WHEREAS, Commercial Club Foundation, an Illinois not-for-profit corporation ("CCF"), has proposed to donate goods and equipment with a fair market value not to exceed \$2,000,000 to CPD to be used for the Training Center, the ATCs, and other technology initiatives; and

WHEREAS, CPD and CCF have agreed to enter into an agreement in substantially the form attached hereto as Exhibit A (the "Agreement") whereby CCF will donate goods and equipment; now, therefore,

**GRANT OF GOODS AGREEMENT BY AND BETWEEN
THE CITY OF CHICAGO
AND THE COMMERCIAL CLUB FOUNDATION**

The City of Chicago (the "City"), by and through its Chicago Police Department ("CPD"), and The Commercial Club Foundation, an Illinois not-for-profit corporation ("CCF") (City and CCF are each a "Party," and together, the "Parties") hereby enter into this Grant of Goods Agreement ("Agreement") as of this ____ day of November 2025.

RECITALS

A. CPD is committed to protecting the lives, property, and rights of all people, to maintain order, and enforce the law impartially. CPD's goal is to perform constitutional and effective policing that keeps both community members and officers safe and restores the community's trust in the CPD.

B. CCF is an Illinois not-for-profit corporation with a mission to make the Chicago region a better place to live, work, and do business.

C. The use of digital evidence is essential in investigating and solving crimes. In 2019, the University of Chicago Crime Lab purchased and donated several tools CPD currently utilizes for digital evidence. The donation led to the creation of five Area Technology Centers ("ATCs") across the City of Chicago, which include specially trained detectives that can utilize the investigative tools and analyze digital evidence in working to identify offenders and clear cases.

D. CDP plans to create a digital forensics training center to train CPD detectives on the use of specialized digital forensic equipment ("Training Center")

E. CCF wishes to provide an initial grant of (i) equipment to the City to be used for the creation of a Training Center (the "Training Center Equipment") and (ii) equipment to be used to create five mobile digital forensics centers ("Mobile ATCs") to be utilized in connection with the ATCs (the "Mobile ATC Equipment", collectively with the Training Center Equipment, the "Initial Goods"), with a detailed copy of the general types of equipment intended to be donated attached as Exhibit A. Following the execution of this Agreement and during the term of this Agreement, CCF may agree with the City to provide an additional grant or grants of other goods pursuant to this Agreement (the "Subsequent Goods," and together with the Initial Goods, the "Goods").

F. CCF has received funding from certain funding parties (collectively, the "Initial Funders") in an initial amount of up to \$824,600.85 (such amount being referred to as the "Initial Total Project Budget") to make the grant of Initial Goods. CCF may receive funding from time to time from certain subsequent funding parties (collectively, the "Subsequent Funders," and together with the Initial Funders, the "Funders") in a total amount of up to \$1,175,399.15 (such amount being referred to as the "Subsequent Total Project Budget, and together with the Initial Total Project Budget, the "Total Project Budget") to make grants of Subsequent Goods. The Total Project Budget will be up to \$2,000,000.

G. On [], the City Council of the City ("City Council") adopted an ordinance published in the Journal of the Proceedings of the City Council (the "Journal") for said date at pages [] to [] authorizing the execution of this Agreement.

H. The Parties wish to enter into this Agreement to describe the responsibilities and obligations of each Party with respect to grants of Goods hereunder.

I. PURPOSE AND ACTIVITIES

A. Purpose. CCF wishes to provide grants of Goods to the City to be used (i) to create the Training Center to train CPD detectives on the use of specialized digital forensic equipment, (ii) to create five Mobile ATCs to be used in connection with ATCs and (iii) for other technology initiatives.

B. Activities. Subject to the terms of this Agreement, CCF will purchase, or arrange for the purchase of, certain Goods to be used in the Training Center, Mobile ATCs and other technology initiatives, and CCF will donate such Goods so purchased to CPD and CPD will use the donated Goods solely for the purpose set forth above.

II. DUTIES AND OBLIGATIONS OF THE PARTIES

A. To fulfill the terms of this Agreement, City agrees to the following:

- i. CPD shall provide adequate staff for liaison with CCF and cooperate with CCF in receiving the Goods.
- ii. CPD shall review all Goods that are proposed for delivery to CPD and retains sole discretion to examine the Goods at delivery. CPD may accept or reject any or all of the Goods prior to or at the point of delivery. Any such rejected Goods shall, upon such rejection, no longer be considered Goods for purposes of this Agreement.
- iii. CPD shall provide monthly general updates to representatives of CCF, in form and content mutually satisfactory to CPD and CCF, regarding the use of the Goods in connection with the ATCs, the development of the Training Center and other technology initiatives.
- iv. CPD shall invite CCF to quarterly meetings. At those meetings, CCF will be able to provide strategic advice that CPD may consider.
- v. The City shall cause CPD to affix on up to 5 of the Mobile ATCs that are part of the Initial Goods, such markings as may be reasonably agreed upon by CCF and City to indicate that each of the 5 Mobile ATCs have been named Matt, Julie, Jake, Sloane, and Simon. In the event that following any such markings being placed on the Mobile ATCs, CCF or the City reasonably determine that that such marking may be deemed to be detrimental to the reputation, image, mission or integrity of CCF, the City or CPD, as the case may be, the Parties shall meet and discuss in good faith any steps that should be taken with respect to the markings to alleviate such situation and following such discussion, the City shall take such steps that are mutually agreed upon by the Parties; provided that to the extent any such markings are determined to be unlawful or violative of any law, rule, ordinance or regulation applicable to the Mobile ATCs, the City may take such reasonable steps as may be necessary to comply with such law, rule, ordinance or regulation.
- vi. CPD shall use the Goods only for the purposes set forth above in Section I.A.

- B. To fulfill the terms of this Agreement, CCF agrees to the following:
- i. CCF shall, subject to the terms and conditions of this Agreement, use the funds provided by the Initial Funders to purchase (i) certain equipment that shall be used for the creation of the Training Center, with such general types of equipment described under the heading "Priority #1-Digital Forensics Center" on Exhibit A, and (ii) certain equipment that shall be used in creating the Mobile ATCs, with such general types of equipment described under the heading "Priority #2-ATC Digital Forensics Vans" on Exhibit A. CCF shall, subject to the terms and conditions of this Agreement, use the funds provided by the Subsequent Funders to purchase such Goods or equipment as may be mutually agreed upon between CCF and the City. Notwithstanding anything set forth in this Agreement, in no event shall the overall total cost of all purchases of Initial Goods hereunder ("ITPC") exceed the Initial Total Project Budget, and in the event that CCF is not able to purchase all of the Initial Goods generally of the type described on Exhibit A as a result of the ITPC exceeding the Initial Total Project Budget, whether as a result of any unforeseen or anticipated event, including without limitation the imposition of tariffs or trade restrictions, inflationary pressures, increased prices, limited supply, unavailability or otherwise, then CCF shall purchase such amount and types of Initial Goods as it may determine in its sole discretion within the overall limit of the Initial Total Project Budget, and the Initial Goods so purchased by CCF, donated to, and accepted by, the City pursuant to this Agreement shall be considered "Goods" for purposes of this Agreement. Notwithstanding anything set forth in this Agreement, in no event shall the overall total cost of all purchases of Subsequent Goods hereunder ("STPC") exceed the Subsequent Total Project Budget, and in the event that CCF is not able to purchase all of the Subsequent Goods as a result of the STPC exceeding the Subsequent Total Project Budget, whether as a result of any unforeseen or anticipated event, including without limitation the imposition of tariffs or trade restrictions, inflationary pressures, increased prices, limited supply, unavailability or otherwise, then CCF shall purchase such amount and types of Subsequent Goods as it may determine in its sole discretion within the overall limit of the Subsequent Total Project Budget, and the Subsequent Goods so purchased by CCF, donated to, and accepted by, the City pursuant to this Agreement shall be considered "Goods" for purposes of this Agreement.

For the avoidance of doubt, the listing on Exhibit A is merely a reflection of the types of Initial Goods that may be purchased by CCF and donated to the City pursuant to this Agreement, it being understood and agreed that the actual Initial Goods CCF purchases and donates to the City pursuant to this Agreement shall be determined by CCF in its sole discretion. In the event that any portion or portions of the proposed initial goods delivered are not suitable for the purposes described in Section I.A (as determined by the City in its sole discretion), the City may reject delivery of the goods as set forth in Section II.A and CCF shall be solely responsible for and shall pay all costs associated with the rejected goods and shall be free to use, donate or dispose of such rejected goods as it may determine. CCF shall be under no obligation to purchase, replace or obtain any replacement equipment for any goods rejected by CPD for any reason.

The parties shall work together to have the Goods delivered to the City. Effective upon CCF's delivery and the City's acceptance of Goods, CCF hereby transfers,

assigns and conveys to the City all of the CCF's right, title and interest in and to or herein after-acquired, to such accepted Goods.

Once CCF has delivered, and the City has accepted such delivery of, Goods, CCF shall have no responsibility or liability for such Goods, including without limitation, any responsibility or liability arising out of or related to the use of such Goods, the continued operating expenses related to such Goods or any maintenance or repair costs related to such Goods; provided, however, that the City shall not be held liable for any of the responsibilities, duties or obligations of CCF which arose prior to the delivery of, and the City's acceptance of, such Goods to the City.

- ii. CCF's Representative shall provide guidance and strategic direction to the CPD representatives overseeing receipt and use of the Goods and provide recommendations to ensure adequate progress toward meeting the purpose set forth in Section I.A.

III. CONFIDENTIAL INFORMATION.

All confidential, proprietary, and non-public information of the City, including: (i) reports, (ii) deliverables, (iii) documents, and (iv) information (i-iv, collectively, "Confidential Information") provided to CCF are property of the City and if either designated by the City as confidential or is of a type that should reasonably be considered to be treated as confidential, are confidential, and, except as provided below, will not be made available without the City's prior written consent, such consent not to be unreasonably withheld. The City shall not provide CCF with Confidential Information that does not relate to the Goods or this Agreement.

If CCF is presented with a request for documents by any administrative agency or with a subpoena duces tecum or other lawful process regarding any records, data or documents which may be in their possession by reason of this Agreement or the Grant of the Goods, unless required by law, before such records or documents are submitted to a court or other third party, CCF will use commercially reasonable efforts to provide notice to CPD and the City's Corporation Counsel of such request or demand, with the understanding that the City may, at its sole costs and expense, have the opportunity to contest such process by any means available to it, before such records or documents are submitted to a court or other third party.
