(a) Principal Amount. The total principal amount of the Funding Loan is \$[_____].

(b) [Reserved].

(c) Origination Date; Maturity. The Funding Loan shall be originated on the Funding Date and shall mature on the Maturity Date at which time the entire principal amount of the Governmental Lender Note, to the extent not previously paid, and all accrued and unpaid interest, shall be due and payable.

(d) Principal. The outstanding principal amount of the Governmental Lender Note and of the Funding Loan as of any given date shall be the total amount advanced by the Funding Lender to or for the account of the Governmental Lender on the Funding Date, less any payments of principal of the Governmental Lender Note received upon payment of corresponding principal amounts under the Borrower Note, including regularly scheduled principal payments and voluntary and mandatory prepayments. The principal amount of the Governmental Lender Note and interest thereon shall be payable on the basis specified in this paragraph (d) and in paragraphs (e) and (f) of this Section 2.1.

The Funding Lender shall keep a record of all principal repayments made under the Governmental Lender Note and shall upon written request provide the Governmental Lender with a statement of the outstanding principal balance of the Governmental Lender Note and the Funding Loan.

(e) Interest. Interest shall be paid on the outstanding principal amount of the Governmental Lender Note at the rate or rates set forth in the Borrower Note and otherwise as set forth in the Borrower Loan Agreement.

(f) Corresponding Payments. The payment or prepayment of principal, interest and premium, if any, due on the Funding Loan and the Governmental Lender Note shall be identical with and shall be made on the same dates, terms and conditions, as the principal, interest, premiums, late payment fees and other amounts due on the Borrower Note. Any payment or prepayment made by the Borrower of principal, interest, premium, if any, due on the Borrower Note shall be deemed to be like payments or prepayments of principal, interest and premium, if any, due on the Funding Loan and the Governmental Lender Note.

(g) Usury. The Governmental Lender intends to conform strictly to the usury laws applicable to this Funding Loan Agreement and the Governmental Lender Note and all agreements made in the Governmental Lender Note, this Funding Loan Agreement and the Funding Loan Documents are expressly limited so that in no event whatsoever shall the amount paid or agreed to be paid as interest or the amounts paid for the use of money advanced or to be advanced hereunder exceed the highest lawful rate prescribed under any law which a court of competent jurisdiction may deem applicable hereto. If, from any circumstances whatsoever, the fulfillment of any provision of the Governmental Lender Note, this Funding Loan Agreement or the other Funding Loan Documents shall involve the payment of interest in excess of the limit prescribed by any law which a court of competent jurisdiction may deem applicable hereto, then the obligation to pay interest hereunder shall be reduced to the maximum limit prescribed by law. If from any circumstances whatsoever, the Funding Lender shall ever receive anything of value deemed interest, the amount of which would exceed the highest lawful rate, such amount as would be excessive interest shall be deemed to have been applied, as of the date of receipt by the Funding Lender, to the reduction of the principal remaining unpaid hereunder and not to the payment of interest, or if such excessive interest exceeds the unpaid principal balance, such excess shall be refunded to the Borrower. This paragraph shall control every other provision of the Governmental Lender Note, this Funding Loan Agreement and all other Funding Loan Documents.

In determining whether the amount of interest charged and paid might otherwise exceed the limit prescribed by law, the Governmental Lender intends and agrees that (i) interest shall be computed upon the assumption that payments under the Borrower Loan Agreement and other Funding Loan Documents will be paid according to the agreed terms, and (ii) any sums of money that are taken into account in the calculation of interest, even though paid at one time, shall be spread over the actual term of the Funding Loan.

Section 2.2. Form of Governmental Lender Note. As evidence of its obligation to repay the Funding Loan, simultaneously with the delivery of this Funding Loan Agreement to the Funding Lender, the Governmental Lender hereby agrees to execute and deliver the Governmental Lender Note. The

Governmental Lender Note shall be substantially in the form set forth in Exhibit A attached hereto, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Funding Loan Agreement. In connection with Conversion, the Funding Lender shall have the right to exchange the then existing Governmental Lender Note on or after the Conversion Date for a new Governmental Lender Note with a dated date of the Conversion Date and in a stated principal amount equal to the then outstanding principal amount of the Governmental Lender Note, which amount will equal the Permanent Period Amount (as defined in the Construction Funding Agreement) of the Borrower Loan.

Section 2.3. Execution and Delivery of Governmental Lender Note. The Governmental Lender Note shall be executed on behalf of the Governmental Lender by the manual or facsimile signature of its Mayor, attested by the manual or facsimile signature of its City Clerk or Deputy City Clerk, under the official seal. The manual or facsimile signatures of individuals who were the proper officers of the Governmental Lender at the time of execution shall bind the Governmental Lender, notwithstanding that such individuals or any of them shall have ceased to hold such offices prior to the authentication and delivery of the Governmental Lender Note or shall not have held such offices at the date of the Governmental Lender Note.

Section 2.4. Required Transferee Representations; Participations; Sale and Assignment.

(a) The Funding Lender shall deliver to the Governmental Lender the Required Transferee Representations in substantially the form attached hereto as Exhibit B on the Funding Date.

(b) The Funding Lender shall have the right to sell (i) the Governmental Lender Note and the Funding Loan or (ii) any portion of or a participation interest in the Governmental Lender Note and the Funding Loan, to the extent permitted by Section 2.4(c) below, provided that such sale shall be only to Approved Transferees that execute and deliver to the Funding Lender, with a copy to the Governmental Lender, the Required Transferee Representations provided, however, that no Required Transferee Representations shall be required to be delivered by transferees or beneficial interest holders described in clauses (3) or (4) of the definition of "Approved Transferee."

(c) Notwithstanding the other provisions of this Section 2.4, no beneficial ownership interest in the Governmental Lender Note and Funding Loan shall be sold in an amount that is less than the Minimum Beneficial Ownership Amount provided, however, that beneficial ownership interests in the Governmental Lender Note and Funding Loan described in clause (3) of the definition of "Approved Transferee" may be sold in any amount without regard to the Minimum Beneficial Ownership Amount.

(d) No service charge shall be made for any sale or assignment of any portion of the Governmental Lender Note, but the Governmental Lender may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any such sale or assignment. Such sums shall be paid in every instance by the purchaser or assignee of the Funding Loan or portion thereof.

(e) The Governmental Lender Note shall be in fully-registered form transferable to subsequent holders only on the registration books which shall be maintained by the Funding Lender for such purpose and which shall be open to inspection by the Governmental Lender. The Governmental Lender Note shall not be transferred through the services of the Depository Trust Company or any other third party registrar.

(f) The parties agree that no rating shall be sought from a rating agency with respect to the Funding Loan or the Governmental Lender Note.

ARTICLE III

PREPAYMENT

Section 3.1. Prepayment of the Governmental Lender Note from Prepayment under the Borrower Note. The Governmental Lender Note is subject to voluntary and mandatory prepayment as follows:

(a) The Governmental Lender Note shall be subject to voluntary prepayment in full or in part by the Governmental Lender, from funds of the Governmental Lender received by the Governmental Lender to the extent and in the manner and on any date that the Borrower Note is subject to voluntary prepayment as set forth therein, at a prepayment price equal to the principal balance of the Borrower Note to be prepaid, plus interest thereon to the date of prepayment and the amount of any Prepayment Premium payable under the Borrower Note, plus any Additional Borrower Payments due and payable under the Borrower Loan Agreement through the date of prepayment.

The Borrower shall not have the right to voluntarily prepay all or any portion of the Borrower Note, thereby causing the Governmental Lender Note to be prepaid, except as specifically permitted in the Borrower Note, without the prior written consent of Funding Lender, which may be withheld in Funding Lender's sole and absolute discretion.

(b) The Governmental Lender Note shall be subject to mandatory prepayment in whole or in part upon prepayment of the Borrower Note at the direction of the Funding Lender in accordance with the terms of the Borrower Note at a prepayment price equal to the outstanding principal balance of the Borrower Note prepaid, plus accrued interest plus any other amounts payable under the Borrower Note or the Borrower Loan Agreement.

Section 3.2. Notice of Prepayment. Notice of prepayment of the Governmental Lender Note shall be deemed given to the extent that notice of prepayment of the Borrower Note is timely and properly given to Funding Lender in accordance with the terms of the Borrower Note and the Borrower Loan Agreement, and no separate notice of prepayment of the Governmental Lender Note is required to be given.

ARTICLE IV

SECURITY

Section 4.1. Security for the Funding Loan. To secure the payment of the Funding Loan and the Governmental Lender Note, to declare the terms and conditions on which the Funding Loan and the Governmental Lender Note are secured, and in consideration of the terms and provisions of this Funding Loan Agreement and of the funding of the Funding Loan by the Funding Lender, the Governmental Lender does hereby grant, bargain, sell, remise, release, convey, assign, transfer, mortgage, hypothecate, pledge, set over and confirm to the Funding Lender (except as limited herein), a lien on and security interest in the following described property (excepting, however, in each case, the Unassigned Rights) (said property, rights and privileges being herein collectively called, the "Security"):

(a) All right, title and interest of the Governmental Lender in, to and under the Borrower Loan Agreement and the Borrower Note, including, without limitation, all rents, revenues and receipts derived by the Governmental Lender from the Borrower relating to the Project and including, without limitation, all Pledged Revenues, Borrower Loan Payments and Additional Borrower Payments derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Borrower Loan Agreement; provided that the pledge and assignment made under this Funding Loan Agreement shall not

impair or diminish the obligations of the Governmental Lender under the provisions of the Borrower Loan Agreement;

(b) All right, title and interest of the Governmental Lender in, to and under, together with all rights, remedies, privileges and options pertaining to, the Funding Loan Documents, and all other payments, revenues and receipts derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Funding Loan Documents;

(c) Any and all moneys and investments from time to time on deposit in, or forming a part of, all funds and accounts created and held under this Funding Loan Agreement, subject to the provisions of this Funding Loan Agreement permitting the application thereof for the purposes and on the terms and conditions set forth herein; and

(d) Any and all other real or personal property of every kind and nature or description, which may from time to time hereafter, by delivery or by writing of any kind, be subjected to the lien of this Funding Loan Agreement as additional security by the Governmental Lender or anyone on its part or with its consent, or which pursuant to any of the provisions hereof or of the Borrower Loan Agreement may come into the possession or control of the Funding Lender or a receiver appointed pursuant to this Funding Loan Agreement; and the Funding Lender is hereby authorized to receive any and all such property as and for additional security for the Funding Loan and the Governmental Lender Note and to hold and apply all such property subject to the terms hereof.

The pledge and assignment of and the security interest granted in the Security pursuant to this Section 4.1 for the payment of the principal of, premium, if any, and interest on the Governmental Lender Note, in accordance with its terms and provisions, and for the payment of all other amounts due hereunder, shall attach and be valid and binding from and after the time of the delivery of the Governmental Lender Note by the Governmental Lender. The Security so pledged and then or thereafter received by the Funding Lender shall immediately be subject to the lien of such pledge and security interest without any physical delivery or recording thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind in tort, contract or otherwise against the Governmental Lender irrespective of whether such parties have notice thereof.

Section 4.2. Delivery of Security. To provide security for the payment of the Funding Loan and the Governmental Lender Note, the Governmental Lender has pledged and assigned to secure payment of the Funding Loan and the Governmental Lender Note its right, title and interest in the Security to the Funding Lender. In connection with such pledge, assignment, transfer and conveyance, the Governmental Lender shall deliver to the Funding Lender the following documents or instruments promptly following their execution and, to the extent applicable, their recording or filing:

(a) The Borrower Note endorsed without recourse to the Funding Lender by the Governmental Lender;

(b) The originally executed Borrower Loan Agreement;

(c) The originally executed Security Instrument and all other Borrower Loan Documents existing at the time of delivery of the Borrower Note and an assignment for security of the Security Instrument from the Governmental Lender to the Funding Lender, in recordable form;

(d) Uniform Commercial Code financing statements or other chattel security documents giving notice of the Funding Lender's status as an assignee of the Governmental Lender's security interest in any personal property forming part of the Project, in form suitable for filing; and

(e) Uniform Commercial Code financing statements giving notice of the pledge by the Governmental Lender of the Security pledged under this Funding Loan Agreement.

The Governmental Lender shall deliver and deposit with the Funding Lender such additional documents, financing statements, and instruments as the Funding Lender may reasonably require from time to time for the better perfecting and assuring to the Funding Lender of its lien and security interest in and to the Security, at the expense of the Borrower.

ARTICLE V

LIMITED LIABILITY

Section 5.1. Source of Payment of Funding Loan and Other Obligations. The Funding Loan is a special limited obligation of the Governmental Lender, payable solely from the Pledged Revenues and other funds and moneys and Security pledged and assigned hereunder. The Governmental Lender Note is not a general obligation of the Governmental Lender or a charge against its general credit or the general credit taxing powers of the State, the Governmental Lender, or any other political subdivision thereof, and shall never give rise to any pecuniary liability of the Governmental Lender, and none of the Governmental Lender, the State, or any political subdivision thereof (except the Governmental Lender, to the limited extent set forth herein) nor any public agency shall in any event be liable for the payment of the principal of, premium (if any) or interest on the Funding Loan or for the performance of any pledge, obligation or agreement of any kind whatsoever with respect thereto except as set forth herein, and none of the Funding Loan or the Governmental Lender Note or any of the Governmental Lender's agreements or obligations with respect to the Funding Loan, the Governmental Lender Note, or hereunder, shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever. No holder of the Governmental Lender Note or any interest therein has the right to compel any exercise of the taxing power of the State, the Governmental Lender or any other political subdivision thereof to pay the Governmental Lender Note or the interest or premium, if any, thereon.

Section 5.2. Exempt from Individual Liability. No recourse shall be had for the payment of the principal of, premium, if any, or the interest on the Governmental Lender Note or for any claim based thereon or any obligation, covenant or agreement in this Funding Loan Agreement against any official, officer, agent, employee or independent contractor of the Governmental Lender or any person executing the Governmental Lender Note in his or her personal capacity. No covenant, condition or agreement contained herein shall be deemed to be a covenant, agreement or obligation of any present or future official, employee or agent of the Governmental Lender in his individual capacity, and neither the officials, employees or agents of the Governmental Lender executing the Governmental Lender Note or this Funding Loan Agreement shall be liable personally on the Governmental Lender Note or under this Funding Loan Agreement or be subject to any personal liability or accountability by reason of the issuance of the Governmental Lender Note or the execution of this Funding Loan Agreement.

ARTICLE VI

CLOSING CONDITIONS; APPLICATION OF FUNDS

Section 6.1. Conditions Precedent to Closing. Closing of the Funding Loan on the Funding Date shall be conditioned upon satisfaction or waiver by the Funding Lender in its sole discretion of each of the conditions precedent to closing set forth in this Funding Loan Agreement (other than the requirements in clauses (g) and (h) of this section as applicable to deliverables to the Governmental Lender, or the

requirements in clauses (e) and (i) below, each of which may only be waived by the Governmental Lender), including but not limited to the following:

- (a) Receipt by the Funding Lender of the original Governmental Lender Note;
- (b) Receipt by the Funding Lender of the original executed Borrower Note, endorsed without recourse to the Funding Lender by the Governmental Lender;
- (c) Receipt by the Funding Lender of executed counterpart copies of this Funding Loan Agreement, the Borrower Loan Agreement, the Construction Funding Agreement, the Regulatory Agreement, the Tax Certificates and the Security Instrument;
- (d) A certified copy of the Ordinance;
- (e) The Required Transferee Representations from the Funding Lender;
- (f) Delivery into escrow of all amounts required to be paid in connection with the origination of the Borrower Loan and the Funding Loan and any underlying real estate transfers or transactions, including the Costs of Funding Deposit, in accordance with Section 2.3(c)(ii) of the Borrower Loan Agreement;
- (g) Receipt by the Governmental Lender and the Funding Lender of a Tax Counsel Approving Opinion;
- (h) Receipt by the Funding Lender and the Governmental Lender of an Opinion of Counsel from Tax Counsel to the effect that the Governmental Lender Note is exempt from registration under the Securities Act of 1933, and this Funding Loan Agreement is exempt from qualification under the Trust Indenture Act of 1939, as amended;
- (i) Delivery of an opinion of counsel to the Borrower addressed to the Governmental Lender and the Funding Lender to the effect that the Borrower Loan Documents are valid and binding obligations of the Borrower, enforceable against the Borrower in accordance with their terms, subject to such exceptions and qualifications as are acceptable to the Governmental Lender; and
- (j) Receipt by the Funding Lender and the Governmental Lender of any other documents or opinions that the Funding Lender, the Governmental Lender or Tax Counsel may require in connection with the closing.

ARTICLE VII

FUNDS AND ACCOUNTS

Section 7.1. Authorization to Create Funds and Accounts. No funds or accounts shall be established in connection with the Funding Loan at the time of closing and origination of the Funding Loan. The Funding Lender and the Servicer, if any, and any designee of the Funding Lender or the Servicer, are authorized to establish and create from time to time such other funds and accounts or subaccounts as may be necessary for the deposit of moneys (including, without limitation, insurance proceeds and/or condemnation awards), if any, received by the Governmental Lender, the Funding Lender or the Servicer pursuant to the terms hereof or any of the other Funding Loan Documents and not immediately transferred or disbursed pursuant to the terms of the Funding Loan Documents and/or the Borrower Loan Documents.

Section 7.2. Investment of Funds. Amounts held in any funds or accounts created under this Funding Loan Agreement shall be invested by the Funding Lender, the Servicer or the designee of the Funding Lender or Servicer, as applicable, in Permitted Investments at the written direction of the Borrower, subject in all cases to the restrictions of Section 8.7 hereof and of the Tax Certificates. Any investment income earned on amounts on deposit in each such fund or account shall be retained in and credited to and become a part of the amounts on deposit in that fund or account.

ARTICLE VIII

REPRESENTATIONS AND COVENANTS

Section 8.1. General Representations. The Governmental Lender makes the following representations as the basis for the undertakings on its part herein contained:

(a) The Governmental Lender is a home rule unit of local government, organized and existing under the 1970 Constitution and laws of the State of Illinois, has the power and authority to (i) enter into the Funding Loan Documents to which it is a party and the transactions contemplated thereby, (ii) incur the limited obligation represented by the Governmental Lender Note and the Funding Loan and apply the proceeds of such obligation or loan to finance the Project and (iii) carry out its other obligations under this Funding Loan Agreement and the Governmental Lender Note, and by proper action has duly authorized the Governmental Lender's execution and delivery of, and its performance under, such Funding Loan Documents and all other agreements and instruments relating thereto.

(b) The Governmental Lender is not in default under or in violation of, and the execution and delivery of the Funding Loan Documents to which it is a party and its compliance with the terms and conditions thereof will not conflict or constitute a default under or a violation of, (i) the Ordinance, (ii) to its knowledge, any other existing laws, rules, regulations, judgments, decrees and orders applicable to it, or (iii) to its knowledge, the provisions of any agreements and instruments to which the Governmental Lender is a party, a default under or violation of which would prevent it from entering into this Funding Loan Agreement, executing and delivering the Governmental Lender Note, financing the Project, executing and delivering the other Funding Loan Documents to which it is a party or consummating the transactions contemplated thereby, and, to its knowledge, no event has occurred and is continuing under the provisions of any such agreement or instrument or otherwise that with the lapse of time or the giving of notice, or both, would constitute such a default or violation (it being understood, however, that the Governmental Lender is making no representations as to the necessity of registering the Borrower Note pursuant to any securities laws or complying with any other requirements of securities laws).

(c) No litigation, inquiry or investigation of any kind in or by any judicial or administrative court or agency is pending or, to the knowledge of the Governmental Lender, threatened against the Governmental Lender with respect to (i) the organization and existence of the Governmental Lender, (ii) its authority to execute or deliver the Funding Loan Documents to which it is a party, (iii) the validity or enforceability of any such Funding Loan Documents or the transactions contemplated thereby, (iv) the title of any officer of the Governmental Lender who executed such Funding Loan Documents or (v) any authority or proceedings relating to the execution and delivery of such Funding Loan Documents on behalf of the Governmental Lender, and no such authority or proceedings have been repealed, revoked, rescinded or amended but are in full force and effect.

(d) The revenues and receipts to be derived from the Borrower Loan Agreement, the Borrower Note and this Funding Loan Agreement have not been pledged previously by the Governmental Lender to secure any of its notes or bonds other than the Funding Loan as evidenced by the Governmental Lender Note.

THE GOVERNMENTAL LENDER MAKES NO REPRESENTATION, COVENANT OR AGREEMENT AS TO THE FINANCIAL POSITION OR BUSINESS CONDITION OF THE BORROWER OR THE PROJECT AND DOES NOT REPRESENT OR WARRANT AS TO ANY STATEMENTS, MATERIALS, REPRESENTATIONS OR CERTIFICATIONS FURNISHED BY THE BORROWER IN CONNECTION WITH THE FUNDING LOAN OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY THEREOF.

Section 8.2. No Encumbrance on Security. The Governmental Lender will not knowingly create or knowingly permit the creation of any mortgage, pledge, lien, charge or encumbrance of any kind on the Security or any part thereof prior to or on a parity with the lien of this Funding Loan Agreement, except as expressly permitted or contemplated by the Funding Loan Documents.

Section 8.3. Repayment of Funding Loan. Subject to the provisions of Articles III and V hereof, the Governmental Lender will duly and punctually repay, or cause to be repaid, the Funding Loan, as evidenced by the Governmental Lender Note, as and when the same shall become due, all in accordance with the terms of the Governmental Lender Note and this Funding Loan Agreement.

Section 8.4. Servicer. The Funding Lender may appoint a Servicer to service and administer the Funding Loan and/or the Borrower Loan on behalf of the Funding Lender, including without limitation the fulfillment of rights and responsibilities granted by Governmental Lender to Funding Lender pursuant to Section 2.1 of the Borrower Loan Agreement.

Section 8.5. Borrower Loan Agreement Performance.

(a) The Funding Lender and the Servicer, if any, on behalf of the Governmental Lender, may (but shall not be required or obligated) perform and observe any agreement or covenant of the Governmental Lender under the Borrower Loan Agreement, all to the end that the Governmental Lender's rights under the Borrower Loan Agreement may be unimpaired and free from default.

(b) The Governmental Lender will promptly notify or cause to be notified the Borrower, the Servicer, if any, the Equity Investor and the Funding Lender in writing of the occurrence of any Borrower Loan Agreement Default, provided that the Governmental Lender has received written notice or otherwise has knowledge of such event; and further provided that the Governmental Lender shall have no liability to any person for its failure to provide any such notice so long as it has made a good faith effort to comply with such provisions.

(c) The Funding Lender will promptly notify the Borrower, the Servicer, if any, the Equity Investor and the Governmental Lender in writing of the occurrence of any Event of Default or any Borrower Loan Agreement Default known to the Funding Lender.

Section 8.6. Maintenance of Records; Inspection of Records.

(a) The Funding Lender shall keep and maintain adequate records pertaining to any funds and accounts established hereunder, including all deposits to and disbursements from said funds and accounts and shall keep and maintain the registration books for the Governmental Lender Note and interests therein. The Funding Lender shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal, interest and premium paid on the Funding Loan, subject to the inspection of the Governmental Lender and its representatives at all reasonable times and upon reasonable prior notice.

(b) The Governmental Lender will at any and all times, upon the reasonable request of the Servicer, the Borrower or the Funding Lender, afford and procure a reasonable opportunity by their respective representatives to inspect the books, records, reports and other papers of the Governmental Lender relating to the Project and the Funding Loan, if any, and to make copies thereof.

Section 8.7. Tax Covenants. The Governmental Lender covenants to and for the benefit of the Funding Lender that, notwithstanding any other provisions of this Funding Loan Agreement or of any other instrument, it will (subject to the limited liability provisions hereof):

(a) [Reserved];

(b) Not knowingly take or cause to be taken any action or actions, or knowingly fail to take any action or actions, which would cause the interest payable on the Governmental Lender Note to be includable in gross income for federal income tax purposes;

(c) Whenever and so often as requested by Funding Lender, the Governmental Lender (at the sole cost and expense of the Borrower) shall do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Governmental Lender on the Governmental Lender Note will be excluded from the gross income of the Noteowner, for federal income tax purposes, pursuant to Section 103 of the Code, except in the event where any owner of the Governmental Lender Note or a portion thereof is a “substantial user” of the facilities financed with the Funding Loan or a “related person” within the meaning of Section 147(a) of the Code;

(d) Not knowingly take any action or, solely in reliance upon the covenants and representations of the Borrower in the Borrower Loan Agreement, in the Regulatory Agreement and in the Tax Certificates, knowingly permit or suffer any action to be taken if the result of the same would be to cause the Governmental Lender Note to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations;

(e) Require the Borrower to agree, solely by causing the Borrower to execute and deliver the Borrower Loan Agreement, not to commit any act and not to make any use of the proceeds of the Funding Loan, or any other moneys which may be deemed to be proceeds of the Funding Loan pursuant to the Code, which would cause the Governmental Lender Note to be an “arbitrage bond” within the meaning of Sections 103(b) and 148 the Code, and to comply with the requirements of the Code throughout the term of the Funding Loan; and

(f) Require the Borrower, solely by causing the Borrower to execute and deliver the Borrower Loan Agreement, to take all steps necessary to compute and pay any rebatable arbitrage in accordance with Section 148(f) of the Code.

In furtherance of the covenants in this Section 8.7, the Governmental Lender and the Borrower shall execute, deliver and comply with the provisions of the Tax Certificates, which are by this reference incorporated into this Funding Loan Agreement and made a part of this Funding Loan Agreement as if set forth in this Funding Loan Agreement in full. In the event of any conflict between this Funding Loan Agreement and the Tax Certificates, the requirements of the Tax Certificates shall control.

For purposes of this Section 8.7 the Governmental Lender’s compliance shall be based solely on matters within the Governmental Lender’s knowledge and control and no acts, omissions or directions of the Borrower, the Funding Lender or any other Persons shall be attributed to the Governmental Lender.

In complying with the foregoing covenants, the Governmental Lender may rely from time to time on a Tax Counsel No Adverse Effect Opinion or other appropriate opinion of Tax Counsel.

Section 8.8. Performance by the Borrower. Without relieving the Governmental Lender from the responsibility for performance and observance of the agreements and covenants required to be performed and observed by it hereunder, the Borrower, on behalf of the Governmental Lender, may perform any such agreement or covenant if no Borrower Loan Agreement Default or Potential Default under the Borrower Loan Agreement exists.

ARTICLE IX

DEFAULT; REMEDIES

Section 9.1. Events of Default. Any one or more of the following shall constitute an event of default (an “Event of Default”) under this Funding Loan Agreement (whatever the reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or Governmental Authority):

(a) A default in the payment of any interest on the Governmental Lender Note when such interest becomes due and payable; or

(b) A default in the payment of principal of, or premium on, the Governmental Lender Note when such principal or premium becomes due and payable, whether at its stated maturity, by declaration of acceleration or call for mandatory prepayment or otherwise; or

(c) Subject to Section 8.8 hereof, default in the performance or breach of any material covenant or warranty of the Governmental Lender in this Funding Loan Agreement (other than a covenant or warranty or default in the performance or breach of which is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 30 days after there has been given written notice, as provided in Section 11.1 hereof, to the Governmental Lender and the Borrower by the Funding Lender or the Servicer, specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” under this Funding Loan Agreement; provided that, so long as the Governmental Lender has commenced to cure such failure to observe or perform within the thirty (30) day cure period and the subject matter of the default is not capable of cure within said thirty (30) day period and the Governmental Lender is diligently pursuing such cure to the Funding Lender’s satisfaction, with the Funding Lender’s Written Direction or Written Consent, then the Governmental Lender shall have an additional period of time as reasonably necessary (not to exceed 30 days unless extended in writing by the Funding Lender) within which to cure such default; or

(d) A default in the payment of any Additional Borrower Payments; or

(e) Any other “Default” or “Event of Default” (as defined in the applicable agreement) under any of the other Funding Loan Documents (taking into account any applicable grace periods therein).

Any notice of default delivered by the Funding Lender to the Borrower shall be contemporaneously delivered to the Equity Investor.

Section 9.2. Acceleration of Maturity; Rescission and Annulment.

(a) Subject to the provisions of Section 9.9 hereof, upon the occurrence of an Event of Default under Section 9.1 hereof, then and in every such case, the Funding Lender may declare the principal of the Funding Loan and the Governmental Lender Note and the interest accrued to be immediately due and payable, by notice to the Governmental Lender and the Borrower and upon any such declaration, all principal of and Prepayment Premium, if any, and interest on the Funding Loan and the Governmental Lender Note shall become immediately due and payable.

(b) At any time after a declaration of acceleration has been made pursuant to subsection (a) of this Section, the Funding Lender may by Written Notice to the Governmental Lender, rescind and annul such declaration and its consequences if:

(i) There has been deposited with the Funding Lender a sum sufficient to pay (1) all overdue installments of interest on the Funding Loan, (2) the principal of and Prepayment Premium on the Funding Loan that has become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Funding Loan, (3) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates prescribed therefor in the Funding Loan, and (4) all sums paid or advanced by the Funding Lender and the reasonable compensation, expenses, disbursements and advances of the Funding Lender, its agents and counsel (but only to the extent not duplicative with subclauses (1) and (3) above); and

(ii) All Events of Default, other than the non payment of the principal of the Funding Loan which have become due solely by such declaration of acceleration, have been cured or have been waived in writing as provided in Section 9.9 hereof.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

(c) Notwithstanding the occurrence and continuation of an Event of Default, it is understood that the Funding Lender shall pursue no remedies against the Borrower or the Project if no Borrower Loan Agreement Default has occurred and is continuing. An Event of Default hereunder shall not in and of itself constitute a Borrower Loan Agreement Default.

Section 9.3. Additional Remedies; Funding Lender Enforcement.

(a) Upon the occurrence of an Event of Default, the Funding Lender may, subject to the provisions of this Section 9.3 and Section 9.9 hereof, proceed to protect and enforce its rights by mandamus or other suit, action or proceeding at law or in equity. No remedy conferred by this Funding Loan Agreement upon or remedy reserved to the Funding Lender is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Funding Lender hereunder or now or hereafter existing at law or in equity or by statute.

(b) Upon the occurrence and continuation of any Event of Default, the Funding Lender may proceed forthwith to protect and enforce its rights and this Funding Loan Agreement by such suits, actions or proceedings as the Funding Lender, in its sole discretion, shall deem expedient. Funding Lender shall have upon the occurrence and continuation of any Event of Default all rights, powers, and remedies with respect to the Security as are available under the Uniform Commercial Code applicable thereto or as are available under any other applicable law at the time in effect and, without limiting the generality of the foregoing, the Funding Lender may proceed at law or in equity or otherwise, to the extent permitted by applicable law:

(i) to take possession of the Security or any part thereof, with or without legal process, and to hold, service, administer and enforce any rights thereunder or thereto, and otherwise exercise all rights of ownership thereof, including (but not limited to) the sale of all or part of the Security;

(ii) to become mortgagee of record for the Borrower Loan including, without limitation, completing the assignment of the Security Instrument by the Governmental Lender to the Funding Lender as anticipated by this Funding Loan Agreement, and recording the same in the real estate records of the jurisdiction in which the Project is located, without further act or consent of the Governmental Lender, and to service and administer the same for its own account;

(iii) to service and administer the Funding Loan as agent and on behalf of the Governmental Lender or otherwise, and, if applicable, to take such actions necessary to enforce the Borrower Loan Documents and the Funding Loan Documents on its own behalf, and to take such alternative courses of action, as it may deem appropriate; or

(iv) to take such steps to protect and enforce its rights whether by action, suit or proceeding in equity or at law for the specific performance of any covenant, condition or agreement in the Governmental Lender Note, this Funding Loan Agreement or the other Funding Loan Documents, or the Borrower Loan Documents, or in and of the execution of any power herein granted, or for foreclosure hereunder, or for enforcement of any other appropriate legal or equitable remedy or otherwise as the Funding Lender may elect.

(c) Whether or not an Event of Default has occurred, the Funding Lender, in its sole discretion, shall have the sole right to waive or forbear any term, condition, covenant or agreement of the Security Instrument, the Borrower Loan Agreement, the Borrower Note or any other Borrower Loan Documents or Funding Loan Documents applicable to the Borrower, or any breach thereof, other than a covenant that would adversely impact the tax exempt status of the interest on the Governmental Lender Note, and provided that the Governmental Lender may enforce specific performance with respect to the Unassigned Rights; provided, however, that any such forbearance by the Funding Lender in the exercise of its remedies under the Funding Loan Documents shall not be construed as a waiver by the Funding Lender of any Conditions to Conversion.

(d) If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such default remains uncured for a period of 60 days after the Borrower and the Funding Lender receive Written Notice stating that a default under the Regulatory Agreement has occurred and specifying the nature of the default, the Funding Lender shall have the right to seek specific performance of the provisions of the Regulatory Agreement or to exercise its other rights or remedies thereunder.

(e) If the Borrower defaults in the performance of its obligations under the Borrower Loan Agreement to make rebate payments, to comply with any applicable continuing disclosure requirements, or to make payments owed pursuant to Sections 2.5, 5.14 or 5.15 of the Borrower Loan Agreement for fees, expenses or indemnification, the Funding Lender shall have the right to exercise all its rights and remedies thereunder (subject to the last paragraph of Section 9.14 hereof).

Section 9.4. Application of Money Collected. Any money collected by the Funding Lender pursuant to this Article and any other sums then held by the Funding Lender as part of the Security, shall be applied in the following order, at the date or dates fixed by the Funding Lender:

(a) First: To the payment of any and all amounts due under the Funding Loan Documents other than with respect to principal and interest accrued on the Funding Loan, including, without limitation, any amounts due to the Governmental Lender, the Funding Lender, the Servicer and the Rebate Analyst;

(b) Second: To the payment of the whole amount of the Funding Loan, as evidenced by the Governmental Lender Note, then due and unpaid in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Funding Loan) on overdue principal of, and Prepayment Premium and overdue installments of interest on the Funding Loan; provided, however, that partial interests in any portion of the Funding Loan shall be paid in such order of priority as may be prescribed by Written Direction of the Funding Lender in its sole and absolute discretion; and

(c) Third: The payment of the remainder, if any, to the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

If and to the extent this Section 9.4 conflicts with the provisions of the Servicing Agreement, if any, the provisions of the Servicing Agreement shall control. Capitalized terms used in this Section 9.4 but not otherwise defined in this Funding Loan Agreement shall have the meanings given such terms in the Servicing Agreement.

Section 9.5. Remedies Vested in Funding Lender. All rights of action and claims under this Funding Loan Agreement or the Governmental Lender Note may be prosecuted and enforced by the Funding Lender without the possession of the Governmental Lender Note or the production thereof in any proceeding relating thereto.

Section 9.6. Restoration of Positions. If Funding Lender shall have instituted any proceeding to enforce any right or remedy under this Funding Loan Agreement and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Funding Lender, then and in every such case the Governmental Lender and the Funding Lender shall, subject to any determination in such proceeding, be restored to their former positions hereunder, and thereafter all rights and remedies of the Governmental Lender and the Funding Lender shall continue as though no such proceeding had been instituted.

Section 9.7. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Funding Lender is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 9.8. Delay or Omission Not Waiver. No delay or omission of the Funding Lender to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Funding Lender may be exercised from time to time, and as often as may be deemed expedient, by Funding Lender. No waiver of any default or Event of Default pursuant to Section 9.9 hereof shall extend to or shall affect any subsequent default or Event of Default hereunder or shall impair any rights or remedies consequent thereon.

Section 9.9. Waiver of Past Defaults. Before any judgment or decree for payment of money due has been obtained by the Funding Lender, the Funding Lender may, subject to Section 9.6 hereof, by

Written Notice to the Governmental Lender and the Borrower, waive any past default hereunder or under the Borrower Loan Agreement and its consequences except for default in obligations due the Governmental Lender pursuant to or under the Unassigned Rights. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Funding Loan Agreement and the Borrower Loan Agreement; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 9.10. Remedies Under Borrower Loan Agreement or Borrower Note. As set forth in this Section 9.10 but subject to Section 9.9 hereof, the Funding Lender shall have the right, in its own name or on behalf of the Governmental Lender, to declare any default and exercise any remedies under the Borrower Loan Agreement or the Borrower Note, whether or not the Governmental Lender Note has been accelerated or declared due and payable by reason of an Event of Default.

Section 9.11. Waiver of Appraisal and Other Laws.

(a) To the extent permitted by law, the Governmental Lender will not at any time insist upon, plead, claim or take the benefit or advantage of, any appraisal, valuation, stay, extension or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws. The Governmental Lender, for itself and all who may claim under it, waives, to the extent that it may lawfully do so, all right to have the property in the Security marshaled upon any enforcement hereof.

(b) If any law now in effect prohibiting the waiver referred to in Section 9.11(a) shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the application of this Section 9.11.

Section 9.12. Suits to Protect the Security. The Funding Lender shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Security by any acts that may be unlawful or in violation of this Funding Loan Agreement and to protect its interests in the Security and in the rents, issues, profits, revenues and other income arising therefrom, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any Governmental Authority enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interests of the Funding Lender.

Section 9.13. Remedies Subject to Applicable Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Funding Loan Agreement invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 9.14. Assumption of Obligations. In the event that the Funding Lender or its assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under the Borrower Loan Agreement, the Borrower Note, the Regulatory Agreement and any other Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default hereunder, rights and remedies may be pursued pursuant to the terms of the Funding Loan Documents.

ARTICLE X

AMENDMENT; AMENDMENT OF FUNDING LOAN AGREEMENT

AND OTHER DOCUMENTS

Section 10.1. Amendment of Funding Loan Agreement. Any of the terms of this Funding Loan Agreement and the Governmental Lender Note may be amended or waived only by an instrument signed by the Funding Lender and the Governmental Lender, provided, however, no such amendment which materially affects the rights, duties, obligations or other interests of the Borrower shall be made without the consent of the Borrower, and, provided further, that if the Borrower is in default under any Funding Loan Document, no Borrower consent shall be required unless such amendment has a material adverse effect on the rights, duties, obligations or other interests of the Borrower. All of the terms of this Funding Loan Agreement shall be binding upon the successors and assigns of and all persons claiming under or through the Governmental Lender or any such successor or assign, and shall inure to the benefit of and be enforceable by the successors and assigns of the Funding Lender.

Section 10.2. Amendments Require Funding Lender Consent. The Governmental Lender shall not consent to any amendment, change or modification of the Borrower Loan Agreement or any other Borrower Loan Document or Funding Loan Document without the prior Written Consent of the Funding Lender; provided, however, that such prior Written Consent shall not be required with respect to any such amendment, change or modification undertaken by the Governmental Lender in order to preserve one or more of its Unassigned Rights. Governmental Lender agrees to provide the Funding Lender with prompt notification of any such amendments, modifications or changes not requiring the prior Written Consent of the Funding Lender.

Section 10.3. Consents and Opinions. No amendment to this Funding Loan Agreement or any other Funding Loan Document entered into under this Article X or any amendment, change or modification otherwise permitted under this Article X shall become effective unless and until (i) the Funding Lender shall have approved the same in writing in its sole discretion and (ii) the Funding Lender and the Governmental Lender shall have received, at the expense of the Borrower, a Tax Counsel No Adverse Effect Opinion and an Opinion of Counsel to the effect that any such proposed amendment is authorized and complies with the provisions of this Funding Loan Agreement and is a legal, valid and binding obligation of the parties thereto, subject to normal exceptions relating to bankruptcy, insolvency and equitable principles limitations. No modification or amendment of the terms of the Borrower Loan Agreement or the Borrower Note may be undertaken without the prior Written Consent of the Funding Lender and the provision to the Funding Lender and the Governmental Lender, at the expense of the Borrower, of a Tax Counsel No Adverse Effect Opinion with regard to such proposed modification.

Any such notice, demand, request or communication shall be deemed to have been given and received for all purposes under this Funding Loan Agreement: (i) three Business Days after the same is deposited in any official depository or receptacle of the United States Postal Service first class, or, if applicable, certified mail, return receipt requested, postage prepaid; (ii) on the date of transmission when delivered by telecopier or facsimile transmission, or other telecommunication device, provided any telecopy or other electronic transmission received by any party after 4:00 p.m., local time, as evidenced by the time shown on such transmission, shall be deemed to have been received the following Business Day; (iii) on the next Business Day after the same is deposited with a nationally recognized overnight delivery service that guarantees overnight delivery; and (iv) on the date of actual delivery to such party by any other means; provided, however, if the day such notice, demand, request or communication shall be deemed to have been given and received as aforesaid is not a Business Day, such notice, demand, request or communication shall be deemed to have been given and received on the next Business Day; and provided further that notice to the Governmental Lender shall not be deemed to have been given until actually received by the Governmental Lender. Any facsimile signature by a Person on a document, notice, demand, request or communication required or permitted by this Funding Loan Agreement shall constitute a legal, valid and binding execution thereof by such Person.

Any party to this Funding Loan Agreement may change such party's address for the purpose of notice, demands, requests and communications required or permitted under this Funding Loan Agreement by providing written notice of such change of address to all of the parties by written notice as provided herein.

Section 11.2. Term of Funding Loan Agreement. This Funding Loan Agreement shall be in full force and effect until all payment obligations of the Governmental Lender hereunder have been paid in full and the Funding Loan has been retired or the payment thereof has been provided for (such payment or provision to be solely from the Security set forth in Article IV hereof as further provided in Section 8.3); except that on and after payment in full of the Governmental Lender Note, this Funding Loan Agreement shall be terminated, without further action by the parties hereto.

Section 11.4. Legal Holidays. In any case in which the date of payment of any amount due hereunder or the date on which any other act is to be performed pursuant to this Funding Loan Agreement shall be a day that is not a Business Day, then payment of such amount or such act need not be made on such date but may be made on the next succeeding Business Day, and such later payment or such act shall

In case any covenant, stipulation, obligation or agreement contained in the Governmental Lender Note or in this Funding Loan Agreement shall for any reason be held to be usurious or in violation of law, then such covenant, stipulation, obligation or agreement shall be deemed to be the covenant, stipulation, obligation or agreement of the Governmental Lender or the Funding Lender only to the full extent permitted by law.

Section 11.7. Execution in Several Counterparts. This Funding Loan Agreement may be contemporaneously executed in several counterparts, all of which shall constitute one and the same instrument and each of which shall be, and shall be deemed to be, an original.

Section 11.8. Nonrecourse Obligation of the Borrower. **CITY OF CHICAGO
MULTIFAMILY HOUSING NOTE
(LATHROP IC)
SERIES [20__]**

[\$[FUNDING LOAN AMT]

FOR VALUE RECEIVED, the undersigned the CITY OF CHICAGO (“Obligor”) promises to pay to the order of CITIBANK, N.A. (“Holder”) the maximum principal sum of [FUNDING LOAN AMOUNT IN WORDS] [\$[FUNDING LOAN AMT]], on [July] 1, 2060, or earlier as provided herein, together with interest thereon at the rates, at the times and in the amounts provided below.

Obligor shall pay to the Holder on or before each date on which payment is due under that certain Funding Loan Agreement, dated as of _____, 202_ (the “Funding Loan Agreement”), between Obligor and Holder, an amount in immediately available funds sufficient to pay the principal amount of and Prepayment Premium, if any, on this Governmental Lender Note then due and payable, whether by maturity, acceleration, prepayment or otherwise. In the event that amounts derived from proceeds of the Borrower Loan, condemnation awards or insurance proceeds or investment earnings thereon are applied to the payment of principal due on this Governmental Lender Note in accordance with the Funding Loan Agreement, the principal amount due hereunder shall be reduced to the extent of the principal amount of this Governmental Lender Note so paid.

Obligor shall pay to the Holder on or before each date on which interest on the Funding Loan is payable interest on the unpaid balance hereof in an amount in immediately available funds sufficient to pay the interest on this Governmental Lender Note then due and payable in the amounts and at the rate or rates set forth in the Funding Loan Agreement.

The Funding Loan and this Governmental Lender Note are pass-through obligations relating to a loan (the “Borrower Loan”) made by Obligor from proceeds of the Funding Loan to Lathrop Preservation Phase IC, LP, an Illinois limited partnership, as borrower (the “Borrower”), under that certain Borrower Loan Agreement, dated as of _____, 202_ (as the same may be modified, amended or supplemented from time to time, the “Borrower Loan Agreement”), between the Obligor and the Borrower, evidenced by the Borrower Note (as defined in the Borrower Loan Agreement). Reference is made to the Borrower Loan Agreement and to the Borrower Note for complete payment and prepayment terms of the Borrower Note, payments on which are passed-through under this Governmental Lender Note.

This Governmental Lender Note is a limited obligation of the Obligor, payable solely from the Pledged Revenues and other funds and moneys and Security pledged and assigned under the Funding Loan

Agreement. This Governmental Lender Note is not a general obligation of the Governmental Lender or a charge against its general credit or the general credit taxing powers of the State, the Governmental Lender, or any other political subdivision thereof, and shall never give rise to any pecuniary liability of the Governmental Lender, and neither the Governmental Lender, the State nor any other political subdivision thereof shall be liable for the payments of principal of, interest on, and, premium, if any, on this Governmental Lender Note, and the Governmental Lender Note is payable from no other source, but are special, limited obligations of the Governmental Lender, payable solely out of the security pledged hereunder and receipts of the Governmental Lender derived pursuant to this Funding Loan Agreement. No holder of this Governmental Lender Note or any interest therein has the right to compel any exercise of the taxing power of the State, the Governmental Lender or any other political subdivision thereof to pay the Governmental Lender Note or the interest or premium, if any, thereon.

All capitalized terms used but not defined herein shall have the meanings ascribed to them in the Funding Loan Agreement or in the Borrower Loan Agreement.

This Governmental Lender Note is subject to the express condition that at no time shall interest be payable on this Governmental Lender Note or the Funding Loan at a rate in excess of the Maximum Rate provided in the Funding Loan Agreement; and Obligor shall not be obligated or required to pay, nor shall the Holder be permitted to charge or collect, interest at a rate in excess of such Maximum Rate. If by the terms of this Governmental Lender Note or of the Funding Loan Agreement, Obligor is required to pay interest at a rate in excess of such Maximum Rate, the rate of interest hereunder or thereunder shall be deemed to be reduced immediately and automatically to such Maximum Rate, and any such excess payment previously made shall be immediately and automatically applied to the unpaid balance of the principal sum hereof and not to the payment of interest.

Amounts payable hereunder representing late payments, penalty payments or the like shall be payable to the extent allowed by law.

This Governmental Lender Note is subject to all of the terms, conditions, and provisions of the Funding Loan Agreement, including those respecting prepayment and the acceleration of maturity, and those respecting limitations on liability in Article V of the Funding Loan Agreement.

If there is an Event of Default under the Funding Loan Documents, then in any such event and subject to the requirements set forth in the Funding Loan Agreement, the Holder may declare the entire unpaid principal balance of this Governmental Lender Note and accrued interest, if any, due and payable at once. All of the covenants, conditions and agreements contained in the Funding Loan Documents are hereby made part of this Governmental Lender Note.

No delay or omission on the part of the Holder in exercising any remedy, right or option under this Governmental Lender Note or the Funding Loan Documents shall operate as a waiver of such remedy, right or option. In any event a waiver on any one occasion shall not be construed as a waiver or bar to any such remedy, right or option on a future occasion. The rights, remedies and options of the Holder under this Governmental Lender Note and the Funding Loan Documents are and shall be cumulative and are in addition to all of the rights, remedies and options of the Holder at law or in equity or under any other agreement.

Obligor shall pay all costs of collection on demand by the Holder, including without limitation, reasonable attorneys' fees and disbursements, which costs may be added to the indebtedness hereunder, together with interest thereon, to the extent allowed by law, as set forth in the Funding Loan Agreement but solely from the Pledged Revenues, the Security, or amounts provided by the Borrower.

This Governmental Lender Note may not be changed orally. Presentment for payment, notice of dishonor, protest and notice of protest are hereby waived. The acceptance by the Holder of any amount after the same is due shall not constitute a waiver of the right to require prompt payment, when due, of all other amounts due hereunder. The acceptance by the Holder of any sum in an amount less than the amount then due shall be deemed an acceptance on account only and upon condition that such acceptance shall not constitute a waiver of the obligation of Obligor to pay the entire sum then due, and Obligor's failure to pay such amount then due shall be and continue to be a default notwithstanding such acceptance of such amount on account, as aforesaid. Consent by the Holder to any action of Obligor which is subject to consent or approval of the Holder hereunder shall not be deemed a waiver of the right to require such consent or approval to future or successive actions.

IN WITNESS WHEREOF, the undersigned has duly executed and delivered this Governmental Lender Note by its authorized representative as of the date first set forth above.

In entering into this transaction, the Holder acknowledges that it has not relied upon any representations or opinions of the Governmental Lender relating to the legal consequences to the Funding Lender or other aspects of its making the Funding Loan and acquiring the Governmental Lender Note, nor has it looked to, or expected, the Governmental Lender to undertake or require any credit investigation or due diligence reviews relating to the Borrower, its financial condition or business operations, the Project (including the financing or management thereof), or any other matter pertaining to the merits or risks of the transactions contemplated by the Funding Loan Agreement and the Borrower Loan Agreement, or the adequacy of the funds pledged to the Funding Lender to secure repayment of the Governmental Lender Note.

9. Capitalized terms used herein and not otherwise defined have the meanings given such terms in the Funding Loan Agreement.
