this Loan Agreement will preclude a proper party in interest from seeking and obtaining, to the extent permitted by law, specific performance against the Issuer for any failure to comply with any term, condition, covenant or agreement in this Loan Agreement or in the Indenture; provided that no costs, expenses or other monetary relief will be recoverable from the Issuer except as may be payable from the funds available under this Loan Agreement or made available under the Indenture by the Borrower and pledged to the payment of the Bonds.

No covenant, agreement or obligation contained herein or in any other financing instrument executed in connection with the Project or the making of the Loan shall be deemed to be a covenant, agreement or obligation of any past, present or future director, officer, employee, commissioner, or agent of the Issuer in his or her individual capacity so long as he or she does not act in bad faith, and no such director, officer, employee, commissioner or agent of the Issuer in his or her individual capacity shall be subject to any liability under any agreement to which the Issuer is a party or with respect to any other action taken by him or her so long as he or she does not act in bad faith.

Section 9.05 Binding Effect. This Loan Agreement shall inure to the benefit of and shall be binding upon the Issuer, the Borrower, the Trustee, the Holders and their respective successors and assigns.

Section 9.06 Severability. In the event any provision of this Loan Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

Section 9.07 Amounts Remaining in Funds. Subject to the provisions of Section 4.07 of the Indenture, any amounts in the Bond Fund remaining unclaimed by the Holders of Bonds for two years after the due date thereof (whether at stated maturity or otherwise), shall be deemed to belong to and shall be paid, at the written request of the Borrower, to the Borrower by the Trustee as overpayment of Loan Payments. With respect to that principal of and interest on the Bonds to be paid from money paid to the Borrower pursuant to the preceding sentence, the Holders of the Bonds entitled to such money shall look solely to the Borrower for the payment of such money. Further, any amounts remaining in the Special Funds after all of the Outstanding Bonds shall be deemed to have been paid and discharged under the provisions of the Indenture and all other amounts required to be paid under this Loan Agreement, the Note and the Indenture have been paid, shall, subject to Section 4.14 of the Indenture and at the written request of the Borrower, be paid to the Borrower to the extent that such money are in excess of the amounts necessary to effect the payment and discharge of the Outstanding Bonds. Provided, however, that in the event of a default under the Mortgage Loan, and assignment of the Mortgage Loan to Lender, of which the Trustee has received prior written notification, such excess funds shall be paid to the Lender.

Section 9.08 Amendments, Changes and Modifications. Subsequent to the issuance of the Bonds and prior to their payment in full (or provision for the payment thereof having been made in accordance with the provisions of the Indenture), and except as otherwise herein expressly provided, this Loan Agreement may not be effectively amended, changed, modified, altered or terminated without the written consent of the Trustee, in accordance with the provisions of the Indenture.

Section 9.09 Execution in Counterparts. This Loan Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 9.10 Applicable Law; Jury Trial. This Loan Agreement and the Promissory Note, and the rights and obligations of the parties hereunder and thereunder, shall be construed in accordance with, and shall be governed by, the laws of the State of Illinois, without regard to its conflict of laws principles.

THE BORROWER HEREBY IRREVOCABLY WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING (I) TO ENFORCE OR DEFEND ANY RIGHTS UNDER OR IN CONNECTION WITH THIS LOAN AGREEMENT OR THE PROMISSORY NOTE, OR ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED, OR WHICH MAY IN THE FUTURE BE DELIVERED; IN CONNECTION HERewith OR THEREWITH, OR (II) ARISING FROM ANY DISPUTE OR CONTROVERSY IN CONNECTION WITH OR RELATED TO THIS LOAN AGREEMENT OR THE PROMISSORY NOTE, OR ANY SUCH AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT, AND AGREES THAT ANY SUCH ACTION OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.

THE BORROWER IRREVOCABLY AGREES THAT, SUBJECT TO THE ISSUER'S SOLE AND ABSOLUTE ELECTION, ANY ACTION OR PROCEEDING IN ANY WAY, MANNER OR RESPECT ARISING OUT OF THIS LOAN AGREEMENT, THE PROMISSORY NOTE AND THE OTHER BORROWER DOCUMENTS, OR ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT DELIVERED OR WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION HERewith OR THEREWITH, OR ARISING FROM ANY DISPUTE OR CONTROVERSY ARISING IN CONNECTION WITH OR RELATED TO THIS LOAN AGREEMENT, THE PROMISSORY NOTE AND THE OTHER BORROWER DOCUMENTS, OR ANY SUCH AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT, SHALL BE LITIGATED ONLY IN THE COURTS HAVING SITUS WITHIN

THE CITY OF CHICAGO, STATE OF ILLINOIS, AND THE BORROWER HEREBY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURT LOCATED WITHIN SUCH CITY AND STATE. THE BORROWER HEREBY WAIVES ANY RIGHT IT MAY HAVE TO TRANSFER OR CHANGE THE VENUE OF ANY LITIGATION BROUGHT AGAINST IT IN ACCORDANCE WITH THIS SECTION.

Section 9.11 Captions. The captions and headings in this Loan Agreement are for convenience only and in no way define, limit or describe the scope or intent of any provisions or Sections of this Loan Agreement.

Section 9.12 Mortgage Loan Documents and Regulations Control

(a) In the event of any conflict and to the extent that there is any inconsistency or ambiguity between the provisions of this Loan Agreement and the provisions of the Controlling HUD and GNMA Requirements or the Mortgage Loan Documents, the Controlling HUD and GNMA Requirements and Mortgage Loan Documents will be deemed to be controlling, and any such ambiguity or inconsistency will be resolved in favor of, and pursuant to the terms of the Controlling HUD and GNMA Requirements and Mortgage Loan Documents, as applicable. Notwithstanding any provision of this Loan Agreement to the contrary, the parties hereto acknowledge and agree that all of their respective rights and powers to any assets or properties of the Borrower are subordinate and subject to the liens created by the Mortgage, together with any and all amounts from time to time secured thereby, and interest thereon, and to all of the terms and provisions of the Mortgage, and any and all other documents executed by the Borrower as required by HUD or GNMA in connection therewith.

(b) Enforcement of the covenants in this Loan Agreement will not result in, and neither the Issuer, the Trustee nor the Indemnified Persons has or shall be entitled to assert, any claim against the Project, the Mortgage Loan proceeds (other than the amounts deposited with the Trustee as provided in the Indenture), any reserves or deposits required by HUD in connection with the Mortgage Loan transaction, or the rents or deposits or other income of the Project other than available "Surplus Cash" as defined in the HUD Regulatory Agreement.

(c) Failure of the Issuer or the Borrower to comply with any of the covenants set forth in this Loan Agreement will not serve as a basis for default on the Mortgage Loan, the underlying mortgage, or any of the other Mortgage Loan Documents.

(d) The Bonds are not a debt of the United States of America, HUD, FHA, GNMA or any other agency or instrumentality of the federal government, and are not guaranteed by the full faith and credit of the United States or any agency or instrumentality thereof.

(e) There is no pledge hereunder of the gross revenues or any of the assets of the Project.

(f) Nothing contained herein shall inhibit or impair the right of FHA to require or agree to any amendment, change or modification of any Mortgage Loan Documents.

(g) Proceeds from any condemnation award or from the payment of a claim under any hazard insurance policy relating to the Project will not be payable to the Trustee, but will be payable in accordance with the Mortgage Loan Documents.

(h) Notwithstanding anything to the contrary in the event of an assignment or conveyance of the Mortgage Loan to the Federal Housing Commissioner, subsequent to the issuance of the

Bonds, all money remaining in all funds and accounts other than the Rebate Fund and any other funds remaining under the Indenture after payment or provision for payment of debt service on the Bonds and the fees and expenses of the Issuer, Trustee and other such parties unrelated to the Borrower (other than funds originally deposited by the Borrower or related parties on or before the date of issuance of the Bonds) shall be returned to the Lender.

(i) Lender shall not have any obligation under the Disbursement Agreement (or otherwise) to continue to provide Lender Funds if there is a Borrower default under and assignment of the Mortgage Loan to HUD.

\$ _____, 2025

111 MONROE AFFORDABLE LP, an Illinois limited partnership (the "**Borrower**"), for value received, promises to pay in installments to Zions Bancorporation, National Association, as trustee (the "**Trustee**") under the Indenture hereinafter referred to, the principal amount of

_____ AND 00/100 DOLLARS

and to pay interest on the unpaid balance of such principal sum from and after the date hereof at the rate of _____% per annum through and including _____ 1, 202_, and thereafter at the applicable Remarketing Rate (as defined in the Indenture described below), until the payment of such principal sum has been made or provided for. The principal amount stated above shall be paid on or before _____ 1, 202_ (the "Final Mandatory Tender Date"). Interest shall be calculated on the basis of a 360-day year of 12 equal months. Interest on this Note shall be paid at least one Business Day prior to (a) each _____ 1 and _____ 1, commencing _____ 1, 202_, (b) each Redemption Date, (c) each Mandatory Tender Date, (d) the Maturity Date and (e) the date of acceleration of the Bonds (the "**Interest Payment Dates**"). Terms used but not defined herein shall have the meanings ascribed to such terms in the Indenture, as defined below.

This Note has been executed and delivered by the Borrower to the Trustee pursuant to a certain Loan Agreement dated as of _____ 1, 2025 (the "**Loan Agreement**"), between the City of Chicago, a municipality and home rule unit of government duly organized and validly existing under the Constitution and the laws of the State of Illinois (the "**Issuer**") and the Borrower.

Under the Loan Agreement, the Issuer has loaned the Borrower the principal proceeds received from the sale of its \$ _____ Multifamily Housing Revenue Bonds (111 W. Monroe Project), Series 2025 (the "**Bonds**"), to assist in the financing of the Project, and the Borrower has agreed to repay such loan by making payments ("**Loan Payments**") at the times and in the amounts set forth in this Note for application to the payment of principal of and interest on the Bonds as and when due. The Bonds have been issued, concurrently with the execution and delivery of this Note, pursuant to, and are secured by, the Indenture dated as of _____ 1, 2025 (the "**Indenture**"), between the Issuer and the Trustee.

To provide funds to pay the principal of and interest on the Bonds as and when due as specified herein, the Borrower hereby agrees to and shall make Loan Payments in Federal Reserve funds on each Interest Payment Date in an amount equal to the Bond Service Charges on the Bonds payable on such Interest Payment Date. In addition, to provide funds to pay the Bond Service Charges on the Bonds as and when due at any other time, the Borrower hereby agrees to and shall make Loan Payments at least one Business Day prior to the date on which any Bond Service Charges on the Bonds shall be due and payable, whether at maturity, upon acceleration or otherwise, in an amount equal to those Bond Service Charges.

If payment or provision for payment in accordance with the Indenture is made in respect of the Bond Service Charges on the Bonds from money other than Loan Payments, this Note shall be deemed paid to the extent such payments or provision for payment of Bonds has been made. Consistent with the provisions of the immediately preceding sentence, the Borrower shall have credited against its obligation

to make Loan Payments any amounts transferred from the Project Fund or the Collateral Fund to the Bond Fund. Subject to the foregoing, all Loan Payments shall be in the full amount required hereunder.

All Loan Payments shall be made to the Trustee at its Designated Office for the account of the Issuer and deposited in the Bond Fund created by the Indenture. Except as otherwise provided in the Indenture, the Loan Payments shall be used by the Trustee to pay the Bond Service Charges on the Bonds as and when due.

The obligation of the Borrower to make the payments required hereunder shall be absolute and unconditional and the Borrower shall make such payments without abatement, diminution or deduction regardless of any cause or circumstances whatsoever including, without limitation, any defense, set-off, recoupment or counterclaim which the Borrower may have or assert against the Issuer, the Trustee or any other Person.

This Note is subject to prepayment, in whole or in part, upon the terms and conditions set forth in Article 3 of the Indenture. Any prepayment is subject to satisfaction of any applicable notice, deposit or other requirements set forth in the Agreement or the Indenture.

Whenever an event of default under Section 6.01 of the Indenture shall have occurred and, as a result thereof, the principal of and any premium on all Bonds then Outstanding, and interest accrued thereon, shall have been declared to be immediately due and payable pursuant to Section 6.02 of the Indenture, the unpaid principal amount of and any premium and accrued interest on this Note shall also be due and payable in Federal Reserve funds on the date on which the principal of and premium and interest on the Bonds shall have been declared due and payable; provided that the annulment of a declaration of acceleration with respect to the Bonds shall also constitute an annulment of any corresponding declaration with respect to this Note.

The payment obligations of this Note are non-recourse to the Borrower to the extent set forth in Section 9.03 of the Loan Agreement.

In the event of any conflict and to the extent that there is any inconsistency or ambiguity between the provisions of this Note and the provisions of the Controlling HUD and GNMA Requirements or the Mortgage Loan Documents, the Controlling HUD and GNMA Requirements and Mortgage Loan Documents will be deemed to be controlling, and any such ambiguity or inconsistency will be resolved in favor of, and pursuant to the terms of the Controlling HUD and GNMA Requirements and Mortgage Loan Documents, as applicable.

Enforcement of the covenants in this Note will not result in, and neither the Issuer nor the Trustee has or shall be entitled to assert, any claim against the Project, the Mortgage Loan proceeds, any reserves or deposits required by HUD in connection with the Mortgage Loan transaction, or the rents or deposits or other income of the Project other than available "Surplus Cash" as defined in the HUD Regulatory Agreement.

Failure of the Issuer or the Borrower to comply with any of the covenants set forth in this Note will not serve as a basis for default on the Mortgage Loan, the underlying mortgage, or any of the other Mortgage Loan Documents.

IN WITNESS WHEREOF, the Borrower has caused this Note to be executed in its name as of the date first above written.
