Attachment for Section III – Income or Compensation to, Or Ownership by, City Elected Officials:

BofA Securities, Inc. ("BofAS") is a direct, wholly-owned subsidiary of NB Holdings, which itself is a direct, wholly-owned subsidiary of Bank of America Corporation (the "Corporation"), which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofAS, had approximately 212,000 full-time equivalent employees as of June 30, 2024, and is a global franchise, serving customers and clients around the world with operations across the U.S., and more than 35 countries. Additionally, as of June 30, 2024, the Corporation had approximately $3.3 trillion dollars in assets. With the foregoing understanding, and in consideration of the confidential nature of our relationships with our many hundreds of thousands of clients, employees and shareholders, it is not reasonably feasible to perform such definitive due diligence spanning the full panoply of all of BofAS' and its related entities' departments, customers, employees, and principals to definitively determine if there are any such relationships which may currently pose a conflict of interest to our proposed relationship with you.

However, it is BofAS' intent that no other relationship, direct or indirect, can or would affect or impact its performance under any contract with you. We also note that all employees of the Corporation and its affiliates and subsidiaries including BofAS, are subject to a written Code of Conduct which each employee is required to read and acknowledge in writing on an annual basis, that requires all employees to disclose and receive appropriate approvals for any outside activities and relationships that may pose a conflict of interest to the Corporation or its affiliates and subsidiaries, and its business activities; as a result of those disclosures, no material conflicts have been identified.

In addition, with respect to those individuals supporting this transaction, BofAS confirms to the best of its knowledge and upon reasonable review that there are no conflicts of interest with the City of Chicago, or other entities that would disqualify BofAS from performing the requested services.

Attachment for Section V :

Disclosing Party certifies, as set forth below, to the best of its knowledge and belief that with respect to V.B.3.a.:

To the best of our knowledge and belief, after reasonable due diligence, neither BofA Securities, Inc. ("BofA Securities") nor its registered Executive Officers and Directors identified in Section II.B.1 of this EDS has had its authorization to act as a federal contractor revoked or suspended. No such information with respect to state or local entities is reported or to the best of our knowledge maintained separately.

V.B.3.b, c and e:

On May 11, 2019, BofA Securities, Inc. ("BofA Securities") agreed with Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S") to assume the assets and liabilities of the Global Banking and Markets business previously conducted by MLPF&S, including the regulatory and legal matters below.

In the ordinary course of business, BofA Securities is subject to regulatory examinations, information gathering requests, inquiries, and investigations ("Regulatory Inquiries") by various federal or state securities regulatory agencies and attorneys general, other local, state, and federal agencies, law enforcement, and self-regulatory organizations (collectively, "Regulators"); and is on occasion a defendant in or party to pending threatened legal actions and proceedings. In connection with formal and informal Regulatory Inquiries, BofA Securities receives numerous requests, subpoenas and orders for documents, testimony and information in connection with various aspects of their regulated activities, and in some cases regulatory action has been taken against BofA Securities. BofA Securities believes that it has cooperated fully with the Regulators in all such inquiries to date and intends to continue to cooperate fully with the Regulators in all such inquiries involving BofA Securities in the future.

Bank of America Corporation (the "Corporation"), BofA Securities' ultimate parent, makes all required disclosures in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K, all of which are filed with the U.S. Securities and Exchange Commission ("SEC") ("Regulatory Filings"). BofA Securities makes all required disclosures in its Form BD and ADV filings ("Form BD and ADV Filings") with the Financial Industry Regulatory Authority ("FINRA"). Those Regulatory Filings and Form BD and ADV Filings include disclosures of Regulatory Inquiries as required by federal law and applicable regulations. The Regulatory Filings are publicly available on the SEC's website at www.sec.gov. The Form BD Filings are publicly available on the FINRA BrokerCheck system at http://brokercheck.finra.org/. The Form ADV filings are publicly available on the SEC's Investment Adviser Search website at: http://www.adviserinfo.sec.gov/IAPD/default.aspx.

The Corporation cannot confirm or deny the existence of any other, non-public Regulatory Inquiry conducted by any Regulator unless required to do so by law.

Please note the following public matters involving BofA Securities' public finance business over the past five (5) years:

Municipal Bond Underwriting False Claims Act Lawsuits

Beginning in January 2016, the Corporation was served, along with a number of other banks, with lawsuits brought by Roger Hayes and Talbot Heppenstall (the "Relators") in Illinois, California, New Jersey and New York under those state's respective False Claims Acts. In each case, the Relators alleged that the

defendants falsely represented to state and municipal officials that they would obtain the lowest yields/highest prices for new negotiated municipal bond offerings in order to secure underwriting engagements for those offerings. All of the cases have been dismissed or withdrawn: The Illinois lawsuit was dismissed by the trial court without prejudice in September 2017; the California lawsuit was dismissed by the trial court with prejudice in March 2019; the New Jersey lawsuit was dismissed by the trial court without prejudice in early May 2019; and the Relators voluntarily discontinued the New York lawsuit in June 2019.

VRDO False Claims Act Lawsuits

Since November 2017, the Corporation has been served, along with a number of other banks, with lawsuits brought by Edelweiss Fund, LLC ("Edelweiss") in Illinois, California, Massachusetts, New Jersey and New York under those state's respective False Claims Acts. In February 2019, the Massachusetts state court permitted the substitution of Bjorn Johan Rosenberg for Edelweiss as the relator in the case. In each case, Edelweiss and Rosenberg purport to assert claims that the defendants engaged in a coordinated "robo-setting" scheme under which they allegedly set the rates for Variable Rate Demand Obligations ("VRDOs") mechanically in order to keep the rates artificially high and thereby reduce the chances of having to remarket the bonds. To date, the Attorney Generals of each of these states have declined to join in the lawsuits. The Massachusetts Supreme Court affirmed the trial court's dismissal of that case in May 2021. In October 2023, the defendants, including Bank of America, reached an agreement to settle the Illinois case for an aggregate of $70 million. The New York, New Jersey and California cases remain pending.

VRDO Antitrust Actions

On February 20, 2019, the City of Philadelphia filed a putative antitrust class action complaint in the U.S. District Court for the Southern District of New York alleging that several of the Corporation's affiliates and affiliates of six other large banks, acting in their capacity as remarketing agents for VRDOs, conspired between 2008 and 2016 to artificially inflate interest rates on VRDOs to the detriment of their municipal issuer customers. The complaint asserts causes of action (i) under Section 1 of the Sherman Antitrust Act and Sections 4 and 16 of the Clayton Antitrust Act, (ii) for breach of contract, and (iii) for unjust enrichment. On March 25, 2019, the Mayor and City Council of Baltimore, Maryland filed a similar class action antitrust complaint in the U.S. District Court for the Southern District of New York against several Bank of America affiliates and affiliates of other banks. The trial judge has ordered the cases to be consolidated. On June 3, 2021, a new VRDO antitrust class action complaint was filed in the Southern District of New York on behalf of a proposed subclass of California municipal issuers and asserting several claims under California law based on the same alleged conduct. On August 6, 2021, Plaintiffs in the main case filed an amended complaint that includes the California plaintiffs as named parties and otherwise absorbs/covers their claims. In September 2023, the trial judge granted Plaintiffs motion for class certification.

Puerto Rico Lawsuits

On September 15, 2022, Drivetrain, LLC as trustee for the Commonwealth of Puerto Rico ("Trustee") filed a second amended complaint in the adversary proceeding captioned Drivetrain, LLC v. Barclays Capital, Inc. et al., Adv. Pro. No. 19-00280 in the U.S. Bankruptcy Court for the District of Puerto Rico against BofA Securities, Inc. ("BofA"), Merrill Lynch, Pierce, Fenner & Smith Inc. ("MLPF&S"), and Merrill Lynch Capital

Services, Inc. ("MLCS," and collectively with BofA and MLPF&S, the "BANA Entities") and numerous other financial institutions that served as underwriters on 17 bond issuances by the Commonwealth of Puerto Rico and its instrumentalities and/or entered into interest rate swap agreements in the years leading up to the bankruptcy. The Trustee asserts claims against MLCS (the swap counterparties) and the other swap counterparties for rescission of the swap agreements because they were allegedly never registered in accordance with Puerto Rico law. In addition, the Trustee asserts claims against the BANA Entities and the other financial institutions for: (i) recovery of fees provided under the underwriter and swap agreements based on a theory that the bond issuances were allegedly contrary to Puerto Rico laws and increased Puerto Rico's insolvency because (1) the Puerto Rico agency issuing the bonds allegedly did not have the authority to so, (2) the bond issuances were allegedly not in the interest of the general welfare of Puerto Rico, or (3) the bond issuances allegedly added general obligation debt in violation of Puerto Rico's constitutional debt limit, and (ii) fraudulent conveyance of all fees and/or interest and principal payments on bonds the BANA Entities received in connection with the allegedly invalid bond issuances and swap agreements.

In addition, Ambac Assurance Corporation ("AMBAC"), Financial Guaranty Insurance Company ("FGIC") and National Public Finance Guarantee Corporation have brought lawsuits in a local court in Puerto Rico against Merrill Lynch and certain affiliates and 8 other underwriters for one or more bonds issued from 2001 to 2007 by the Commonwealth of Puerto Rico and its agencies. The plaintiffs allege that they were induced to insure the bonds based upon defendants assurances that they had reasonably investigated the statements in the Official Statements and that the underwriters had a reasonable basis for believing that the statements were true and complete. All three complaints are based on two equitable doctrines of Puerto Rican law: Doctrina de Actos Propious (i.e., "doctrine of own acts," which protects a third party who relies in good faith on the veracity of manifestations or actions of another); and Unilateral Declaration of Will (i.e., the creation of an obligation through a unilateral act in the form of a concrete promise on which others are intended to rely). On July 9, 2021, the FGIC complaint was dismissed with prejudice. On July 30, 2021, the AMBAC complaint was also dismissed. The Puerto Rico Court of Appeals has affirmed both dismissals. On December 20, 2021, the Court of Appeals reversed the trial court's denial of defendant's motion to dismiss the National complaint and dismissed that lawsuit too. National sought permission to appeal to the Puerto Rico Supreme Court and the Supreme Court denied the petition on May 13, 2022.

BofA Securities' registered officers and employees make required disclosures in their Form U-4, which are filed with FINRA pursuant to a directive from the SEC. These Form U-4 filings are publicly available on the FINRA BrokerCheck system at http://brokercheck.finra.org/.

V.B.3.d:

The Disclosing Party performed due diligence within the Public Finance Group of BofA Securities to determine whether any Public Finance Group employees were aware of any public finance transactions (federal, state or local) having been terminated for cause or default within the last five years, and none of such employees were aware of any such terminations.

V.B.5.a, b and c:

Please see response to V.B.3. b c and e above.

In addition, to the best of our knowledge and belief, after reasonable due diligence, BofA Securities believes that it is not barred from contracting with any unit of State or local government pursuant to 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 because neither BofA Securities nor its current employees have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 LCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses. Moreover, BofA Securities is not aware of any former employees who have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses based on conduct that took place while they were employed by BofA Securities.

V.B.8:

To the best of our knowledge and belief, after reasonable due diligence, BofA Securities believes that it is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither BofA Securities (or any controlling person of BofA Securities) nor any entity that BofA Securities has been affiliated with (including BANA and Banc of America Securities LLC ("BAS")) have within the past 5 years been convicted of, admitted guilt to in any civil or criminal proceeding, or charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a). Finally, BofA Securities believes that it is not ineligible under Section 2-92-320 of the Municipal Code of Chicago because neither BofA Securities nor its current employees have within the past 5 years been convicted of or made an admission of guilt regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4). Moreover, BofA Securities is not aware of any former employees who have been convicted of or made an admission of guilt within the past 5 years regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4) based on conduct that took place while they were employed by BofA Securities.

Attachment for Section V.B.2:

As of the date hereof, neither the Disclosing Party nor any Affiliated Persons are delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago. In the interest of ongoing transparency, we acknowledge a preliminary sales and use tax audit report from the City Department of Revenue and are working with the City to ensure all taxes are timely paid. We stress that we have received no actual notice of delinquency and there is no final finding of any amounts that may be owed. In accordance with this certification, the Disclosing Party will update at the end of each calendar quarter any event that materially affects the accuracy of the statements and information put forth in this certification.

Attachment for Section V.B.12-13/Appendix A:

BofA Securities, Inc. ("BofAS") is a direct, wholly-owned subsidiary of NB Holdings, which itself is a direct, wholly-owned subsidiary of Bank of America Corporation (the "Corporation"), which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofAS, had approximately 212,000 full-time equivalent employees as of June 30, 2024, and is a global franchise, serving customers and clients around the world with operations across the U.S., and more than 35 countries. Additionally, as of June 30, 2024, the Corporation had approximately $3.3 trillion dollars in assets. With the foregoing understanding, and in consideration of the confidential nature of our relationships with our many hundreds of thousands of clients, employees and shareholders, it is not reasonably feasible to perform such definitive due diligence spanning the full panoply of all of BofAS' and its related entities' departments, customers, employees, and principals to definitively determine if there are any such relationships which may currently pose a conflict of interest to our proposed relationship with you.

However, it is BofAS' intent that no other relationship, direct or indirect, can or would affect or impact its performance under any contract with you. We also note that all employees of the Corporation and its affiliates and subsidiaries including BofAS, are subject to a written Code of Conduct which each employee is required to read and acknowledge in writing on an annual basis, that requires all employees to disclose and receive appropriate approvals for any outside activities and relationships that may pose a conflict of interest to the Corporation or its affiliates and subsidiaries, and its business activities; as a result of those disclosures, no material conflicts have been identified.

In addition, with respect to those individuals supporting this transaction, BofAS confirms to the best of its knowledge and upon reasonable review that there are no conflicts of interest with the City of Chicago, or other entities that would disqualify BofAS from performing the requested services.

Attachment for Section V.D.:

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had approximately 212,000 full-time equivalent employees as of June 30, 2024. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response to business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the Public Finance Group of BofA Securities, Inc. to determine whether any of the Public Finance Group's employees were aware of any such relationships between the City elected officials and the Disclosing Party within the past 12 months.

ADDENDUM

CITY OF CHICAGO AFFIDAIVT DISCLOSING SLAVERY ERA PARTICIPATION, INVESTMENTS, OR PROFITS

BofA Securities, Inc. ("BofA Securities") is a direct, wholly owned subsidiary of NB Holdings Corporation ("NB Holdings"). NB Holdings is a direct, wholly owned subsidiary of Bank of America Corporation. Bank of America Corporation (the "Corporation") is a publicly held company whose shares are traded on the New York Stock Exchange and has no parent corporation. Based on the U.S. Securities and Exchange Commission Rules regarding beneficial ownership, Berkshire Hathaway Inc., 3555 Farnam Street, Omaha, Nebraska 68131, beneficially owns greater than 10% of Bank of America Corporation's outstanding common stock, which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofA Securities, is a global franchise, serving customers and clients around the world with operations in all 50 U.S. states, the District of Columbia, and more than 40 foreign countries. Given the size and breadth of the Bank of America family of companies, the extensive number of predecessor companies and the lack of availability of records for all predecessors dating back the slavery era, it is not reasonably possible to perform definitive due diligence across the full panoply of predecessor companies. In 2005, the Corporation engaged the research firm, Heritage Research Center, Ltd. to perform an extensive review of predecessor companies existing at the time to determine ties with slavery. The Heritage firm reported that they "did not identify any instances or occasions in which any Bank of America legacy banks made a profit from slavery." The firm found examples of abolitionist sentiment among founders and directors of several of the bank's predecessors, and strong objections to doing business with commercial interests involved in slavery in the bank's predecessors' histories. The firm also found two connections to slavery in the histories of the bank's predecessors. In 1863, two predecessor banks of Bank of America – Boatmen's Bank and Southern Bank in St. Louis – joined four other businesses in taking a security interest against all of the property of Charles McLaran for a past due debt. Mr. McLaran apparently owned slaves and the category "slaves" was listed in the agreement among the types of property pledged as security. That same year, Mr. McLaran paid his debts in full and the institutions released their claim on his property. At no time did any of the businesses own any of the slaves. In 1840, John Forsyth, Secretary of State of the United States, proposed to the directors of Bank of the Metropolis in Washington, D.C. to pledge slaves as security against an amount in dispute over a dishonored note, and the board agreed in principle to the proposal. The available evidence suggests that Forsyth and the directors reached an alternative arrangement several weeks later, and that the bank "did not file or receive a mortgage with Forsyth's slaves as collateral.

Attachment for Section III – Income or Compensation to, Or Ownership by, City Elected Officials:

BofA Securities, Inc. ("BofAS") is a direct, wholly-owned subsidiary of NB Holdings, which itself is a direct, wholly-owned subsidiary of Bank of America Corporation (the "Corporation"), which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofAS, had approximately 212,000 full-time equivalent employees as of June 30, 2024, and is a global franchise, serving customers and clients around the world with operations across the U.S., and more than 35 countries. Additionally, as of June 30, 2024, the Corporation had approximately $3.3 trillion dollars in assets. With the foregoing understanding, and in consideration of the confidential nature of our relationships with our many hundreds of thousands of clients, employees and shareholders, it is not reasonably feasible to perform such definitive due diligence spanning the full panoply of all of BofAS' and its related entities' departments, customers, employees, and principals to definitively determine if there are any such relationships which may currently pose a conflict of interest to our proposed relationship with you.

However, it is BofAS' intent that no other relationship, direct or indirect, can or would affect or impact its performance under any contract with you. We also note that all employees of the Corporation and its affiliates and subsidiaries including BofAS, are subject to a written Code of Conduct which each employee is required to read and acknowledge in writing on an annual basis, that requires all employees to disclose and receive appropriate approvals for any outside activities and relationships that may pose a conflict of interest to the Corporation or its affiliates and subsidiaries, and its business activities; as a result of those disclosures, no material conflicts have been identified.

In addition, with respect to those individuals supporting this transaction, BofAS confirms to the best of its knowledge and upon reasonable review that there are no conflicts of interest with the City of Chicago, or other entities that would disqualify BofAS from performing the requested services.

Attachment for Section V :

Disclosing Party certifies, as set forth below, to the best of its knowledge and belief that with respect to V.B.3.a.:

To the best of our knowledge and belief, after reasonable due diligence, neither BofA Securities, Inc. ("BofA Securities") nor its registered Executive Officers and Directors identified in Section II.B.1 of this EDS has had its authorization to act as a federal contractor revoked or suspended. No such information with respect to state or local entities is reported or to the best of our knowledge maintained separately.

V.B.3.b, c and e:

On May 11, 2019, BofA Securities, Inc. ("BofA Securities") agreed with Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S") to assume the assets and liabilities of the Global Banking and Markets business previously conducted by MLPF&S, including the regulatory and legal matters below.

In the ordinary course of business, BofA Securities is subject to regulatory examinations, information gathering requests, inquiries, and investigations ("Regulatory Inquiries") by various federal or state securities regulatory agencies and attorneys general, other local, state, and federal agencies, law enforcement, and self-regulatory organizations (collectively, "Regulators"); and is on occasion a defendant in or party to pending threatened legal actions and proceedings. In connection with formal and informal Regulatory Inquiries, BofA Securities receives numerous requests, subpoenas and orders for documents, testimony and information in connection with various aspects of their regulated activities, and in some cases regulatory action has been taken against BofA Securities. BofA Securities believes that it has cooperated fully with the Regulators in all such inquiries to date and intends to continue to cooperate fully with the Regulators in all such inquiries involving BofA Securities in the future.

Bank of America Corporation (the "Corporation"), BofA Securities' ultimate parent, makes all required disclosures in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K, all of which are filed with the U.S. Securities and Exchange Commission ("SEC") ("Regulatory Filings"). BofA Securities makes all required disclosures in its Form BD and ADV filings ("Form BD and ADV Filings") with the Financial Industry Regulatory Authority ("FINRA"). Those Regulatory Filings and Form BD and ADV Filings include disclosures of Regulatory Inquiries as required by federal law and applicable regulations. The Regulatory Filings are publicly available on the SEC's website at www.sec.gov. The Form BD Filings are publicly available on the FINRA BrokerCheck system at http://brokercheck.finra.org/. The Form ADV filings are publicly available on the SEC's Investment Adviser Search website at: http://www.adviserinfo.sec.gov/IAPD/default.aspx.

The Corporation cannot confirm or deny the existence of any other, non-public Regulatory Inquiry conducted by any Regulator unless required to do so by law.

Please note the following public matters involving BofA Securities' public finance business over the past five (5) years:

Municipal Bond Underwriting False Claims Act Lawsuits

Beginning in January 2016, the Corporation was served, along with a number of other banks, with lawsuits brought by Roger Hayes and Talbot Heppenstall (the "Relators") in Illinois, California, New Jersey and New York under those state's respective False Claims Acts. In each case, the Relators alleged that the

defendants falsely represented to state and municipal officials that they would obtain the lowest yields/highest prices for new negotiated municipal bond offerings in order to secure underwriting engagements for those offerings. All of the cases have been dismissed or withdrawn: The Illinois lawsuit was dismissed by the trial court without prejudice in September 2017; the California lawsuit was dismissed by the trial court with prejudice in March 2019; the New Jersey lawsuit was dismissed by the trial court without prejudice in early May 2019; and the Relators voluntarily discontinued the New York lawsuit in June 2019.

VRDO False Claims Act Lawsuits

Since November 2017, the Corporation has been served, along with a number of other banks, with lawsuits brought by Edelweiss Fund, LLC ("Edelweiss") in Illinois, California, Massachusetts, New Jersey and New York under those state's respective False Claims Acts. In February 2019, the Massachusetts state court permitted the substitution of Bjorn Johan Rosenberg for Edelweiss as the relator in the case. In each case, Edelweiss and Rosenberg purport to assert claims that the defendants engaged in a coordinated "robo-setting" scheme under which they allegedly set the rates for Variable Rate Demand Obligations ("VRDOs") mechanically in order to keep the rates artificially high and thereby reduce the chances of having to remarket the bonds. To date, the Attorney Generals of each of these states have declined to join in the lawsuits. The Massachusetts Supreme Court affirmed the trial court's dismissal of that case in May 2021. In October 2023, the defendants, including Bank of America, reached an agreement to settle the Illinois case for an aggregate of $70 million. The New York, New Jersey and California cases remain pending.

VRDO Antitrust Actions

On February 20, 2019, the City of Philadelphia filed a putative antitrust class action complaint in the U.S. District Court for the Southern District of New York alleging that several of the Corporation's affiliates and affiliates of six other large banks, acting in their capacity as remarketing agents for VRDOs, conspired between 2008 and 2016 to artificially inflate interest rates on VRDOs to the detriment of their municipal issuer customers. The complaint asserts causes of action (i) under Section 1 of the Sherman Antitrust Act and Sections 4 and 16 of the Clayton Antitrust Act, (ii) for breach of contract, and (iii) for unjust enrichment. On March 25, 2019, the Mayor and City Council of Baltimore, Maryland filed a similar class action antitrust complaint in the U.S. District Court for the Southern District of New York against several Bank of America affiliates and affiliates of other banks. The trial judge has ordered the cases to be consolidated. On June 3, 2021, a new VRDO antitrust class action complaint was filed in the Southern District of New York on behalf of a proposed subclass of California municipal issuers and asserting several claims under California law based on the same alleged conduct. On August 6, 2021, Plaintiffs in the main case filed an amended complaint that includes the California plaintiffs as named parties and otherwise absorbs/covers their claims. In September 2023, the trial judge granted Plaintiffs motion for class certification.

Puerto Rico Lawsuits

On September 15, 2022, Drivetrain, LLC as trustee for the Commonwealth of Puerto Rico ("Trustee") filed a second amended complaint in the adversary proceeding captioned Drivetrain, LLC v. Barclays Capital, Inc. et al., Adv. Pro. No. 19-00280 in the U.S. Bankruptcy Court for the District of Puerto Rico against BofA Securities, Inc. ("BofA"), Merrill Lynch, Pierce, Fenner & Smith Inc. ("MLPF&S"), and Merrill Lynch Capital

Services, Inc. ("MLCS," and collectively with BofA and MLPF&S, the "BANA Entities") and numerous other financial institutions that served as underwriters on 17 bond issuances by the Commonwealth of Puerto Rico and its instrumentalities and/or entered into interest rate swap agreements in the years leading up to the bankruptcy. The Trustee asserts claims against MLCS (the swap counterparties) and the other swap counterparties for rescission of the swap agreements because they were allegedly never registered in accordance with Puerto Rico law. In addition, the Trustee asserts claims against the BANA Entities and the other financial institutions for: (i) recovery of fees provided under the underwriter and swap agreements based on a theory that the bond issuances were allegedly contrary to Puerto Rico laws and increased Puerto Rico's insolvency because (1) the Puerto Rico agency issuing the bonds allegedly did not have the authority to so, (2) the bond issuances were allegedly not in the interest of the general welfare of Puerto Rico, or (3) the bond issuances allegedly added general obligation debt in violation of Puerto Rico's constitutional debt limit, and (ii) fraudulent conveyance of all fees and/or interest and principal payments on bonds the BANA Entities received in connection with the allegedly invalid bond issuances and swap agreements.

In addition, Ambac Assurance Corporation ("AMBAC"), Financial Guaranty Insurance Company ("FGIC") and National Public Finance Guarantee Corporation have brought lawsuits in a local court in Puerto Rico against Merrill Lynch and certain affiliates and 8 other underwriters for one or more bonds issued from 2001 to 2007 by the Commonwealth of Puerto Rico and its agencies. The plaintiffs allege that they were induced to insure the bonds based upon defendants assurances that they had reasonably investigated the statements in the Official Statements and that the underwriters had a reasonable basis for believing that the statements were true and complete. All three complaints are based on two equitable doctrines of Puerto Rican law: Doctrina de Actos Propious (i.e., "doctrine of own acts," which protects a third party who relies in good faith on the veracity of manifestations or actions of another); and Unilateral Declaration of Will (i.e., the creation of an obligation through a unilateral act in the form of a concrete promise on which others are intended to rely). On July 9, 2021, the FGIC complaint was dismissed with prejudice. On July 30, 2021, the AMBAC complaint was also dismissed. The Puerto Rico Court of Appeals has affirmed both dismissals. On December 20, 2021, the Court of Appeals reversed the trial court's denial of defendant's motion to dismiss the National complaint and dismissed that lawsuit too. National sought permission to appeal to the Puerto Rico Supreme Court and the Supreme Court denied the petition on May 13, 2022.

BofA Securities' registered officers and employees make required disclosures in their Form U-4, which are filed with FINRA pursuant to a directive from the SEC. These Form U-4 filings are publicly available on the FINRA BrokerCheck system at http://brokercheck.finra.org/.

V.B.3.d:

The Disclosing Party performed due diligence within the Public Finance Group of BofA Securities to determine whether any Public Finance Group employees were aware of any public finance transactions (federal, state or local) having been terminated for cause or default within the last five years, and none of such employees were aware of any such terminations.

V.B.5.a, b and c:

Please see response to V.B.3. b c and e above.

In addition, to the best of our knowledge and belief, after reasonable due diligence, BofA Securities believes that it is not barred from contracting with any unit of State or local government pursuant to 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 because neither BofA Securities nor its current employees have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 LCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses. Moreover, BofA Securities is not aware of any former employees who have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses based on conduct that took place while they were employed by BofA Securities.

V.B.8:

To the best of our knowledge and belief, after reasonable due diligence, BofA Securities believes that it is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither BofA Securities (or any controlling person of BofA Securities) nor any entity that BofA Securities has been affiliated with (including BANA and Banc of America Securities LLC ("BAS")) have within the past 5 years been convicted of, admitted guilt to in any civil or criminal proceeding, or charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a). Finally, BofA Securities believes that it is not ineligible under Section 2-92-320 of the Municipal Code of Chicago because neither BofA Securities nor its current employees have within the past 5 years been convicted of or made an admission of guilt regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4). Moreover, BofA Securities is not aware of any former employees who have been convicted of or made an admission of guilt within the past 5 years regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4) based on conduct that took place while they were employed by BofA Securities.

Attachment for Section V.B.2:

As of the date hereof, neither the Disclosing Party nor any Affiliated Persons are delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago. In the interest of ongoing transparency, we acknowledge a preliminary sales and use tax audit report from the City Department of Revenue and are working with the City to ensure all taxes are timely paid. We stress that we have received no actual notice of delinquency and there is no final finding of any amounts that may be owed. In accordance with this certification, the Disclosing Party will update at the end of each calendar quarter any event that materially affects the accuracy of the statements and information put forth in this certification.

Attachment for Section V.B.12-13/Appendix A:

BofA Securities, Inc. ("BofAS") is a direct, wholly-owned subsidiary of NB Holdings, which itself is a direct, wholly-owned subsidiary of Bank of America Corporation (the "Corporation"), which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofAS, had approximately 212,000 full-time equivalent employees as of June 30, 2024, and is a global franchise, serving customers and clients around the world with operations across the U.S., and more than 35 countries. Additionally, as of June 30, 2024, the Corporation had approximately $3.3 trillion dollars in assets. With the foregoing understanding, and in consideration of the confidential nature of our relationships with our many hundreds of thousands of clients, employees and shareholders, it is not reasonably feasible to perform such definitive due diligence spanning the full panoply of all of BofAS' and its related entities' departments, customers, employees, and principals to definitively determine if there are any such relationships which may currently pose a conflict of interest to our proposed relationship with you.

However, it is BofAS' intent that no other relationship, direct or indirect, can or would affect or impact its performance under any contract with you. We also note that all employees of the Corporation and its affiliates and subsidiaries including BofAS, are subject to a written Code of Conduct which each employee is required to read and acknowledge in writing on an annual basis, that requires all employees to disclose and receive appropriate approvals for any outside activities and relationships that may pose a conflict of interest to the Corporation or its affiliates and subsidiaries, and its business activities; as a result of those disclosures, no material conflicts have been identified.

In addition, with respect to those individuals supporting this transaction, BofAS confirms to the best of its knowledge and upon reasonable review that there are no conflicts of interest with the City of Chicago, or other entities that would disqualify BofAS from performing the requested services.

Attachment for Section V.D.:

Please note that the Disclosing Party is a subsidiary of Bank of America Corporation ("BAC"). BAC and its subsidiaries had approximately 212,000 full-time equivalent employees as of June 30, 2024. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response to business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the Public Finance Group of BofA Securities, Inc. to determine whether any of the Public Finance Group's employees were aware of any such relationships between the City elected officials and the Disclosing Party within the past 12 months.

ADDENDUM

CITY OF CHICAGO AFFIDAIVT DISCLOSING SLAVERY ERA PARTICIPATION, INVESTMENTS, OR PROFITS

BofA Securities, Inc. ("BofA Securities") is a direct, wholly owned subsidiary of NB Holdings Corporation ("NB Holdings"). NB Holdings is a direct, wholly owned subsidiary of Bank of America Corporation. Bank of America Corporation (the "Corporation") is a publicly held company whose shares are traded on the New York Stock Exchange and has no parent corporation. Based on the U.S. Securities and Exchange Commission Rules regarding beneficial ownership, Berkshire Hathaway Inc., 3555 Farnam Street, Omaha, Nebraska 68131, beneficially owns greater than 10% of Bank of America Corporation's outstanding common stock, which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofA Securities, is a global franchise, serving customers and clients around the world with operations in all 50 U.S. states, the District of Columbia, and more than 40 foreign countries. Given the size and breadth of the Bank of America family of companies, the extensive number of predecessor companies and the lack of availability of records for all predecessors dating back the slavery era, it is not reasonably possible to perform definitive due diligence across the full panoply of predecessor companies. In 2005, the Corporation engaged the research firm, Heritage Research Center, Ltd. to perform an extensive review of predecessor companies existing at the time to determine ties with slavery. The Heritage firm reported that they "did not identify any instances or occasions in which any Bank of America legacy banks made a profit from slavery." The firm found examples of abolitionist sentiment among founders and directors of several of the bank's predecessors, and strong objections to doing business with commercial interests involved in slavery in the bank's predecessors' histories. The firm also found two connections to slavery in the histories of the bank's predecessors. In 1863, two predecessor banks of Bank of America – Boatmen's Bank and Southern Bank in St. Louis – joined four other businesses in taking a security interest against all of the property of Charles McLaran for a past due debt. Mr. McLaran apparently owned slaves and the category "slaves" was listed in the agreement among the types of property pledged as security. That same year, Mr. McLaran paid his debts in full and the institutions released their claim on his property. At no time did any of the businesses own any of the slaves. In 1840, John Forsyth, Secretary of State of the United States, proposed to the directors of Bank of the Metropolis in Washington, D.C. to pledge slaves as security against an amount in dispute over a dishonored note, and the board agreed in principle to the proposal. The available evidence suggests that Forsyth and the directors reached an alternative arrangement several weeks later, and that the bank "did not file or receive a mortgage with Forsyth's slaves as collateral.

Attachment for Section III – Income or Compensation to, Or Ownership by, City Elected Officials:

BofA Securities, Inc. ("BofAS") is a direct, wholly-owned subsidiary of NB Holdings, which itself is a direct, wholly-owned subsidiary of Bank of America Corporation (the "Corporation"), which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofAS, had approximately 212,000 full-time equivalent employees as of JJune 30, 2024, and is a global franchise, serving customers and clients around the world with operations across the U.S., and more than 35 countries. Additionally, as of June 30, 2024, the Corporation had approximately $3.3 trillion dollars in assets. With the foregoing understanding, and in consideration of the confidential nature of our relationships with our many hundreds of thousands of clients, employees and shareholders, it is not reasonably feasible to perform such definitive due diligence spanning the full panoply of all of BofAS' and its related entities' departments, customers, employees, and principals to definitively determine if there are any such relationships which may currently pose a conflict of interest to our proposed relationship with you.

However, it is BofAS' intent that no other relationship, direct or indirect, can or would affect or impact its performance under any contract with you. We also note that all employees of the Corporation and its affiliates and subsidiaries including BofAS, are subject to a written Code of Conduct which each employee is required to read and acknowledge in writing on an annual basis, that requires all employees to disclose and receive appropriate approvals for any outside activities and relationships that may pose a conflict of interest to the Corporation or its affiliates and subsidiaries, and its business activities; as a result of those disclosures, no material conflicts have been identified.

In addition, with respect to those individuals supporting this transaction, BofAS confirms to the best of its knowledge and upon reasonable review that there are no conflicts of interest with the City of Chicago, or other entities that would disqualify BofAS from performing the requested services.

Attachment for Section V :

Disclosing Party certifies, as set forth below, to the best of its knowledge and belief that with respect to V.B.3.a.:

To the best of our knowledge and belief, after reasonable due diligence, neither BofA Securities, Inc. ("BofA Securities") nor its registered Executive Officers and Directors identified in Section II.B.1 of this EDS has had its authorization to act as a federal contractor revoked or suspended. No such information with respect to state or local entities is reported or to the best of our knowledge maintained separately.

V.B.3.b, c and e:

On May 11, 2019, BofA Securities, Inc. ("BofA Securities") agreed with Merrill Lynch, Pierce, Fenner & Smith Incorporated ("MLPF&S") to assume the assets and liabilities of the Global Banking and Markets business previously conducted by MLPF&S, including the regulatory and legal matters below.

In the ordinary course of business, BofA Securities is subject to regulatory examinations, information gathering requests, inquiries, and investigations ("Regulatory Inquiries") by various federal or state securities regulatory agencies and attorneys general, other local, state, and federal agencies, law enforcement, and self-regulatory organizations (collectively, "Regulators"); and is on occasion a defendant in or party to pending threatened legal actions and proceedings. In connection with formal and informal Regulatory Inquiries, BofA Securities receives numerous requests, subpoenas and orders for documents, testimony and information in connection with various aspects of their regulated activities, and in some cases regulatory action has been taken against BofA Securities. BofA Securities believes that it has cooperated fully with the Regulators in all such inquiries to date and intends to continue to cooperate fully with the Regulators in all such inquiries involving BofA Securities in the future.

Bank of America Corporation (the "Corporation"), BofA Securities' ultimate parent, makes all required disclosures in its Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are updated in Reports on Form 8-K, all of which are filed with the U.S. Securities and Exchange Commission ("SEC") ("Regulatory Filings"). BofA Securities makes all required disclosures in its Form BD and ADV filings ("Form BD and ADV Filings") with the Financial Industry Regulatory Authority ("FINRA"). Those Regulatory Filings and Form BD and ADV Filings include disclosures of Regulatory Inquiries as required by federal law and applicable regulations. The Regulatory Filings are publicly available on the SEC's website at www.sec.gov. The Form BD Filings are publicly available on the FINRA BrokerCheck system at http://brokercheck.finra.org/. The Form ADV filings are publicly available on the SEC's Investment Adviser Search website at: http://www.adviserinfo.sec.gov/IAPD/default.aspx.

The Corporation cannot confirm or deny the existence of any other, non-public Regulatory Inquiry conducted by any Regulator unless required to do so by law.

Please note the following public matters involving BofA Securities' public finance business over the past five (5) years:

Municipal Bond Underwriting False Claims Act Lawsuits

Beginning in January 2016, the Corporation was served, along with a number of other banks, with lawsuits brought by Roger Hayes and Talbot Heppenstall (the "Relators") in Illinois, California, New Jersey and New York under those state's respective False Claims Acts. In each case, the Relators alleged that the

defendants falsely represented to state and municipal officials that they would obtain the lowest yields/highest prices for new negotiated municipal bond offerings in order to secure underwriting engagements for those offerings. All of the cases have been dismissed or withdrawn: The Illinois lawsuit was dismissed by the trial court without prejudice in September 2017; the California lawsuit was dismissed by the trial court with prejudice in March 2019; the New Jersey lawsuit was dismissed by the trial court without prejudice in early May 2019; and the Relators voluntarily discontinued the New York lawsuit in June 2019.

VRDO False Claims Act Lawsuits

Since November 2017, the Corporation has been served, along with a number of other banks, with lawsuits brought by Edelweiss Fund, LLC ("Edelweiss") in Illinois, California, Massachusetts, New Jersey and New York under those state's respective False Claims Acts. In February 2019, the Massachusetts state court permitted the substitution of Bjorn Johan Rosenberg for Edelweiss as the relator in the case. In each case, Edelweiss and Rosenberg purport to assert claims that the defendants engaged in a coordinated "robo-setting" scheme under which they allegedly set the rates for Variable Rate Demand Obligations ("VRDOs") mechanically in order to keep the rates artificially high and thereby reduce the chances of having to remarket the bonds. To date, the Attorney Generals of each of these states have declined to join in the lawsuits. The Massachusetts Supreme Court affirmed the trial court's dismissal of that case in May 2021. In October 2023, the defendants, including Bank of America, reached an agreement to settle the Illinois case for an aggregate of $70 million. The New York, New Jersey and California cases remain pending.

VRDO Antitrust Actions

On February 20, 2019, the City of Philadelphia filed a putative antitrust class action complaint in the U.S. District Court for the Southern District of New York alleging that several of the Corporation's affiliates and affiliates of six other large banks, acting in their capacity as remarketing agents for VRDOs, conspired between 2008 and 2016 to artificially inflate interest rates on VRDOs to the detriment of their municipal issuer customers. The complaint asserts causes of action (i) under Section 1 of the Sherman Antitrust Act and Sections 4 and 16 of the Clayton Antitrust Act, (ii) for breach of contract, and (iii) for unjust enrichment. On March 25, 2019, the Mayor and City Council of Baltimore, Maryland filed a similar class action antitrust complaint in the U.S. District Court for the Southern District of New York against several Bank of America affiliates and affiliates of other banks. The trial judge has ordered the cases to be consolidated. On June 3, 2021, a new VRDO antitrust class action complaint was filed in the Southern District of New York on behalf of a proposed subclass of California municipal issuers and asserting several claims under California law based on the same alleged conduct. On August 6, 2021, Plaintiffs in the main case filed an amended complaint that includes the California plaintiffs as named parties and otherwise absorbs/covers their claims. In September 2023, the trial judge granted Plaintiffs motion for class certification.

Puerto Rico Lawsuits

On September 15, 2022, Drivetrain, LLC as trustee for the Commonwealth of Puerto Rico ("Trustee") filed a second amended complaint in the adversary proceeding captioned Drivetrain, LLC v. Barclays Capital, Inc. et al., Adv. Pro. No. 19-00280 in the U.S. Bankruptcy Court for the District of Puerto Rico against BofA Securities, Inc. ("BofA"), Merrill Lynch, Pierce, Fenner & Smith Inc. ("MLPF&S"), and Merrill Lynch Capital

Services, Inc. ("MLCS," and collectively with BofA and MLPF&S, the "BANA Entities") and numerous other financial institutions that served as underwriters on 17 bond issuances by the Commonwealth of Puerto Rico and its instrumentalities and/or entered into interest rate swap agreements in the years leading up to the bankruptcy. The Trustee asserts claims against MLCS (the swap counterparties) and the other swap counterparties for rescission of the swap agreements because they were allegedly never registered in accordance with Puerto Rico law. In addition, the Trustee asserts claims against the BANA Entities and the other financial institutions for: (i) recovery of fees provided under the underwriter and swap agreements based on a theory that the bond issuances were allegedly contrary to Puerto Rico laws and increased Puerto Rico's insolvency because (1) the Puerto Rico agency issuing the bonds allegedly did not have the authority to so, (2) the bond issuances were allegedly not in the interest of the general welfare of Puerto Rico, or (3) the bond issuances allegedly added general obligation debt in violation of Puerto Rico's constitutional debt limit, and (ii) fraudulent conveyance of all fees and/or interest and principal payments on bonds the BANA Entities received in connection with the allegedly invalid bond issuances and swap agreements.

In addition, Ambac Assurance Corporation ("AMBAC"), Financial Guaranty Insurance Company ("FGIC") and National Public Finance Guarantee Corporation have brought lawsuits in a local court in Puerto Rico against Merrill Lynch and certain affiliates and 8 other underwriters for one or more bonds issued from 2001 to 2007 by the Commonwealth of Puerto Rico and its agencies. The plaintiffs allege that they were induced to insure the bonds based upon defendants assurances that they had reasonably investigated the statements in the Official Statements and that the underwriters had a reasonable basis for believing that the statements were true and complete. All three complaints are based on two equitable doctrines of Puerto Rican law: Doctrina de Actos Propious (i.e., "doctrine of own acts," which protects a third party who relies in good faith on the veracity of manifestations or actions of another); and Unilateral Declaration of Will (i.e., the creation of an obligation through a unilateral act in the form of a concrete promise on which others are intended to rely). On July 9, 2021, the FGIC complaint was dismissed with prejudice. On July 30, 2021, the AMBAC complaint was also dismissed. The Puerto Rico Court of Appeals has affirmed both dismissals. On December 20, 2021, the Court of Appeals reversed the trial court's denial of defendant's motion to dismiss the National complaint and dismissed that lawsuit too. National sought permission to appeal to the Puerto Rico Supreme Court and the Supreme Court denied the petition on May 13, 2022.

BofA Securities' registered officers and employees make required disclosures in their Form U-4, which are filed with FINRA pursuant to a directive from the SEC. These Form U-4 filings are publicly available on the FINRA BrokerCheck system at http://brokercheck.finra.org/.

V.B.3.d:

V.B.5.a, b and c:

Please see response to V.B.3. b c and e above.

In addition, to the best of our knowledge and belief, after reasonable due diligence, BofA Securities believes that it is not barred from contracting with any unit of State or local government pursuant to 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 because neither BofA Securities nor its current employees have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 LCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses. Moreover, BofA Securities is not aware of any former employees who have been convicted within the past 5 years of violating 720 ILCS 5/33E-3 or 720 ILCS 5/33E-4 or any similar offenses of any state or the United States which contains the same elements as these offenses based on conduct that took place while they were employed by BofA Securities.

V.B.8:

To the best of our knowledge and belief, after reasonable due diligence, BofA Securities believes that it is not ineligible under Section 1-23-020 of the Municipal Code of Chicago because neither BofA Securities (or any controlling person of BofA Securities) nor any entity that BofA Securities has been affiliated with (including BANA and Banc of America Securities LLC ("BAS")) have within the past 5 years been convicted of, admitted guilt to in any civil or criminal proceeding, or charged with or indicted for any felony or criminal offense for conduct outlined in Section 1-23-020(a). Finally, BofA Securities believes that it is not ineligible under Section 2-92-320 of the Municipal Code of Chicago because neither BofA Securities nor its current employees have within the past 5 years been convicted of or made an admission of guilt regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4). Moreover, BofA Securities is not aware of any former employees who have been convicted of or made an admission of guilt within the past 5 years regarding the items outlined in 2-92-320 (a)(1)-(3) or violated the items identified in 2-92-320(a)(4) based on conduct that took place while they were employed by BofA Securities.

Attachment for Section V.B.2:

As of the date hereof, neither the Disclosing Party nor any Affiliated Persons are delinquent in the payment of any fine, fee, tax or other source of indebtedness owed to the City of Chicago. In the interest of ongoing transparency, we acknowledge a preliminary sales and use tax audit report from the City Department of Revenue and are working with the City to ensure all taxes are timely paid. We stress that we have received no actual notice of delinquency and there is no final finding of any amounts that may be owed. In accordance with this certification, the Disclosing Party will update at the end of each calendar quarter any event that materially affects the accuracy of the statements and information put forth in this certification.

Attachment for Section V.B.12-13/Appendix A:

BofA Securities, Inc. ("BofAS") is a direct, wholly-owned subsidiary of NB Holdings, which itself is a direct, wholly-owned subsidiary of Bank of America Corporation (the "Corporation"), which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofAS, had approximately 212,000 full-time equivalent employees as of June 30, 2024, and is a global franchise, serving customers and clients around the world with operations across the U.S., and more than 35 countries. Additionally, as of June 30, 2024, the Corporation had approximately $3.3 trillion dollars in assets. With the foregoing understanding, and in consideration of the confidential nature of our relationships with our many hundreds of thousands of clients, employees and shareholders, it is not reasonably feasible to perform such definitive due diligence spanning the full panoply of all of BofAS' and its related entities' departments, customers, employees, and principals to definitively determine if there are any such relationships which may currently pose a conflict of interest to our proposed relationship with you.

However, it is BofAS' intent that no other relationship, direct or indirect, can or would affect or impact its performance under any contract with you. We also note that all employees of the Corporation and its affiliates and subsidiaries including BofAS, are subject to a written Code of Conduct which each employee is required to read and acknowledge in writing on an annual basis, that requires all employees to disclose and receive appropriate approvals for any outside activities and relationships that may pose a conflict of interest to the Corporation or its affiliates and subsidiaries, and its business activities; as a result of those disclosures, no material conflicts have been identified.

In addition, with respect to those individuals supporting this transaction, BofAS confirms to the best of its knowledge and upon reasonable review that there are no conflicts of interest with the City of Chicago, or other entities that would disqualify BofAS from performing the requested services.

Attachment for Section V.D.:

Please note that Bank of America Corporation ("BAC") and its subsidiaries had approximately 212,000 full-time equivalent employees as of June 30, 2024. Accordingly, it is not possible for BAC to perform due diligence across the full panoply of associates and BAC-related entities in preparing a response to business relationships with City of Chicago elected officials. In responding to this question, the Disclosing Party did perform due diligence within the Public Finance Group of BofA Securities, Inc. to determine whether any of the Public Finance Group's employees were aware of any such relationships between the City elected officials and the Disclosing Party within the past 12 months.

ADDENDUM

CITY OF CHICAGO AFFIDAIVT DISCLOSING SLAVERY ERA PARTICIPATION, INVESTMENTS, OR PROFITS

BofA Securities, Inc. ("BofA Securities") is a direct, wholly owned subsidiary of NB Holdings Corporation ("NB Holdings"). NB Holdings is a direct, wholly owned subsidiary of Bank of America Corporation. Bank of America Corporation (the "Corporation") is a publicly held company whose shares are traded on the New York Stock Exchange and has no parent corporation. Based on the U.S. Securities and Exchange Commission Rules regarding beneficial ownership, Berkshire Hathaway Inc., 3555 Farnam Street, Omaha, Nebraska 68131, beneficially owns greater than 10% of Bank of America Corporation's outstanding common stock, which is a large and diversified, publicly-traded institution. The Corporation and its subsidiaries including BofA Securities, is a global franchise, serving customers and clients around the world with operations in all 50 U.S. states, the District of Columbia, and more than 40 foreign countries. Given the size and breadth of the Bank of America family of companies, the extensive number of predecessor companies and the lack of availability of records for all predecessors dating back the slavery era, it is not reasonably possible to perform definitive due diligence across the full panoply of predecessor companies. In 2005, the Corporation engaged the research firm, Heritage Research Center, Ltd. to perform an extensive review of predecessor companies existing at the time to determine ties with slavery. The Heritage firm reported that they "did not identify any instances or occasions in which any Bank of America legacy banks made a profit from slavery." The firm found examples of abolitionist sentiment among founders and directors of several of the bank's predecessors, and strong objections to doing business with commercial interests involved in slavery in the bank's predecessors' histories. The firm also found two connections to slavery in the histories of the bank's predecessors. In 1863, two predecessor banks of Bank of America – Boatmen's Bank and Southern Bank in St. Louis – joined four other businesses in taking a security interest against all of the property of Charles McLaran for a past due debt. Mr. McLaran apparently owned slaves and the category "slaves" was listed in the agreement among the types of property pledged as security. That same year, Mr. McLaran paid his debts in full and the institutions released their claim on his property. At no time did any of the businesses own any of the slaves. In 1840, John Forsyth, Secretary of State of the United States, proposed to the directors of Bank of the Metropolis in Washington, D.C. to pledge slaves as security against an amount in dispute over a dishonored note, and the board agreed in principle to the proposal. The available evidence suggests that Forsyth and the directors reached an alternative arrangement several weeks later, and that the bank "did not file or receive a mortgage with Forsyth's slaves as collateral.

Section III (page 3)

To the best of the knowledge of the Disclosing Party after reasonable due diligence and inquiry, the Disclosing Party has not provided any income or compensation to any of the City elected officials listed on Attachment 1.1 hereto, in the 12 months before the date this EDS is signed nor does the Disclosing Party reasonably expect to provide any income or compensation to any City elected official during the 12-month period following the date of this EDS . To the best of the knowledge of the Disclosing Party after reasonable inquiry, no City elected official or, to the best of the Disclosing Party's knowledge, without due diligence or inquiry whatsoever, no City elected official's spouse or domestic partner, had a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago) in the Disclosing Party in the 12 months before the date this EDS is signed.

Section V. Part B.3. (page 5)

The Further Certifications made in this Section V. Part B.3 are being made on behalf of the Disclosing Party and its officers and directors based on reasonable due diligence and inquiry, to the best of the knowledge of the Disclosing Party, and with the limitations set forth below with regard to the certification contained in Section V., Part B.3.e.[1] It is RBC's policy to maintain the highest possible standards of honest and ethical behavior. In keeping with this objective, RBC has established a Code of Conduct that governs the actions of every employee regardless of the RBC entity for which they work and regardless of the legal jurisdiction or location of that company. The Code of Conduct extends to every employee in every location worldwide. Any employee who fails to meet the standards set out in the Code of Conduct is subject to corrective or disciplinary action, including immediate or eventual dismissal.

[1] The Disclosing Party is a subsidiary of Royal Bank of Canada ("RBC"), Canada's largest bank as measured by market capitalization and one of North America's leading diversified financial services companies. RBC provides personal and commercial banking, wealth management services, insurance, corporate and investment banking, and transaction processing services directly and through its subsidiaries on a global basis. In the United States, RBC provides personal and commercial banking, mortgage origination, insurance, full-service brokerage and corporate and investment banking services through its branches and subsidiaries. RBC and its subsidiaries and affiliates have from time to time participated in the remediation of environmental issues relating to distressed real estate collateral and other real estate in the ordinary course of its commercial real estate lending and other activities. Due to the size and scope of RBC's activities, both in Canada and the United States and throughout the world, it is not possible for the Disclosing Party to identify all situations in the past five years in which real estate held as collateral for loans or otherwise in connection with the activities of RBC and its subsidiaries and affiliates was affected by environmental issues. As indicated above, however, to the best of the knowledge of the Disclosing Party, based on reasonable due diligence and inquiry, RBC and its affiliates doing business in the United States have not, in the past five years, been found in violation of any city, state or federal environmental law or regulation.

RBC believes human welfare depends upon sound economic growth and the maintenance of a healthy environment, and has recognized that the two are inextricably linked. RBC is committed to managing its businesses to promote these aims and is dedicated to responsibly managing all aspects of its business to ensure environmental laws and regulations and recognized standards are met or exceeded. For additional information regarding RBC's established policies regarding the environment, please refer to http://www.rbc.com/environment/index.html

Section V, Part B.11. (page 7)

The Further Certifications in this Section V., Parts B .5., 6. and 7. are being made on behalf of the Disclosing Party and, where required, its principals, the contractors identified in Section IV of this EDS, and any affiliated entity doing business in the United States, based on reasonable due diligence and inquiry. RBC and its affiliates employ more than 80,000 people in various business units in some 53 countries around the world and may from time to time appoint agents to act pursuant to the direction or authorization of a responsible official of the Disclosing Party or its affiliates in connection with the business activities of the Disclosing Party. The Disclosing Party certifies that, to the best of its knowledge, all of the statements set forth in Section V., Parts B.5., 6. and 7 are correct with regard to such persons. As noted in the response to Section V, Part B.3 on page 5, it is RBCs policy to maintain the highest possible standards of honest and ethical behavior. In keeping with this objective, RBC has established a Code of Conduct that governs the actions of every employee regardless of the RBC entity for which they work and regardless of the legal jurisdiction or location of that company. The Code of Conduct extends to every employee in every location worldwide. Any employee who fails to meet the standards set out in the Code of Conduct is subject to corrective or disciplinary action, including immediate or eventual dismissal.

Appendix A

To the best of the knowledge of the Disclosing Party after reasonable due diligence and inquiry, the Disclosing Party or any "Applicable Party" or any Spouse or Domestic Partner thereof currently does not have any "familial relationship" with any of the City elected officials listed on Attachment 1.1 hereto or any City department head listed on Attachment 1.2.

RBC provides personal and commercial banking, wealth management services, insurance, corporate and investment banking, and transaction processing services directly and through its subsidiaries on a global basis. In the United States, RBC provides personal and commercial banking, mortgage origination, insurance, full-service brokerage and corporate and investment banking services through its branches and subsidiaries. RBC and its subsidiaries and affiliates have from time to time participated in the remediation of environmental issues relating to distressed real estate collateral and other real estate in the ordinary course of its commercial real estate lending and other activities. Due to the size and scope of RBC's activities, both in Canada and the United States and throughout the world, it is not possible for the Disclosing Party to identify all situations in the past five years in which real estate held as collateral for loans or otherwise in connection with the activities of RBC and its subsidiaries and affiliates was affected by environmental issues. RBC believes human welfare depends upon sound economic growth and the maintenance of a healthy environment, and has recognized that the two are inextricably linked. RBC is committed to managing its businesses to promote these aims and is dedicated to responsibly managing all aspects of its business to ensure environmental laws and regulations and recognized standards are met or exceeded. RBC and its affiliates employ more than 80,000 people in various business units in some 53 countries around the world and may from time to time appoint agents to act pursuant to the direction or authorization of a responsible official of the Disclosing Party or its affiliates in connection with the business activities of the Disclosing Party. The Disclosing Party certifies that, to the best of its knowledge, all of the statements set forth in Section V., Parts B.5., 6. and 7 are correct with regard to such persons. As noted in the response to Section V, Part B.3 on page 5, it is RBCs policy to maintain the highest possible standards of honest and ethical behavior. The Code of Conduct extends to every employee in every location worldwide. Any employee who fails to meet the standards set out in the Code of Conduct is subject to corrective or disciplinary action, including immediate or eventual dismissal.

To the best of the knowledge of the Disclosing Party after reasonable due diligence and inquiry, the Disclosing Party has not provided any income or compensation to any of the City elected officials listed on Attachment 1.1 hereto, in the 12 months before the date this EDS is signed nor does the Disclosing Party reasonably expect to provide any income or compensation to any City elected official during the 12-month period following the date of this EDS . To the best of the knowledge of the Disclosing Party after reasonable inquiry, no City elected official or, to the best of the Disclosing Party's knowledge, without due diligence or inquiry whatsoever, no City elected official's spouse or domestic partner, had a financial interest (as defined in Chapter 2-156 of the Municipal Code of Chicago) in the Disclosing Party in the 12 months before the date this EDS is signed.

Section V. Part B.3. (page 5)

The Further Certifications made in this Section V. Part B.3 are being made on behalf of the Disclosing Party and its officers and directors based on reasonable due diligence and inquiry, to the best of the knowledge of the Disclosing Party, and with the limitations set forth below with regard to the certification contained in Section V., Part B.3.e.[1] It is RBC's policy to maintain the highest possible standards of honest and ethical behavior. In keeping with this objective, RBC has established a Code of Conduct that governs the actions of every employee regardless of the RBC entity for which they work and regardless of the legal jurisdiction or location of that company. Any employee who fails to meet the standards set out in the Code of Conduct is subject to corrective or disciplinary action, including immediate or eventual dismissal.

[1] The Disclosing Party is a subsidiary of Royal Bank of Canada ("RBC"), Canada's largest bank as measured by market capitalization and one of North America's leading diversified financial services companies. RBC provides personal and commercial banking, wealth management services, insurance, corporate and investment banking, and transaction processing services directly and through its subsidiaries on a global basis. In the United States, RBC provides personal and commercial banking, mortgage origination, insurance, full-service brokerage and corporate and investment banking services through its branches and subsidiaries. RBC and its subsidiaries and affiliates have from time to time participated in the remediation of environmental issues relating to distressed real estate collateral and other real estate in the ordinary course of its commercial real estate lending and other activities. Due to the size and scope of RBC's activities, both in Canada and the United States and throughout the world, it is not possible for the Disclosing Party to identify all situations in the past five years in which real estate held as collateral for loans or otherwise in connection with the activities of RBC and its subsidiaries and affiliates was affected by environmental issues. As indicated above, however, to the best of the knowledge of the Disclosing Party, based on reasonable due diligence and inquiry, RBC and its affiliates doing business in the United States have not, in the past five years, been found in violation of any city, state or federal environmental law or regulation.

RBC believes human welfare depends upon sound economic growth and the maintenance of a healthy environment, and has recognized that the two are inextricably linked. RBC is committed to managing its businesses to promote these aims and is dedicated to responsibly managing all aspects of its business to ensure environmental laws and regulations and recognized standards are met or exceeded. The Further Certifications in this Section V., Parts B .5., 6. and 7. are being made on behalf of the Disclosing Party and, where required, its principals, the contractors identified in Section IV of this EDS, and any affiliated entity doing business in the United States, based on reasonable due diligence and inquiry. RBC and its affiliates employ more than 80,000 people in various business units in some 53 countries around the world and may from time to time appoint agents to act pursuant to the direction or authorization of a responsible official of the Disclosing Party or its affiliates in connection with the business activities of the Disclosing Party. The Disclosing Party certifies that, to the best of its knowledge, all of the statements set forth in Section V., Parts B.5., 6. and 7 are correct with regard to such persons. As noted in the response to Section V, Part B.3 on page 5, it is RBCs policy to maintain the highest possible standards of honest and ethical behavior. In keeping with this objective, RBC has established a Code of Conduct that governs the actions of every employee regardless of the RBC entity for which they work and regardless of the legal jurisdiction or location of that company. The Code of Conduct extends to every employee in every location worldwide. Matter: GO/STSC Refunding Series 2024

Disclosing Party: ROYAL BANK OF CANADA

Date: August 20, 2024

Section II, Part B.2. (page 3)

The shares of the Disclosing Party trade on the Toronto Stock Exchange and the New York Stock Exchange. The Disclosing Party's records reflect that two entities hold in excess of 5% of the voting securities of the Disclosing Party. The first registered holder is CDS & Co., which acts as a nominee for CDS Clearing and Depository Services Inc. ("CDS"). CDS is a Canadian corporation. As Canada's national securities depository, clearing and settlement hub, CDS supports Canada's equity, fixed income and money markets. CDS is accountable for safe custody and movement of securities, accurate record keeping, processing of post-trade transactions, and collection and distribution of entitlements relating to the securities that have been deposited by participants, which includes almost all of the financial institutions and securities firms operating in Canada with significant trading volume in securities. CDS' address is 85 Richmond Street West, 3rd Floor, Toronto, Ontario, M5H 2C9. CDS is regulated by the Ontario and Quebec Securities Commissions and the Bank of Canada, with working and reporting relationships with the Canadian Securities Administrators), other provincial securities commissions and OSFI. Under Canadian law, CDS and its nominee CDS & Co. have no beneficial ownership rights, including no voting rights, with respect to the shares held by CDS & Co. Voting rights with respect to such shares are exercised by the various participants in the book-based system, only on instructions received from their clients. The second holder is CEDE & CO. CEDE & CO. acts as the nominee for the Depository Trust Company ("DTC"). DTC's address is 55 Water Street, New York, NY 10041. DTC is a U.S. Corporation. It is RBC's understanding that no accounts of the participants of CDS or CEDE & CO. own in excess of 20% of the voting securities of RBC due to Canada's Bank Act restrictions on voting. Each year RBC obtains Declarations of Ownership forms from the CDS participants. These Declaration of Ownership forms indicate whether, to the knowledge of the participant, any person owns more than 10% of the voting shares of the Bank. To date, based on these declarations, no person contravenes the Bank Act restrictions on share ownership or voting. To the best of our knowledge no single person or entity owns in excess of 5% of the voting shares of RBC.

Attachment A-1

The Bank of New York Mellon Corporation (the "Corporation"), acting through its subsidiaries, The Bank of New York Mellon and The Bank of New York Mellon Trust Company, N.A., is trustee on thousands of bond transactions which are secured by mortgages on real property that are held in trust and registered in the name of the Bank of New York Mellon or The Bank of New York Mellon Trust Company, N.A., as trustee. The mortgages are serviced by third-party service providers who are required to provide the necessary administrative services related to the mortgages, such as paying property taxes and complying with the local real estate ordinances. From time to time, the third-party services providers may fail to fulfil their obligations, resulting in fines and judgments. Such fines and judgments may be assessed and entered against the Bank of New York Mellon or The Bank of New York Mellon Trust Company, N.A. because, as trustee, it is the lien-holder or owner of record. The third-party service provider is obligated to pay such fines and remedy or pay such judgments.

In addition, like all major institutions, the Corporation and/or subsidiaries are subject to various litigations and proceedings pursuant to which judgments, injunctions, or liens may be issued. There have been no judgments, injunctions or liens arising out of such litigations or proceedings in the last five years that would materially impair the Corporation's or its subsidiaries ability to perform the services relating to the Matter. For a description of certain legal proceedings, please see the "Legal Proceedings" section in the Corporation's Form 10-K and 10-Qs, which are available on our website, http://www.bnymellon.com. In addition, The Bank of New York Mellon Trust Company, N.A. has, in a very limited number of cases, been removed as trustee due to administrative service issues; none of such issues would impact the ability of The Bank of New York Mellon Trust Company, N.A. to perform the services related to the Matter.

The Bank of New York Mellon Corporation (the "Corporation"), acting through its subsidiaries, The Bank of New York Mellon and The Bank of New York Mellon Trust Company, N.A., is trustee on thousands of bond transactions which are secured by mortgages on real property that are held in trust and registered in the name of the Bank of New York Mellon or The Bank of New York Mellon Trust Company, N.A., as trustee. The mortgages are serviced by third-party service providers who are required to provide the necessary administrative services related to the mortgages, such as paying property taxes and complying with the local real estate ordinances. From time to time, the third-party services providers may fail to fulfil their obligations, resulting in fines and judgments. Such fines and judgments may be assessed and entered against the Bank of New York Mellon or The Bank of New York Mellon Trust Company, N.A. because, as trustee, it is the lien-holder or owner of record. The third-party service provider is obligated to pay such fines and remedy or pay such judgments.

In addition, like all major institutions, the Corporation and/or subsidiaries are subject to various litigations and proceedings pursuant to which judgments, injunctions, or liens may be issued. There have been no judgments, injunctions or liens arising out of such litigations or proceedings in the last five years that would materially impair the Corporation's or its subsidiaries ability to perform the services relating to the Matter. For a description of certain legal proceedings, please see the "Legal Proceedings" section in the Corporation's Form 10-K and 10-Qs, which are available on our website, http://www.bnymellon.com. In addition, The Bank of New York Mellon Trust Company, N.A. has, in a very limited number of cases, been removed as trustee due to administrative service issues; none of such issues would impact the ability of The Bank of New York Mellon Trust Company, N.A. to perform the services related to the Matter.

Attachment B
To
City of Chicago
Economic Disclosure Statement
Files by
The Bank of New York Mellon Corporation
(as an Entity Holding an Interest in the Applicant)

The Disclosing Party was established in 2007. The Disclosing Party has identified 60 predecessor institutions established before 1866. Among these predecessor entities is the Disclosing Party's wholly-owned subsidiary, The Bank of New York Mellon (formerly known as The Bank of New York), which was established in 1784.

There are scattered references in the records of the Disclosing Party's pre-1866 predecessors to clients located in the southern states where slavery was practiced during the slavery era. The Disclosing Party's predecessors provided business services to these southern clients which included: issuing loans to individual and correspondent banking accounts; providing reciprocal banking services for other banks; and providing bond and stock administration and depositary services on behalf of other banks and municipalities. Some of these predecessors may have also invested in bonds and stocks of southern institutions or bonds issues by southern states. The southern states, municipalities, banks, companies and individuals referenced in the records are: Bank of Baltimore; City Bank of Baltimore; Stephen Duncan; DuPlanty, McCall & Co.; Bank of Kentucky; Bank of Maryland; State of Maryland; Bank of Montgomery; Bank of North Carolina; Bank of South Carolina; New Orleans Canal and Banking Company; City of New Orleans; Commercial Bank of New Orleans; Planters Bank of Mississippi; Simsville Cotton Factory; Southern Life Insurance and Trust Company; Planters Bank of Tennessee; State of Tennessee. The Bank of New York also held one or more bank accounts on behalf of Charles P. Leverick and/or his New York company Charles P. Leverich & Co. ("Leverich & Co."), Leverich was a director of The Bank of New York from 1840 to 1876, and was a Vice President (1853-1863) and President (1863-1876) of the Bank. Leverich & Co. was a New York cotton broker which had extensive dealings with southern clients from the 1830s through 1879, when the firm was dissolved. Leverich & Co. also acted as a factor for southern planters. It also appears that Leverich & Co. may have helped manage a plantation – James Porter's Oak Lawn in Bayou Teche, Louisiana – for one of its southern clients.

Based on the Disclosing Party's research, there are indications in United States census records for the period 1790 to 1860 that some directors of The Bank of New York and some officers and directors of the Farmer's Bank of the State of Delaware may have owned slaves before, during, and/or after their association with such institutions.

A predecessor of the Disclosing Party, the New York Life Insurance and Trust Company ("NYLITC) (which bears no relation to the present New York Life Insurance Company), was founded in 1830 and merged with The Bank of New York in 1922. NYLITC issued life insurance policies to some of its clients, including a few individuals who resided in the southern states where slavery was practiced during the slavery era. There are no indications in the records that NYLITC issues any slaveholder insurance policies.

The records of NYLITC reflect that in 1842, NYLITC loaned a sum of money to the Southern Life Insurance and Trust Company ("Southern Life"). This loan was secured by an assignment to NYLITC of several mortgages originated and held by Southern Life, including a mortgage dated April 1, 1837, on "Hanson's Plantation," located in St. John's County, near St. Augustine Florida and owned by John Hanson and Margaret Cook. This Southern Life mortgage included a pledge of 21 named slaves. The names and ages of these slaved are recorded in the NYLITC ledger entry for the loan and are listed in Appendix A to this statement. There are no indications in the records that Southern Life ever defaulted on this loan, or that NYLITC ever foreclosed on any of the assigned mortgages.
