Section 2.1. Terms.

(a) *Principal Amount.* The total aggregate principal amount of the Funding Loan is hereby expressly limited to the Authorized Amount.

(b) *Draw-Down Funding.* The Funding Loan is originated on a draw-down basis. The proceeds of the Funding Loan shall be advanced by the Funding Lender directly to the Borrower for the account of the Governmental Lender as and when needed to make each advance in accordance with the disbursement provisions of the Borrower Loan Agreement and the Construction Funding Agreement. Upon each advance of principal under the Borrower Loan Agreement and the Construction Funding Agreement, a like amount of the Funding Loan shall be deemed concurrently and simultaneously advanced under this Funding Loan Agreement, including the initial advance of \$_____. Notwithstanding anything in this Funding Loan Agreement to the contrary, no additional amounts of the Funding Loan may be drawn down and funded hereunder after [insert date 3 years after closing date] _____, 2027; *provided, however*, that upon the delivery of a Tax Counsel No Adverse Effect Opinion to the Governmental Lender and the Funding Lender such date may be changed to a later date as specified in such Tax Counsel No Adverse Effect Opinion.

(c) *Origination Date; Maturity.* The Funding Loan shall be originated and the Governmental Lender Notes shall be issued on the Issuance Date and shall mature on the applicable Maturity Date at which time the entire principal amount, to the extent not previously paid, and all accrued and unpaid interest, shall be due and payable.

(d) *Principal.* The outstanding principal amount of the Governmental Lender Notes, respectively, and of the Funding Loan as of any given date shall be the total amount advanced by the Funding Lender to or for the account of the Governmental Lender to fund corresponding advances with respect to the Borrower Notes, respectively, under the Borrower Loan Agreement and the Construction Funding Agreement as proceeds of the Borrower Loan, less any payments of principal of the Governmental Lender Notes, respectively, previously received upon payment of corresponding principal amounts under the Borrower Notes, respectively, including regularly scheduled principal payments and voluntary and mandatory prepayments. The principal amount of the Governmental Lender Notes and interest thereon shall be payable on the basis specified in this paragraph (d) and in paragraphs (e) and (f) of this Section 2.1.

The Funding Lender shall keep a record of all principal advances and principal repayments made under the Governmental Lender Notes and shall upon written request provide the

Governmental Lender with a statement of the outstanding principal balance of the Governmental Lender Notes and the Funding Loan.

If, from any circumstances whatsoever, the fulfillment of any provision of the Governmental Lender Notes, this Funding Loan Agreement or the other Funding Loan Documents shall involve the payment of interest in excess of the limit prescribed by any law which a court of competent jurisdiction may deem applicable hereto, then the obligation to pay interest hereunder shall be reduced to the maximum limit prescribed by law. The Governmental Lender Notes may be signed and sealed on behalf of the Governmental Lender by such persons as, at the actual time of the execution of such Governmental Lender Notes, shall be duly authorized or hold the proper office in or employment by the Governmental Lender, although at the date of the Governmental Lender Notes such persons may not have been so authorized nor have held such office or employment.

Governmental Lender in connection therewith. Such sums shall be paid in every instance by the purchaser or assignee of the Governmental Lender Notes.

(v) At all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Governmental Lender on the Funding Loan will be excluded from the gross income of the holders thereof for federal income tax purposes, of the Funding Lender pursuant to the Code, except in the event where the Funding Lender is a “substantial user” of the facilities financed with the Funding Loan or a “related person” within the meaning of the Code; and

(vi) Not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Governmental Lender Notes to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the regulations issued under Section 149 of the Code.

In furtherance of the covenants in this Section 8.6, the Governmental Lender and the Borrower shall execute, deliver and comply with the provisions of the Tax Compliance Agreement, which are by this reference incorporated into this Funding Loan Agreement and made a part of this Funding Loan Agreement as if set forth in this Funding Loan Agreement in full, and by its acceptance of this Funding Loan Agreement the Funding Lender acknowledges receipt of the Tax Compliance Agreement and acknowledges its incorporation in this Funding Loan Agreement by this reference. The Funding Lender agrees it will invest funds held under this Funding Loan Agreement in Permitted Investments in accordance with the direction of the Borrower and the terms of this Funding Loan Agreement and the Tax Compliance Agreement (this covenant shall extend throughout the term of the Funding Loan, to all funds and accounts created under or in connection with this Funding Loan Agreement and all moneys on deposit to the credit of any Fund or Account); *provided* that the Funding Lender shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows directions of the Borrower not inconsistent with the terms of this Funding Loan Agreement and the Tax Compliance Agreement or otherwise complies with the provisions of the Funding Loan Agreement relating to funds and accounts.

For purposes of this Section 8.6 the Governmental Lender’s compliance shall be based solely on matters within the Governmental Lender’s control and no acts, omissions or directions of the Borrower, the Funding Lender or any other Persons shall be attributed to the Governmental Lender.

In complying with the foregoing covenants, the Governmental Lender and/or the Funding Lender may rely from time to time on a Tax Counsel No Adverse Effect Opinion or other appropriate opinion of Tax Counsel.

Section 8.7. Performance by the Borrower. Without relieving the Governmental Lender from the responsibility for performance and observance of the agreements and covenants required to be performed and observed by it hereunder, the Borrower, on behalf of the Governmental Lender and with the Written Consent of the Governmental Lender, may perform any such agreement or covenant if no Borrower Loan Agreement Default or Potential Default under the Borrower Loan Agreement exists.

Section 8.8. Repayment of Funding Loan. Subject to the provisions of Article V hereof, the Governmental Lender will duly and punctually repay, or cause to be repaid, but solely from the Security set forth in Article IV hereof, the Funding Loan, as evidenced by the Governmental Lender Notes, as and when the same shall become due, all in accordance with the terms of the Governmental Lender Notes and this Funding Loan Agreement.

Section 8.9. Borrower Loan Agreement Performance. (a) The Servicer and the Funding Lender, on behalf of the Governmental Lender, may (but shall not be required or obligated to) perform and observe any such agreement or covenant of the Governmental Lender under the Borrower Loan Agreement, all to the end that the Governmental Lender's rights under the Borrower Loan Agreement may be unimpaired and free from default.

(b) The Governmental Lender will promptly notify the Borrower, the Servicer, the Equity Investor and the Funding Lender in writing of the occurrence of any Borrower Loan Agreement Default, *provided* that the Governmental Lender has received written notice or otherwise has actual knowledge of such event; and further *provided* that the Governmental Lender shall have no liability to any person for its failure to provide any such notice so long as it has made a good faith effort to comply with such provisions.

(c) The Funding Lender will promptly notify the Borrower, the Servicer, if any, the Equity Investor and the Governmental Lender in writing of the occurrence of any Event of Default hereunder or any Borrower Loan Agreement Default known to the Funding Lender.

Section 8.10. Maintenance of Records; Inspection of Records. (a) The Funding Lender shall keep and maintain adequate records pertaining to the funds and accounts, if any, established hereunder, including all deposits to and disbursements from said funds and accounts and shall keep and maintain the registration books for the Funding Loan and interests therein. The Funding Lender shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal, interest and prepayment premium, if any, paid on the Funding Loan, subject to the inspection of the Borrower, the Governmental Lender, the Servicer and their representatives at all reasonable times and upon reasonable prior notice.

(b) The Governmental Lender will at any and all times, upon the reasonable request of the Servicer, the Borrower or the Funding Lender, afford and procure a reasonable opportunity by their respective representatives to inspect the books, records, reports and other papers of the Governmental Lender relating to the Project and the Funding Loan, if any, and to make copies thereof.

Section 8.11. Representations and Warranties of the Funding Lender. The Funding Lender hereby represents to the Governmental Lender and the Borrower that it is duly authorized to enter into and perform this Funding Loan Agreement, and has full authority to take such action as it may deem advisable with respect to all matters pertaining to this Funding Loan Agreement.

ARTICLE IX

DEFAULT; REMEDIES

Section 9.1. Events of Default. Any one or more of the following shall constitute an event of default (an “*Event of Default*”) under this Funding Loan Agreement (whatever the reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) A default in the payment of any interest upon the Governmental Lender Notes when such interest becomes due and payable; or

(b) A default in the payment of principal of, or premium on, the Governmental Lender Notes when such principal or premium becomes due and payable, whether at its stated maturity, by declaration of acceleration or call for mandatory prepayment or otherwise; or

(c) Default in the performance or breach of any material covenant or warranty of the Governmental Lender in this Funding Loan Agreement (other than a covenant or warranty or default in the performance or breach of which is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 30 days after there has been given written notice, as provided in Section 11.1 hereof, to the Governmental Lender and the Borrower by the Funding Lender or the Servicer, specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” under this Funding Loan Agreement; *provided* that, so long as the Governmental Lender, Borrower, or Equity Investor has commenced to cure such failure to observe or perform within the thirty (30) day cure period and the subject matter of the default is not capable of cure within said thirty (30) day period and the Governmental Lender, Borrower or Equity Investor is diligently pursuing such cure to the Funding Lender’s satisfaction, with the Funding Lender’s Written Direction or Written Consent, then the Governmental Lender shall have an additional period of time as reasonably necessary (not to exceed 30 days unless extended in writing by the Funding Lender) within which to cure such default; or

(d) A default in the payment of any Additional Borrower Payments; or

(e) Any other “Default” or “Event of Default” under any of the other Funding Loan Documents (taking into account any applicable grace periods therein).

Section 9.2. Acceleration of Maturity; Rescission and Annulment. (a) Subject to the provisions of Section 9.9 hereof, upon the occurrence of an Event of Default under Section 9.1 hereof, then and in every such case, the Funding Lender may declare the principal of the Funding Loan and the Governmental Lender Notes and the interest accrued to be immediately due and payable, by notice to the Governmental Lender and the Borrower and upon any such declaration,

all principal of and Prepayment Premium, if any, and interest on the Funding Loan and the Governmental Lender Notes shall become immediately due and payable.

(b) At any time after a declaration of acceleration has been made pursuant to subsection (a) of this Section, the Funding Lender may by Written Notice to the Governmental Lender, rescind and annul such declaration and its consequences if:

There has been deposited with the Funding Lender a sum sufficient to pay (1) all overdue installments of interest on the Governmental Lender Notes, (2) the principal of and Prepayment Premium on the Governmental Lender Notes that has become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Governmental Lender Notes, (3) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates prescribed therefor in the Governmental Lender Notes, and (4) all sums paid or advanced by the Funding Lender and the reasonable compensation, expenses, disbursements and advances of the Funding Lender, its agents and counsel (but only to the extent not duplicative with subclauses (1) and (3) above); and

All Events of Default, other than the non-payment of the principal of the Government Lender Notes which have become due solely by such declaration of acceleration, have been cured or have been waived in writing as provided in Section 9.9 hereof.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

Notwithstanding the occurrence and continuation of an Event of Default, it is understood that the Funding Lender shall pursue no remedies against the Borrower or the Project if no Borrower Loan Agreement Default has occurred and is continuing. An Event of Default hereunder shall not in and of itself constitute a Borrower Loan Agreement Default.

Section 9.3. Additional Remedies; Funding Lender Enforcement. (a) Upon the occurrence of an Event of Default, the Funding Lender may, subject to the provisions of this Section 9.3 and Section 9.9 hereof, proceed to protect and enforce its rights by mandamus or other suit, action or proceeding at law or in equity. No remedy conferred by this Funding Loan Agreement upon or remedy reserved to the Funding Lender is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Funding Lender hereunder or now or hereafter existing at law or in equity or by statute.

(b) Upon the occurrence and continuation of any Event of Default, the Funding Lender may proceed forthwith to protect and enforce its rights and this Funding Loan Agreement by such suits, actions or proceedings as the Funding Lender, in its sole discretion, shall deem expedient. Funding Lender shall have upon the occurrence and continuation of any Event of Default all rights, powers, and remedies with respect to the Security as are available under the Uniform Commercial Code applicable thereto or as are available under any other applicable law at the time in effect and,

without limiting the generality of the foregoing, the Funding Lender may proceed at law or in equity or otherwise, to the extent permitted by applicable law:

(i) to take possession of the Security or any part thereof, with or without legal process, and to hold, service, administer and enforce any rights thereunder or thereto, and otherwise exercise all rights of ownership thereof, including (but not limited to) the sale of all or part of the Security;

(ii) to become mortgagee of record for the Borrower Loan including, without limitation, completing the assignment of the Security Instrument by the Governmental Lender to the Funding Lender as anticipated by this Funding Loan Agreement, and recording the same in the real estate records of the jurisdiction in which the Project is located, without further act or consent of the Governmental Lender, and to service and administer the same for its own account;

(iii) to service and administer the Funding Loan as agent and on behalf of the Governmental Lender or otherwise, and, if applicable, to take such actions necessary to enforce the Borrower Loan Documents and the Funding Loan Documents on its own behalf, and to take such alternative courses of action, as it may deem appropriate; or

(iv) to take such steps to protect and enforce its rights whether by action, suit or proceeding in equity or at law for the specific performance of any covenant, condition or agreement in the Governmental Lender Notes, this Funding Loan Agreement or the other Funding Loan Documents, or the Borrower Loan Documents, or in and of the execution of any power herein granted, or for foreclosure hereunder, or for enforcement of any other appropriate legal or equitable remedy or otherwise as the Funding Lender may elect.

Whether or not an Event of Default has occurred, and except as provided in Section 9.15, the Funding Lender, in its sole discretion, shall have the sole right to waive or forbear any term, condition, covenant or agreement of the Security Instrument, the Borrower Loan Agreement, the Borrower Notes or any other Borrower Loan Documents or Funding Loan Documents applicable to the Borrower, or any breach thereof, other than a covenant that would adversely impact the tax-exempt status of the interest on the Governmental Lender Notes, and *provided* that the Governmental Lender may enforce specific performance with respect to the Unassigned Rights.

If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such default remains uncured for a period of 60 days after the Borrower and the Funding Lender receive Written Notice stating that a default under the Regulatory Agreement has occurred and specifying the nature of the default, the Funding Lender shall have the right to seek specific performance of the provisions of the Regulatory Agreement or to exercise its other rights or remedies thereunder.

If the Borrower defaults in the performance of its obligations under the Borrower Loan Agreement to make rebate payments, to comply with any applicable continuing disclosure requirements, or to make payments owed pursuant to Sections 2.4, 2.5, 5.14 or 5.15 of the Borrower Loan Agreement for fees, expenses or indemnification, the Funding Lender shall have

the right to exercise all its rights and remedies thereunder (subject to the last paragraph of Section 9.14 hereof).

Section 9.4. Application of Money Collected. Any money collected by the Funding Lender pursuant to this Article and any other sums then held by the Funding Lender as part of the Security, shall be applied in the following order, at the date or dates fixed by the Funding Lender:

(a) *First:* To the payment of any and all fees due the Governmental Lender, the Servicer or the Rebate Analyst under the Borrower Loan Documents;

(b) *Second:* To the payment of any and all amounts due under the Funding Loan Documents other than with respect to principal and interest accrued on the Funding Loan;

(c) *Third:* To the payment of the whole amount of the Funding Loan, as evidenced by the Governmental Lender Notes, then due and unpaid in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Governmental Lender Notes) on overdue principal of, and Prepayment Premium and overdue installments of interest on the Governmental Lender Notes; *provided, however,* that partial interests in any portion of the Governmental Lender Notes shall be paid in such order of priority as may be prescribed by Written Direction of the Funding Lender in its sole and absolute discretion; and

(d) *Fourth:* The payment of the remainder, if any, to the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

(e) If and to the extent this Section 9.4 conflicts with the provisions of the Construction Funding Agreement or the Servicing Agreement, the provisions of the Construction Funding Agreement or Servicing Agreement shall control. Capitalized terms used in this Section 9.4 but not otherwise defined in this Funding Loan Agreement shall have the meanings given such terms in the Servicing Agreement.

Section 9.5. Remedies Vested in Funding Lender. All rights of action and claims under this Funding Loan Agreement or the Governmental Lender Notes may be prosecuted and enforced by the Funding Lender without the possession of the Governmental Lender Notes or the production thereof in any proceeding relating thereto.

Section 9.6. Restoration of Positions. If Funding Lender shall have instituted any proceeding to enforce any right or remedy under this Funding Loan Agreement and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Funding Lender, then and in every such case the Governmental Lender and the Funding Lender shall, subject to any determination in such proceeding, be restored to their former positions hereunder, and thereafter all rights and remedies of the Governmental Lender and the Funding Lender shall continue as though no such proceeding had been instituted.

Section 9.7. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Funding Lender is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 9.8. Delay or Omission Not Waiver. No delay or omission of the Funding Lender to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Funding Lender may be exercised from time to time, and as often as may be deemed expedient, by Funding Lender. No waiver of any default or Event of Default pursuant to Section 9.9 hereof shall extend to or shall affect any subsequent default or Event of Default hereunder or shall impair any rights or remedies consequent thereon.

Section 9.9. Waiver of Past Defaults. Before any judgment or decree for payment of money due has been obtained by the Funding Lender, the Funding Lender may, subject to Section 9.6 hereof, by Written Notice to the Governmental Lender and the Borrower, waive any past default hereunder or under the Borrower Loan Agreement and its consequences except for default in obligations due the Governmental Lender pursuant to or under the Unassigned Rights. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Funding Loan Agreement and the Borrower Loan Agreement; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 9.10. Remedies Under Borrower Loan Agreement or Borrower Notes. As set forth in this Section 9.10 but subject to Section 9.9 hereof, the Funding Lender shall have the right, in its own name or on behalf of the Governmental Lender, to declare any default and exercise any remedies under the Borrower Loan Agreement or the Borrower Notes, whether the Governmental Lender Notes have been accelerated or declared due and payable by reason of an Event of Default.

Section 9.11. Waiver of Appraisal and Other Laws. (a) To the extent permitted by law, the Governmental Lender will not at any time insist upon, plead, claim or take the benefit or advantage of, any appraisal, valuation, stay, extension or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws. The Governmental Lender, for itself and all who may claim under it, waives, to the extent that it may lawfully do so, all right to have the property in the Security marshaled upon any enforcement hereof.

(b) If any law now in effect prohibiting the waiver referred to in Section 9.11(a) shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the application of this Section 9.11.

Section 9.12. Suits to Protect the Security. The Funding Lender shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Security by any acts that may be unlawful or in violation of this Funding Loan Agreement and to protect its interests in the Security and in the rents, issues, profits, revenues and other income arising therefrom, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any Governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interests of the Funding Lender.

Section 9.13. Remedies Subject to Applicable Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Funding Loan Agreement invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 9.14. Assumption of Obligations. In the event that the Funding Lender or its permitted assignee or designee in accordance with Section 2.4 hereof shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under the Borrower Loan Agreement, the Borrower Notes, the Regulatory Agreement and any other Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default hereunder, rights and remedies may be pursued pursuant to the terms of the Funding Loan Documents, subject to the last paragraph of Section 9.2.

Section 9.15. Remedies upon Unremedied Material Funding Lender Event. Upon the occurrence of a Material Funding Lender Event which shall continue unremedied for a period of 60 days (a “*Funding Lender Event of Default*”), the Governmental Lender may direct that the Governmental Lender Notes be transferred to and obligations and liabilities thereunder be assumed by another lender approved to act as Funding Lender by the Borrower pursuant to Section 2.4(b) hereof and acceptable to the Governmental Lender; *provided, however*, that no such transfer shall become effective until (a) the Funding Lender has been fully reimbursed for all advances made and all expenses incurred and all other amounts owed to Funding Lender with respect to the Governmental Lender Notes through the date of transfer, (b) the Funding Lender shall be fully released in writing by the Governmental Lender, the Borrower and the successor Funding Lender from any and all continuing obligations and liabilities with respect to the Funding Loan, (c) such other lender shall have executed and delivered to the Funding Lender the Required Transferee Representations and (d) Funding Lender shall be indemnified by the Borrower for any losses incurred by Funding Lender with respect to the Funding Loan (except losses arising from Funding Lender’s gross negligence or willful misconduct). Notwithstanding anything herein to

the contrary contained, Funding Lender shall not be liable to the Governmental Lender or the Borrower for any loss of tax-exemption, tax or other charge that may be imposed in connection with any such sale or assignment or for any fees and expenses incurred by the Governmental Lender or Borrower in connection therewith; nor shall the Funding Lender be liable to the Governmental Lender or Borrower for any special, indirect, consequential, exemplary or punitive damages, all such liability being expressly waived, to the fullest extent permitted by law.

ARTICLE X

AMENDMENT; AMENDMENT OF BORROWER LOAN AGREEMENT AND OTHER DOCUMENTS

Section 10.1. Amendment of Funding Loan Agreement. Any of the terms of this Funding Loan Agreement and the Governmental Lender Notes may be amended or waived only by an instrument signed by the Funding Lender and the Governmental Lender, *provided, however*, no such amendment which materially affects the rights, duties, obligations or other interests of the Borrower shall be made without the consent of the Borrower, and, *provided further*, that if the Borrower is in default under any Funding Loan Document, no Borrower consent shall be required unless such amendment has a material adverse effect on the rights, duties, obligations or other interests of the Borrower. All of the terms of this Funding Loan Agreement shall be binding upon the successors and assigns of and all persons claiming under or through the Governmental Lender or any such successor or assign, and shall inure to the benefit of and be enforceable by the successors and assigns of the Funding Lender.

Section 10.2. Amendments Requiring Funding Lender Consent. The Governmental Lender shall not consent to any amendment, change or modification of the Borrower Loan Agreement or any other Borrower Loan Document or Funding Loan Document without the prior Written Consent of the Funding Lender; *provided, however*, that (a) such prior Written Consent shall not be required with respect to any such amendment, change or modification undertaken by the Governmental Lender solely in order to preserve one or more of its Unassigned Rights, and (b) any such amendment, change, or modification shall not have a material adverse effect on the rights, duties, obligations or other interests of the Funding Lender. Governmental Lender agrees to provide the Funding Lender with prompt written notification of any such amendments, modifications or changes not requiring the prior written consent of the Funding Lender, together with true, complete and correct signed copies thereof.

Section 10.3. Consents and Opinions. No amendment to this Funding Loan Agreement or any other Funding Loan Document entered into under this Article X or any amendment, change or modification otherwise permitted under this Article X shall become effective unless and until (i) the Funding Lender shall have approved the same in writing in its sole discretion and (ii) the Funding Lender and the Governmental Lender shall have received, at the expense of the Borrower, a Tax Counsel No Adverse Effect Opinion and an Opinion of Counsel to the effect that any such proposed amendment is authorized and complies with the provisions of this Funding Loan Agreement and is a legal, valid and binding obligation of the parties thereto, subject to normal exceptions relating to bankruptcy, insolvency and equitable principles limitations. No modification or amendment of the terms of the Borrower Loan Agreement or the Borrower Notes

may be undertaken without the prior Written Consent of the Funding Lender and, if requested by the Funding Lender, the provision to the Funding Lender and the Governmental Lender, at the expense of the Borrower, of a Tax Counsel No Adverse Effect Opinion with regard to such proposed modification. In addition, if such modification of the Borrower Loan Agreement or Borrower Notes would cause a reissuance of the Governmental Lender Notes or otherwise adversely affect the tax- exempt status of the interest on the Governmental Notes, Governmental Lender's consent shall also be required, together with a Tax Counsel No Adverse Effect Opinion.

Section 10.4. Any consents required pursuant to this Article X from, or on behalf of, the Governmental Lender may be executed by an Authorized City Representative.
