Not less than 10 Business Days preceding each Remarketing Date, the Remarketing Agent, taking into consideration prevailing market conditions, shall, using its best professional judgment, determine the minimum rate(s) of interest which, if borne by the Bonds then Outstanding for the Remarketing Period specified by the

Remarketing Agent at the direction of the Borrower as provided in Section 3.03 hereof, and shall offer for sale and use its best efforts to sell the Bonds Outstanding on the Remarketing Date at a price equal to 100% of the principal amount of such Bonds plus, if such Remarketing Date is a date other than a scheduled Interest Payment Date, accrued interest on such Bonds from the preceding Interest Payment Date to which interest has been paid. The rate of interest determined in accordance with the previous sentence shall be the Remarketing Rate for the specified Remarketing Period; provided that if the rate of interest so determined for such period would exceed the Maximum Interest Rate, the Bonds Outstanding shall be remarketed for the longest Remarketing Period for which the minimum rate of interest that would enable such Bonds to be remarketed at a price equal to 100% of the principal amount of such Bonds that would not exceed the Maximum Interest Rate. Notwithstanding the foregoing, if the rate of interest so determined for any Remarketing Period would exceed the Maximum Interest Rate permitted by applicable State law, the Bonds Outstanding shall not be remarketed.

(f) **Notice of Remarketing Rate.** The Remarketing Agent shall, upon determination of the Remarketing Rate and Remarketing Period, immediately (and in no event later than the Business Day following the day on which the Remarketing Agent makes its determination of the Remarketing Rate and the Remarketing Period) give notice of its determination by telephone or telecopy, promptly confirmed in writing within 10 Business Days, to the Trustee, the Issuer, the Borrower and the Investor Limited Partner. The Remarketing Rate and the Remarketing Period shall be conclusive and binding upon the Trustee, the Issuer, the Borrower and the Holders for the purposes of this Indenture.

(g) **Book-Entry Form.** Initially, the Bonds shall be in Book-Entry Form by issuing a single bond in the amount of \$[PAR], registered in the name of Cede & Co. (defined below), as nominee for DTC (defined below). In the event DTC discontinues its service with respect to the Bonds and the Book-Entry System is terminated, replacement Bonds shall be issued in Authorized Denominations.

(h) **Medium and Place of Payment.** Principal of and interest on the Bonds shall be payable in lawful money of the United States of America which, at the respective times of payment, is legal tender for the payment of public and private debts, but only from the Revenues and any other monies included in the Trust Estate and made available to the Issuer for such purpose. Principal of the Bonds shall be payable at the Trust Office upon presentation and surrender of the Bonds as the same become due, and upon the request of any registered Owner of Bonds on the applicable Record Date having an aggregate principal amount of \$1,000,000 or more, such principal shall be paid by wire transfer of immediately available funds from the Trustee to the bank and account number specified by such Owner in writing to the Trustee. Interest on the Bonds shall be payable to each registered Owner of the Bonds by check or draft mailed on the Interest Payment Date to the Person in whose name the Bond is registered at the close of business of the Record Date applicable to that Interest Payment Date on the registration books kept by the Trustee at the address appearing therein, or, upon the request of any registered Owner of Bonds

having an aggregate principal amount of \$1,000,000 or more, by wire transfer of immediately available funds from the Trustee to the bank and account number specified by such Owner in writing to the Trustee at least three Business Days prior to the applicable payment date.

(i) ***Form of Bonds.*** The definitive Bonds, which may be printed, typewritten, photocopied, or otherwise reproduced, including the Trustee's Certificate of Authentication to be endorsed thereon, shall be substantially in the form as set forth in Appendix A attached hereto with such appropriate variations, omissions and insertions as permitted or required by this Indenture.

(j) ***Payments or Actions to be taken on Saturdays, Sundays and Holidays.*** In any case where the date of any action required hereunder to be taken or the date of maturity of interest on or principal of the Bonds, shall not be a Business Day, then payment of interest or principal or the taking of such action need not be made or taken on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the date of maturity or the date such action was to be taken.

Section 2.02. Source of Payment of Bonds. The Bonds are special limited obligations of the Issuer and the Issuer shall be obligated to pay the principal of and the interest on the Bonds only out of the Trust Estate (including, without limitation, the Revenues pledged for the payment thereof under this Indenture and the amounts held in any fund or account created under this Indenture, other than amounts held in the Rebate Fund, the Costs of Issuance Fund, and the Expense Fund). Nothing in the Bonds or in this Indenture shall be construed as pledging any other funds or assets of the Issuer or any amounts due to the Issuer in connection with the Reserved Rights. All the Bonds to be issued hereunder shall be equally and ratably secured, to the extent provided herein, by this Indenture.

Section 2.03. Execution of Bonds. The Bonds shall be executed on behalf of the Issuer by the manual or facsimile signature of its Mayor, attested by the manual or facsimile signature of its City Clerk or Deputy City Clerk, under the official seal, or a facsimile thereof, of the Issuer. Any facsimile signatures shall have the same force and effect as if said officers had manually signed said Bonds. Any reproduction of the official seal of the Issuer on the Bonds shall have the same force and effect as if the official seal of the Issuer had been impressed on the Bonds. In case any officer whose manual or facsimile signature shall appear on any Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery, and also any Bond may bear the facsimile signatures of, or may be signed by, such persons as at the actual time of the execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

Section 2.04. Certificate of Authentication. Only such Bonds as shall have endorsed thereon a certificate of authentication substantially in the form set forth in the form of the Bond herein provided and duly executed by the Trustee, at the written direction of the Issuer, shall be entitled to any right or benefit under this Indenture. No Bond shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly executed by the

Trustee, and such executed certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if manually signed by an authorized signatory of the Trustee, but it shall not be necessary that the same person sign the certificate of authentication on all of the Bonds issued hereunder. At the time of authentication of any Bond, the Trustee shall insert therein the date from which interest on such Bond shall be payable as provided in Section 2.01(c).

Section 2.05. Authentication and Delivery of Bonds. The Issuer shall execute and deliver to the Trustee, and the Trustee shall authenticate the Bonds and deliver them to the purchaser or purchasers as may be directed by the Issuer as provided in this Section.

Prior to the authentication by the Trustee of the Bonds, there shall have been filed with the Trustee:

- (a) A certified copy of the Ordinance;
- (b) A fully executed copy of this Indenture;
- (c) A copy of the fully executed Loan Agreement, the Tax Regulatory Agreement, the Tax Certificates, and the Note, along with written evidence that the original, fully executed Note has been sent to the Trustee for delivery;
- (d) An opinion of Bond Counsel with respect to the excludability from gross income for federal and State income tax purposes of interest payable on the Bonds;
- (e) An opinion of Counsel to the Issuer to the effect that the Issuer Documents have been duly authorized, executed and delivered by the Issuer and are legal, valid and binding agreements of the Issuer;
- (f) An opinion of counsel for the Borrower to the effect that the Borrower Documents have been duly authorized, executed and delivered by the Borrower and are legal, valid and binding agreements of the Borrower;
- (g) A written request and authorization signed by an Authorized Issuer Representative authorizing the Trustee to authenticate and to deliver the Bonds to the purchaser or purchasers therein identified upon payment to the Trustee for the account of the Issuer of the amount specified in such request and authorization plus accrued interest, if any, thereon to the date of delivery; and
- (h) Such other documents, opinions and certificates as may be reasonably required by the Issuer, the Trustee, Bond Counsel, the Underwriter or Citibank.

The proceeds from the sale of the Bonds shall be paid over directly to the Trustee and deposited to the credit of the Project Fund, as provided under Article V hereof.

Section 2.06. Temporary Bonds. Until Bonds in definitive form are ready for delivery, the Issuer may execute, and upon its request in writing, the Trustee shall authenticate and deliver

in lieu of any thereof, and subject to the same provisions, limitations and conditions, one or more printed, typewritten or photocopied Bonds in temporary form, substantially of the tenor of the Bonds herein described, and with appropriate omissions, variations and insertions. Such Bond or Bonds in temporary form shall be delivered in denominations authorized by this Indenture, may be numbered using the prefix "T" before any number thereon as authorized by this Indenture, and may bear a legend thereon setting forth the terms for the exchange thereof for Bonds in definitive form. Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit of this Indenture. The Issuer shall, without unreasonable delay (unless the Holders of the Bonds issued in temporary form agree otherwise), prepare, execute and deliver to the Trustee, and thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form, the Trustee shall authenticate and deliver, in exchange therefor, a Bond or Bonds in a definitive authorized form in Authorized Denominations, of the same maturity or maturities, bearing the same interest rate or rates and for the same aggregate principal amount as the Bond or Bonds in temporary form surrendered. Such exchange shall be made by the Issuer at the Borrower's expense and without making any charge to the Holders of the Bonds therefor.

Section 2.07. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer may execute and the Trustee may authenticate and deliver a new Bond of like date, maturity, interest rate and denomination as that of the Bond mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond there shall be first furnished to the Issuer and the Trustee evidence of such loss, theft or destruction satisfactory to the Issuer and the Trustee, together with indemnity satisfactory to them. The Trustee may, with the consent of the Holder, provide to the Holder a typewritten (or similarly reproduced) Bond certificate in lieu of a printed Bond certificate. In the event any such Bond shall have matured, instead of issuing a duplicate Bond the Trustee may pay the same without surrender thereof. The Issuer and the Trustee may charge the Holder of such Bond their expenses and reasonable fees, if any, in connection with the preparation, execution and authentication of a replacement Bond.

Section 2.08. Registration, Negotiability, Transfer and Exchange of Bonds; Transfer Restrictions. All of the Bonds issued under this Indenture shall be negotiable, subject to the provisions for registration and transfer contained in this Indenture and in the Bonds. So long as any of the Bonds shall remain outstanding, the Trustee on behalf of the Issuer shall maintain and keep at the Trust Office, books for the registration and transfer of Bonds (the "Register"); and, upon presentation thereof for such purpose at such office, the Trustee shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as the Issuer or the Trustee may prescribe, any Bond entitled to registration or transfer.

Each Bond shall be transferable only upon the books of the Issuer maintained for such purpose by the Trustee, at the written request of the registered Owner thereof or his attorney duly authorized in writing, upon presentation and surrender thereof, together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered Owner or his attorney duly authorized in writing. Upon the surrender for transfer of any Bond, the Issuer shall issue, and the Trustee shall authenticate, in the name of the transferee, in Authorized Denominations, a new Bond or Bonds without coupons of the same aggregate principal amount, series, maturity and interest rate as the surrendered Bond.

Other than as required by the terms of this Indenture and the obligations and duties set forth herein, the Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Bond (including any transfers between or among Participants or Beneficial Owners of interests in any global Bond) other than to require delivery of such certificates and other documentation or evidence as is expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof. Subject to Section 10.06(c), neither the Trustee nor any agent shall have any responsibility or liability for any actions taken or not taken by the Securities Depository.

The Issuer and the Trustee may deem and treat the person in whose name any Outstanding registered Bond shall be registered upon the books of the Issuer as the absolute Owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes, and all such payments so made to any such registered Owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer nor the Trustee shall be affected by any notice to the contrary.

For every exchange or transfer of Bonds, whether temporary or definitive, the Issuer or the Trustee may make a charge sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or transfer which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. Notwithstanding any other provision of this Indenture to the contrary, any fees or expenses of the Issuer or the Trustee incurred in connection therewith (except any applicable tax or other governmental charge) shall be paid by the Borrower as required by the Loan Agreement. The Issuer shall not be obligated to make any such exchange or transfer of Bonds during the 15 days next preceding an interest payment date on the Bonds. The transferor shall also provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Section 6045 of the Code. The Trustee may conclusively rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

Section 2.09. Limitations on Issuer Obligation and Liability.

(a) The Bonds, together with interest thereon, do not constitute an indebtedness to which the faith and credit of the Issuer or the State are pledged but are special limited obligations of the Issuer payable solely from the Trust Estate, and shall be a valid claim of the respective Holders thereof only against the Trust Estate, which is hereby assigned for the equal and ratable payment of the Bonds and the interest thereon and shall be used for no other purpose than to pay the principal of and interest on the Bonds, except as may be otherwise expressly authorized in this Indenture.

(b) THE BONDS, THE PRINCIPAL OF AND THE INTEREST THEREON ARE SPECIAL, LIMITED OBLIGATIONS OF THE ISSUER PAYABLE

SOLELY FROM THE TRUST ESTATE PLEDGED TO SUCH PURPOSES IN THE MANNER AND TO THE EXTENT PROVIDED IN THIS INDENTURE AND NO OTHER REVENUES OR ASSETS OF THE ISSUER NOR ANY PLEDGE OF TAXATION BY THE ISSUER. IN NO EVENT SHALL THE BONDS CONSTITUTE AN INDEBTEDNESS OF THE STATE OF ILLINOIS OR AN INDEBTEDNESS FOR WHICH THE FAITH AND CREDIT OR TAXING POWERS OF THE STATE OF ILLINOIS OR THE ISSUER ARE PLEDGED. THE BONDS SHALL NOT CONSTITUTE AN INDEBTEDNESS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION AND ARE NOT PAYABLE IN ANY MANNER BY TAXATION.

(c) No agreements or provisions contained herein, or any agreement, covenant, or undertaking by the Issuer in connection with the Project or the issuance, sale, remarketing, delivery and/or exchange of the Bonds shall give rise to any pecuniary liability of the Issuer or a charge against its general credit, or shall obligate the Issuer financially in any way, except as may be payable from the Trust Estate. No failure of the Issuer to comply with any term, covenant, or agreement contained in the Bonds, this Indenture or the Loan Agreement, or in any document executed by the Issuer in connection with the Project or the issuance and sale of the Bonds, shall subject the Issuer to liability for any claim for damages, costs, or other financial or pecuniary charge, except to the extent the same can be paid or recovered from the Trust Estate. Nothing herein shall preclude a proper party in interest from seeking and obtaining, to the extent permitted by law, specific performance against the Issuer for any failure to comply with any term, condition, covenant, or agreement herein; provided that no costs, expenses, or other monetary relief shall be recoverable from the Issuer, except as may be payable from the Trust Estate. No provision, covenant, or agreement contained herein, or any obligations imposed upon the Issuer, or the breach thereof, shall constitute an indebtedness of the Issuer within the meaning of any State constitutional or statutory limitation or shall constitute or give rise to a charge against the Issuer's general credit. In making the agreements, provisions, and covenants set forth in this Indenture, the Issuer has not obligated itself, except with respect to the application of the Trust Estate pledged in this Indenture for the payment of the Bonds.

(d) Anything in this Indenture to the contrary notwithstanding, it is expressly understood and agreed by the parties hereto that the Issuer may rely conclusively on the truth and accuracy of any certificate, opinion, notice, or other instrument furnished to the Issuer by the Trustee or the Borrower as to the existence of any fact or state of affairs required hereunder to be noticed by the Issuer.

(e) No recourse shall be had for the enforcement of any obligation, covenant, promise, or agreement of the Issuer contained in this Indenture, any other Issuer Documents, or in any Bond or for any claim based hereon or otherwise in respect hereof or upon any obligation, covenant, promise, or agreement of the Issuer contained in any agreement, instrument, or certificate executed in connection with the Project or the issuance and sale of the Bonds, against any of the Issuer

Indemnified Parties, whether by virtue of any Constitutional provision, statute, or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly agreed and understood that no personal liability whatsoever shall attach to, or be incurred by, any of the Issuer Indemnified Parties, either directly or by reason of any of the obligations, covenants, promises, or agreements entered into by the Issuer with the Borrower or the Trustee, or to be implied therefrom as being supplemental hereto or thereto, and that all personal liability of that character against each and every Issuer Indemnified Party (to the extent any such liability exists) is, by the execution of the Bonds, this Indenture, and the other Issuer Documents, and as a condition of, and as part of the consideration for, the execution of the Bonds, this Indenture, and the other Issuer Documents, is expressly waived and released. To the extent not explicitly provided for herein or in the Indenture, the Issuer's immunities and protections from liability and its right to indemnification in connection with the performance of its duties and functions under this Indenture shall extend to the other Issuer Indemnified Parties.

Section 2.10. Cancellation and Disposition of Bonds. All Bonds that have been surrendered for payment, cancellation or for registration of transfer or exchange pursuant to Section 2.08 shall be cancelled and disposed of by the Trustee in accordance with its then-customary procedures and shall not be reissued, and a counterpart of the certificate of disposition evidencing such disposition shall be furnished by the Trustee to the Issuer and, upon written request therefor, to the Borrower and the Investor Limited Partner. Any Bonds so cancelled may be retained by the Trustee for such period of time as the Trustee may determine and shall be disposed of by the Trustee in accordance with its then-customary procedures at the end of such period. Any Bonds so cancelled shall thereafter no longer be considered Outstanding for any purpose of this Indenture or the Loan Agreement.

Section 2.11. Book-Entry System.

(a) Except as provided in subparagraph (c) of this Section 2.11, the registered owner of all of the Bonds shall be, and the Bonds shall be registered in the name of, Cede & Co. ("Cede"), as nominee of The Depository Trust Company ("DTC"). As provided in Section 2.12(a), on the Funding Date, the Bonds will be removed from the Book-Entry System and shall cease to be registered to Cede. Payment of semi-annual interest for any Bonds shall be made by transfer of same-day funds to the account of Cede on the interest payment date for the Bonds at the address indicated for Cede in the registration books of the Issuer kept by the Trustee.

(b) The Bonds shall be initially issued in the form of a separate single fully registered bond in the amount of each separately stated maturity of the Bonds. Upon initial issuance, the ownership of such Bonds shall be registered in the registry books of the Issuer kept by the Trustee in the name of Cede, as nominee of DTC. With respect to Bonds registered in the registry books kept by the Trustee in the name of Cede, as nominee of DTC, the Issuer and the Trustee shall have no responsibility or obligation to any participant of DTC (a "Participant") or to any person for whom a Participant acquires an interest in the Bonds (a "Beneficial Owner"). Without limiting the immediately preceding sentence, the Issuer and the

Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Participant, any Beneficial Owner or any other person, other than DTC, of any notice with respect to the Bonds, or (iii) the payment to any Participant, any Beneficial Owner or any other person, other than DTC, of any amount with respect to the principal of or interest on the Bonds. The Issuer and the Trustee may treat as and deem DTC to be the absolute owner of each Bond for the purpose of payment of the principal of and interest on such Bond, and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all principal of and interest on the Bonds only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to the principal of and interest on the Bonds to the extent of the sum or sums so paid. Payments of principal may be made without requiring the surrender of the Bonds, and the Issuer and Trustee shall not be liable for the failure of DTC or any successor thereto to properly indicate on the Bonds the payment of such principal. No person other than DTC shall receive a Bond evidencing the obligation of the Issuer to make payments of principal of and interest on the Bonds pursuant to this Indenture. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the transfer provisions hereof, the word "Cede" in this Indenture shall refer to such new nominee of DTC.

(c) (i) DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the Issuer and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is not a successor securities depository), Bond certificates will be delivered as described in this Indenture.

(ii) The Issuer or the Trustee, each with the consent of the other, may terminate the services of DTC with respect to the Bonds if it is determined that: (1) DTC is unable to discharge its responsibilities with respect to the Bonds or (2) a continuation of the requirement that all of the Outstanding Bonds be registered in the registration books kept by the Trustee in the name of Cede, as nominee of DTC, is not in the best interest of the Beneficial Owners of the Bonds. In the event that no substitute securities depository is found by the Issuer, the Borrower or the Trustee, or restricted registration is no longer in effect, Bond certificates will be delivered as described in this Indenture.

(iii) Upon the termination of the services of DTC with respect to the Bonds pursuant to subparagraph (c)(i) of this Section 2.11, or upon the discontinuance or termination of the services of DTC with respect to the Bonds pursuant to subparagraph (c)(ii) of this Section 2.11 after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, the Bonds shall no longer

be restricted to being registered in the registration books kept by the Trustee in the name of Cede as nominee of DTC, but may be registered in whatever name or names Bondholders transferring or exchanging Bonds shall designate, in accordance with the provisions of this Indenture.

In connection with any proposed transfer outside the Book-Entry System, the Borrower or DTC shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Section 6045 of the Code. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

(d) Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to the principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, to DTC as provided in the applicable representation letter of the Issuer addressed to DTC.

(e) In connection with any notice or other communication to be provided to Bondholders pursuant to this Indenture by the Issuer or the Trustee with respect to any consent or other action to be taken by the Bondholders, the Issuer or the Trustee, as the case may be, shall establish a special record date for such consent or other action and give DTC notice of such special record date not less than 15 calendar days in advance of such special record date to the extent possible.

Section 2.12. Governmental Lender Note; Exchange for Bonds.

Agreement, (vii) thereafter all of the Trustee's duties and obligations with respect to the Bonds, the Governmental Lender Note, this Indenture, the Loan Agreement, and the related documents (other than the Tax Regulatory Agreement in accordance with the terms thereof) will cease and terminate, and (viii) there shall be delivered by Bond Counsel an opinion to the effect that the delivery and purchase of the Governmental Lender Note in the manner set forth herein on the Funding Date will not, in and of itself, cause interest on the Bonds or the Governmental Lender Note to be includable in gross income for federal income tax purposes.

(b) The Issuer, subject to Section 7.02(d), as governmental lender agrees to execute and deliver the Funding Loan Agreement, the Governmental Lender Note and the Borrower Loan Agreement and any other Funding Loan Documents (as defined in the Funding Loan Agreement) to be executed in connection with Citibank's purchase of the Governmental Lender Note which shall be exchanged for the Bonds in the aggregate principal amount set forth in Section 2.12(a) above on the Funding Date.

(c) The Governmental Lender Note shall mature on the Maturity Date, subject to earlier prepayment as provided in the Funding Loan Agreement. The unpaid principal balance of the Governmental Lender Note shall be paid on the dates and in the amounts set forth in the Borrower Note (as defined in the Funding Loan Agreement).

(d) The purchase of the Governmental Lender Note by Citibank shall be conditioned upon the satisfaction of the Conditions to Funding including the delivery of the items set forth in Section 6.1 of the Funding Loan Agreement.

Notices of tender, redemption and retirement may be conditional.

Section 3.03. Remarketing of Bonds.

- (a) No later than 11:00 a.m. Local Time on the 35th day prior to each Mandatory Tender Date, the Trustee shall give notice to the Issuer, the Borrower, the Investor Limited Partner, Citibank, and the Remarketing Agent by telephone or telecopy, confirmed on the same day in writing, which states the Mandatory Tender Date and that all of the Bonds are to be tendered or deemed to be tendered or redeemed on the Mandatory Tender Date pursuant to Section 3.01 hereof.

(b) No later than 11:00 a.m. Local Time on the fifteenth day prior to the Mandatory Tender Date then in effect, the Borrower may give notice to the Remarketing Notice Parties by telephone or telecopy, confirmed on the same day in writing, that it elects to cause the Bonds to be remarketed. A remarketing of the Bonds shall be permitted only if the following conditions are satisfied no later than the time the foregoing election notice is given:

(i) Notice by the Borrower to the Issuer, the Investor Limited Partner, the Remarketing Agent and the Trustee of the Remarketing Period pursuant to and in accordance with Section 4.05 of the Loan Agreement;

(ii) Delivery to the Issuer, the Trustee and the Remarketing Agent of a preliminary Cash Flow Projection with respect to the proposed Remarketing Period; and

(iii) The Borrower shall have notified the Trustee in writing that it has approved as to form and substance any disclosure document or offering materials which, in the Opinion of Counsel to the Remarketing Agent, is necessary to be used in connection with the remarketing of the Outstanding Bonds.

(c) Not less than 10 days before each Remarketing Date, the Remarketing Agent shall offer for sale and use its best efforts to sell the Bonds Outstanding on the Remarketing Date at a price equal to 100% of the principal amount of such Bonds plus, if such Remarketing Date is a date other than an Interest Payment Date, accrued interest on such Bonds from the preceding Interest Payment Date to which interest has been paid. Not less than four Business Days before each Remarketing Date, the Remarketing Agent shall give notice, by telephone or telecopy, promptly confirmed in writing, to the Remarketing Notice Parties specifying the principal amount of Bonds, if any, it has remarketed (including Bonds to be purchased by the Remarketing Agent on the Remarketing Date for its own account), the Remarketing Rate(s) and the Remarketing Period applicable to the Bonds.

The Remarketing Agent shall remarket any Bond tendered pursuant to Section 3.01 hereof; provided, however, that no such Bond shall be remarketed at a price less than 100% of the principal amount thereof plus accrued interest (if any) without the prior written consent of the Borrower and the General Partner; and provided, further, that the purchase price of any Bond paid to the tendering Holder allocable to such discount shall be paid with Eligible Funds made available by the Borrower therefor and on deposit with the Trustee prior to the remarketing of such Bonds. The Remarketing Agent shall have the right to purchase any Bond tendered or deemed tendered pursuant to Section 3.01 hereof at 100% of the principal amount thereof, and to thereafter sell such Bond. Any such purchase shall constitute a remarketing hereunder.

The Remarketing Agent shall not remarket any Bond to the Issuer, the Borrower, any guarantor of the Bonds or any person which is an "insider" or "related person" to

the Issuer, the Borrower, or any such guarantor within the meaning of the Bankruptcy Code.

(d) If, not less than four or two Business Days, as applicable, preceding the Remarketing Date:

(i) if, not less than four Business Days preceding the Remarketing Date, the Remarketing Agent shall have notified the Trustee in writing of the remarketing of the Outstanding Bonds and that the proceeds from the remarketing (including proceeds of remarketing of Outstanding Bonds to be purchased by the Remarketing Agent on the Remarketing Date for its own account) and other Eligible Funds equal to the amount needed to purchase the remarketed Bonds on the Remarketing Date are expected to be available to the Trustee on the Remarketing Date for deposit into the Remarketing Proceeds Account;

(ii) if, not less than four Business Days preceding the Remarketing Date, the Trustee shall have received written notice from the Remarketing Agent that the Remarketing Agent has received a Confirmation of Rating from the Rating Agency, together with a copy of such Confirmation of Rating from the Rating Agency; or

(iii) if, not less than two Business Days preceding the Remarketing Date, there shall be on deposit with the Trustee, from Eligible Funds provided by the Borrower an amount sufficient to pay the Extension Payment set forth in the Cash Flow Projection for deposit to the Negative Arbitrage Account of the Bond Fund with respect to the payment of interest and principal during the new Remarketing Period;

(iv) if, not less than two Business Days preceding the Remarketing Date, there shall either (A) be on deposit with the Trustee in the Costs of Issuance Fund an amount sufficient to pay the estimated Remarketing Expenses as certified in writing to the Trustee by the Borrower, or (B) the Remarketing Agent shall have certified in writing to the Trustee that provision for the payment of the estimated Remarketing Expenses shall have been made to the satisfaction of the Remarketing Agent;

then the Trustee shall immediately give notice, by telephone or telecopy, which notice shall be immediately confirmed in writing, to the Remarketing Agent, the Borrower and the Investor Limited Partner that (a) all conditions precedent to the remarketing of the Outstanding Bonds have been satisfied and (b) the sale and settlement of the Outstanding Bonds is expected to occur on the Remarketing Date. Following the Trustee's notice, the Outstanding Bonds shall be sold to the purchasers identified by the Remarketing Agent for delivery and settlement on the Remarketing Date, and the Trustee shall apply the funds in the Remarketing Proceeds Account of the Bond Fund on the Remarketing Date to payment of the purchase price of the Outstanding Bonds.

(e) If, not less than four or two Business Days, as applicable, preceding a Remarketing Date, any condition set forth in paragraph (d) of this Section 3.03 has not been satisfied, then, unless the Outstanding Bonds are otherwise purchased on the Remarketing Date, the Remarketing Agent shall not sell any of the Outstanding Bonds on the Remarketing Date.

(f) No later than 11:00 a.m. Local Time on each Remarketing Date, the Remarketing Agent shall pay to the Trustee, in immediately available funds, the proceeds theretofore received by the Remarketing Agent from the remarketing of Bonds tendered for purchase on such Remarketing Date; provided that the Remarketing Agent may use its best efforts to cause the purchasers of the remarketed Bonds to pay the purchase price plus accrued interest (if any) to the Trustee in immediately available funds. The proceeds from the remarketing of the Bonds shall be segregated from any funds of the Borrower and the Issuer and shall in no case be considered to be or be assets of the Borrower or the Issuer. Funds representing remarketing proceeds received by the Remarketing Agent after 11:00 a.m. Local Time on each Remarketing Date shall be paid to the Trustee as soon as practicable upon such receipt.

(g) On or before the Business Day next preceding each Remarketing Date, the Remarketing Agent, by telephonic advice, shall notify the Trustee of (i) the principal amount of Bonds to be sold by the Remarketing Agent pursuant to this Section 3.03 hereof and the purchase price, and, unless the Bonds are then in the Book-Entry System, the names, addresses and social security numbers or other tax identification numbers of the proposed purchasers thereof and (ii) the principal amount of Bonds tendered for purchase on such Remarketing Date which will not be sold by the Remarketing Agent pursuant to this Section 3.03 hereof. Such telephonic advice shall be confirmed by written notice delivered or electronically communicated at the same time as the telephonic advice.

Bonds purchased by the Trustee on a Mandatory Tender Date that have been remarketed shall be delivered to the purchasers thereof as directed by the Remarketing Agent. Bonds delivered as provided in this Section shall be registered in the manner directed by the recipient thereof.

Section 3.04. Mandatory Redemption or Retirement. The Bonds are subject to mandatory redemption or retirement, in whole, on any Mandatory Tender Date, upon the occurrence of any of the following events: (i) the Borrower has not previously elected pursuant to Section 3.03 hereof and Section 4.05 of the Loan Agreement to cause the remarketing of the Bonds, (ii) the conditions to remarketing set forth in Section 3.03(b) or Section 3.03(d) have not been met by the dates and times set forth herein, or (iii) the proceeds of a remarketing on deposit in the Remarketing Proceeds Account at 11:00 a.m. Local Time on the Mandatory Tender Date are insufficient to pay the purchase price of the Outstanding Bonds on such Mandatory Tender Date. The Bonds shall be redeemed at a redemption price equal to 100% of the principal amount of such Bonds plus accrued interest to the applicable redemption date from funds on deposit in, or transferred from, the Bond Fund, the Collateral Fund, and the Project Fund.

Section 3.05. Optional Redemption; Notice of Optional Redemption.

(a) The Bonds are subject to optional redemption prior to their maturity, at the written direction of the Borrower with the prior written consent of the Mortgage Lender, CHA and the Investor Limited Partner, either in whole or in part on any date on or after the later to occur of (i) the date that the Project is placed in service, as certified in writing by the Borrower to the Issuer and the Trustee, and (ii) the Mandatory Tender Date, at a redemption price equal to the principal amount of the Bonds to be redeemed, plus accrued interest, but without premium, to the redemption date. Bonds subject to redemption in accordance with this paragraph shall be redeemed from (i) amounts on deposit in the Collateral Fund, (ii) amounts on deposit in the Bond Fund, other than funds in the Negative Arbitrage Account therein, (iii) amounts on deposit in the Project Fund, and (iv) any other Eligible Funds available or made available for such purpose at the direction of the Borrower.

(b) Not less than twenty (20) days preceding the redemption date, the Trustee shall give written notice of optional redemption to the Holders of the Bonds then Outstanding (with a copy to the Issuer, the Borrower, the Investor Limited Partner and the Remarketing Agent) by first class mail, postage prepaid, at their respective addresses appearing on the Register stating: (i) the proposed redemption date; (ii) the redemption price; (iii) if less than all Outstanding Bonds are to be redeemed, the identification by designation, letters, numbers or other distinguishing marks (and in the case of partial redemption, the respective principal amounts of the Bonds to be redeemed); (iv) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and (v) the address of the Designated Office of the Trustee at which Holders should deliver their Bonds for redemption and the date of the required delivery. Notices of redemption may state that no representation is made as to the accuracy or correctness of the CUSIP number or numbers provided thereon or on the Bonds. Notice of optional redemption may be conditional. Neither failure to give or receive any notice described in this heading, nor the lack of timeliness of such notice or any defect in any notice (or in its content) shall affect the validity or sufficiency of any action required or provided for in this section.

Section 3.06. Cancellation of Bonds. The Trustee shall immediately cancel Bonds if the tender price of the Bonds is paid from amounts other than proceeds derived from the remarketing of the Bonds; provided, however, on the Initial Mandatory Tender Date, or any subsequent Mandatory Tender Date established upon a remarketing of the Bonds, the Bonds shall be exchanged for the Governmental Lender Note in accordance with Section 2.12 hereof.

ARTICLE IV

REVENUES AND FUNDS

Section 4.01. Creation of Funds. The following trust funds are hereby created by the Issuer and ordered established with the Trustee, to be maintained in the custody of the Trustee

each as a separate bank account, to be used for the purposes as hereinafter provided in this Indenture:

- (a) Bond Fund. The Bond Fund, and within the Bond Fund, the “Negative Arbitrage Account” and the “Remarketing Proceeds Account.”
- (b) Project Fund. The Project Fund which fund shall be administered in accordance with the provisions of Section 4.08 and Section 5.02 of this Indenture.
- (c) Rebate Fund. The Rebate Fund, which fund shall be administered in accordance with the provisions of Section 4.06 of this Indenture. Moneys held in the Rebate Fund are not held for the benefit of the Owners and are not part of the Trust Estate.
- (d) Costs of Issuance Fund. Moneys held in the Costs of Issuance Fund that are not proceeds of the Bonds are not held for the benefit of the Owners and are not part of the Trust Estate. Any moneys held in the Costs of Issuance Fund that are proceeds of the Bonds are held for the benefit of the Owners and are part of the Trust Estate.
- (e) Collateral Fund. The Collateral Fund, which fund shall be administered in accordance with the provisions of Section 4.08 of this Indenture. Moneys held in the Collateral Fund are held for the benefit of the Owners and are part of the Trust Estate.
- (f) Funding Loan Fund. The Funding Loan Fund shall be administered in accordance with the provisions of Section 4.09 of this Indenture. Moneys held in the Funding Loan Fund shall be used to purchase the Bonds upon the Funding Date when the Bonds will be exchanged for the Governmental Lender Note.
- (g) Expense Fund. The Expense Fund, which fund shall be administered in accordance with the provisions of Section 4.10 of this Indenture. Moneys held in the Expense Fund are not held for the benefit of the Owners and are not part of the Trust Estate.

The Trustee may create one or more accounts or subaccounts within any fund authorized by this Indenture for the purpose of accounting for funds deposited into or held in each fund or for carrying out any of the requirements of this Indenture. The Trustee may transfer funds between accounts and subaccounts within any fund.

In the event certain moneys are deposited with the Trustee prior to the Closing Date, whether or not pursuant to one or more letters of instruction from the provider or providers of such moneys, such moneys shall be held by the Trustee subject to the terms and conditions of this Indenture, in addition to the terms of any such letter(s) of instruction. For such purpose, the standards of care, any provisions governing the responsibilities, protections and indemnification and other provisions relating to the Trustee contained in this Indenture and in the Loan Agreement (the “Effective Provisions”) shall be effective as of the first date of receipt by the Trustee of such

moneys. The Effective Provisions shall be deemed incorporated into any such letter(s) of instructions.

Section 4.02. Deposits into and Use of Moneys in the Bond Fund. The Bond Fund and amounts on deposit in the Bond Fund are to be invested pursuant to Section 6.01 hereof. Any Extension Payment received by the Trustee in connection with an extension of the Mandatory Tender Date pursuant to Section 3.03 hereof shall also be deposited into the Negative Arbitrage Account. The Trustee is authorized to release funds in the Negative Arbitrage Account to the Borrower upon receipt of a written instruction from the Borrower, an updated Cash Flow Projection and a Confirmation of Rating.

Bond Service Charges shall be payable as they become due, (i) in the first instance from money on deposit in the Bond Fund (excluding the Negative Arbitrage Account therein), (ii) next from money on deposit in the Negative Arbitrage Account of the Bond Fund, (iii) next from money on deposit in the Collateral Fund and transferred as necessary to the Bond Fund and (iv) thereafter, from money on deposit in the Project Fund and transferred as necessary to the Bond Fund.

Except as provided in Section 4.05 hereof, moneys in the Bond Fund shall be used solely for the payment of the principal of and interest on the Bonds when due.

Section 4.03. Custody of the Bond Fund. The Bond Fund shall be in the custody of the Trustee but in the name of the Issuer, and the Issuer hereby authorizes and directs the Trustee (a) to withdraw sufficient funds from the Bond Fund to pay the principal of and interest on the Bonds as the same become due and payable, and (b) to make such funds so withdrawn available to the Trustee, as paying agent, for the purpose of paying such principal and interest, which authorization and direction the Trustee accepts.

Section 4.04. Non-Presentment of Bonds. Subject to the provisions of Section 10.21 hereof, in the event any Bonds shall not be presented for payment when the principal thereof becomes due, either at maturity or otherwise, if funds sufficient to pay such Bonds shall have been made available to the Trustee for the benefit of the Holder or Holders thereof, all liability of the Issuer to the Holder thereof for the payment of such Bond shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such fund or funds, without liability for interest thereon, for the benefit of the Holder of such Bond, who shall thereafter be restricted exclusively to such fund or funds, for any claim of whatever nature on its part under this Indenture or on, or with respect to, such Bond. Any such Bonds shall cease to bear interest on the specified maturity and such Bonds or portions thereof shall no longer be protected by or subject to the benefit or security of this Indenture and shall not be deemed to be outstanding under the provisions of this Indenture.

Section 4.05. Payment of Excess Moneys in Bond Fund. Any amounts remaining in the Bond Fund (except for amounts then held by the Trustee for payment of principal of, or interest on any of the Bonds) after payment in full of the purchase price of the Bonds on the final Mandatory Tender Date, and other costs associated with the conversion of the Bonds, the payment of any Rebate Amount, and payment in full of any outstanding fees and expenses of the Paying Agent, the Issuer (including, without limitation, all Issuer Fees and Expenses and any indemnification payments owed pursuant to the Loan Agreement) and the Trustee and its counsel

and any other fees, costs and expenses due under the Documents, shall, upon written instruction to the Trustee from the Borrower and Citibank, be deposited as directed by Citibank and administered as provided under the terms of the Funding Loan Agreement; *provided*, that, the Trustee is furnished with an opinion of Bond Counsel substantially to the effect that such deposit will not, in and of itself adversely affect any excludability of interest on the Bonds from gross income for federal income tax purposes.

Section 4.06. Rebate Fund; Rebate Amount; Tax Certificates Controlling. The Trustee shall deposit into the Rebate Fund amounts paid by the Borrower pursuant to the Tax Certificates and written direction from the Borrower.

(a) The determination of the Rebate Amount shall be made in accordance with the Arbitrage Certificate and the Rebate Amount shall be paid at such times and in such installments as provided therein. As further provided in the Tax Certificates, the Borrower shall be responsible for calculating or causing to be calculated and paying the Rebate Amount. If at any time when the Trustee is required to withdraw money from the Rebate Fund and to pay to the United States of America the amount so withdrawn as the Rebate Amount, the amount held by the Trustee to the credit of the Rebate Fund is insufficient to permit such withdrawal and payment, the Trustee, after delivering a demand for such deficiency to the Borrower, shall withdraw, *first*, from the Project Fund, and, *second*, from any other funds established hereunder, such amounts as may be needed to make the amount held for the credit of the Rebate Fund, after such transfers, equal to the amount required to be withdrawn and paid to the United States of America and transfer the amounts so withdrawn in each case to the Rebate Fund. This Section 4.06(a) shall supersede all other sections of this Indenture, to the end that the excludability from gross income for the purposes of federal income taxation of interest on the Bonds shall not be adversely affected as a result of the inadequacy at any time of the Rebate Fund, unless the total amount held by the Trustee under all funds established hereunder is insufficient, and no money for such purpose is provided by the Borrower.

(b) Neither the Issuer nor the Trustee shall be obligated to pay any portion of the Rebate Amount (except from funds on deposit in the Rebate Fund). In addition, neither the Issuer nor the Trustee shall have any responsibility with respect to the calculation of the Rebate Amount. The Trustee shall not be responsible for the adequacy or correctness of any rebate report. The Trustee shall be deemed conclusively to have complied with the provisions of this Indenture and any other agreement relating to the Bonds regarding calculation and payment of rebate if it follows the directions of the Borrower or the Rebate Analyst and it shall have no independent duty to review or enforce the Issuer's, the Borrower's or the Rebate Analyst's compliance with such rebate requirements. The Trustee may rely conclusively upon and shall be fully protected from all liability in relying upon the Borrower's or the Rebate Analyst's opinions, calculations, determinations, directions, and certifications required by this Section. Except to the extent expressly herein provided, the Trustee shall in no instance be responsible or liable for the tax treatment of the Bonds, the Issuer's, the Borrower's or the Rebate

Analyst's compliance with the Code, or any other tax consequences in connection with the Bonds.

(c) Any moneys held as part of the Rebate Fund and not immediately required to be paid to the United States pursuant to the Arbitrage Certificate shall be invested or reinvested by the Trustee, at the written direction of the Borrower Representative, in Governmental Obligations or in any money market or short term investment fund investing in or consisting solely of and secured by Governmental Obligations, including any such fund maintained by the Trustee or an affiliate thereof, having maturities consonant with the need for moneys as reasonably estimated by the Borrower. In connection with the investment of moneys held as part of the Rebate Fund (as provided in Section 6.02 hereof), interest and other income received on the investment of moneys held as part of the Rebate Fund shall be credited to the Rebate Fund. Except for the performance of its duties expressly set forth herein or in the other Documents, the Trustee shall not be responsible or liable for the tax treatment of the Bonds, the Issuer's, the Borrower's or the Rebate Analyst's compliance with the Code, or any other tax consequences in connection with the Bonds. The Trustee shall be deemed conclusively to have complied with the provisions of this Indenture and any other agreement relating to the Bonds regarding calculation and payment of rebate if it follows the directions provided by the Borrower or the Rebate Analyst, and it shall have no independent duty to review or enforce the Issuer's, the Borrower's or the Rebate Analyst's compliance with such rebate requirements.

(d) As provided in the Arbitrage Certificate, the Borrower is required to (i) obtain a rebate calculation with respect to the Rebate Amount upon the redemption in whole or final maturity of the Bonds and either (ii) (a) pay to the Trustee for deposit into the Rebate Fund an amount of money as determined by such calculation within 30 days of such calculation or (b) provide the Trustee with written notice (signed by the Borrower Representative and the Rebate Analyst) that (1) no deposit is required or (2) the amount in the Rebate Fund is in excess of the amount required to be on deposit as determined by the most recent rebate calculation, in which case the Trustee shall, with the prior written consent of the Issuer, pay such excess over to the Borrower. If the Trustee does not receive either of the items required in subsection (d)(ii)(a) or (d)(ii)(b) above within 30 days after the completion of construction of the Project, the Trustee shall notify the Issuer; provided, however, that the Trustee shall not incur any liability if it should fail to provide such notice.

(e) Notwithstanding anything to the contrary in this Indenture, the Loan Agreement, the Funding Loan Agreement or the Borrower Loan Agreement, to the extent of any conflict or ambiguity as between the provisions of the foregoing documents and the Tax Certificates, the requirements of the Tax Certificates shall control.

Section 4.07. Costs of Issuance Fund. On the Closing Date, the Trustee shall deposit the Costs of Issuance Deposit, if any, into the Costs of Issuance Fund to pay the Costs of Issuance

from amounts available therein. The Trustee shall disburse any funds on deposit in the Costs of Issuance Fund upon receipt by the Trustee of a Requisition or a Closing Memorandum. Any funds remaining in the Costs of Issuance Fund more than one hundred 180 days after the Closing Date, and not specifically committed to the payment of Costs of Issuance shall be returned to the Borrower upon Borrower's written request, to the extent such funds are not Bond proceeds or otherwise restricted funds, and the Costs of Issuance Fund shall be closed. If such remaining funds are Bond proceeds or otherwise restricted, such funds shall be deposited by the Trustee into the Bond Fund in accordance with a written direction to Trustee from Borrower.

On the Closing Date, the Borrower shall pay or cause to be paid to the Title Company an amount sufficient to pay the Costs of Issuance incurred in connection with the issuance of the Bonds, and the Title Company shall disburse such funds to pay the Costs of Issuance pursuant to the written direction of the Borrower as set forth in the Closing Memorandum.

Section 4.08. Collateral Fund; Project Fund. Upon receipt, the Trustee shall deposit into the Collateral Fund all Eligible Funds received pursuant to Section 4.06 of the Loan Agreement and any other Eligible Funds received by the Trustee for deposit into the Collateral Fund. Section 4.06 of the Loan Agreement requires the Borrower to cause Eligible Funds to be delivered to the Trustee for deposit into the Collateral Fund in a principal amount equal to, and as a prerequisite to the disbursement of, the amount of Bond proceeds on deposit in the Project Fund to be disbursed by the Trustee to pay Project Costs.

Each deposit into the Collateral Fund shall constitute an irrevocable deposit solely for the benefit of the Holders, subject to the provisions hereof.

The Trustee shall transfer money in the Collateral Fund as follows: (i) if such date is also the Funding Date, all funds then on deposit in the Collateral Fund shall be paid to the Mortgage Lender to pay the principal of the Mortgage Loan and, to the extent the amount in the Collateral Fund exceeds the outstanding principal balance of the Mortgage Loan, the balance, if any, remaining on deposit to the Collateral Fund shall be distributed at the direction of the Borrower and Citibank to a disbursing account held by the Funding Lender for the benefit of the Project, (ii) if such date is not the Funding Date, on a Mandatory Tender Date, to the Bond Fund, the amount necessary to pay the purchase price of the Bonds, to the extent amounts on deposit in the Remarketing Proceeds Account and the Negative Arbitrage Account of the Bond Fund are insufficient therefor; and (iii) on any redemption date of the Bonds, to the Bond Fund the amount, together with amounts on deposit in the Bond Fund, necessary to pay the principal and interest due on the Bonds on such date.

The Bonds shall not be, and shall not be deemed to be, paid or prepaid by reason of any deposit into the Collateral Fund unless and until the amount on deposit in the Collateral Fund is transferred to the Bond Fund and applied to the payment of the principal of any of the Bonds or the principal component of the redemption price of any of the Bonds, all as provided in this Indenture.

To the extent moneys are not otherwise provided to the Trustee to make the necessary interest and principal payments on each Interest Payment Date, including moneys deposited into the Bond Fund or the Collateral Fund, the Trustee shall, without further written direction, transfer

from the Project Fund to the Bond Fund sufficient Eligible Funds to make such necessary interest and principal payments on each Interest Payment Date.

Upon receipt, the Trustee shall deposit the proceeds of the Bonds (including the principal of, and premium, if any, on, the Bonds) into the Project Fund. The Trustee shall cause to be kept and maintained adequate records pertaining to the Project Fund and all disbursements therefrom. If requested by the Issuer or the Borrower, after the Project has been completed and a Completion Certificate is filed by the Borrower as provided herein, the Trustee shall file copies of the records pertaining to the Project Fund and disbursements therefrom with the Issuer and the Borrower.

If on the Funding Date there are amounts remaining in the Project Fund, such amounts remaining in the Project Fund shall be distributed at the direction of Citibank to a disbursing account held by Citibank to pay additional costs of the Project.

The Borrower expects that the Project will proceed substantially in accordance with the Construction Draw Schedule, except as otherwise approved by the Mortgage Lender and CHA. Each Requisition submitted to the Trustee shall evidence and request disbursements from the Project Fund and/or the Costs of Issuance Fund.

Notwithstanding any other provision of this Indenture to the contrary, after the Closing Date the Trustee shall not disburse moneys from the Project Fund, other than to pay Bond Service Charges on the Bonds, unless and until the Trustee receives satisfactory evidence that Eligible Funds in an amount equal to or greater than the requested disbursement amount (the "Collateral Deposit") has been deposited in the Collateral Fund. Prior to making any disbursement, the Trustee shall verify that upon making the disbursement, the aggregate amount to be held in (i) the Bond Fund, (ii) the Collateral Fund and (iii) the Project Fund, together with projected investment earnings thereon, will be sufficient to pay Bond Service Charges on the outstanding Bonds as and when they become due. In the event that, following receipt of the Collateral Deposit and Requisition, the Trustee determines that it cannot correspondingly disburse Bond proceeds from the Project Fund to or at the direction of the Borrower, the Mortgage Lender or CHA, as applicable, the Trustee shall immediately notify the Borrower, the Mortgage Lender and CHA, as applicable, of the reason for such determination and shall, immediately upon the request of the Borrower or the Mortgage Lender or CHA, as applicable, return the subject Collateral Deposit to the party that deposited such Collateral Deposit with the Trustee.

The proceeds of the Bonds shall be allocated exclusively to pay costs that (i) are (A) capital expenditures (as defined in Section 1.150-1(a) of the Code's regulations) and (B) not made for the acquisition of existing property, to the extent prohibited in Section 142(d) of the Code; and (ii) shall be deemed allocated on a pro rata basis to each building in the Project and the land on which it is located, so that each building and the land on which it is located will have been financed 25% or more by the proceeds of the Bonds for the purpose of complying with Section 42(h)(4)(B) of the Code; provided, however, the foregoing representation, covenant and warranty is made for the benefit of the Borrower and its partners and neither the Trustee nor the Issuer shall have any obligation to enforce this covenant nor shall they incur any liability to any person, including without limitation, the Borrower, the partners of the Borrower, any other affiliate of the Borrower or the holders of the Bonds for any failure to meet the intent expressed in the foregoing representation, covenant and warranty; and provided, further, failure to comply with this

representation, covenant and warranty shall not constitute a default or Event of Default under this Indenture.

Upon the occurrence and continuance of an Event of Default hereunder because of which the principal amount for the Bonds has been declared to be due and immediately payable under this Indenture, any moneys remaining in the Project Fund shall be promptly transferred by the Trustee to the Bond Fund for payment of Bond Service Charges.

Notwithstanding anything contained in this Indenture or any of the Borrower Documents to the contrary, the Trustee shall make the disbursement from the Project Fund on the Closing Date upon receipt of, and pursuant to, the closing memorandum signed by a Borrower Representative identifying the amounts to be paid and the respective payees in lieu of a Requisition.

Section 4.09. Funding Loan Fund. On the Funding Date, the Trustee shall deposit into the Funding Loan Fund the proceeds of the Funding Loan received from Citibank to purchase the Governmental Lender Note on the Funding Date, which amount shall be used on the Funding Date to purchase the Bonds which shall be exchanged for the Governmental Lender Note.

Section 4.10. Expense Fund. The Trustee shall deposit into the Expense Fund amounts received from the Borrower for the purpose of paying the Trustee's Fee, the Issuer Fees and Expenses, fees of the Rebate Analyst and any other fees and expenses required to be paid by or on behalf of the Borrower under the Loan Agreement. The Issuer hereby authorizes and directs the Trustee to withdraw sufficient funds from the Expense Fund to pay (a) the Issuer Administrative Fee and any additional Issuer Fees and Expenses, if any, payable in connection with the Reserved Rights and (b) such amounts to the proper persons on the dates and in the amounts due when evidenced by a written invoice and written instruction of the Borrower to pay such amount. Amounts on deposit in the Expense Fund shall be withdrawn or maintained, as appropriate, by the Trustee to pay (i) to the Trustee, the Trustee's Fee, (ii) to the Issuer, the Issuer Fees and Expenses, (iii) upon receipt, to the Trustee, any amounts due to the Trustee which have not been paid, other than amounts paid in accordance with clause (i) hereof, (iv) upon receipt, to, or at the written direction of, the Issuer, any unpaid amounts owed to the Issuer in connection with the Reserved Rights, other than amounts paid in accordance with clause (ii) above, and (v) pay any fees of the Rebate Analyst when due.

In addition, any additional fees and expenses of Bond Counsel shall be timely funded by payments made directly by the Borrower to Bond Counsel or, if preferred by Bond Counsel, additional deposits by the Borrower into the Expense Fund of moneys not derived from the proceeds of the Bonds, and the Trustee shall use such amounts to pay such additional fees and expenses of Bond Counsel, as directed by the Borrower in writing.

In the event that the amounts on deposit in the Expense Fund are not equal to the amounts payable from the Expense Fund as provided in the preceding paragraphs on any date on which such amounts are due and payable, the Trustee shall give notice to the Borrower of such deficiency and of the amount of such deficiency and request payment within two Business Days to the Trustee of the amount of such deficiency.

Written notice of any insufficiency, which results in the Issuer not receiving the Issuer Fees and Expenses on the applicable due date, shall be provided by the Trustee to the Issuer (with a copy to the Borrower) not later than 10 days after the respective due date.

Upon payment by the Borrower to the Trustee of such deficiency, the amounts for which such deficiency was requested shall be paid by the Trustee.

ARTICLE V

CUSTODY AND APPLICATION OF BOND PROCEEDS

Section 5.01. Custody and Application of Project Fund and Bond Fund. On the Closing Date, the proceeds received upon the issuance and sale of the Bonds shall be deposited into the Project Fund and Bond Fund (if accrued interest) and invested by the Trustee as set forth in Section 6.01 hereof.

Section 5.02. Procedure for Making Disbursements from Project Fund. Upon the deposit of Eligible Funds into the Collateral Fund, as provided in Section 4.08 hereof, the Trustee shall disburse the proceeds of the Bonds on deposit in the Project Fund on such date (which shall be requisitioned solely to pay the Costs of the Project) only upon receipt by the Trustee of (i) a signed Requisition in substantially the form attached as Appendix B hereto approved in writing by the Mortgage Lender and/or CHA, as applicable, depending upon the source of collateral and (ii) certification by a Borrower Representative that at least 95% of the total Costs of the Project intended to be paid with Bond proceeds are Qualified Project Costs pursuant to Section 142 of the Code, the Trustee shall disburse from the Project Fund Bond proceeds, in the amount set forth in the applicable Requisition (which proceeds shall be requisitioned solely to pay Costs of the Project). To the extent money on deposit in the Project Fund is invested in Eligible Investments, the Trustee shall not sell or otherwise terminate such Eligible Investments prior to their stated maturity date and instead the Trustee is hereby instructed to make the following allocations and exchanges, which allocations and exchanges shall occur prior to the disbursement of amounts on deposit in the Project Fund to pay Costs of the Project: (a) allocate all or a portion of the Eligible Investments in the Project Fund, in the amount specified in the request for disbursement, to the Collateral Fund, and (b) transfer to the Project Fund a like amount of Eligible Funds on deposit in the Collateral Fund to be disbursed in accordance with this Section. The Issuer shall have no involvement and/or discretion with respect to the review and approval of Requisitions or the disbursement of funds from the Project Fund.

The Trustee shall not disburse money from the Project Fund, other than to pay interest and principal on the Bonds as otherwise permitted hereunder, unless and until Eligible Funds in an amount equal to or greater than the requested disbursement amount has been deposited into the Collateral Fund in accordance with Section 4.08 hereof. In accordance with Section 3.03 of the Loan Agreement, and prior to making any disbursement from the Project Fund (except to make necessary interest and principal payments on the Bonds as otherwise permitted hereunder), the Trustee shall determine that the aggregate account balance in (a) the Collateral Fund and (b) the Project Fund (less the requested disbursement amount) is at least equal to the then-Outstanding principal amount of the Bonds.

Money in the Project Fund shall be disbursed in accordance with the provisions of Section 3.03 of the Loan Agreement and this Section 5.02. To the extent moneys are not otherwise provided to the Trustee to make the necessary interest and principal payments on each Interest Payment Date, including moneys deposited into the Bond Fund or the Collateral Fund, the Trustee shall, without further written direction, transfer from the Project Fund to the Bond Fund sufficient Eligible Funds to make such necessary interest and principal payments on each Interest Payment Date.

Notwithstanding anything contained in this Indenture or any of the Borrower Documents to the contrary, with respect to Eligible Funds funded by the Mortgage Lender and the CHA for deposit into the Collateral Fund, the Trustee shall be irrevocably and unconditionally obligated to disburse an equal amount of funds from the Project Fund to either the Mortgage Lender, the CHA, the Borrower or the Title Company pursuant to a Requisition as directed by the Mortgage Lender and/or the CHA, as applicable, to pay the Costs of the Project. Such disbursements shall be made pursuant to a Requisition and shall not be made more frequently than once per month.

Subject to the Trustee's obligation to return the Eligible Funds funded by the Mortgage Lender and the CHA to the Mortgage Lender, the CHA or other providers of Eligible Funds as set forth in this Section 5.02, the Trustee and the Issuer shall not, in any event, be responsible or liable to any person for the disbursement of, or failure to disburse, moneys from the Project Fund or any part thereof, and no contractor, subcontractor or material or equipment supplier or their respective successors and assigns shall have any right or claim against the Trustee or the Issuer under this Indenture.

Notwithstanding anything contained in this Indenture or any of the Borrower Documents to the contrary, if for any reason the Trustee is not able to disburse a corresponding amount of Bond proceeds from the Project Fund to or at the direction of the Mortgage Lender and/or the CHA, as applicable, immediately following receipt of Eligible Funds from the Mortgage Lender and/or the CHA, as applicable, for deposit into the Collateral Fund, the Trustee shall promptly wire transfer such funds back to the Mortgage Lender and/or the CHA, as applicable, and not deposit the same into the Collateral Fund.

For purposes of complying with the requirements of this Section, the Trustee may conclusively rely and shall be protected in acting or refraining from acting upon the Requisition signed by the authorized officer of the Borrower. The Trustee shall not be bound to make an investigation into the facts or matters stated in any Requisition of the Borrower. The Trustee shall not be responsible for determining whether the funds on hand in the Project Fund are sufficient to complete the Project. The Trustee shall not be responsible to collect lien waivers.

Section 5.03. Trustee May Rely on Requisitions and Certifications. In making any disbursement from the Project Fund, the Trustee may rely on any requests and confirmations and the Requisition delivered to it pursuant to Section 5.02 hereof, and the Trustee shall be relieved of all liability with respect to making such disbursements in accordance with such requests and confirmations. In making any disbursements from the Costs of Issuance Fund, the Trustee may rely on any requests and confirmations and the Requisition or Closing Memorandum delivered to it pursuant to Section 4.07 hereof, and the Trustee shall be relieved of all liability with respect to making such disbursements in accordance with such requests and confirmations.

Section 5.04. Completion of Project. The completion of the Project and the payment of all costs and expenses incident thereto shall be evidenced for the Project by the filing with the Trustee of (a) the Completion Certificate required by the provisions of Section 3.05 of the Loan Agreement and (b) a certificate signed by the Borrower Representative stating that all obligations and costs in connection with the Project and payable out of the Project Fund have been paid and discharged except for amounts retained by the Trustee for the payment of Costs of the Project not then due and payable or then in dispute as provided in the Loan Agreement; provided, however, that no amounts necessary to pay principal and interest on the Bonds at maturity shall be held by the Trustee in the Project Fund beyond the Maturity Date, and the Project Fund shall be closed. Additionally, the Borrower has agreed pursuant to Section 3.06 of the Loan Agreement that in the event that there are insufficient moneys available in the Project Fund to pay the Costs of the Project, the Borrower will complete the Project and pay the portion of the Costs of the Project in excess of the moneys available therefor in the Project Fund.

Section 5.05. Disposition of Moneys in Project Fund After Completion of Project. Subject to the proviso in Section 5.04 hereof, as soon as practicable after the date of the certificate referred to in clause (b) of Section 5.04 hereof, any balance remaining in the Project Fund (other than the amounts retained by the Trustee referred to in Section 5.04 hereof) shall be deposited into the Bond Fund and used to pay principal of the Bonds when due. To the extent any moneys from any payments made by the Borrower pursuant to the Loan Agreement remain in the Project Fund or Bond Fund after there are no Bonds Outstanding and payment in full, or provision for payment, of the final Rebate Amount, any remaining Trustee's Fees or any other Trustee fees or expenses, and any remaining Issuer Fees and Expenses or other amounts due to the Issuer in connection with the Reserved Rights, such moneys may be paid directly to the Borrower to the extent such funds are not proceeds of the Bonds or otherwise restricted funds. If such remaining funds are proceeds of the Bonds or otherwise restricted, such funds shall be deposited by the Trustee into the Bond Fund.

Notwithstanding the provisions of this Section or any other provision herein set forth, none of the moneys in the Project Fund will be disbursed for or be used to pay any cost, or to reimburse the Issuer or the Borrower for any cost, which is not permitted by the Ordinance, the Code, the Loan Agreement or this Indenture.

ARTICLE VI

INVESTMENT OF FUNDS AND ACCOUNTS

Section 6.01. Investment of Bond Fund, Project Fund, and Collateral Fund. Money in all funds or accounts including the Bond Fund, Project Fund, and Collateral Fund shall be invested and reinvested by the Trustee, and at all times held in Eligible Investments at the written direction (including facsimile transmission) of the Borrower (such written direction to specify the particular investment in Eligible Investments to be made), which must be in accordance with the investment provisions herein and in the Arbitrage Certificate. In the absence of written direction of the Borrower, any moneys held under this Indenture shall be invested in (i) "State Street Institutional Treasury Money Market Fund — Investment Class TVRXX", a money market fund as described in clause (b) of the definition of Eligible Investments, or if such fund is unavailable, (ii) investments described in paragraph (b) of the definition of Eligible Investments. The Borrower

acknowledges receipt of a prospectus for the fund which, among other things, describes the fees and expenses paid by the fund, including fees paid to the Trustee for servicing the fund (which affect the return on investment). The Borrower acknowledges that the fund is not an FDIC-insured bank deposit, is not an obligation of or guaranteed by the Trustee or its affiliates, and may involve investment risk, including loss of principal.

At no time shall the Borrower direct that (a) any funds constituting gross proceeds of the Bonds be used in any manner as would constitute failure of compliance with Section 148 of the Code or (b) any funds be held other than in Eligible Investments. The Issuer covenants and agrees not to take, or cause to be taken, any action or fail to take any action reasonably within its control with respect to the investment of monies under this Indenture that is inconsistent with the provisions of this Indenture and which would result in the Bonds becoming arbitrage bonds within the meaning of Code Section 148(a). The Issuer further covenants and agrees to comply with and take all actions required of it by the Arbitrage Certificate and to continue to do so as specified in the Arbitrage Certificate notwithstanding any satisfaction or discharge of this Indenture.

It is hereby acknowledged and agreed that the Issuer shall have no discretion regarding the investment or reinvestment of funds pursuant to this Section 6.01 or Section 4.06 above.

Investments of money in the Bond Fund, the Project Fund, and the Collateral Fund shall mature or be redeemable at the option of the Trustee at the times and in the amounts necessary to provide money to pay any amounts due on the Bonds as they become due on each Interest Payment Date or at stated maturity or on a Mandatory Tender Date. In addition, investment of money in the Project Fund shall mature or be redeemable at the option of the Trustee at the times and in the amounts as may be necessary to make anticipated payments from the Project Fund. Any investment in the Bond Fund, the Project Fund or the Collateral Fund that are not classified as Eligible Investments shall be invested in Governmental Obligations.

The Trustee shall sell or redeem investments credited to the Bond Fund to produce sufficient money applicable hereunder to and at times required for the purposes of paying any amounts due on the Bonds, and shall do so without necessity for any order on behalf of the Issuer or the Borrower and without restriction by reason of any order. An investment made from money credited to an applicable fund or account shall constitute part of that respective fund or account. All investment earnings from amounts on deposit in the Project Fund and the Collateral Fund shall be credited to and become part of the Bond Fund. All gains resulting from the sale of, or income from, any investment made from amounts on deposit in the Project Fund and the Collateral Fund shall be credited to and become part of the Bond Fund. Following the Closing Date, at the direction of the Borrower, the Trustee is permitted to purchase, sell or exchange Eligible Investments upon receipt of a Cash Flow Projection.

Notwithstanding anything herein to the contrary, (i) earnings received by the Trustee with respect to Eligible Investments purchased for the purpose of paying Bond Service Charges shall be held uninvested as cash and (ii) Bond proceeds shall be held uninvested as cash until the Trustee has purchased, sold or exchanged Eligible Investments.

Any investments may be purchased from or sold to the Trustee, or any bank, trust company or savings and loan association which is an affiliate or subsidiary of the Trustee; provided that all such investments must be Eligible Investments.

The Trustee shall not be liable for losses, fees, taxes, or other charges in connection with any investments, reinvestments or liquidations made in compliance with the provisions of this Indenture.

If the Trustee is required to sell or otherwise dispose of any Eligible Investments prior to maturity at a price below par prior to the Initial Mandatory Tender Date, the Borrower shall, at the Borrower's expense, deliver to the Trustee (i) a Cash Flow Projection and (ii) Eligible Funds in the amount set forth in such Cash Flow Projection, if any.

Although each of the Issuer and the Borrower recognizes that it may obtain a broker confirmation or written statement containing comparable information at no additional cost, each of the Issuer and the Borrower hereby agrees that confirmations of Eligible Investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month. The Trustee may conclusively rely upon the Borrower's written instructions as to both the suitability and legality of the directed investments.

Section 6.02. Investment of Rebate Fund. Any moneys held as part of the Rebate Fund, and not immediately required for the purposes of the Rebate Fund, shall be invested or reinvested by the Trustee, at the written direction of the Borrower Representative, in Governmental Obligations or in any money market or short term investment fund investing in or consisting solely of and secured by Governmental Obligations, including any such fund maintained by the Trustee or an affiliate thereof having maturities consonant with the need for funds as estimated by the Borrower, such written direction shall specify the particular investment in Governmental Obligations, money market or short term investments in or consisting solely of and secured by Governmental Obligations to be made. In the absence of such written direction, said moneys shall be held in cash, uninvested. All investment earnings, gains resulting from the sale of, or income from, any investment made from amounts on deposit in the Rebate Fund shall be retained therein.

Section 6.03. Accounting for Termination of Investments; No Arbitrage. In the event the moneys in the Project Fund or the Bond Fund are invested in any investment which fails to satisfy the requirements of Section 6.01, the Trustee shall, at the written direction of the Borrower, terminate any such investment, and the proceeds of such termination, shall be credited to the Project Fund or the Bond Fund, respectively.

If the Issuer is of the opinion, based solely upon receipt of advice of Bond Counsel, that it is necessary to restrict or limit the yield on the investment of any moneys, securities or other obligations paid to or held by the Trustee hereunder in order to comply with the provisions of the Documents intended to prevent any Bonds from being considered "arbitrage bonds" within the meaning of Section 148 of the Code, an Authorized Issuer Representative may give written notice to the Trustee to such effect (together with appropriate written instructions as provided by Bond Counsel) who shall provide such notice to the Borrower to such effect, in which event the Trustee will take such action as is set forth in such written instructions to restrict or limit the yield on such

investment so as to comply with Section 148 of the Code; provided, however, that the Issuer shall have no obligation to monitor, provide notice, exercise discretion or otherwise in connection with investments made pursuant hereto. The Trustee may conclusively rely on the direction of the Issuer in taking such action.

Section 6.04. Trustee's Own Bond or Investment Department. The Trustee may make any and all investments permitted under Section 6.01 and Section 6.02 through its own bond or investment department or that of any affiliate, notwithstanding that (a) the Trustee charges and collects fees and expenses from such funds for services rendered, (b) the Trustee charges and collects fees and expenses for services rendered pursuant to this Indenture and (c) services performed for such funds pursuant to this Indenture may converge at any time.

Section 6.05. Moneys To Be Held in Trust. All moneys required or permitted to be deposited with or paid to the Trustee for account of the Bond Fund, the Collateral Fund, or the Project Fund under any provision of this Indenture shall be held by the Trustee in trust, and shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the lien and claim created by this Indenture.

The Trustee, acting in its capacity as Trustee and not as sponsor, advisor or manager in connection with any investments, reinvestments or liquidations hereunder, shall not be liable for any loss, fee, tax or other charge arising from investments made in accordance with this Indenture, or for any loss resulting from the redemption or sale of any such investments as authorized by this Section. In the event of a loss on the sale of such investments (after giving effect to any interest or other income thereon except to the extent theretofore paid to the Issuer) incurred hereunder, the Trustee shall have no responsibility in respect of such loss except to the extent arising out of the gross negligence or willful misconduct of the Trustee. The Trustee shall provide the Issuer and the Borrower with written notification of the amount of such loss and the Borrower shall promptly pay such amount to the Trustee to be credited as part of the moneys originally invested.

ARTICLE VII

GENERAL COVENANTS

Section 7.01. Payment of Bonds. Each and every covenant made in this Indenture, including all covenants made in the several sections of this Article, is predicated upon the condition that any obligation for the payment of money incurred by the Issuer shall be payable solely from the Trust Estate. Nothing in the Bonds or in this Indenture shall be construed as pledging any other funds or assets of the Issuer.

The Issuer covenants to promptly pay, as provided herein, the principal of and interest on the Bonds when due solely from the Trust Estate at the place, on the date and in the manner provided herein and in the Bonds.

The Revenues are to be remitted by the Borrower directly to the Trustee for the account of the Issuer and constitute a part of the Trust Estate and are subject to the lien and claim created by this Indenture. Such amounts, in addition to the amounts held in the Project Fund, are to be sufficient in amount at all times to pay the principal of and interest on the Bonds. The entire

amount of Revenues (exclusive of the Reserved Rights) is assigned to secure the payment of the principal of and interest on the Bonds.

Section 7.02. Performance of Covenants.

(a) The Issuer covenants that it is duly authorized under the laws of the State to issue the Bonds, to enter into this Indenture and the Loan Agreement and to assign the Revenues, and that, upon issuance, authentication, and delivery, the Bonds are and will be valid and enforceable special limited obligations of the Issuer according to the import thereof.

(b) Subject to Section 7.01 above, the Issuer shall have no liability or obligation with respect to the payment of the purchase price of the Bonds. None of the provisions of this Indenture shall require the Issuer to expend or risk its own funds or to otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers hereunder, unless payable from the Trust Estate pledged hereunder, or the Issuer shall first have been adequately indemnified to its satisfaction against the cost, expense, and liability which may be incurred thereby. The Issuer shall not be under any obligation hereunder to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or provided by the Trustee or the Borrower. The Issuer covenants that it will faithfully perform (to the extent within its reasonable control) at all times any and all covenants, undertakings, stipulations, and provisions expressly contained in this Indenture, in every Bond executed, authenticated, and delivered hereunder, in the Loan Agreement and in all of its proceedings pertaining thereto; provided, however, that (a) except as required of the Issuer under the Documents and except for documents to be delivered by the Issuer on the Funding Date, the Issuer shall not be obligated to take any action or execute any instrument pursuant to any provision hereof until it shall have been requested to do so by the Borrower or the Trustee, and (b) the Issuer shall have received the instrument to be executed, and, at the Issuer's option, shall have received from the Borrower assurance satisfactory to the Issuer that the Issuer shall be reimbursed for its expenses incurred or to be incurred in connection with taking such action or executing such instrument.

(c) The Loan Agreement sets forth covenants and obligations of the Issuer and the Borrower, and reference is hereby made to the same for a detailed statement of said covenants and obligations. The Issuer agrees to cooperate in the enforcement of all covenants and obligations of the Borrower under the Loan Agreement and agrees that the Trustee, in its name, may enforce all rights of the Issuer (other than the Reserved Rights) and all obligations of the Borrower under and pursuant to the Loan Agreement and on behalf of the Bondholders, whether or not the Issuer has undertaken to enforce such rights and obligations.

(d) The Issuer shall, within the parameters established in the Resolution and subject to the terms and conditions of this Indenture and the Loan Agreement, perform such actions as are deemed necessary or desirable by it in connection with

the exchange of the Bonds for the Governmental Lender Note, including but not limited to the execution and delivery of the Funding Loan Agreement, Borrower Loan Agreement, and any document required by Citibank, N.A. in form substantially similar to that agreed upon prior to Closing, and the delivery of the Governmental Lender Note to be outstanding from and after the Funding Date which is to be exchanged for the Bonds issued pursuant to this Indenture on the Funding Date; provided that, all of the foregoing shall be done at the sole cost and expense of the Borrower and the payment of such costs and expenses (which may be through an escrow in form and substance satisfactory to the Issuer) shall be a condition precedent to such performance by the Issuer.

Section 7.03. Undertaking to Provide Ongoing Disclosure. Pursuant to Section 5.11 of the Loan Agreement, the Borrower has undertaken all responsibility for compliance with continuing disclosure requirements, and the Issuer and the Trustee, except with respect to the Trustee's duties under the Continuing Disclosure Agreement (if any), shall have no liability to the Owners of the Bonds or any other person with respect to Securities Exchange Commission Rule 15c2-12, as amended. Notwithstanding any other provision of this Indenture, failure of the Borrower to comply with the Continuing Disclosure Agreement shall not be considered a Default or an Event of Default hereunder or under the Loan Agreement; however, a Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the noncompliant Borrower to comply with its obligations under Section 5.11 of the Loan Agreement.

Section 7.04. Enforcement of Borrower's Obligations. So long as any of the Bonds are Outstanding, the Issuer (subject to Section 7.02(b)) will cooperate with the Trustee in enforcing the obligations of the Borrower to pay, or cause to be paid, all the payments and other costs and charges payable pursuant to the Loan Agreement. Nothing contained in this Section or in any other section of this Indenture shall be deemed to modify the provisions of the Ordinance and Section 2.09 hereof or require that the Issuer expend any of its own funds or assets to enforce the obligations of the Borrower under the Documents.

Section 7.05. Further Assurances, Instruments and Actions. Subject to Section 7.02(b), the Issuer will (at the sole cost and expense of the Borrower) from time to time, execute and deliver such further instruments, conveyances, assignments and transfers and take such further actions as may be reasonable and as may be required to better assure, convey, grant, assign or confirm the Trust Estate and all other rights, revenues or funds pledged, assigned or intended to be so pledged or assigned hereunder for the benefit of the owners of the Bonds; provided, however, that no such instruments or actions shall pledge the credit or taxing power of the State, the Issuer or any other political subdivision of the State, or create or give rise to any monetary obligation or liability of the Issuer. The Issuer shall be under no obligation to prepare, record, or file any such instruments referred to in this Section 7.05.

Section 7.06. Priority of Pledge. The Issuer covenants and agrees that it will not create any lien or claim upon the Revenues other than the liens and claims hereby created. Except for the assignment to the Trustee, the Issuer will not sell, lease or otherwise dispose of or encumber any of the Revenues, and will cooperate in causing to be discharged or satisfied any lien or charge on any part of the Trust Estate.

Section 7.07. Borrower To Indemnify and Hold Issuer, The Other Issuer Indemnified Parties and Trustee Harmless From Liability. The Borrower has agreed to indemnify and hold the Issuer, the other Issuer Indemnified Parties and the Trustee harmless from and against liability arising out of Liabilities as provided in Sections 6.02 and 7.04 of the Loan Agreement.

Section 7.08. Tax-Exempt Status of Bonds. The Issuer and the Trustee each agrees that it will not (a) take any action (reasonably within its control and subject to Section 7.02(b)), (b) fail to take any action it is required to take in accordance with this Indenture, the Loan Agreement or the Arbitrage Certificate or (c) make any use of the Project or the proceeds of the Bonds, which it actually knows would cause the interest on any of the Bonds to be or become includible in the gross income of the owners thereof for federal income tax purposes (except for minimum or preference tax purposes or other indirect taxation). In connection with the foregoing, the Issuer and the Trustee may conclusively rely upon the advice of Bond Counsel.

ARTICLE VIII

DISCHARGE

Section 8.01. Discharge of Lien. If and when the Bonds secured hereby shall become due and payable in accordance with their terms as provided in this Indenture, or otherwise, and the whole amount of the principal and the interest so due and payable upon all of the Bonds, together with all other amounts payable hereunder by the Issuer and all fees, costs and expenses of the Trustee and its counsel and the Issuer (including, without limitation, all fees, costs and expenses owed in connection with the Reserved Rights), shall be paid, or provision shall have been made for the payment of the same, then the right, title and interest of the Trustee in and to the Trust Estate and all covenants, agreements and other obligations of the Issuer to the Bondholders shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, upon written request of the Issuer (as directed by the Borrower) and subject to the provisions of Section 5.05 hereof, the Trustee shall turn over to the Borrower, so long as there shall have occurred no Event of Default which is uncured and continuing, any surplus in the Bond Fund and all balances remaining in any other fund created under this Indenture and shall assign and transfer to the Borrower all other property then held by the Trustee under this Indenture and shall execute such documents as may be reasonably required by the Issuer.

If and when the Trustee shall hold sufficient moneys hereunder, as verified to the Trustee in writing by an independent public accounting firm of national reputation or other firm similarly experienced in performing such computations, to provide for payment of the whole amount of the principal and interest due and payable and thereafter to become due and payable upon all the Bonds, together with all other amounts (exclusive of amounts in the Rebate Fund or the Expense Fund) payable or which may thereafter become payable hereunder by the Issuer, notwithstanding that all the Bonds have not yet become due and payable and that consequently the right, title and interest of the Trustee in and to the Trust Estate shall not have ceased, terminated and become void pursuant to the foregoing provisions of this Section 8.01, the Trustee, on demand of the Issuer (which shall be requested by the Borrower) but subject to the provisions of Section 5.05 hereof, shall turn over to the Borrower, so long as there shall have occurred no Event of Default which is uncured and continuing, or to such person, body or authority as may be entitled to receive the same, any surplus in the Bond Fund in excess of the amount sufficient to pay the whole amount of

the principal and interest due and payable and thereafter to become due and payable upon all Bonds together with all other amounts payable or which may thereafter become payable hereunder by the Issuer.

All Outstanding Bonds shall, prior to the maturity thereof, be deemed to have been paid within the meaning and with the effect expressed above if (a) there shall have been deposited with the Trustee (as verified to the Trustee in writing by an independent public accounting firm of national reputation or other firm similarly experienced in performing such computations) either (i) moneys in an amount which shall be sufficient, or (ii) Governmental Obligations which are not subject to redemption prior to maturity, the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal and interest due and to become due on such Bonds on the maturity date thereof, and (b) the Issuer (at the direction of the Borrower and subject to Section 7.02(b)) shall have given the Trustee, in form satisfactory to it irrevocable instructions to give, as soon as practicable, a notice to the Holders of such Bonds and the Rating Agency that the deposit required by subclause (a) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section and stating such maturity upon which moneys are to be available for the payment of the principal of and interest on such Bonds. The Borrower shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the Governmental Obligations deposited pursuant to this Section 8.01 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of Outstanding Bonds.

Neither the securities nor moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on such Bonds; provided that any cash received from such principal or interest payments on such securities deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested, as directed by the Borrower, in Governmental Obligations (including any short-term investment fund rated Aaa or MIG 1 by the Rating Agency and secured by and investing solely in Governmental Obligations) maturing at times and in amounts sufficient to pay when due the principal and interest to become due on such Bonds on and prior to such maturity dates thereof, as the case may be, and interest earned from such reinvestment shall be paid over to the Borrower, as received by the Trustee, free and clear of any trust, lien or pledge.

The release of the obligations of the Issuer under this Section 8.01 shall be without prejudice to the right of the Trustee provided in Section 10.04 hereof to be paid compensation for all services rendered by it hereunder and all its fees, expenses, charges and other disbursements and those of its attorneys, agents and employees, incurred on behalf of the Trustee in connection with the trust hereby created and the performance of its powers and duties hereunder, and shall not affect the obligations of the Borrower to make the payments required by the Loan Agreement or the Note.

Section 8.02. Survival. Notwithstanding the payment in full of the Bonds, the discharge of this Indenture, and the termination or expiration of the Note and the Loan Agreement and any security or collateral agreements delivered in connection therewith, all provisions in this Indenture concerning (a) the tax-exempt status of the Bonds (including, but not limited to provisions

concerning rebate), (b) the interpretation of this Indenture, (c) the governing law, (d) the forum for resolving disputes, (e) the Issuer's right to rely on facts or certificates, (f) the indemnity of the Issuer Indemnified Parties and Trustee from liability (pecuniary or otherwise) and their rights to receive payment or reimbursement with respect thereto, and (g) the lack of pecuniary liability of the Issuer and the State, shall survive and remain in full force and effect.

ARTICLE IX

DEFAULTS AND REMEDIES

Section 9.01. Events of Default and Acceleration. If any of the following events occur, it is hereby defined as and declared to be and constitute an "Event of Default:"

- (a) any interest on any Bond is not paid on the date on which the same becomes due; or
- (b) any principal of any Bond is not paid on the date on which the same becomes due, whether at the stated maturity thereof, by acceleration or otherwise; or
- (c) an Event of Default occurs under the Loan Agreement; or
- (d) the Issuer fails to duly and promptly perform, comply with, or observe any covenant, condition, agreement or provision (other than as specified in (a) or (b) of this Section 9.01) contained in the Bonds or in this Indenture on the part of the Issuer to be performed, and such failure shall continue for a period of 90 days after written notice specifying such failure and requiring the same to be remedied shall have been given to the Issuer, the Borrower and the Investor Limited Partner by the Trustee, which notice may be given by the Trustee and shall be given at the written request of the Holders of not less than 100% in principal amount of the Bonds then Outstanding; provided, however, that if such default be such that it is correctable but cannot be corrected within 90 days, it shall not be an Event of Default if the Issuer, the Borrower or the Investor Limited Partner is taking appropriate corrective action to cure such failure and if such failure will not impair the security for the Loan or the Bonds.

If any Loan payment required under the Loan Agreement to avoid a default under (a) or (b) of this Section shall not have been received at the close of business on the last Business Day preceding the day on which payment must be made to avoid a default under such (a) or (b), the Trustee shall use its best efforts to give telephonic notice of such default to the Borrower and the Investor Limited Partner, which telephonic notice shall be confirmed by written notice to the Borrower. If any other default shall occur under the provisions of this Section, the Trustee shall, within five days after having actual knowledge of such default in accordance with Section 10.05 hereof, use its best efforts to give written notice of such default to the Issuer, the Borrower, the Investor Limited Partner, and the Holders of the Bonds. A default or an Event of Default specified in (a) through (d) above shall occur even though the Trustee fails to give the notice required by this paragraph, the giving of such notice being intended solely to aid in the enforcement of the

rights of Bondholders and not in limitation of such rights and the Trustee incurring no liability for failure or defect in giving such notice.

If an Event of Default specified in (a) or (b) of this Section 9.01 shall occur and be continuing for 30 days the Trustee shall declare the principal of all Bonds then Outstanding to be immediately due and payable by notice in writing to that effect delivered to the Issuer, the Investor Limited Partner and the Borrower, and upon such declaration such principal, together with interest accrued thereon, shall become immediately due and payable at the place of payment provided therein, anything in this Indenture or in the Bonds to the contrary notwithstanding.

If an Event of Default specified in (c) or (d) of this Section 9.01 shall occur and be continuing, the Trustee, upon written request of the Holders of a majority in principal amount of the Bonds then Outstanding shall declare the principal of all Bonds then Outstanding to be immediately due and payable by notice in writing to that effect delivered to the Issuer, the Investor Limited Partner and the Borrower, and upon such declaration such principal, together with interest accrued thereon, shall become immediately due and payable at the place of payment provided therein, anything in this Indenture or in the Bonds to the contrary notwithstanding.

The Investor Limited Partner shall be entitled to cure any Event of Default hereunder within the time frame provided to the Borrower. The Issuer and the Trustee agree that cure of any default or Event of Default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 9.02. Trustee To Enforce Rights of Issuer. Only in accordance with the provisions of this Indenture, the Trustee, as the assignee of all the right, title and interest of the Issuer in and to each of the documents constituting a part of the Trust Estate (except the Reserved Rights), may enforce the rights granted to the Issuer pursuant to such documents. In the enforcement of any rights or remedies under such documents, no provision of such documents shall require, and none shall be construed to require, that the Trustee post a bond or establish any surety of any kind as a condition precedent to exercising any such rights or remedies.

Section 9.03. Remedies in Addition to Acceleration. Upon the occurrence of, and during the continuance of, any Event of Default, then and in every such case the Trustee in its discretion may, and upon the written request of the Holders of not less than 51% in principal amount of the Bonds then Outstanding and receipt of satisfactory indemnity shall (in addition to its right or duty to accelerate as provided in Section 9.01):

- (a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Bondholders, and require the Issuer or the Borrower to carry out any agreements with or for the benefit of the Bondholders and to perform its or their duties under the Ordinance and the Documents, provided, however, that any claim against the Issuer shall be strictly limited to the Trust Estate;
- (b) bring suit upon the Bonds; or
- (c) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders.

Section 9.04. Termination of Proceedings. In case any proceeding taken by the Trustee on account of any default or Event of Default shall have been discontinued or abandoned for any reason, the default or Event of Default has been cured, or shall have been determined adversely to the Trustee, then and in every such case, the Issuer, the Trustee, the Bondholders, and the Borrower shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies and powers of the Trustee shall continue as though no such proceeding had been taken.

Section 9.05. Right of Bondholders To Direct Proceedings. No Holder of any of the Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust hereunder, or any other remedy hereunder or on the Bonds, unless such Holder previously shall have given to the Trustee written notice of an Event of Default as hereinabove provided and unless also the Holders of not less than 51% in principal amount of the Bonds then outstanding shall have made written request of the Trustee to do so, after the right to exercise such powers or rights of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers hereinabove granted, or to institute such action, suit or proceeding in its or their name; and unless there also shall have been offered to the Trustee security and satisfactory indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall not have complied with such request within a reasonable time; and such notification, request and offer of indemnity are hereby declared in every such case, to be conditions precedent to the execution of the trusts of this Indenture or for any other remedy hereunder; it being understood and intended that no one or more Holders of the Bonds hereby secured shall have any right in any manner whatever by its or their action to affect, disturb or prejudice the security of this Indenture, or the rights of any other Holder, or to enforce any right hereunder or under the Bonds, except in the manner herein provided and for the equal benefit of all Holders of Outstanding Bonds. For purposes of the foregoing sentence, the Trustee shall be deemed to have failed to act within a reasonable time if it fails to take action within 60 days after receipt of notice and compliance with the foregoing terms and conditions, whereupon, the Holders of 51% aggregate principal amount of the Bonds may take such action in the place of the Trustee. Nothing contained in this Indenture shall, however, affect or impair the right of any Holder of Bonds to enforce the payment of the principal of and interest on any Bond at and after the maturity thereof, or the obligation of the Issuer to pay the principal of and interest (solely from the Trust Estate), on each of the Bonds issued hereunder to the respective Holders of the Bonds at the time, place, from the source and in the manner herein and in such Bonds expressed.

Section 9.06. Remedies Vested in Trustee. All rights of action under this Indenture or under any of the Bonds secured hereby which are enforceable by the Trustee may be enforced by it without the possession of any of the Bonds, or the production thereof at the trial or other proceedings relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the equal and ratable benefit of the Holders of the Bonds, subject to the provisions of this Indenture.

Section 9.07. Remedies Non-Exclusive and Cumulative. No remedy herein conferred upon or reserved to the Trustee or to the Holders of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 9.08. Delays or Omissions by Trustee. No delay or omission of the Trustee or of any Holder of the Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default, or any acquiescence therein; and every power and remedy given by this Article IX to the Trustee and to the Holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 9.09. Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article IX shall, after payment of the fees, costs and expenses of the proceedings resulting in the collection of such moneys and of the accrued fees, expenses, disbursements and advances (including without limitation attorneys' fees and expenses) incurred or made by the Trustee, and then to the accrued Issuer Fees and Expenses or other amounts due and owing to the Issuer or the Issuer Indemnified Parties (including, without limitation, any amounts owed in connection with the Reserved Rights and indemnification due to the Issuer and the Issuer Indemnified Parties in accordance with the Loan Agreement), be deposited in the Bond Fund and all moneys so deposited in the Bond Fund during the continuance of an Event of Default (other than moneys for the payment of Bonds which have matured or otherwise become payable prior to such Event of Default or for the payment of interest due prior to such Event of Default, which moneys shall continue to be held for such payments) shall be applied as follows:

(a) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

First - To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the direct order of the maturity of the installments of such interest and, if the amounts available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or privilege;

Second - To the payment to the persons entitled thereto of the unpaid principal, on any of the Bonds, which shall have become due (other than Bonds which have matured or otherwise become payable prior to such Event of Default and moneys for the payment of which are held in the Bond Fund or otherwise held by the Trustee), and if the amount available shall not be sufficient to pay in full the amount of principal, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto, without any discrimination or privilege;

Third - To the payment to the persons entitled thereto of all other of the Issuer's Obligations and the Borrower's Obligations, and, if the amount available shall not be sufficient to pay such Borrower's Obligations in full, then to the payment ratably, according to the amounts then due, to the persons entitled thereto without discrimination or privilege; and

Fourth - The remainder, if any, shall be paid over to the Borrower, its successors or assigns, or whomever may be lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

(b) If the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal of and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest to the persons entitled thereto without any discrimination or privilege. Any remaining funds shall be applied in accordance with the paragraphs designated "Third" and "Fourth" of subsection (a) above.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made, and upon such date interest on the amounts or principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 9.10. Severability of Remedies. It is the purpose and intention of this Article to provide rights and remedies to the Trustee and Bondholders which may be lawfully granted under the applicable laws of the State, but should any right or remedy herein granted be held to be unlawful, the Trustee and the Bondholders shall be entitled, as above set forth, to every other right and remedy provided in this Indenture and by law.

ARTICLE X

THE TRUSTEE AND REMARKETING AGENT

Section 10.01. Acceptance of Trusts. The Trustee hereby accepts the trusts hereby created and agrees to perform and execute such trusts, but only upon the additional terms set forth in this Article, to all of which the Issuer agrees and the respective Holders of the Bonds agree upon and by their acceptance of delivery of any of the Bonds. The Trustee, prior to the occurrence of an event of default and after the curing of all events of default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations should be read into this Indenture against the Trustee.

Section 10.02. Trustee Not Responsible for Recitals, Statements and Representations. Except as otherwise expressly provided herein, any representations by the Issuer in this Indenture or in the Bonds contained shall be taken and construed as made by and on the part of the Issuer,

and not by the Trustee, and the Trustee does not assume, and shall not have, any responsibility or obligation for the correctness of any thereof.

Except for information, if any, provided by the Trustee concerning the Trustee, the Trustee shall have no responsibility or liability for any information, statement or recital in any Official Statement or other disclosure material distributed with respect to the Bonds, and the Trustee shall have no responsibility or liability for compliance with any state or federal securities laws in connection with the Bonds.

Section 10.03. Action by Trustee Through and In Reliance Upon Others. The Trustee may execute any of the trusts or powers hereof and perform the duties required of it hereunder by or through attorneys, agents, receivers or employees. The Trustee shall be entitled to advice of counsel concerning all matters of trust and its duties hereunder. The Trustee may act upon advice or an Opinion of Counsel and shall not be responsible for any loss or damage resulting from any action or nonaction taken, suffered or omitted by it in good faith and in accordance with such advice or Opinion of Counsel. The Trustee may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may be reasonably employed in connection with the trusts hereof, such compensation to be paid as described under Section 10.04 hereof. The Trustee shall not be answerable for the exercise of any discretion or power under this Indenture or for anything whatever in connection with the trust, except only for gross negligence or willful misconduct with respect to its responsibilities hereunder.

Except for gross negligence or willful misconduct, no personal recourse may be taken, directly or indirectly, against any officer, director, employee or agent of the Trustee with respect to the obligations of the Trustee under this Indenture or any certificate or other writing delivered in connection therewith. The Trustee's immunities and protections from liability and its right to indemnification in connection with the performance of its duties and functions under this Indenture shall extend to the Trustee's officers, directors, agents and employees.

The Trustee's rights, privileges, benefits, immunities and protections from liability and its right to payment of compensation and indemnification in connection with performance of its duties and functions under this Indenture shall survive the Trustee's resignation or removal and the final payment of the Bonds.

Section 10.04. Fees and Expenses of Trustee. The Trustee shall be entitled to payment and/or reimbursement of such fees as the Trustee and the Borrower shall agree upon, in writing from time to time, or in the absence of such agreement, to payment and/or reimbursement of fees and expenses, for its services rendered hereunder, and all advances, disbursements, counsel fees and expenses and other expenses reasonably and necessarily made or incurred by the Trustee in connection with such services. Any amounts payable to the Trustee pursuant to this Section 10.04 shall be payable upon demand.

Section 10.05. Trustee's Obligations To Take or Have Notice of Default. The Trustee shall not be required to take notice, or to be deemed to have notice, of any default under this Indenture other than a default under Section 9.01(a) or Section 9.01(b) hereof, unless it has actual knowledge of such default and is specifically notified in writing of such default by the Issuer or by the Holders of not less than 25% in principal amount of the Bonds then Outstanding.

Section 10.06. Duties of Trustee.

- (a) If an Event of Default has occurred and is continuing, the Trustee shall exercise its rights and powers and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.
- (b) Except during the continuance of an Event of Default,
 - (i) The Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee, and
 - (ii) In the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed, upon certificates or opinions furnished to the Trustee.
- (c) The Trustee may not be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that
 - (i) This paragraph does not limit the effect of paragraph (b) of this Section,
 - (ii) The Trustee shall not be liable for any error of judgment made in good faith by the Trustee, unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts,
 - (iii) The Trustee shall not be liable with respect to any action it takes or omits to take or suffers in good faith in accordance with a direction received by it in accordance with this Indenture relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture and the other Documents, and
 - (iv) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.
- (d) The Trustee may refuse to perform any duty or exercise any right or power unless it receives indemnity satisfactory to it against any loss, liability, fee, cost, or expense, but the Trustee shall not require indemnity as a condition to making any payments of principal or interest on the Bonds, or declaring the principal of and interest on the Bonds to be due immediately hereunder.
- (e) The Trustee's rights, privileges, benefits, immunities and protections from liability and its right to indemnification in connection with the performance of its

duties under this Indenture shall extend to the Trustee's officers, directors, agents, attorneys and employees in each of its capacities hereunder. Such immunities and protections and right to indemnification, together with the Trustee's right to compensation, shall survive the Trustee's resignation or removal, the defeasance or discharge of this Indenture and final payment of the Bonds.

(f) Except as otherwise provided in this Article, the Trustee shall be under no obligation to take any action in respect of any default or otherwise, or toward the execution or enforcement of any of the trusts hereby created, or to institute, appear in or defend any suit or other proceeding in connection therewith, unless requested in writing to do so by the Holders of not less than 51% in principal amount of the Bonds then Outstanding, and if in its opinion such action may tend to involve it in expense or liability, unless furnished, from time to time as often as it may require, with security and satisfactory indemnity. The foregoing provisions are intended only for the protection of the Trustee, and shall not affect any discretion or power given by any provision of this Indenture to the Trustee to take action in respect of any default without such notice or request from the Bondholders, or without such security or indemnity.

(g) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, pandemics, epidemics, recognized public emergencies, quarantine restrictions, nuclear or natural catastrophes or acts of God, interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services, and hacking, cyber-attacks, or other use or infiltration of the Trustee's technological infrastructure exceeding authorized access.

(h) Delivery of any reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's or Borrower's compliance with any of its covenants hereunder. The Trustee shall have no duty to review or make independent investigation with respect to any reports, information and documents received by the Trustee in connection herewith or with the Loan Agreement, and shall hold the same solely as repository.

(i) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a) through (f) of this Section.

(j) No later than July 31 of each year, commencing July 31, 2026, the Trustee shall deliver to the Issuer by email, regular mail, telephone message, or hand delivery, a report stating the principal amount of the Bonds Outstanding as of June 30 of such year. If July 31 does not fall on a Business Day, then the report shall be delivered on the next Business Day.

Section 10.07. Trustee May Make Advances To Effect Performance. If the Issuer shall fail to perform any of the covenants or agreements contained in this Indenture other than the covenants or agreements in respect of the payment of the principal of and interest on the Bonds, the Trustee may, in its absolute discretion and without notice to the Bondholders, at any time and from time to time, make advances to effect performance of the same on behalf of the Issuer, but the Trustee shall be under no obligation to do so; and any and all moneys paid or advanced by the Trustee for any such purposes shall be a claim in favor of the Trustee upon the Trust Estate prior to the claim of the Bonds; but no such advance shall operate to relieve the Issuer from any default hereunder.

Section 10.08. Trustee May Rely Upon Instruments. The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon and shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any indenture, notice, Electronic Means, request, consent, waiver, certificate, statement, affidavit, voucher, bond, requisition, instrument, report, direction or other paper or document which it shall in good faith believe to be genuine and to have been passed or signed by the proper board, body or person or to have been prepared and furnished pursuant to any of the provisions of this Indenture or the Documents, but may accept and rely upon the same as conclusive evidence of the truth and accuracy of such statements, and shall be protected and shall incur no liability in acting or proceeding in good faith in reliance thereon. The Trustee shall not be bound to recognize any person as a Holder of any Bond or to take any action at his request unless such Bond shall be deposited with the Trustee or satisfactory evidence of the ownership of such Bond shall be furnished to the Trustee. The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Borrower, personally or by agent or attorney at the sole cost of the Borrower and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

Section 10.09. Trustee May Own and Deal in Bonds and Deal With Issuer and Borrower. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds issued hereunder and secured by this Indenture, and may join in any action which any Bondholder may be entitled to take with like effect as if the Trustee were not a party to this Indenture. The Trustee, either as principal or agent, may also engage in or deal with or be interested in any financial or other transaction with the Issuer or the Borrower or any related entity, and may act as depository, trustee, or agent for any committee or body of Holders of the Bonds secured hereby or other obligations of the Issuer as freely as if it were not Trustee hereunder.

Section 10.10. Financial Liability of the Trustee. No provision of this Indenture will require the Trustee to expend or risk its own funds or otherwise incur or risk any financial liability in the performance of any of its duties under this Indenture, or in the exercise of any of its rights or powers if it will have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

Except as may otherwise be provided in this Indenture, the Trustee will have the right to demand, in respect to the authentication of any Bonds or the release of any property, any showings, certificates, opinions (including Opinions of Counsel), appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof or of the Loan Agreement required as a condition of such action by the Trustee deemed desirable for the purpose of establishing the right of the Issuer or the Borrower to the authentication of any Bonds, or the release of any property.

Section 10.11. Trustee May Construe Ambiguous or Inconsistent Provisions. The Trustee may construe any of the provisions of the Indenture insofar as the same may appear to be ambiguous or inconsistent with any other provisions hereof, and any construction of any such provisions hereof by the Trustee in good faith shall be binding upon the Bondholders.

Section 10.12. Resignation of Trustee. The Trustee may at any time resign and be discharged of the duties and obligations created by this Indenture by giving not less than 60 days written notice to the Issuer (with a copy to the Borrower and the Investor Limited Partner) specifying the date when such resignation shall take effect and such resignation shall take effect upon the day specified in such notice unless previously a successor shall have been appointed, in which event such resignation shall take effect immediately on the appointment of such successor, provided that such resignation shall not take effect unless and until a successor shall have been appointed.

Section 10.13. Removal of Trustee. The Trustee shall be removed by the Issuer, upon 30 days written notice, if at any time so requested by an instrument or concurrent instruments in writing, filed with the Trustee and the Issuer, and signed by the Holders of a majority in principal amount of the Bonds then Outstanding or their attorney-in-fact duly authorized, excluding any Bonds held by or for the account of the Issuer. The Issuer may also remove the Trustee at any time, except during the existence of any Event of Default as defined in Section 9.01 hereof, for cause or breach of trust or for acting or proceeding in violation of, or failing to act or proceed in accordance with any provision of this Indenture with respect to the duties and obligations of the Trustee by filing with the Trustee an instrument signed by an Authorized Issuer Representative. A copy of each such instrument providing for any such removal shall be delivered by the Issuer to any Bondholder who shall have filed its name and address with the Issuer and, if requested, to the Borrower and the Investor Limited Partner; provided that such removal shall not take effect unless and until a successor shall have been appointed.

Section 10.14. Appointment of Successor Trustee. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged as bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, the Issuer covenants and agrees that it will thereupon appoint a successor Trustee as directed in writing by the Borrower.

If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provision of this Section within 45 days after the Trustee shall have given to the Issuer written notice, as provided in Section 10.12 or after a vacancy in the office of the Trustee shall have occurred by reason of its inability to act, the Trustee (at the expense of the Borrower) or the

Holder of any Bond may apply to any court of competent jurisdiction to appoint a successor Trustee. Said court may thereupon, after such notice, if any, as such court may deem proper, prescribe and appoint a successor Trustee.

Any successor Trustee appointed under the provision of this Section 10.14 in succession to the Trustee shall be a bank or trust company or national banking association with trust powers, having a combined capital, surplus and undivided profits of at least \$50,000,000 if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Indenture.

Section 10.15. Appointment of Successor Trustee by Court. In case at any time the Trustee shall resign and no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Article prior to the date specified in the notice of resignation as the date when such resignation shall take effect, the retiring Trustee may forthwith (at the expense of the Borrower) apply to a court of competent jurisdiction for the appointment of a successor Trustee. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Article within six months after a vacancy shall have occurred in the office of Trustee, the Holder of any Bond may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as it may deem proper, prescribe and appoint a successor Trustee. A successor Trustee under Sections 10.14 and 10.15 shall notify the Borrower and the Investor Limited Partner, in writing, after being so appointed.

Section 10.16. Acceptance of Trust by Successor Trustee. Any successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Issuer and the Rating Agency an instrument accepting such appointment hereunder, and thereupon such successor Trustee, without further act, deed or conveyance, shall become duly vested with all the estates, property, rights, powers, trust, duties and obligations of its predecessor in the trust hereunder, with like effect as if originally named Trustee herein. Upon request of such Trustee and payment of amounts owing to the Trustee ceasing to act, the Trustee ceasing to act and the Issuer (subject to Section 7.02(b)) shall execute and deliver an instrument transferring to such successor Trustee all the estates, property, rights, powers and trusts hereunder of the Trustee so ceasing to act, and the Trustee so ceasing to act shall pay over to the successor Trustee all moneys and other assets at the time held by it hereunder.

Section 10.17. Merger or Consolidation of Trustee With Another Corporation. Any organization or entity into which any Trustee hereunder may be merged or with which it may be consolidated, or any organization or entity resulting from any merger or consolidation to which any Trustee hereunder shall be a party, or to which it may sell or transfer all or substantially all of its corporate trust business and assets as a whole or substantially as a whole, shall be and become the successor Trustee under this Indenture and shall have succeeded to the rights, powers, duties, immunities and privileges as its predecessor without the execution or filing of any paper or any further act on the part of the parties hereto, anything herein to the contrary notwithstanding.

Section 10.18. Action of Trustee During Existence of an Event of Default. Notwithstanding any other provisions of this Article, the Trustee shall, during the existence of an Event of Default actually known to the Trustee, exercise such of the rights and powers vested in it

by the Indenture and use the same degree of skill and care in their exercise as a prudent person would use and exercise under the circumstances.

Section 10.19. Notice of an Event of Default. Notwithstanding anything herein to the contrary, upon the occurrence of an Event of Default actually known to the Trustee in accordance with Section 10.05 hereof, the Trustee shall within 30 days give written notice thereof to the Issuer, the Borrower, the Investor Limited Partner, the Rating Agency and to each Bondholder at its last address appearing upon the registration books of the Issuer kept by the Trustee unless such Event of Default shall have been cured before the giving of such notice.

Section 10.20. Trustee May Intervene. In any judicial proceeding to which the Issuer is a party and which, in the reasonable opinion of the Trustee and its counsel, has a substantial bearing on the interests of Holders of the Bonds, the Trustee may intervene on behalf of the Holders of the Bonds and shall, upon receipt of satisfactory indemnity do so if requested in writing by the Holders of not less than 51% in principal amount of Bonds then outstanding, if such intervention is permitted by the court having jurisdiction in the premises.

Section 10.21. Unclaimed Moneys. Anything in this Indenture to the contrary notwithstanding, any moneys held by the Trustee in trust for the payment and discharge of any Bonds which remain unclaimed for a period up to six months, prior to the date when such moneys would escheat under applicable law and after the date when such Bonds have become due and payable either at their stated maturity dates, if such moneys were held by the Trustee at such date, or for a period up to six months prior to the date when such moneys would escheat under applicable law if deposited with the Trustee after such date when all Bonds became due and payable, shall be paid by the Trustee to the Borrower without liability for interest thereon as its absolute property and free from trust, and the Trustee shall thereupon be released and discharged. Thereafter, any person having a claim against any such moneys shall look solely to the Borrower for payment of the same.

Section 10.22. Appointment of Co-Trustee. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the law of the State) denying or restricting the right of trust companies, banking corporations or national associations to transact business as a trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture or the Loan Agreement, and in particular in case of the enforcement thereof on default, or in the case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or take any action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional individual or institution as a separate or co-trustee. The following provisions of this Section are adopted to these ends.

In the event that the Trustee appoints an additional individual or institution as a separate or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate or co-trustee but only to the extent necessary to enable such separate or co-trustee to exercise such

powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them.

Consent in writing from the Issuer shall be required prior to the appointment of the separate or co-trustee by the Trustee. All such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer at the expense of the Borrower. In case any separate or co-trustee or a successor to either shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate or co-trustee, so far as permitted by law and so approved by the Issuer, shall vest in and be exercised by the Trustee until the appointment of a successor to such separate or co-trustee. The Trustee shall notify the Borrower and the Investor Limited Partner, in writing, of any co-trustee appointed under this Section. No trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder, and the Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

Section 10.23. The Remarketing Agent. The Remarketing Agent identified in Section 1.01 hereof shall serve as the Remarketing Agent for the Bonds. The Remarketing Agent shall designate to the Trustee its Designated Office and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Issuer, the Borrower (and, if requested, the Investor Limited Partner) and the Trustee. In addition, the Remarketing Agent will agree particularly to:

- (a) keep such records relating to its computations of interest rates for the Bonds as shall be consistent with prudent industry practice and to make such records available for inspection by the Issuer, the Trustee, the Investor Limited Partner and the Borrower at all reasonable times; and
- (b) perform all of its functions and duties under this Indenture.

The Remarketing Agent shall be entitled to advice of legal counsel on any matter relating to the Remarketing Agent's obligations hereunder and shall be entitled to act upon the opinion of such counsel in the exercise of reasonable care in fulfilling such obligations.

The Remarketing Agent shall be entitled to appoint additional co-Remarketing Agents to assist in the performance of the Remarketing Agent's obligations under this Indenture, and any such appointment shall be effective without any action of the Issuer. Additionally, any such co-Remarketing Agent, shall have a capitalization of at least \$5,000,000, or shall have a line of credit with a commercial bank in the amount of at least \$5,000,000, shall be in conformity with all standards and requirements of the Municipal Securities Rulemaking Board and the Securities and Exchange Commission, and shall be authorized by law to perform all the duties imposed upon it by this Indenture. The Remarketing Agent shall take responsibility for any co-Remarketing Agent it appoints pursuant to this Section 10.23.

Section 10.24. Qualifications of Remarketing Agent. The Remarketing Agent shall be a member in good standing of the Financial Industry Regulatory Authority and shall be authorized by law to perform all the duties imposed upon it by this Indenture. Subject to the terms of the Remarketing Agreement, the Remarketing Agent may at any time resign and be discharged of the

duties and obligations created by this Indenture by giving at least 30 days' notice of such resignation to the Issuer, the Borrower, the Investor Limited Partner, the General Partner and the Trustee. The Remarketing Agent may be removed, with prior notice to the Issuer, at any time by the Borrower, with at least 30 days' notice of such removal to the Remarketing Agent.

Upon any resignation or removal of the Remarketing Agent, the departing Remarketing Agent shall pay over, assign and deliver any money and Bonds held by it in such capacity to its successor.

The Trustee, within 30 days of the resignation or removal of the Remarketing Agent or the appointment of a successor Remarketing Agent, shall give notice thereof by registered or certified mail to the Rating Agency (if the Bonds are then rated) and to the Holders of the Bonds. The Trustee shall incur no liability for failure to give any such notice.

Section 10.25. Notices to Rating Agency and Remarketing Notice Parties. The Trustee shall notify the Rating Agency and the Remarketing Notice Parties of (a) the occurrence of an Event of Default of which the Trustee has actual notice in accordance with Section 10.05 hereof, (b) the occurrence of any monetary or other material default under the Loan of which the Trustee has actual notice, (c) any change in the identity of the Trustee, (d) any amendments, modifications, supplements or changes to this Indenture, the Loan Agreement, the Note or the Bonds, including any extension of principal or modification of interest or redemption premium due on any of the Bonds, in each case only in the event the Trustee has actual notice, (e) any change or proposed change in the structure or identity of the Borrower of which the Trustee has actual knowledge, (f) any change or notification of proposed change of the Mandatory Tender Date or Remarketing Date, (g) any partial prepayment of the Loan or the giving of notice of the call for redemption of any Bonds, (h) any change in the investment of funds subject to the lien of this Indenture, (i) any defeasance or acceleration of the Bonds hereunder, (j) any change in the Remarketing Agent or the Mortgage Lender of which the Trustee has actual knowledge, or (k) any sale of Eligible Investments below par, as shown in a Cash Flow Projection delivered to the Rating Agency prior to the sale date; provided that the Trustee shall incur no liability for failure to give any such notice.

Section 10.26. Financing Statements. Pursuant to Section 5.05 of the Loan Agreement, the Borrower shall perfect or shall otherwise cause to be perfected any security interest created hereunder by the filing of financing statements which fully comply with State law. Notwithstanding the foregoing, the Trustee shall file all necessary continuation statements prepared and delivered to it by the Borrower with respect to any such original financing statements of which a legible copy showing the date and place of filing, is delivered to the Trustee, at the expense of the Borrower within the time prescribed by the State's law. Notwithstanding anything to the contrary herein or in any other document, the Issuer shall have no responsibility for the preparation, filing or monitoring of any financing statements, continuation statements, termination statements or other filings under State U.C.C. provisions or other applicable law.

Section 10.27. Trustee Delivery of Information to Borrower and Investor Limited Partner. The Trustee agrees to the foregoing as a matter of courtesy and accommodation only and shall not be liable to any Person for any failure to comply therewith.

ARTICLE XI

MODIFICATION OF INDENTURE AND OTHER DOCUMENTS

Section 11.01. Limitation on Amendments to this Indenture. This Indenture shall not be modified or amended in any respect except as provided in accordance with and subject to the provisions of this Article.

Section 11.02. Amendments to Indenture and Loan Agreement Not Requiring Consent of Bondholders.

(a) The Issuer and the Trustee may, from time to time and at any time, without the consent of Bondholders, enter into agreements supplemental to this Indenture and the Loan Agreement as follows:

(i) to specify and determine any matters and things relative to Bonds which shall not materially adversely affect the interest of the Bondholders;

(ii) to cure any formal defect, omission or ambiguity in this Indenture or the Loan Agreement if such action does not materially adversely affect the rights of the Bondholders;

(iii) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority or security which may lawfully be granted or conferred and which are not contrary to or inconsistent with this Indenture as heretofore in effect;

(iv) to add to the covenants and agreements of the Issuer in this Indenture or the Loan Agreement other covenants and agreements to be observed by the Issuer which are not contrary to or inconsistent with this Indenture or the Loan Agreement as theretofore in effect;

(v) to add to the limitations and restrictions in this Indenture or the Loan Agreement, other limitations and restrictions to be observed by the Issuer which are not contrary to or inconsistent with this Indenture or the Loan Agreement as theretofore in effect;

(vi) to confirm, as further assurance, any pledge under and the subjection to any claim, lien or pledge created, or to be created by, this Indenture, of the Revenues or of any other moneys, securities or funds; or

(vii) to modify, amend or supplement this Indenture or the Loan Agreement in any respect which, pursuant to an Opinion of Counsel, is not materially adverse to the interests of the owners of the Bonds.

(b) Before the Issuer shall enter into any agreement supplemental to this Indenture pursuant to this Section, there shall have been filed with the Trustee an opinion of Bond Counsel stating that (1) such supplemental indenture is authorized or permitted by this Indenture and complies with its terms, and that upon adoption it will be the legal, valid and binding obligation of the Issuer in accordance with its terms and (2) the effectiveness of the supplemental indenture will not adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes.

(c) The Trustee shall send written notice to the Borrower, the Investor Limited Partner and the Rating Agency of any amendment to this Indenture or the Loan Agreement and, if requested, copies of any such amendments.

(d) Notwithstanding the foregoing, the Issuer and the Trustee may not, without the prior written consent of Mortgage Lender and CHA, amend this Indenture in any manner that adversely affects the rights and interests of the Mortgage Lender and CHA to receive notices hereunder or the rights of the Mortgage Lender or CHA with respect to any of the trust funds established under Section 4.01, including, with respect to Sections 4.08 and 5.02.

Section 11.03. Amendments to Indenture Requiring Consent of Bondholders.

(a) Subject to the terms and provisions contained in this Section and not otherwise, the Holders of not less than 66 2/3% in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, to consent to and approve the execution and delivery by the Issuer and the Trustee of any agreement supplemental to this Indenture as shall be deemed necessary or desirable by the Issuer and the Trustee for the purposes of modifying, altering, amending, adding to or rescinding any of the terms or provisions contained in this Indenture; provided, however, that, unless approved in writing by the Holders of all of the Bonds then Outstanding, nothing herein contained shall permit, or be construed as permitting, (i) a change in the terms of maturity of the principal of or the interest on any Outstanding Bond, or a reduction in the principal amount of any Outstanding Bond or the rate of interest thereon, or (ii) the creation of a claim or lien upon, or a pledge or assignment of, the Trust Estate ranking prior to or on a parity with the claim, lien, assignment or pledge created by this Indenture, or the release of the Trust Estate or any part thereof (except to the extent permitted pursuant to the Documents), or (iii) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (iv) a reduction in the aggregate principal amount of the Bonds required for any action or consent by Bondholders set forth in this Indenture, including (without limitation) that required for consent to such supplemental indentures. This Section shall not limit or otherwise affect the ability of the Issuer

to enter into agreements supplemental to this Indenture without the consent of the Bondholders pursuant to Section 11.02 hereof.

(b) If at any time the Issuer and the Trustee shall determine to enter into any supplemental indenture for any of the purposes of this Section, the Trustee shall cause written notice of the proposed supplemental indenture to be given to all Holders of the Bonds; provided, however, that failure to give such notice or any defect therein, shall not affect the validity of any proceedings pursuant hereto. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that a copy thereof is on file at the Trust Office for inspection by all Bondholders.

(c) Within 120 days after the date of giving such notice, the Issuer and the Trustee may enter into such supplemental indenture in substantially the form described in such notice only if there shall have first been filed with the Issuer (i) the written consents of Holders of not less than 66 2/3% in aggregate principal amount of the Bonds then outstanding (or 100% if required hereunder) and (ii) an Opinion of Counsel stating that (1) such supplemental indenture is authorized or permitted by this Indenture and complies with its terms, and that upon adoption it will be the legal, valid and binding obligation of the Issuer in accordance with its terms and (2) the effectiveness of the supplemental indenture will not adversely affect the excludability of interest on the Bonds from gross income for federal income taxes.

(d) If the Holders of not less than the percentage of Bonds required by this Section shall have consented to and approved the supplemental indenture as herein provided, no Holder of any Bond shall have any right to object to such supplemental indenture, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety thereof, or to enjoin or restrain the Issuer or the Trustee from entering into the same or from taking any action pursuant to the provisions thereof.

(e) Upon the effectiveness of any supplemental indenture entered into pursuant to the provisions of this Section, this Indenture shall be, and be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the Issuer, the Trustee and all Holders of Bonds then outstanding shall thereafter be determined, exercised and enforced under this Indenture subject in all respects to such modifications and amendments.

(f) The Trustee shall send written notice to the Rating Agency of any amendment to this Indenture. The Trustee shall incur no liability for failure to give any such notice.

Section 11.04. Supplemental Indentures Part of Indenture. Any supplemental indenture entered into in accordance with the provisions of this Article shall thereafter form a part of this Indenture and all the terms and conditions contained in any such supplemental indenture as

to any provision authorized to be contained therein shall be and shall be deemed to be a part of the terms and conditions of this Indenture for any and all such purposes.

Section 11.05. Required Consent. Notwithstanding anything herein to the contrary, the Trustee shall not be required to enter into or consent to any supplemental indenture or any amendment of any other Document that would affect the rights, obligations, powers, privileges, indemnities, immunities or other security provided the Trustee herein or therein, except to the extent necessary, as set forth in an opinion of Bond Counsel, to preserve the excludability of interest on the Bonds from gross income for federal income tax purposes. Further, notwithstanding anything herein to the contrary, as long as no default has occurred and is continuing under any of the Documents, any supplemental indenture under this Article shall not become effective unless and until the Borrower shall have consented in writing to such supplemental indenture, and to any related revisions of the Loan Agreement, the Tax Regulatory Agreement or any of the other Documents to be affected.

Section 11.06. Amendments to Documents Requiring Consent of Bondholders. Except as provided in Section 11.02 of this Indenture, the Issuer and the Trustee shall not consent to any amendment, change or modification of the Documents without the giving of written notice and the written approval or consent of the Holders of the Bonds at the time Outstanding, given and procured as provided in Section 11.03 hereof; provided, however, no such separate approval or consent shall be required in connection with the issuance of refunding bonds if any required consent of the required number of Holders to the issuance thereof shall have been previously obtained. If at any time the Issuer and the Borrower shall request in writing the consent of the Trustee to any such proposed amendment, change or modification, the Trustee shall cause notice of such proposed amendment, change, or modification to be given in the same manner as provided by Section 11.03 hereof with respect to supplemental indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the Trust Office for inspection by all Bondholders.

Section 11.07. Amendment, Restatement, and Supersession. On the Funding Date, and upon the execution and delivery of the Funding Loan Agreement, the Borrower Loan Agreement, and the Governmental Lender Note, this Indenture, the Loan Agreement, and the Bonds shall be deemed amended, restated and superseded in full by the terms thereof, and at such time all of the Trustee's duties and obligations with respect to the Bonds, the Governmental Lender Note, this Indenture, the Loan Agreement, and the related documents (other than the Tax Regulatory Agreement in accordance with the terms thereof) will cease and terminate. The requirements of Sections 11.03 through 11.06 hereof shall not apply to such amendment and restatement.

ARTICLE XII

newspapers or trade journals selected by the Issuer or the Trustee, as the case may be; (2) publication by or through one or more financial information reporting services; (3) delivery to one or more “nationally recognized municipal securities information repositories” (as such term is defined in Securities and Exchange Commission Rule 15c2-12) or any successor repository or entity fulfilling a substantially similar or like role; or (4) by mailing a copy of such notice by first class mail, postage prepaid, to the person entitled to receive the notice at such person’s address as shown on the records of the Issuer or the Trustee.

Section 12.06. Trustee as Paying Agent and Bond Registrar. The Trustee is hereby designated and agrees to act as paying agent and Bond registrar for and in respect to the Bonds.

Section 12.07. Execution of Instruments by Bondholders and Proof of Ownership of Bonds. Any request, direction, consent or other instrument in writing required or permitted by this Indenture to be signed or executed by Bondholders may be in any number of concurrent instruments of similar tenor and may be signed or executed by such Bondholders in person or by agent appointed by an instrument in writing. Proof of the execution of any such instrument and of the ownership of the Bonds shall be sufficient for any purpose of this Indenture and shall be conclusive in favor of the Trustee with regard to any action taken by it under such instrument if made in the following manner:

- (a) The fact and date of the execution by any person of any such instrument may be proved by the certificate of any officer in any jurisdiction who, by the laws thereof, has power to take acknowledgments within such jurisdiction, to the effect that the person signing such instrument acknowledged before him the execution thereof, or by an affidavit of a witness to such execution.
- (b) The ownership of Bonds shall be conclusively proved by the registration books kept under the provisions of Section 2.08 of this Indenture.

Nothing contained in this Article shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which to it may seem sufficient. Any request or consent of the Holder of any Bond shall bind every future Holder of the same Bond in respect of anything done by the Trustee pursuant to such request or consent.

Section 12.08. Mortgage Loan Documents Independent.

- (a) Enforcement of the covenants in this Indenture will not result in, and neither the Issuer nor the Trustee has or shall be entitled to assert, any claim against the Borrower, the Project, the Mortgage Loan proceeds, any reserves or deposits required by the Mortgage Lender in connection with the Mortgage Loan transaction, or the rents or deposits or other income of the Project.
- (b) Failure of the Issuer or the Borrower to comply with any of the covenants set forth in this Indenture or any of the Borrower Documents will not serve as a basis for default on the Mortgage Loan, the underlying mortgage, or any of the other Mortgage Loan Documents.

(c) Notwithstanding anything in this Indenture, the Loan Agreement, the Note or the Bond Purchase Agreement to the contrary, (i) the Mortgaged Property (as defined in the Mortgage Loan Security Instrument) shall not include any portion of the Trust Estate and the Mortgage Lender shall not have any claim to or lien upon the Trust Estate under this Indenture and funds held by the Trustee under this Indenture and pledged to secure the repayment of the Bonds, except for Eligible Funds that may be returned to the party that deposited said funds with the Trustee as may be required under Section 5.02 hereof; and (ii) the Trust Estate shall not include any portion of the Mortgaged Property (as defined in the Mortgage Loan Security Instrument).

Section 12.09. Counterparts. This Indenture may be simultaneously executed in several counterparts, each of which shall be an original, but all of which shall constitute but one and the same instrument. The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture and signature pages for all purposes.

Section 12.10. U.S.A. Patriot Act Requirements of the Trustee. To help the government of the United States of America fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. For a non-individual Person such as a business entity, a charity, a trust or other legal entity, the Trustee may request documentation to verify such Person's formation and existence as a legal entity and the identity of the owners or controlling persons thereof. The Trustee may also request financial statements, licenses, identification and authorization documents from individuals claiming authority to represent such Person or other relevant documentation. The Issuer (subject to Section 7.02(a)) and the Borrower agree that they will cooperate with the Trustee as reasonably necessary in order for the Trustee to satisfy the requirements of the U.S.A. Patriot Act.

Section 12.11. Electronic Transmissions.

(a) The transactions described in this Indenture may be conducted and the related documents may be stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

(b) The Trustee shall have the right to accept and act upon directions or instructions given pursuant to this Indenture and delivered using Electronic Means; provided, however, that Borrower, the Issuer or such other party giving such direction or instruction, as the case may be, shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such directions or instructions (each an "Authorized Officer") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. If the Issuer or Borrower elect to give the Trustee e- instructions by Electronic Means and the

Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's good faith reliance upon and compliance with such instructions notwithstanding that such instructions conflict or are inconsistent with a subsequent written instruction. The Borrower agrees to assume all risk arising out of the use of such Electronic Means to submit instructions and directions to the Trustee, including without limitation, the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

Section 12.12. Waiver of Jury Trial. EACH OF THE BORROWER, THE HOLDERS AND THE TRUSTEE (BUT NOT THE ISSUER), HEREBY IRREVOCABLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE BONDS OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 12.13. Unrelated Bond Issues. The Issuer has, prior to the issuance of the Bonds, issued, and subsequent to the issuance of the Bonds, the Issuer expects to issue various series of bonds in connection with the financing of other projects (said bonds together with any bonds issued by the Issuer between the date hereof and issuance of the Bonds shall be referred to herein as the "Other Bonds"). Any pledge, mortgage, or assignment made in connection with any Other Bonds shall be protected, and any funds pledged or assigned for the payment of principal, premium, if any, or interest on the Other Bonds shall not be used for the payment of principal, premium, if any, or interest on the Bonds. Correspondingly, any pledge, mortgage, or assignment made in connection with the Bonds shall be protected, and any funds pledged or assigned for the payment of the Bonds shall not be used for the payment of principal, premium, if any, or interest on the Other Bonds.

- (b) [Reserved].
- (c) Origination Date; Maturity. The Funding Loan shall be originated on the Funding Date and shall mature on the Maturity Date at which time the entire principal amount of the Governmental Lender Note, to the extent not previously paid, and all accrued and unpaid interest, shall be due and payable.

(d) Principal. The outstanding principal amount of the Governmental Lender Note and of the Funding Loan as of any given date shall be the total amount advanced by the Funding Lender to or for the account of the Governmental Lender on the Funding Date, less any payments of principal of the Governmental Lender Note received upon payment of corresponding principal amounts under the Borrower Note, including regularly scheduled principal payments and voluntary and mandatory prepayments. The principal amount of the Governmental Lender Note and interest thereon shall be payable on the basis specified in this paragraph (d) and in paragraphs (e) and (f) of this Section 2.1.

The Funding Lender shall keep a record of all principal repayments made under the Governmental Lender Note and shall upon written request provide the Governmental Lender with a statement of the outstanding principal balance of the Governmental Lender Note and the Funding Loan.

If, from any circumstances whatsoever, the fulfillment of any provision of the Governmental Lender Note, this Funding Loan Agreement or the other Funding Loan Documents shall involve the payment of interest in excess of the limit prescribed by any law which a court of competent jurisdiction may deem applicable hereto, then the obligation to pay interest hereunder shall be reduced to the maximum limit prescribed by law. If from any circumstances whatsoever, the Funding Lender shall ever receive anything of value deemed interest, the amount of which would exceed the highest lawful rate, such amount as would be excessive interest shall be deemed to have been applied, as of the date of receipt by the Funding Lender, to the reduction of the principal remaining unpaid hereunder and not to the payment of interest, or if such excessive interest exceeds the unpaid principal balance, such excess shall be refunded to the Borrower. This paragraph shall control every other provision of the Governmental Lender Note, this Funding Loan Agreement and all other Funding Loan Documents.

In determining whether the amount of interest charged and paid might otherwise exceed the limit prescribed by law, the Governmental Lender intends and agrees that (i) interest shall be computed upon the assumption that payments under the Borrower Loan Agreement and other Funding Loan Documents will be paid according to the agreed terms, and (ii) any sums of money that are taken into account in the calculation of interest, even though paid at one time, shall be spread over the actual term of the Funding Loan.

ARTICLE VII

FUNDS AND ACCOUNTS

Section 7.1. Authorization to Create Funds and Accounts. No funds or accounts shall be established in connection with the Funding Loan at the time of closing and origination of the Funding Loan. The Funding Lender and the Servicer, if any, and any designee of the Funding Lender or the Servicer, are authorized to establish and create from time to time such other funds and accounts or subaccounts as may be necessary for the deposit of moneys (including, without limitation, insurance proceeds and/or condemnation awards), if any, received by the Governmental Lender, the Funding Lender or the Servicer pursuant to the terms hereof or any of the other Funding Loan Documents and not immediately transferred or disbursed pursuant to the terms of the Funding Loan Documents and/or the Borrower Loan Documents.

Section 7.2. Investment of Funds. Amounts held in any funds or accounts created under this Funding Loan Agreement shall be invested by the Funding Lender, the Servicer or the designee of the Funding Lender or Servicer, as applicable, in Permitted Investments at the written direction of the Borrower, subject in all cases to the restrictions of Section 8.7 hereof and of the Tax Certificates. Any investment income earned on amounts on deposit in each such fund or account shall be retained in and credited to and become a part of the amounts on deposit in that fund or account.

ARTICLE VIII

REPRESENTATIONS AND COVENANTS

Section 8.1. General Representations. The Governmental Lender makes the following representations as the basis for the undertakings on its part herein contained:

(a) The Governmental Lender is a home rule unit of local government, organized and existing under the 1970 Constitution and laws of the State of Illinois, has the power and authority to (i) enter into the Funding Loan Documents to which it is a party and the transactions contemplated thereby, (ii) incur the limited obligation represented by the Governmental Lender Note and the Funding Loan and apply the proceeds of such obligation or loan to finance the Project and (iii) carry out its other obligations under this Funding Loan Agreement and the Governmental Lender Note, and by proper action has duly authorized the Governmental Lender's execution and delivery of, and its performance under, such Funding Loan Documents and all other agreements and instruments relating thereto.

(b) The Governmental Lender is not in default under or in violation of, and the execution and delivery of the Funding Loan Documents to which it is a party and its compliance with the terms and conditions thereof will not conflict or constitute a default under or a violation of, (i) the Ordinance, (ii) to its knowledge, any other existing laws, rules, regulations, judgments, decrees and orders applicable to it, or (iii) to its knowledge, the provisions of any agreements and instruments to which the Governmental Lender is a party, a default under or violation of which would prevent it from entering into this Funding Loan Agreement, executing and delivering the Governmental Lender Note, financing the Project, executing and delivering the other Funding Loan Documents to which it is a party or consummating the transactions contemplated thereby, and, to its knowledge, no event has occurred and is continuing under the provisions of any such agreement or instrument or otherwise that with the lapse of time or the giving of notice, or both, would constitute such a default or violation (it being understood, however, that the Governmental Lender is making no representations as to the necessity of registering the Borrower Note pursuant to any securities laws or complying with any other requirements of securities laws).

(c) No litigation, inquiry or investigation of any kind in or by any judicial or administrative court or agency is pending or, to the knowledge of the Governmental Lender, threatened against the Governmental Lender with respect to (i) the organization and existence of the Governmental Lender, (ii) its authority to execute or deliver the Funding Loan Documents to which it is a party, (iii) the validity or enforceability of any such Funding Loan Documents or the transactions contemplated thereby, (iv) the title of any officer of the Governmental Lender who executed such Funding Loan Documents or (v) any authority or proceedings relating to the execution and delivery of such Funding Loan Documents on behalf of the Governmental Lender, and no such authority or proceedings have been repealed, revoked, rescinded or amended but are in full force and effect.

(d) The revenues and receipts to be derived from the Borrower Loan Agreement, the Borrower Note and this Funding Loan Agreement have not been pledged previously by the Governmental Lender to secure any of its notes or bonds other than the Funding Loan as evidenced by the Governmental Lender Note.

THE GOVERNMENTAL LENDER MAKES NO REPRESENTATION, COVENANT OR AGREEMENT AS TO THE FINANCIAL POSITION OR BUSINESS CONDITION OF THE BORROWER OR THE PROJECT AND DOES NOT REPRESENT OR WARRANT AS TO ANY STATEMENTS, MATERIALS, REPRESENTATIONS OR CERTIFICATIONS FURNISHED BY THE BORROWER IN CONNECTION WITH THE FUNDING LOAN OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY THEREOF.

Section 8.2. No Encumbrance on Security. The Governmental Lender will not knowingly create or knowingly permit the creation of any mortgage, pledge, lien, charge or encumbrance of any kind on the Security or any part thereof prior to or on a parity with the lien of this Funding Loan Agreement, except as expressly permitted or contemplated by the Funding Loan Documents.

Section 8.3. Repayment of Funding Loan. Subject to the provisions of Articles III and V hereof, the Governmental Lender will duly and punctually repay, or cause to be repaid, the Funding Loan, as evidenced by the Governmental Lender Note, as and when the same shall become due, all in accordance with the terms of the Governmental Lender Note and this Funding Loan Agreement.

Section 8.4. Servicer. The Funding Lender may appoint a Servicer to service and administer the Funding Loan and/or the Borrower Loan on behalf of the Funding Lender, including without limitation the fulfillment of rights and responsibilities granted by Governmental Lender to Funding Lender pursuant to Section 2.1 of the Borrower Loan Agreement.

Section 8.5. Borrower Loan Agreement Performance.

(a) The Funding Lender and the Servicer, if any, on behalf of the Governmental Lender, may (but shall not be required or obligated) perform and observe any agreement or covenant of the Governmental Lender under the Borrower Loan Agreement, all to the end that the Governmental Lender's rights under the Borrower Loan Agreement may be unimpaired and free from default.

(b) The Governmental Lender will promptly notify or cause to be notified the Borrower, the Servicer, if any, the Equity Investor and the Funding Lender in writing of the occurrence of any Borrower Loan Agreement Default, provided that the Governmental Lender has received written notice or otherwise has knowledge of such event; and further provided that the Governmental Lender shall have no liability to any person for its failure to provide any such notice so long as it has made a good faith effort to comply with such provisions.

(c) The Funding Lender will promptly notify the Borrower, the Servicer, if any, the Equity Investor and the Governmental Lender in writing of the occurrence of any Event of Default or any Borrower Loan Agreement Default known to the Funding Lender.

Section 8.6. Maintenance of Records; Inspection of Records.

(a) The Funding Lender shall keep and maintain adequate records pertaining to any funds and accounts established hereunder, including all deposits to and disbursements from said funds and accounts and shall keep and maintain the registration books for the Governmental Lender Note and interests therein. The Funding Lender shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal, interest and premium paid on the Funding Loan, subject to the inspection of the Governmental Lender and its representatives at all reasonable times and upon reasonable prior notice.

(b) The Governmental Lender will at any and all times, upon the reasonable request of the Servicer, the Borrower or the Funding Lender, afford and procure a reasonable opportunity by their respective representatives to inspect the books, records, reports and other papers of the Governmental Lender relating to the Project and the Funding Loan, if any, and to make copies thereof.

Section 8.7. Tax Covenants. The Governmental Lender covenants to and for the benefit of the Funding Lender that, notwithstanding any other provisions of this Funding Loan Agreement or of any other instrument, it will (subject to the limited liability provisions hereof):

(a) [Reserved];

(b) Not knowingly take or cause to be taken any action or actions, or knowingly fail to take any action or actions, which would cause the interest payable on the Governmental Lender Note to be includable in gross income for federal income tax purposes;

(c) Whenever and so often as requested by Funding Lender, the Governmental Lender (at the sole cost and expense of the Borrower) shall do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Governmental Lender on the Governmental Lender Note will be excluded from the gross income of the Noteowner, for federal income tax purposes, pursuant to Section 103 of the Code, except in the event where any owner of the Governmental Lender Note or a portion thereof is a "substantial user" of the facilities financed with the Funding Loan or a "related person" within the meaning of Section 147(a) of the Code;

(d) Not knowingly take any action or, solely in reliance upon the covenants and representations of the Borrower in the Borrower Loan Agreement, in the Regulatory Agreement and in the Tax Certificates, knowingly permit or suffer any action to be taken if the result of the same would be to cause the Governmental Lender Note to be "federally guaranteed" within the meaning of Section 149(b) of the Code and the Regulations;

(e) Require the Borrower to agree, solely by causing the Borrower to execute and deliver the Borrower Loan Agreement, not to commit any act and not to make any use of the proceeds of the Funding Loan, or any other moneys which may be deemed to be proceeds of the Funding Loan pursuant to the Code, which would cause the Governmental Lender Note to be an "arbitrage bond" within the meaning of Sections 103(b) and 148 of the Code, and to comply with the requirements of the Code throughout the term of the Funding Loan; and

(f) Require the Borrower, solely by causing the Borrower to execute and deliver the Borrower Loan Agreement, to take all steps necessary to compute and pay any rebatable arbitrage in accordance with Section 148(f) of the Code.

In furtherance of the covenants in this Section 8.7, the Governmental Lender and the Borrower shall execute, deliver and comply with the provisions of the Tax Certificates, which are by this reference incorporated into this Funding Loan Agreement and made a part of this Funding Loan Agreement as if set forth in this Funding Loan Agreement in full. In the event of any conflict between this Funding Loan Agreement and the Tax Certificates, the requirements of the Tax Certificates shall control.

For purposes of this Section 8.7 the Governmental Lender's compliance shall be based solely on matters within the Governmental Lender's knowledge and control and no acts, omissions or directions of the Borrower, the Funding Lender or any other Persons shall be attributed to the Governmental Lender.

In complying with the foregoing covenants, the Governmental Lender may rely from time to time on a Tax Counsel No Adverse Effect Opinion or other appropriate opinion of Tax Counsel.

Section 8.8. Performance by the Borrower. Without relieving the Governmental Lender from the responsibility for performance and observance of the agreements and covenants required to be performed and observed by it hereunder, the Borrower, on behalf of the Governmental Lender, may perform any such agreement or covenant if no Borrower Loan Agreement Default or Potential Default under the Borrower Loan Agreement exists.

ARTICLE IX

DEFAULT; REMEDIES

Section 9.1. Events of Default. Any one or more of the following shall constitute an event of default (an "Event of Default") under this Funding Loan Agreement (whatever the reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or Governmental Authority):

(a) A default in the payment of any interest on the Governmental Lender Note when such interest becomes due and payable; or

(b) A default in the payment of principal of, or premium on, the Governmental Lender Note when such principal or premium becomes due and payable, whether at its stated maturity, by declaration of acceleration or call for mandatory prepayment or otherwise; or

(c) Subject to Section 8.8 hereof, default in the performance or breach of any material covenant or warranty of the Governmental Lender in this Funding Loan Agreement (other than a covenant or warranty or default in the performance or breach of which is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 30 days after there has been given written notice, as provided in Section 11.1 hereof, to the Governmental Lender and the Borrower by the Funding Lender or the Servicer, specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" under this Funding Loan Agreement; provided that, so long as the Governmental Lender has commenced to cure such failure to observe or perform within the thirty (30) day cure period and the subject matter of the default is not capable of cure within said thirty (30) day period and the Governmental Lender is diligently pursuing such cure to the Funding Lender's satisfaction, with the Funding Lender's Written Direction or Written Consent, then the Governmental Lender shall have an additional period of time as reasonably necessary (not to exceed 30 days unless extended in writing by the Funding Lender) within which to cure such default; or

(d) A default in the payment of any Additional Borrower Payments; or

(e) Any other "Default" or "Event of Default" (as defined in the applicable agreement) under any of the other Funding Loan Documents (taking into account any applicable grace periods therein).

Any notice of default delivered by the Funding Lender to the Borrower shall be contemporaneously delivered to the Equity Investor.

Section 9.2. Acceleration of Maturity; Rescission and Annulment.

(a) Subject to the provisions of Section 9.9 hereof, upon the occurrence of an Event of Default under Section 9.1 hereof, then and in every such case, the Funding Lender may declare the principal of the Funding Loan and the Governmental Lender Note and the interest accrued to be immediately due and payable, by notice to the Governmental Lender and the Borrower and upon any such declaration, all principal of and Prepayment Premium, if any, and interest on the Funding Loan and the Governmental Lender Note shall become immediately due and payable.

(b) At any time after a declaration of acceleration has been made pursuant to subsection (a) of this Section, the Funding Lender may by Written Notice to the Governmental Lender, rescind and annul such declaration and its consequences if:

(i) There has been deposited with the Funding Lender a sum sufficient to pay (1) all overdue installments of interest on the Funding Loan, (2) the principal of and Prepayment Premium on the Funding Loan that has become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Funding Loan, (3) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates prescribed therefor in the Funding Loan, and (4) all sums paid or advanced by the Funding Lender and the reasonable compensation, expenses, disbursements and advances of the Funding Lender, its agents and counsel (but only to the extent not duplicative with subclauses (1) and (3) above); and

(ii) All Events of Default, other than the non payment of the principal of the Funding Loan which have become due solely by such declaration of acceleration, have been cured or have been waived in writing as provided in Section 9.9 hereof.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

(c) Notwithstanding the occurrence and continuation of an Event of Default, it is understood that the Funding Lender shall pursue no remedies against the Borrower or the Project if no Borrower Loan Agreement Default has occurred and is continuing. An Event of Default hereunder shall not in and of itself constitute a Borrower Loan Agreement Default.

Section 9.3. Additional Remedies; Funding Lender Enforcement.

(a) Upon the occurrence of an Event of Default, the Funding Lender may, subject to the provisions of this Section 9.3 and Section 9.9 hereof, proceed to protect and enforce its rights by mandamus or other suit, action or proceeding at law or in equity. No remedy conferred by this Funding Loan Agreement upon or remedy reserved to the Funding Lender is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Funding Lender hereunder or now or hereafter existing at law or in equity or by statute.

(b) Upon the occurrence and continuation of any Event of Default, the Funding Lender may proceed forthwith to protect and enforce its rights and this Funding Loan Agreement by such suits, actions or proceedings as the Funding Lender, in its sole discretion, shall deem expedient. Funding Lender shall have upon the occurrence and continuation of any Event of Default all rights, powers, and remedies with respect to the Security as are available under the Uniform Commercial Code applicable thereto or as are available under any other applicable law at the time in effect and, without limiting the generality of the foregoing, the Funding Lender may proceed at law or in equity or otherwise, to the extent permitted by applicable law:

(i) to take possession of the Security or any part thereof, with or without legal process, and to hold, service, administer and enforce any rights thereunder or thereto, and otherwise exercise all rights of ownership thereof, including (but not limited to) the sale of all or part of the Security;

(ii) to become mortgagee of record for the Borrower Loan including, without limitation, completing the assignment of the Security Instrument by the Governmental Lender to the Funding Lender as anticipated by this Funding Loan Agreement, and recording the same in the real estate records of the jurisdiction in which the Project is located, without further act or consent of the Governmental Lender, and to service and administer the same for its own account;

(iii) to service and administer the Funding Loan as agent and on behalf of the Governmental Lender or otherwise, and, if applicable, to take such actions necessary to enforce the Borrower Loan Documents and the Funding Loan Documents on its own behalf, and to take such alternative courses of action, as it may deem appropriate; or

(iv) to take such steps to protect and enforce its rights whether by action, suit or proceeding in equity or at law for the specific performance of any covenant, condition or agreement in the Governmental Lender Note, this Funding Loan Agreement or the other Funding Loan Documents, or the Borrower Loan Documents, or in and of the execution of any power herein granted, or for foreclosure hereunder, or for enforcement of any other appropriate legal or equitable remedy or otherwise as the Funding Lender may elect.

(c) Whether or not an Event of Default has occurred, the Funding Lender, in its sole discretion, shall have the sole right to waive or forbear any term, condition, covenant or agreement of the Security Instrument, the Borrower Loan Agreement, the Borrower Note or any other Borrower Loan Documents or Funding Loan Documents applicable to the Borrower, or any breach thereof, other than a covenant that would adversely impact the tax exempt status of the interest on the Governmental Lender Note, and provided that the Governmental Lender may enforce specific performance with respect to the Unassigned Rights; provided, however, that any such forbearance by the Funding Lender in the exercise of its remedies under the Funding Loan Documents shall not be construed as a waiver by the Funding Lender of any Conditions to Conversion.

(d) If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such default remains uncured for a period of 60 days after the Borrower and the Funding Lender receive Written Notice stating that a default under the Regulatory Agreement has occurred and specifying the nature of the default, the Funding Lender shall have the right to seek specific performance of the provisions of the Regulatory Agreement or to exercise its other rights or remedies thereunder.

(e) If the Borrower defaults in the performance of its obligations under the Borrower Loan Agreement to make rebate payments, to comply with any applicable continuing disclosure requirements, or to make payments owed pursuant to Sections 2.5, 5.14 or 5.15 of the Borrower Loan Agreement for fees, expenses or indemnification, the Funding Lender shall have the right to exercise all its rights and remedies thereunder (subject to the last paragraph of Section 9.14 hereof).

Section 9.4. Application of Money Collected. Any money collected by the Funding Lender pursuant to this Article and any other sums then held by the Funding Lender as part of the Security, shall be applied in the following order, at the date or dates fixed by the Funding Lender:

(a) First: To the payment of any and all amounts due under the Funding Loan Documents other than with respect to principal and interest accrued on the Funding Loan, including, without limitation, any amounts due to the Governmental Lender, the Funding Lender, the Servicer and the Rebate Analyst;

(b) Second: To the payment of the whole amount of the Funding Loan, as evidenced by the Governmental Lender Note, then due and unpaid in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Funding Loan) on overdue principal of, and Prepayment Premium and overdue installments of interest on the Funding Loan; provided, however, that partial interests in any portion of the Funding Loan shall be paid in such order of priority as may be prescribed by Written Direction of the Funding Lender in its sole and absolute discretion; and

(c) Third: The payment of the remainder, if any, to the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

If and to the extent this Section 9.4 conflicts with the provisions of the Servicing Agreement, if any, the provisions of the Servicing Agreement shall control. Capitalized terms used in this Section 9.4 but not otherwise defined in this Funding Loan Agreement shall have the meanings given such terms in the Servicing Agreement.

Section 9.5. Remedies Vested in Funding Lender. All rights of action and claims under this Funding Loan Agreement or the Governmental Lender Note may be prosecuted and enforced by the Funding Lender without the possession of the Governmental Lender Note or the production thereof in any proceeding relating thereto.

Section 9.6. Restoration of Positions. If Funding Lender shall have instituted any proceeding to enforce any right or remedy under this Funding Loan Agreement and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Funding Lender, then and in every such case the Governmental Lender and the Funding Lender shall, subject to any determination in such proceeding, be restored to their former positions hereunder, and thereafter all rights and remedies of the Governmental Lender and the Funding Lender shall continue as though no such proceeding had been instituted.

Section 9.7. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Funding Lender is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 9.8. Delay or Omission Not Waiver. No delay or omission of the Funding Lender to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Funding Lender may be exercised from time to time, and as often as may be deemed expedient, by Funding Lender. No waiver of any default or Event of Default pursuant to Section 9.9 hereof shall extend to or shall affect any subsequent default or Event of Default hereunder or shall impair any rights or remedies consequent thereon.

Section 9.9. Waiver of Past Defaults. Before any judgment or decree for payment of money due has been obtained by the Funding Lender, the Funding Lender may, subject to Section 9.6 hereof, by

Written Notice to the Governmental Lender and the Borrower, waive any past default hereunder or under the Borrower Loan Agreement and its consequences except for default in obligations due the Governmental Lender pursuant to or under the Unassigned Rights. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Funding Loan Agreement and the Borrower Loan Agreement; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 9.10. Remedies Under Borrower Loan Agreement or Borrower Note. As set forth in this Section 9.10 but subject to Section 9.9 hereof, the Funding Lender shall have the right, in its own name or on behalf of the Governmental Lender, to declare any default and exercise any remedies under the Borrower Loan Agreement or the Borrower Note, whether or not the Governmental Lender Note has been accelerated or declared due and payable by reason of an Event of Default.

Section 9.11. Waiver of Appraisalment and Other Laws.

(a) To the extent permitted by law, the Governmental Lender will not at any time insist upon, plead, claim or take the benefit or advantage of, any appraisalment, valuation, stay, extension or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws. The Governmental Lender, for itself and all who may claim under it, waives, to the extent that it may lawfully do so, all right to have the property in the Security marshaled upon any enforcement hereof.

(b) If any law now in effect prohibiting the waiver referred to in Section 9.11(a) shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the application of this Section 9.11.

Section 9.12. Suits to Protect the Security. The Funding Lender shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Security by any acts that may be unlawful or in violation of this Funding Loan Agreement and to protect its interests in the Security and in the rents, issues, profits, revenues and other income arising therefrom, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any Governmental Authority enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interests of the Funding Lender.

Section 9.13. Remedies Subject to Applicable Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Funding Loan Agreement invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 9.14. Assumption of Obligations. In the event that the Funding Lender or its assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under the Borrower Loan Agreement, the Borrower Note, the Regulatory Agreement and any other Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default hereunder, rights and remedies may be pursued pursuant to the terms of the Funding Loan Documents.

ARTICLE X

AMENDMENT; AMENDMENT OF FUNDING LOAN AGREEMENT

AND OTHER DOCUMENTS

Section 10.1. Amendment of Funding Loan Agreement. Any of the terms of this Funding Loan Agreement and the Governmental Lender Note may be amended or waived only by an instrument signed by the Funding Lender and the Governmental Lender, provided, however, no such amendment which materially affects the rights, duties, obligations or other interests of the Borrower shall be made without the consent of the Borrower, and, provided further, that if the Borrower is in default under any Funding Loan Document, no Borrower consent shall be required unless such amendment has a material adverse effect on the rights, duties, obligations or other interests of the Borrower. All of the terms of this Funding Loan Agreement shall be binding upon the successors and assigns of and all persons claiming under or through the Governmental Lender or any such successor or assign, and shall inure to the benefit of and be enforceable by the successors and assigns of the Funding Lender.

Section 10.2. Amendments Require Funding Lender Consent. The Governmental Lender shall not consent to any amendment, change or modification of the Borrower Loan Agreement or any other Borrower Loan Document or Funding Loan Document without the prior Written Consent of the Funding Lender; provided, however, that such prior Written Consent shall not be required with respect to any such amendment, change or modification undertaken by the Governmental Lender in order to preserve one or more of its Unassigned Rights. Governmental Lender agrees to provide the Funding Lender with prompt notification of any such amendments, modifications or changes not requiring the prior Written Consent of the Funding Lender.

Section 10.3. Consents and Opinions. No amendment to this Funding Loan Agreement or any other Funding Loan Document entered into under this Article X or any amendment, change or modification otherwise permitted under this Article X shall become effective unless and until (i) the Funding Lender shall have approved the same in writing in its sole discretion and (ii) the Funding Lender and the Governmental Lender shall have received, at the expense of the Borrower, a Tax Counsel No Adverse Effect Opinion and an Opinion of Counsel to the effect that any such proposed amendment is authorized and complies with the provisions of this Funding Loan Agreement and is a legal, valid and binding obligation of the parties thereto, subject to normal exceptions relating to bankruptcy, insolvency and equitable principles limitations. No modification or amendment of the terms of the Borrower Loan Agreement or the Borrower Note may be undertaken without the prior Written Consent of the Funding Lender and the provision to the Funding Lender and the Governmental Lender, at the expense of the Borrower, of a Tax Counsel No Adverse Effect Opinion with regard to such proposed modification.

[\$FUNDING LOAN AMT]

FOR VALUE RECEIVED, the undersigned the CITY OF CHICAGO ("Obligor") promises to pay to the order of CITIBANK, N.A. ("Holder") the maximum principal sum of [FUNDING LOAN AMOUNT IN WORDS] [\$FUNDING LOAN AMT], on [July] 1, 2060, or earlier as provided herein, together with interest thereon at the rates, at the times and in the amounts provided below.

Obligor shall pay to the Holder on or before each date on which payment is due under that certain Funding Loan Agreement, dated as of _____, 202__ (the "Funding Loan Agreement"), between Obligor and Holder, an amount in immediately available funds sufficient to pay the principal amount of and Prepayment Premium, if any, on this Governmental Lender Note then due and payable, whether by maturity, acceleration, prepayment or otherwise. In the event that amounts derived from proceeds of the Borrower Loan, condemnation awards or insurance proceeds or investment earnings thereon are applied to the payment of principal due on this Governmental Lender Note in accordance with the Funding Loan Agreement, the principal amount due hereunder shall be reduced to the extent of the principal amount of this Governmental Lender Note so paid.

Obligor shall pay to the Holder on or before each date on which interest on the Funding Loan is payable interest on the unpaid balance hereof in an amount in immediately available funds sufficient to pay the interest on this Governmental Lender Note then due and payable in the amounts and at the rate or rates set forth in the Funding Loan Agreement.

The Funding Loan and this Governmental Lender Note are pass-through obligations relating to a loan (the "Borrower Loan") made by Obligor from proceeds of the Funding Loan to Lathrop Preservation Phase IC, LP, an Illinois limited partnership, as borrower (the "Borrower"), under that certain Borrower Loan Agreement, dated as of _____, 202__ (as the same may be modified, amended or supplemented from time to time, the "Borrower Loan Agreement"), between the Obligor and the Borrower, evidenced by the Borrower Note (as defined in the Borrower Loan Agreement). Reference is made to the Borrower Loan Agreement and to the Borrower Note for complete payment and prepayment terms of the Borrower Note, payments on which are passed-through under this Governmental Lender Note.

This Governmental Lender Note is a limited obligation of the Obligor, payable solely from the Pledged Revenues and other funds and moneys and Security pledged and assigned under the Funding Loan

Agreement. This Governmental Lender Note is not a general obligation of the Governmental Lender or a charge against its general credit or the general credit taxing powers of the State, the Governmental Lender, or any other political subdivision thereof, and shall never give rise to any pecuniary liability of the Governmental Lender, and neither the Governmental Lender, the State nor any other political subdivision thereof shall be liable for the payments of principal of, interest on, and, premium, if any, on this Governmental Lender Note, and the Governmental Lender Note is payable from no other source, but are special, limited obligations of the Governmental Lender, payable solely out of the security pledged hereunder and receipts of the Governmental Lender derived pursuant to this Funding Loan Agreement. No holder of this Governmental Lender Note or any interest therein has the right to compel any exercise of the taxing power of the State, the Governmental Lender or any other political subdivision thereof to pay the Governmental Lender Note or the interest or premium, if any, thereon.

All capitalized terms used but not defined herein shall have the meanings ascribed to them in the Funding Loan Agreement or in the Borrower Loan Agreement.

This Governmental Lender Note is subject to the express condition that at no time shall interest be payable on this Governmental Lender Note or the Funding Loan at a rate in excess of the Maximum Rate provided in the Funding Loan Agreement; and Obligor shall not be obligated or required to pay, nor shall the Holder be permitted to charge or collect, interest at a rate in excess of such Maximum Rate. If by the terms of this Governmental Lender Note or of the Funding Loan Agreement, Obligor is required to pay interest at a rate in excess of such Maximum Rate, the rate of interest hereunder or thereunder shall be deemed to be reduced immediately and automatically to such Maximum Rate, and any such excess payment previously made shall be immediately and automatically applied to the unpaid balance of the principal sum hereof and not to the payment of interest.

Amounts payable hereunder representing late payments, penalty payments or the like shall be payable to the extent allowed by law.

This Governmental Lender Note is subject to all of the terms, conditions, and provisions of the Funding Loan Agreement, including those respecting prepayment and the acceleration of maturity, and those respecting limitations on liability in Article V of the Funding Loan Agreement.

If there is an Event of Default under the Funding Loan Documents, then in any such event and subject to the requirements set forth in the Funding Loan Agreement, the Holder may declare the entire unpaid principal balance of this Governmental Lender Note and accrued interest, if any, due and payable at once. All of the covenants, conditions and agreements contained in the Funding Loan Documents are hereby made part of this Governmental Lender Note.

No delay or omission on the part of the Holder in exercising any remedy, right or option under this Governmental Lender Note or the Funding Loan Documents shall operate as a waiver of such remedy, right or option. In any event a waiver on any one occasion shall not be construed as a waiver or bar to any such remedy, right or option on a future occasion. The rights, remedies and options of the Holder under this Governmental Lender Note and the Funding Loan Documents are and shall be cumulative and are in addition to all of the rights, remedies and options of the Holder at law or in equity or under any other agreement.

Obligor shall pay all costs of collection on demand by the Holder, including without limitation, reasonable attorneys' fees and disbursements, which costs may be added to the indebtedness hereunder, together with interest thereon, to the extent allowed by law, as set forth in the Funding Loan Agreement but solely from the Pledged Revenues, the Security, or amounts provided by the Borrower.

This Governmental Lender Note may not be changed orally. Presentment for payment, notice of dishonor, protest and notice of protest are hereby waived. The acceptance by the Holder of any amount after the same is due shall not constitute a waiver of the right to require prompt payment, when due, of all other amounts due hereunder. The acceptance by the Holder of any sum in an amount less than the amount then due shall be deemed an acceptance on account only and upon condition that such acceptance shall not constitute a waiver of the obligation of Obligor to pay the entire sum then due, and Obligor's failure to pay such amount then due shall be and continue to be a default notwithstanding such acceptance of such amount on account, as aforesaid. Consent by the Holder to any action of Obligor which is subject to consent or approval of the Holder hereunder shall not be deemed a waiver of the right to require such consent or approval to future or successive actions.

IN WITNESS WHEREOF, the undersigned has duly executed and delivered this Governmental Lender Note by its authorized representative as of the date first set forth above.

The proceeds of the Funding Loan will be used to pay the purchase price of the Bonds on the Funding Date in accordance with the terms of the Indenture.

The Governmental Lender hereby appoints the Funding Lender as its agent with full authority and power to act on its behalf (other than with respect to the Unassigned Rights) to disburse the Borrower Loan for the account of the Governmental Lender, to take certain actions and exercise certain remedies with respect to the Borrower Loan, and for the other purposes set forth in this Borrower Loan Agreement and to do all other acts necessary or incidental to the performance and execution thereof. This appointment is coupled with an interest and is irrevocable except as expressly set forth herein. Accordingly, references to the rights of the Funding Lender to take actions under this Borrower Loan Agreement shall refer to Funding Lender in its role as agent of the Governmental Lender. The Funding Lender may, in its discretion, designate Servicer to fulfill the rights and responsibilities granted by Governmental Lender to Funding Lender pursuant to this Section 2.1.

Section 4.1.4 Litigation; Adverse Facts. There is no Legal Action, nor is there a basis known to Borrower for any Legal Action, before or by any court or federal, state, municipal or other governmental authority, pending, or to the knowledge of the Borrower, after reasonable investigation, threatened, in writing, against or affecting the Borrower, the General Partner or the Guarantor, or their respective assets, properties or operations which, if determined adversely to the Borrower or its interests, would have a material adverse effect upon the consummation of the transactions contemplated by, or the validity of, the Borrower Loan Documents or the Funding Loan Documents, upon the ability of each of Borrower, General Partner and Guarantor to perform their respective obligations under the Borrower Loan Documents, the Funding Loan Documents and the Related Documents to which it is a party, or upon the financial condition, assets (including the Project), properties or operations of the Borrower, the General Partner or the Guarantor. None of the Borrower, General Partner or Guarantor is in default (and no event has occurred and is continuing which with the giving of notice or the passage of time or both could constitute a default) with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or other governmental authority, which default might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, the ability of each of Borrower, General Partner and Guarantor to perform their respective obligations under the Borrower Loan Documents, the Funding Loan Documents and the Related Documents to which it is a party, or the financial condition, assets, properties or operations of the Borrower, General Partner or Guarantor. None of Borrower, General Partner or Guarantor are (a) in violation of any applicable law, which violation materially and adversely affects or may materially and adversely affect the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower, General Partner or Guarantor, as applicable; (b) subject to, or in default with respect to, any other Legal Requirement that would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower, General Partner or Guarantor, as applicable; or (c) in default with respect to any agreement to which Borrower, General Partner or Guarantor, as applicable, are a party or by which they are bound, which default would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower, General Partner or Guarantor, as applicable; and (d) there is no Legal Action pending or, to the knowledge of Borrower, threatened, in writing, against or affecting Borrower, General Partner or Guarantor questioning the validity or the enforceability of this Borrower Loan Agreement or any of the other Borrower Loan Documents or the Funding Loan Documents

or of any of the Related Documents. All tax returns (federal, state and local) required to be filed by or on behalf of the Borrower have been filed, and all taxes shown thereon to be due, including interest and penalties, except such, if any, as are being actively contested by the Borrower in good faith, have been paid or adequate reserves have been made for the payment thereof which reserves, if any, are reflected in the audited financial statements described therein. Subject to the Ground Lease, the Borrower enjoys the peaceful and undisturbed possession of all of the premises upon which it is operating its facilities.

Section 4.1.5 Agreements; Consents; Approvals. Except as contemplated by the Borrower Loan Documents and the Funding Loan Documents, the Borrower is not a party to any agreement or instrument or subject to any restriction that would materially adversely affect the Borrower, the Project, or the Borrower's business, properties, operations or financial condition or business prospects, except the Permitted Encumbrances and the Ground Lease. The Borrower is not in default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any Permitted Encumbrance or any other agreement or instrument to which it is a party or by which it or the Project is bound.

No consent or approval of any trustee or holder of any indebtedness of the Borrower, and to the knowledge of the Borrower after reasonable investigation and only with respect to the Borrower, no consent, permission, authorization, order or license of, or filing or registration with, any governmental authority (except no representation is made with respect to any state securities or "blue sky" laws) is necessary in connection with the execution and delivery of the Borrower Loan Documents or the Funding Loan Documents, or the consummation of any transaction herein or therein contemplated, or the fulfillment of or compliance with the terms and conditions hereof or thereof, except as have been obtained or made and as are in full force and effect.

Section 4.1.6 Title. The Borrower shall have marketable leasehold title to the Project, free and clear of all Liens except the Permitted Encumbrances and the Ground Lease. The Security Instrument, when properly recorded in the appropriate records, together with any UCC financing statements required to be filed in connection therewith, will create (i) a valid, perfected first priority lien on the fee (or leasehold, if applicable) interest in the Project and (ii) perfected security interests in and to, and perfected collateral assignments of, all personalty included in the Project (including the Leases), all in accordance with the terms thereof, in each case subject only to any applicable Permitted Encumbrances and the Ground Lease. To the Borrower's knowledge, there are no delinquent real property taxes or assessments, including water and sewer charges, with respect to the Project, nor are there any claims for payment for work, labor or materials affecting the Project which are or may become a Lien prior to, or of equal priority with, the Liens created by the Borrower Loan Documents and the Funding Loan Documents.

Section 4.1.7 Survey. To the knowledge of the Borrower after reasonable inquiry, the survey for the Project delivered to the Governmental Lender and the Funding Lender does not fail to reflect any material matter affecting the Project or the title thereto.

Section 4.1.8 No Bankruptcy Filing. The Borrower is not contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency law or the liquidation of all or a major portion of its property (a "Bankruptcy Proceeding"), and the Borrower has no knowledge of any Person contemplating the filing of any such petition against it. As of the Funding Date, the Borrower has the ability to pay its debts as they become due.

Section 4.1.9 Full and Accurate Disclosure. No statement of fact made by the Borrower in any Borrower Loan Document or any Funding Loan Document contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained therein in light of the circumstances in which they were made, not misleading. There is no material fact or circumstance presently

known to the Borrower that has not been disclosed to the Governmental Lender and the Funding Lender which materially and adversely affects the Project or the business, operations or financial condition or business prospects of the Borrower or the Borrower's ability to meet its obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and Funding Loan Documents to which it is a party in a timely manner.

Section 4.1.10 No Plan Assets. The Borrower is not an "employee benefit plan," as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of the Borrower constitutes or will constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. Section 2510.3 101.

Section 4.1.11 Compliance. The Borrower, the Project and the use thereof will comply, to the extent required, in all material respects with all applicable Legal Requirements. The Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority, the violation of which would materially adversely affect the financial condition or business prospects or the business of the Borrower. There has not been committed by the Borrower or any Borrower Affiliate involved with the operation or use of the Project any act or omission affording any Governmental Authority the right of forfeiture as against the Project or any part thereof or any moneys paid in performance of the Borrower's obligations under any Borrower Loan Document or any Funding Loan Documents.

Section 4.1.12 Contracts. All service, maintenance or repair contracts affecting the Project have been entered into at arm's length (except for such contracts between the Borrower and its affiliates or the affiliates of the Borrower Controlling Entity of the Borrower) in the ordinary course of the Borrower's business and provide for the payment of fees in amounts and upon terms comparable to existing market rates.

Section 4.1.13 Financial Information. All financial data, including any statements of cash flow and income and operating expense, that have been delivered to the Governmental Lender or the Funding Lender in respect of the Project by or on behalf of the Borrower, to the knowledge of the Borrower after reasonable inquiry, (i) are accurate and complete in all material respects, (ii) accurately represent the financial condition of the Project as of the date of such reports, and (iii) to the extent prepared by an independent certified public accounting firm, have been prepared in accordance with GAAP consistently applied throughout the periods covered, except as disclosed therein. Other than pursuant to or permitted by the Borrower Loan Documents or the Funding Loan Documents or the Borrower organizational documents, the Borrower has no contingent liabilities, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments. Since the date of such financial statements, there has been no materially adverse change in the financial condition, operations or business of the Borrower from that set forth in said financial statements.

Section 4.1.14 Condemnation. No Condemnation or other proceeding has been commenced or, to the Borrower's knowledge, is contemplated, threatened or pending with respect to all or part of the Project or for the relocation of roadways providing access to the Project.

Section 4.1.15 Federal Reserve Regulations. No part of the proceeds of the Borrower Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation U or any other regulation of such Board of Governors, or for any purpose prohibited by Legal Requirements or any Borrower Loan Document or Funding Loan Document.

Section 4.1.16 Utilities and Public Access. To the Borrower's knowledge after reasonable inquiry, the Project is or will be served by water, sewer, sanitary sewer and storm drain facilities adequate to service it for its intended uses. All public utilities necessary or convenient to the full use and enjoyment

of the Project are or will be located in the public right-of-way abutting the Project, and all such utilities are or will be connected so as to serve the Project without passing over other property absent a valid easement. All roads necessary for the use of the Project for its current purpose have been or will be completed and dedicated to public use and accepted by all Governmental Authorities. Except for Permitted Encumbrances, the Project does not share ingress and egress through an easement or private road or share on-site or off-site recreational facilities and amenities that are not located on the Project and under the exclusive control of the Borrower, or where there is shared ingress and egress or amenities, there exists an easement or joint use and maintenance agreement under which (i) access to and use and enjoyment of the easement or private road and/or recreational facilities and amenities is perpetual, (ii) the number of parties sharing such easement and/or recreational facilities and amenities must be specified, (iii) the Borrower's responsibilities and share of expenses are specified, and (iv) the failure to pay any maintenance fee with respect to an easement will not result in a loss of usage of the easement.

Section 4.1.17 Not a Foreign Person. The Borrower is not a "foreign person" within the meaning of §1445(f)(3) of the Code.

Section 4.1.18 Separate Lots. Each parcel comprising the Land is a separate tax lot and is not a portion of any other tax lot that is not a part of the Land.

Section 4.1.19 Assessments. There are no pending or, to the Borrower's knowledge after reasonable inquiry, proposed special or other assessments for public improvements or otherwise affecting the Project, or any contemplated improvements to the Project that may result in such special or other assessments.

Section 4.1.20 Enforceability. The Borrower Loan Documents and the Funding Loan Documents are not subject to, and the Borrower has not asserted, any right of rescission, set-off, counterclaim or defense, including the defense of usury.

Section 4.1.21 Insurance. The Borrower has obtained the insurance required by the Security Instrument and has delivered to the Servicer copies of insurance policies or certificates of insurance reflecting the insurance coverages, amounts and other requirements set forth in this Borrower Loan Agreement and the Security Instrument.

Section 4.1.22 Use of Property; Licenses. The Project will be used exclusively as a multifamily residential rental project and other appurtenant and related uses, which use is consistent with the zoning classification for the Project. All certifications, permits, licenses and approvals, including certificates of completion and occupancy permits required for the legal use or legal, nonconforming use, as applicable, occupancy and operation of the Project (collectively, the "Licenses") required at this time for the construction or rehabilitation, as appropriate, and equipping of the Project have been obtained. To the Borrower's knowledge, all Licenses obtained by the Borrower have been validly issued and are in full force and effect. The Borrower has no reason to believe that any of the Licenses required for the future use and occupancy of the Project and not heretofore obtained by the Borrower will not be obtained by the Borrower in the ordinary course following the Completion Date. No Licenses will terminate, or become void or voidable or terminable, upon any sale, transfer or other disposition of the Project, including any transfer pursuant to foreclosure sale under the Security Instrument or deed in lieu of foreclosure thereunder. The Project does not violate any density or building setback requirements of the applicable zoning law except to the extent, if any, shown on the survey. No proceedings are, to the best of the Borrower's knowledge after reasonable inquiry, pending or threatened, in writing, that would result in a change of the zoning of the Project.

Section 4.1.23 Flood Zone. On the Funding Date, except as may be disclosed in writing to the Funding Lender and the Governmental Lender, no structure within the Mortgaged Property lies or is located in an identifiable or designated Special Flood Hazard Area. If at any time the Mortgaged Property is determined to be in a Special Flood Hazard Area, Borrower will obtain appropriate flood insurance as required under the National Flood Insurance Act of 1968, Flood Disaster Protection Act of 1973, or the National Flood Insurance Reform Act of 1994 as amended or as required by the Servicer pursuant to its underwriting guidelines.

Section 4.1.24 Physical Condition. The Project, including all Improvements, parking facilities, systems, fixtures, Equipment and landscaping, are or, after completion of the construction, rehabilitation and/or repairs, as appropriate, will be in good and habitable condition in all material respects and in good order and repair in all material respects (reasonable wear and tear excepted). The Borrower has not received notice from any insurance company or bonding company of any defect or inadequacy in the Project, or any part thereof, which would adversely affect its insurability or cause the imposition of extraordinary premiums or charges thereon or any termination of any policy of insurance or bond.

Section 4.1.25 Encroachments. All of the Improvements included in determining the appraised value of the Project will lie wholly within the boundaries and building restriction lines of the Project, and no improvement on an adjoining property encroaches upon the Project, and no easement or other encumbrance upon the Project encroaches upon any of the Improvements, so as to affect the value or marketability of the Project, except those insured against by the Title Insurance Policy or disclosed in the survey of the Project as approved by the Servicer.

Section 4.1.26 State Law Requirements. The Borrower hereby represents, covenants and agrees to comply with the provisions of all applicable state laws relating to the Borrower Loan, the Funding Loan and the Project.

Section 4.1.27 Filing and Recording Taxes. All transfer taxes, deed stamps, intangible taxes or other amounts in the nature of transfer taxes required to be paid by any Person under applicable Legal Requirements in connection with the transfer of the Project to the Borrower have been paid. All mortgage, mortgage recording, stamp, intangible or other similar taxes required to be paid by any Person under applicable Legal Requirements in connection with the execution, delivery, recordation, filing, registration, perfection or enforcement of any of the Borrower Loan Documents and the Funding Loan Documents have been or will be paid.

Section 4.1.28 Investment Company Act. The Borrower is not (i) an "investment company" or a company "controlled" by an "investment company," within the meaning of the Investment Company Act of 1940, as amended; or (ii) a "holding company" or a "subsidiary company" of a "holding company" or an "affiliate" of either a "holding company" or a "subsidiary company" within the meaning of the Public Utility Holding Company Act of 1935, as amended.

Section 4.1.29 Fraudulent Transfer. The Borrower has not accepted the Borrower Loan or entered into any Borrower Loan Document or Funding Loan Document with the actual intent to hinder, delay or defraud any creditor, and the Borrower has received reasonably equivalent value in exchange for its obligations under the Borrower Loan Documents and the Funding Loan Documents. Giving effect to the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, the fair saleable value of the Borrower's assets exceeds and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, exceed the Borrower's total liabilities, including subordinated, unliquidated, disputed or contingent liabilities. The fair saleable value of the Borrower's assets is and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, be greater than the Borrower's probable liabilities, including

the maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. The Borrower's assets do not and, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. The Borrower does not intend to, and does not believe that it will, incur debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of the Borrower).

Section 4.1.30 Ownership of the Borrower. Except as set forth in the Partnership Agreement of the Borrower, the Borrower has no obligation to any Person to purchase, repurchase or issue any ownership interest in the Borrower.

Section 4.1.31 Environmental Matters. To the Borrower's knowledge after due inquiry and except as disclosed in environmental reports previously delivered to the Funding Lender and the Governmental Lender, the Project is not in violation of any Legal Requirement pertaining to or imposing liability or standards of conduct concerning environmental regulation, contamination or clean-up, and will comply with covenants and requirements relating to environmental hazards as set forth in the Security Instrument. The Borrower will execute and deliver the Agreement of Environmental Indemnification.

Section 4.1.32 Name; Principal Place of Business. Unless prior Written Notice is given to the Funding Lender, the Borrower does not use and will not use any trade name, and has not done and will not do business under any name other than its actual name set forth herein. The principal place of business of the Borrower is its primary address for notices as set forth in Section 10.1 hereof, and the Borrower has no other place of business, other than the Project and such principal place of business.

Section 4.1.33 Subordinated Debt. There is no secured or unsecured indebtedness with respect to the Project or any residual interest therein, other than Permitted Encumbrances and the permitted indebtedness described in Section 6.7 hereof, except an unsecured deferred developer fee not to exceed the amount permitted by Funding Lender as determined on the Closing Date and unsecured, subordinate partner loans to the Borrower permitted or required under the terms of the Partnership Agreement.

Section 4.1.34 Filing of Taxes. The Borrower has filed (or has obtained effective extensions for filing) all federal, state and local tax returns required to be filed and has paid or made adequate provision for the payment of all federal, state and local taxes, charges and assessments, if any, payable by the Borrower.

Section 4.1.35 General Tax. All representations, warranties and certifications of the Borrower set forth in the Regulatory Agreement and the Tax Certificate are incorporated by reference herein and the Borrower will comply with such as if set forth herein.

Section 4.1.36 Approval of the Borrower Loan Documents and Funding Loan Documents. By its execution and delivery of this Borrower Loan Agreement, the Borrower approves the form and substance of the Borrower Loan Documents and the Funding Loan Documents, and agrees to carry out the responsibilities and duties specified in the Borrower Loan Documents and the Funding Loan Documents to be carried out by the Borrower. The Borrower acknowledges that (a) it understands the nature and structure of the transactions relating to the financing of the Project, (b) it is familiar with the provisions of all of the Borrower Loan Documents and the Funding Loan Documents and other documents and instruments relating to the financing, (c) it understands the risks inherent in such transactions, including without limitation the risk of loss of the Project, and (d) it has not relied on the Governmental Lender, the Funding Lender or the Servicer for any guidance or expertise in analyzing the financial or other consequences of the transactions

contemplated by the Borrower Loan Documents and the Funding Loan Documents or otherwise relied on the Governmental Lender, the Funding Lender or the Servicer in any manner.

Section 4.1.37 Funding Loan Agreement. The Borrower has read and accepts and agrees that it is bound by the Funding Loan Agreement and the Funding Loan Documents.

Section 4.1.38 Americans with Disabilities Act. The Project, as designed, will conform in all material respects with all applicable zoning, planning, building and environmental laws, ordinances and regulations of governmental authorities having jurisdiction over the Project, including, but not limited to, the Americans with Disabilities Act of 1990 ("ADA"), to the extent required (as evidenced by an architect's certificate to such effect).

Section 4.1.39 Requirements of Act, Code and Regulations. The Project satisfies all requirements of the Act, the Code and the Regulations applicable to the Project.

Section 4.1.40 Regulatory Agreement. The Project is, as of the date of origination of the Funding Loan, in compliance with all requirements of the Regulatory Agreement to the extent such requirements are applicable; and the Borrower intends to cause the residential units in the Project to be rented or available for rental on a basis which satisfies the requirements of the Regulatory Agreement, including all applicable requirements of the Act and the Code and the Regulations, and pursuant to leases which comply with all applicable laws.

Section 4.1.41 Intention to Hold Project. The Borrower intends to hold the Project for its own account and has no current plans, and has not entered into any agreement, to sell the Project or any part of it (except for rights granted in the Partnership Agreement); and the Borrower intends to occupy the Project or cause the Project to be occupied and to operate it or cause it to be operated at all times during the term of this Borrower Loan Agreement in compliance with the terms of this Borrower Loan Agreement and the Regulatory Agreement and does not know of any reason why the Project will not be so used by it in the absence of circumstances not now anticipated by it or totally beyond its control.

Section 4.1.42 Concerning General Partner.

(a) The General Partner of Borrower is an Illinois limited liability company, duly organized and validly existing under the laws of the State of Illinois. The General Partner has all requisite power and authority, rights and franchises to enter into and perform its obligations under the Borrower Loan Documents and the Funding Loan Documents to be executed by such General Partner for its own account and on behalf of Borrower, as general partner of Borrower, under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents.

(b) General Partner has made all filings (including, without limitation, all required filings related to the use of fictitious business names) and is in good standing in the State and in each other jurisdiction in which the character of the property it owns or the nature of the business it transacts makes such filings necessary or where the failure to make such filings could have a material adverse effect on the business, operations, assets, condition (financial or otherwise) or prospects of General Partner.

(c) General Partner is duly authorized to do business in the State.

(d) The execution, delivery and performance by Borrower of the Borrower Loan Documents and the Funding Loan Documents have been duly authorized by all necessary action of General Partner on behalf of Borrower, and by all necessary action on behalf of General Partner.

(e) The execution, delivery and performance by General Partner, on behalf of Borrower, of the Borrower Loan Documents and the Funding Loan Documents will not violate (i) General Partner's organizational documents; (ii) any other Legal Requirement affecting General Partner or any of its properties; or (iii) any agreement to which General Partner is bound or to which it is a party; and will not result in or require the creation (except as provided in or contemplated by this Borrower Loan Agreement) of any Lien upon any of such properties, any of the Collateral or any of the property or funds pledged or delivered to Funding Lender pursuant to the Security Documents.

Section 4.1.43 Government and Private Approvals. All governmental or regulatory orders, consents, permits, authorizations and approvals required for the construction, rehabilitation, use, occupancy and operation of the Improvements, that may be granted or denied in the discretion of any Governmental Authority, have been obtained and are in full force and effect (or, in the case of any of the foregoing that Borrower is not required to have as of the Closing Date, will be obtained), and will be maintained in full force and effect at all times during the construction or rehabilitation of the Improvements. All such orders, consents, permits, authorizations and approvals that may not be denied in the discretion of any Governmental Authority shall be obtained prior to the commencement of any work for which such orders, consents, permits, authorizations or approvals are required, and, once obtained, such orders, consents, permits, authorizations and approvals will be maintained in full force and effect at all times during the construction or rehabilitation of the Improvements. Except as set forth in the preceding two sentences, no additional governmental or regulatory actions, filings or registrations with respect to the Improvements, and no approvals, authorizations or consents of any trustee or holder of any indebtedness or obligation of Borrower, are required for the due execution, delivery and performance by Borrower or General Partner of any of the Borrower Loan Documents or the Funding Loan Documents or the Related Documents executed by Borrower or General Partner, as applicable. All required zoning approvals have been obtained, and the zoning of the Land for the Project is not conditional upon the happening of any further event.

Section 4.1.44 Concerning Guarantor. The Borrower Loan Documents and the Funding Loan Documents to which the Guarantor is a party or a signatory executed simultaneously with this Borrower Loan Agreement have been duly executed and delivered by Guarantor and are legally valid and binding obligations of Guarantor, enforceable against Guarantor in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity.

Section 4.1.45 No Material Defaults. Except as previously disclosed to Funding Lender in writing, there exists no material violation of or material default by Borrower under, and, to the knowledge of Borrower after reasonable inquiry, no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default with respect to: (i) the terms of any instrument evidencing, securing or guaranteeing any indebtedness secured by the Project or any portion or interest thereof or therein; (ii) any lease or other agreement affecting the Project or to which Borrower is a party; (iii) any license, permit, statute, ordinance, law, judgment, order, writ, injunction, decree, rule or regulation of any Governmental Authority, or any determination or award of any arbitrator to which Borrower or the Project may be bound; or (iv) any mortgage, instrument, agreement or document by which Borrower or any of its respective properties is bound; in the case of any of the foregoing: (1) which involves any Borrower Loan Document or Funding Loan Document; (2) which involves the Project and is not adequately covered by insurance; (3) that might materially and adversely affect the ability of Borrower, General Partner or Guarantor or to perform any of its respective obligations under any of the Borrower Loan Documents or the Funding Loan Documents or any other material instrument, agreement or document to which it is a party; or (4) which might adversely affect the priority of the Liens created by this Borrower Loan Agreement or any of the Borrower Loan Documents or the Funding Loan Documents.

Section 4.1.46 Payment of Taxes. Except as previously disclosed to Funding Lender in writing: (i) all tax returns and reports of Borrower, General Partner and Guarantor required to be filed have been timely filed, and all taxes, assessments, fees and other governmental charges upon Borrower, General Partner and Guarantor, and upon their respective properties, assets, income and franchises, which are due and payable have been paid when due and payable; and (ii) Borrower knows of no proposed tax assessment against it or against General Partner or Guarantor that would be material to the condition (financial or otherwise) of Borrower, General Partner or Guarantor, and neither Borrower nor General Partner has contracted with any Governmental Authority in connection with such taxes.

Section 4.1.47 Rights to Project Agreements and Licenses. Borrower is the legal and beneficial owner of all rights in and to the Plans and Specifications and all existing Project Agreements and Licenses, and will be the legal and beneficial owner of all rights in and to all future Project Agreements and Licenses. Borrower's interest in the Plans and Specifications and all Project Agreements and Licenses is not subject to any present claim (other than under the Borrower Loan Documents and the Funding Loan Documents or as otherwise approved by Funding Lender in its sole discretion), set-off or deduction other than in the ordinary course of business.

Section 4.1.48 Patriot Act Compliance. Borrower is not now, nor has ever been (i) listed on any Government Lists (as defined below), (ii) a person who has been determined by a Governmental Authority to be subject to the prohibitions contained in Presidential Executive Order No. 13224 (Sept. 23, 2001) or any other similar prohibitions contained in the rules and regulations of OFAC or in any enabling legislation or other Presidential Executive Orders in respect thereof, (iii) indicted for or convicted of any felony involving a crime or crimes of moral turpitude or for any Patriot Act Offense, or (iv) under investigation by any Governmental Authority for alleged criminal activity. For purposes hereof, the term "Patriot Act Offense" shall mean any violation of the criminal laws of the United States of America or of any of the several states, or that would be a criminal violation if committed within the jurisdiction of the United States of America or any of the several states, relating to terrorism or the laundering of monetary instruments, including any offense under (A) the criminal laws against terrorism; (B) the criminal laws against money laundering, (C) Bank Representative Secrecy Act, as amended, (D) the Money Laundering Control Act of 1986, as amended, or (E) the Patriot Act. "Patriot Act Offense" also includes the crimes of conspiracy to commit, or aiding and abetting another to commit, a Patriot Act Offense. For purposes hereof, the term "Government Lists" shall mean (1) the Specially Designated Nationals and Blocked Persons Lists maintained by the Office of Foreign Assets Control ("OFAC"), (2) any other list of terrorists, terrorist organizations or narcotics traffickers maintained pursuant to any of the Rules and Regulations of OFAC that Funding Lender notified Borrower in writing is now included in "Government Lists", or (3) any similar lists maintained by the United States Department of State, the United States Department of Commerce or any other Governmental Authority or pursuant to any Executive Order of the President of the United States of America that Funding Lender notified Borrower in writing is now included in "Government Lists".

Section 4.1.49 Rent Schedule. Borrower has prepared a prospective Unit absorption and rent collection schedule with respect to the Project substantially in the form attached as an exhibit to the Construction Funding Agreement, which schedule takes into account, among other relevant factors (i) a schedule of minimum monthly rentals for the Units, and (ii) any and all concessions including free rent periods, and on the basis of such schedule, Borrower believes it will collect rents with respect to the Project in amounts greater than or equal to debt service on the Borrower Loan.

Section 4.1.50 Other Documents. Each of the representations and warranties of Borrower or General Partner contained in any of the other Borrower Loan Documents or the Funding Loan Documents or Related Documents is true and correct in all material respects (or, in the case of representations or warranties contained in any of the other Borrower Loan Documents or Funding Loan Documents or Related

Documents that speak as of a particular date, were true and correct in all material respects as of such date). All of such representations and warranties are incorporated herein for the benefit of Funding Lender.

Section 4.1.51 Subordinate Loan Documents. The Subordinate Loan Documents are in full force and effect and the Borrower has paid all commitment fees and other amounts due and payable to the Subordinate Lender(s) thereunder. There exists no material violation of or material default by the Borrower under, and no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default under the Subordinate Loan Documents.

Section 4.1.52 Ground Lease. The Ground Lease is in full force and effect and the Borrower has paid all rent and other amounts due and payable to the ground lessor thereunder. There exists no material violation of or material default by the Borrower under the Ground Lease, and no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default by any other party under the Ground Lease.

Section 4.2. Survival of Representations and Covenants. All of the representations and warranties in Section 4.1 hereof and elsewhere in the Borrower Loan Documents (i) shall survive for so long as any portion of the Borrower Payment Obligations remains due and owing and (ii) shall be deemed to have been relied upon by the Governmental Lender and the Servicer notwithstanding any investigation heretofore or hereafter made by the Governmental Lender or the Servicer or on its or their behalf, provided, however, that the representations, warranties and covenants set forth in Section 4.1.31 hereof shall survive in perpetuity and shall not be subject to the exculpation provisions of Section 11.1 hereof.

ARTICLE V

AFFIRMATIVE COVENANTS

During the term of this Borrower Loan Agreement, the Borrower hereby covenants and agrees with the Governmental Lender, the Funding Lender and the Servicer that:

Section 5.1. Existence. The Borrower shall (i) do or cause to be done all things necessary to preserve, renew and keep in full force and effect its existence and its material rights, and franchises, (ii) continue to engage in the business presently conducted by it, (iii) obtain and maintain all material Licenses, and (iv) qualify to do business and remain in good standing under the laws of the State.

Section 5.2. Taxes and Other Charges. The Borrower shall pay all Taxes and Other Charges as the same become due and payable and prior to their becoming delinquent in accordance with the Security Instrument, except to the extent that the amount, validity or application thereof is being contested in good faith as permitted by the Security Instrument.

The Borrower covenants to pay all Taxes and Other Charges of any type or character charged to the Funding Lender affecting the amount available to the Funding Lender from payments to be received hereunder or in any way arising due to the transactions contemplated hereby (including Taxes and Other Charges assessed or levied by any public agency or governmental authority of whatsoever character having power to levy taxes or assessments) but excluding franchise taxes based upon the capital and/or income of the Funding Lender and taxes based upon or measured by the net income of the Funding Lender; provided, however, that the Borrower shall have the right to protest any such Taxes or Other Charges and to require the Funding Lender, at the Borrower's expense, to protest and contest any such Taxes or Other Charges levied upon them and that the Borrower shall have the right to withhold payment of any such Taxes or Other Charges pending disposition of any such protest or contest unless such withholding, protest or contest would adversely affect the rights or interests of the Funding Lender. This obligation shall remain valid and

in effect notwithstanding repayment of the Borrower Loan hereunder or termination of this Borrower Loan Agreement.

Section 5.3. Repairs; Maintenance and Compliance; Physical Condition. The Borrower shall cause the Project to be maintained in a good, habitable and safe (so as to not threaten the health or safety of the Project's tenants or their invited guests) condition and repair (reasonable wear and tear excepted) as set forth in the Security Instrument and shall not remove, demolish or materially alter the Improvements or Equipment (except for removal of aging or obsolete equipment or furnishings in the normal course of business), except as provided in the Security Instrument.

Section 5.4. Litigation. The Borrower shall give prompt Written Notice to the Governmental Lender, the Funding Lender and the Servicer of any litigation, governmental proceedings or claims or investigations regarding an alleged actual violation of a Legal Requirement pending or, to the Borrower's knowledge, threatened, in writing, against the Borrower which might materially adversely affect the Borrower's condition (financial or otherwise) or business or the Project.

Section 5.5. Performance of Other Agreements. The Borrower shall observe and perform in all material respects each and every term to be observed or performed by it pursuant to the terms of any agreement or instrument affecting or pertaining to the Project.

Section 5.6. Notices. The Borrower shall promptly advise the Governmental Lender, the Funding Lender and the Servicer of (i) any Material Adverse Change in the Borrower's financial condition, assets, properties or operations other than general changes in the real estate market, (ii) any fact or circumstance affecting the Borrower or the Project that materially and adversely affects the Borrower's ability to meet its obligations hereunder or under any of the other Borrower Loan Document to which it is a party in a timely manner, or (iii) the occurrence of any Potential Default or Event of Default of which the Borrower has knowledge. If the Borrower becomes subject to federal or state securities law filing requirements, the Borrower shall cause to be delivered to the Governmental Lender, the Funding Lender and the Servicer any Securities and Exchange Commission or other public filings, if any, of the Borrower within two (2) Business Days of such filing.

Section 5.7. Cooperate in Legal Proceedings. The Borrower shall cooperate fully with the Governmental Lender, the Funding Lender and the Servicer with respect to, and permit the Governmental Lender, the Funding Lender and the Servicer at their option and expense, to participate in, any proceedings before any Governmental Authority that may in any way affect the rights of the Governmental Lender, the Funding Lender and/or the Servicer under any Borrower Loan Document or Funding Loan Document.

Section 5.8. Further Assurances. The Borrower shall, at the Borrower's sole cost and expense (except as provided in Section 9.1 hereof), (i) furnish to the Servicer and the Funding Lender all instruments, documents, boundary surveys, footing or foundation surveys (to the extent that Borrower's construction or renovation of the Project alters any existing building foundations or footprints), certificates, plans and specifications, appraisals, title and other insurance reports and agreements relating to the Project, reasonably requested by the Servicer or the Funding Lender for the better and more efficient carrying out of the intents and purposes of the Borrower Loan Documents and the Funding Loan Documents; (ii) execute and deliver to the Servicer and the Funding Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the collateral at any time securing or intended to secure the Borrower Loan, as the Servicer and the Funding Lender may reasonably require from time to time; (iii) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of the Borrower Loan Documents and the Funding Loan Documents, as the Servicer or the Funding Lender shall reasonably require from time to time; provided, however, with respect to clauses (i)-

(iii) above, the Borrower shall not be required to do anything that has the effect of (A) changing the essential economic terms of the Borrower Loan or (B) imposing upon the Borrower greater duties or personal liability under the Borrower Loan Documents and the Funding Loan Documents; and (iv) upon the Servicer's or the Funding Lender's request therefor given from time to time after the occurrence of any Potential Default or Event of Default for so long as such Potential Default or Event of Default, as applicable, is continuing pay for (a) reports of UCC, federal tax lien, state tax lien, judgment and pending litigation searches with respect to the Borrower and (b) searches of title to the Project, each such search to be conducted by search firms reasonably designated by the Servicer or the Funding Lender in each of the locations reasonably designated by the Servicer or the Funding Lender.

Section 5.9. Delivery of Financial Information. After notice to the Borrower of a Secondary Market Disclosure Document, the Borrower shall, concurrently with any delivery to the Funding Lender or the Servicer, deliver copies of all financial information required under Article IX.

Section 5.10. Environmental Matters. So long as the Borrower owns or is in possession of the Project, the Borrower shall (a) keep the Project in compliance with all Hazardous Materials Laws (as defined in the Security Instrument), (b) promptly notify the Funding Lender and the Servicer if the Borrower shall become aware that any Hazardous Materials (as defined in the Security Instrument) are on or near the Project in violation of Hazardous Materials Laws, and (c) commence and thereafter diligently prosecute to completion all remedial work necessary with respect to the Project required under any Hazardous Material Laws, in each case as set forth in the Security Instrument or the Agreement of Environmental Indemnification.

Section 5.11. Governmental Lender's and Funding Lender's Fees. The Borrower covenants to pay the reasonable fees and expenses of the Governmental Lender (including the Ongoing Governmental Lender Fee) and the Funding Lender or any agents, attorneys, accountants, consultants selected by the Governmental Lender or the Funding Lender to act on its behalf in connection with this Borrower Loan Agreement and the other Borrower Loan Documents, the Regulatory Agreement and the Funding Loan Documents and any and all reasonable expenses incurred in connection with the making of the Borrower Loan or in connection with any litigation which may at any time be instituted involving the Borrower Loan, this Borrower Loan Agreement, the other Borrower Loan Documents, the Regulatory Agreement and the Funding Loan Documents or any of the other documents contemplated thereby, or in connection with the reasonable supervision or inspection of the Borrower, its properties, assets or operations or otherwise in connection with the administration of the foregoing. This obligation shall remain valid and in effect notwithstanding repayment of the Borrower Loan hereunder or termination of this Borrower Loan Agreement.

Section 5.12. Estoppel Statement. The Borrower shall furnish to the Funding Lender or the Servicer for the benefit of the Funding Lender or the Servicer within ten (10) days after request by the Funding Lender and the Servicer, with a statement, duly acknowledged and certified, setting forth (i) the unpaid principal of the Borrower Note, (ii) the applicable Interest Rate, (iii) the date installments of interest and/or principal were last paid, (iv) any offsets or defenses to the payment of the Borrower Payment Obligations, and (v) that the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party are valid, legal and binding obligations of the Borrower and have not been modified or, if modified, giving particulars of such modification, and no Event of Default exists thereunder or specify any Event of Default that does exist thereunder. The Borrower shall use commercially reasonable efforts to furnish to the Funding Lender or the Servicer, within 30 days of a request by the Funding Lender or Servicer, tenant estoppel certificates from each commercial tenant at the Project in form and substance reasonably satisfactory to the Funding Lender and the Servicer; provided that the Funding Lender and the Servicer shall not make such requests more frequently than twice in any year.

Section 5.13. Defense of Actions. The Borrower shall appear in and defend any action or proceeding purporting to affect the security for this Borrower Loan Agreement hereunder or under the Borrower Loan Documents and the Funding Loan Documents, and shall pay, in the manner required by Section 2.4 hereof, all costs and expenses, including the cost of evidence of title and attorneys' fees, in any such action or proceeding in which Funding Lender may appear. If the Borrower fails to perform any of the covenants or agreements contained in this Borrower Loan Agreement or any other Borrower Loan Document, or if any action or proceeding is commenced that is not diligently defended by the Borrower which affects the Funding Lender's interest in the Project or any part thereof, including eminent domain, code enforcement or proceedings of any nature whatsoever under any Federal or state law, whether now existing or hereafter enacted or amended, then the Funding Lender may make such appearances, disburse such sums and take such action as the Funding Lender deems necessary or appropriate to protect its interests. Such actions include disbursement of attorneys' fees, entry upon the Project to make repairs or take other action to protect the security of the Project, and payment, purchase, contest or compromise of any encumbrance, charge or lien which in the judgment of Funding Lender appears to be prior or superior to the Borrower Loan Documents or the Funding Loan Documents. The Funding Lender shall have no obligation to do any of the above. The Funding Lender may take any such action without notice to or demand upon the Borrower. No such action shall release the Borrower from any obligation under this Borrower Loan Agreement or any of the other Borrower Loan Documents or Funding Loan Documents. In the event (i) that the Security Instrument is foreclosed in whole or in part or that any Borrower Loan Document is put into the hands of an attorney for collection, suit, action or foreclosure, or (ii) of the foreclosure of any mortgage, deed of trust or deed to secure debt prior to or subsequent to the Security Instrument or any Borrower Loan Document in which proceeding the Funding Lender is made a party or (iii) of the bankruptcy of the Borrower or an assignment by the Borrower for the benefit of its creditors, the Borrower shall be chargeable with and agrees to pay all costs of collection and defense, including actual attorneys' fees in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, which shall be due and payable together with all required service or use taxes.

Section 5.14. Expenses. The Borrower shall pay all reasonable expenses incurred by the Governmental Lender, the Funding Lender and the Servicer (except as provided in Section 9.1 hereof) in connection with the Borrower Loan and the Funding Loan, including reasonable fees and expenses of the Governmental Lender's, the Funding Lender's and the Servicer's attorneys, environmental, engineering and other consultants, and fees, charges or taxes for the recording or filing of Borrower Loan Documents and the Funding Loan Documents. The Borrower shall pay or cause to be paid all reasonable expenses of the Governmental Lender, the Funding Lender and the Servicer (except as provided in Section 9.1 hereof) in connection with the issuance or administration of the Borrower Loan and the Funding Loan, including audit costs, inspection fees, settlement of condemnation and casualty awards, and premiums for title insurance and endorsements thereto. The Borrower shall, upon request, promptly reimburse the Governmental Lender, the Funding Lender and the Servicer for all reasonable amounts expended, advanced or incurred by the Governmental Lender, the Funding Lender and the Servicer to collect the Borrower Note, or to enforce the rights of the Governmental Lender, the Funding Lender and the Servicer under this Borrower Loan Agreement or any other Borrower Loan Document, or to defend or assert the rights and claims of the Governmental Lender, the Funding Lender and the Servicer under the Borrower Loan Documents and the Funding Loan Documents arising out of an Event of Default or with respect to the Project (by litigation or other proceedings) arising out of an Event of Default, which amounts will include all court costs, attorneys' fees and expenses, fees of auditors and accountants, and investigation expenses as may be reasonably incurred by the Governmental Lender, the Funding Lender and the Servicer in connection with any such matters (whether or not litigation is instituted), together with interest at the Default Rate on each such amount from the date of disbursement until the date of reimbursement to the Governmental Lender, the Funding Lender and the Servicer, all of which shall constitute part of the Borrower Loan and the Funding Loan and shall be secured by the Borrower Loan Documents and the Funding Loan Documents. The obligations and liabilities of the Borrower under this Section 5.14 shall

survive the Term of this Borrower Loan Agreement and the exercise by the Governmental Lender, the Funding Lender or the Servicer, as the case may be, of any of its rights or remedies under the Borrower Loan Documents and the Funding Loan Documents, including the acquisition of the Project by foreclosure or a conveyance in lieu of foreclosure. Notwithstanding the foregoing, the Borrower shall not be obligated to pay amounts incurred as a result of the gross negligence or willful misconduct of any other party, and any obligations of the Borrower to pay for environmental inspections or audits will be governed by Section 18(i) of the Security Instrument.

Section 5.15. Indemnity. In addition to its other obligations hereunder, and in addition to any and all rights of reimbursement, indemnification, subrogation and other rights of Governmental Lender or Funding Lender pursuant hereto and under law or equity, to the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, the Funding Lender, the Servicer, the Beneficiary Parties, Citigroup, Inc. and each of their respective officers, directors, employees, attorneys and agents (each an "Indemnified Party"), against any and all losses, damages, claims, actions, liabilities, reasonable costs and expenses of any nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement (to the extent that the Borrower has consented to such settlement) and amounts paid to discharge judgments) (hereinafter, the "Liabilities") to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise, to the extent arising out of or based upon or in any way relating to:

(a) The Borrower Loan Documents and the Funding Loan Documents or the execution or amendment thereof or in connection with transactions contemplated thereby, including the sale, transfer or resale of the Borrower Loan or the Funding Loan, except with respect to any Secondary Market Disclosure Document (other than any Borrower's obligations under Article IX);

(b) Any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Borrower Loan, the Funding Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, construction, installation or rehabilitation of, the Project or any part thereof;

(c) Any lien (other than a Permitted Lien) or charge upon payments by the Borrower to the Governmental Lender or the Funding Lender hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and Other Charges imposed on the Governmental Lender or the Funding Lender in respect of any portion of the Project;

(d) Any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof during the period in which the Borrower is in possession or control of the Project; provided that (i) Borrower shall have no obligation hereunder to indemnify any Indemnified Party for any liability under this Section 5.15(d) to the extent that the violation giving rise to such liability resulted solely from the gross negligence or willful misconduct of such Indemnified Party or breach or default of the lessor under the Ground Lease, and (ii) Borrower's liability under this Section 5.15(d) shall not extend to cover any such violations that first arise, commence or occur as a result of actions of the Indemnified Parties, their successors, assigns or designees, after the satisfaction, discharge, release, assignment, termination or cancellation of the Security Instrument following the payment in full of the Borrower Note or during any period that a receiver is operating the Project, and all other sums payable under the Borrower Loan Documents or after the actual dispossession from the entire Mortgaged Property of Borrower and all Borrower Affiliates or any Guarantor following foreclosure of the Security Instrument or acquisition of the Mortgaged Property by a deed in lieu of foreclosure;

(e) The enforcement of, or any action taken by the Governmental Lender or the Funding Lender related to remedies under, this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents;

(f) [Reserved];

(g) Any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower made in the course of Borrower applying for the Borrower Loan or the Funding Loan or contained in any of the Borrower Loan Documents or Funding Loan Documents to which the Borrower is a party;

(h) Any Determination of Taxability;

(i) Any breach (or alleged breach) by Borrower of any representation, warranty or covenant made in or pursuant to this Borrower Loan Agreement or in connection with any written or oral representation, presentation, report, appraisal or other information given or delivered by Borrower, General Partner, Guarantor or Borrower Affiliates to Governmental Lender, the Funding Lender, Servicer or any other Person in connection with Borrower's application for the Borrower Loan and the Funding Loan (including, without limitation, any breach or alleged breach by Borrower of any agreement with respect to the provision of any substitute credit enhancement);

(j) any failure (or alleged failure) by Borrower, the Funding Lender or Governmental Lender to comply with applicable federal and state laws and regulations pertaining to the making of the Borrower Loan and the Funding Loan;

(k) the Project, or the condition, occupancy, use, possession, conduct or management of, or work done in or about, or from the planning, design, acquisition, installation, construction or rehabilitation of, the Project or any part thereof; or

(l) the use of the proceeds of the Borrower Loan and the Funding Loan,

except in the case of the foregoing indemnification of the Governmental Lender, the Funding Lender or the Servicer or any related Indemnified Party, to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party.

Without limiting the foregoing, to the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, and each of its officers, officials, directors, employees, attorneys and agents ("City Indemnified Parties") against any Liability to which the City Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise and to the extent arising out of or based upon or in any way relating to any declaration of taxability of interest on the Funding Loan or allegations (or regulatory inquiry) that interest on the Funding Loan is taxable for federal income tax purposes, except to the extent such damages are caused by the gross negligence or willful misconduct of a City Indemnified Party.

Notwithstanding anything herein to the contrary, the Borrower's indemnification obligations to the parties specified in Section 9.1.4 hereof with respect to any securitization or Secondary Market Transaction described in Article IX hereof shall be limited to the indemnity set forth in Section 9.1.4 hereof. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party (which notice shall be timely given so as not to materially impair the Borrower's right to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably approved by the

Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement, which approval shall not be unreasonably withheld. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof; provided, however, the Governmental Lender shall have the absolute right to employ separate counsel at the expense of the Borrower. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if and only if in such Indemnified Party's good faith judgment (based on the advice of counsel) a conflict of interest exists or could arise by reason of common representation, except that the Borrower shall always pay the reasonable fees and expenses of the Governmental Lender's separate counsel.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Borrower Loan Agreement or the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 5.15 if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless the Governmental Lender and the Funding Lender have consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

The rights of any persons to indemnity and the right to payment of fees and reimbursement of expenses hereunder shall survive the final payment or defeasance of the Borrower Loan and the Funding Loan and in the case of the Servicer, any resignation or removal. The provisions of this Section 5.15 shall survive the termination of this Borrower Loan Agreement.

Nothing in this Section 5.15 shall in any way limit the Borrower's indemnification and other payment obligations set forth in the Regulatory Agreement.

Section 5.16. No Warranty of Condition or Suitability by the Governmental Lender or Funding Lender. Neither the Governmental Lender nor the Funding Lender makes any warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Borrower's purposes or needs.

Section 5.17. Right of Access to the Project. The Borrower agrees that the Governmental Lender, the Funding Lender, the Servicer and the Construction Consultant, and their duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right, but no obligation at all reasonable times during business hours and upon reasonable notice, to enter onto the Land (a) to examine, test and inspect the Project without material interference or prejudice to the Borrower's operations and (b) to perform such work in and about the Project made necessary by reason of the Borrower's default under any of the provisions of this Borrower Loan Agreement. The Governmental Lender, the Funding Lender, the Servicer, and their duly authorized agents, attorneys, accountants and representatives shall also be permitted, without any obligation to do so, at all reasonable times and upon reasonable notice during business hours, to examine the books and records of the Borrower with respect to the Project.

Section 5.18. Notice of Default. The Borrower will provide the Governmental Lender, the Funding Lender and the Servicer as soon as possible, and in any event not later than five (5) Business Days after the occurrence of any Potential Default or Event of Default with a statement of an Authorized Borrower Representative describing the details of such Potential Default or Event of Default and any curative action Borrower proposes to take.

Section 5.19. Covenant with Governmental Lender and Funding Lender. The Borrower agrees that this Borrower Loan Agreement is executed and delivered in part to induce the purchase by others

of the Governmental Lender Note and, accordingly, all covenants and agreements of the Borrower contained in this Borrower Loan Agreement are hereby declared to be for the benefit of the Governmental Lender, the Funding Lender and any lawful owner, holder or pledgee of the Borrower Note or the Governmental Lender Note from time to time.

Section 5.20. Obligation of the Borrower to Construct or Rehabilitate the Project. The Borrower shall proceed with reasonable dispatch to construct or rehabilitate, as appropriate, and equip the Project. If the proceeds of the Borrower Loan, together with the Other Borrower Moneys, available to be disbursed to the Borrower are not sufficient to pay the costs of such construction or rehabilitation, as appropriate, and equipping, the Borrower shall pay such additional costs from its own funds. The Borrower shall not be entitled to any reimbursement from the Governmental Lender, the Funding Lender or the Servicer in respect of any such costs or to any diminution or abatement in the repayment of the Borrower Loan. The Governmental Lender and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed or if the proceeds of the Borrower Loan are insufficient to pay all costs of the Project. The Governmental Lender and the Funding Lender do not make any representation or warranty, either express or implied, that moneys, if any, which will be made available to the Borrower will be sufficient to complete the Project, and the Governmental Lender and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed.

The Borrower acknowledges and agrees that it has full responsibility to comply with all applicable law in connection with the Project, including but not limited to, all requirements of the Building Code of the City of Chicago (the "Building Code"). The Borrower expressly acknowledges that the Governmental Lender has not waived any applicable requirements of the Building Code or any other legal requirements with respect to the Project.

Section 5.21. Maintenance of Insurance. Borrower will maintain the insurance required by the Security Instrument.

Section 5.22. Information; Statements and Reports. Borrower shall furnish or cause to be furnished to Funding Lender:

(a) Financial Statements; Rent Rolls. In the manner and to the extent required under the Security Instrument, such financial statements, expenses statements, rent rolls, reports and other financial documents and information as required by the Security Instrument and the other Borrower Loan Documents and Funding Loan Documents, in the form and within the time periods required therein;

(b) General Partner. If applicable and as soon as available and in any event within one hundred twenty (120) days after the end of each fiscal year of General Partner, copies of any financial statements of General Partner as of such date, prepared in substantially the form previously delivered to the Governmental Lender and Funding Lender and in a manner consistent therewith, or in such form (which may include a form prepared in accordance with GAAP) as Funding Lender may reasonably request;

(c) Leasing Reports. Prior to the Conversion Date, on a monthly basis (and in any event within fifteen (15) days after the end of each Calendar Month), a report of all efforts made by Borrower, if any, to lease all or any portion of the Project during such Calendar Month and on a cumulative basis since Project inception, which report shall be prepared and delivered by Borrower, shall be in form and substance satisfactory to Funding Lender, and shall, if requested by Funding Lender, be supported by copies of letters of intent, leases or occupancy agreements, as applicable;

(d) Audit Reports. Promptly upon receipt thereof, copies of all reports, if any, submitted to Borrower by independent public accountants in connection with each annual, interim or special audit of the

financial statements of Borrower made by such accountants, including the comment letter submitted by such accountants to management in connection with their annual audit;

(e) Notices; Certificates or Communications. Immediately upon giving or receipt thereof, copies of any notices, certificates or other communications delivered at the Project or to Borrower or General Partner naming Governmental Lender or Funding Lender as addressee or which could reasonably be deemed to affect the structural integrity of the Project or the ability of Borrower to perform its obligations under the Borrower Loan Documents and the Funding Loan Documents;

(f) Certification of Non-Foreign Status. Promptly upon request of Funding Lender from time to time, a Certification of Non-Foreign Status, executed on or after the date of such request by Funding Lender;

(g) Compliance Certificates. Together with each of the documents required pursuant to Section 5.22(a) hereof submitted by or on behalf of Borrower, a statement, in form and substance satisfactory to Funding Lender and certified by an Authorized Borrower Representative, to the effect that Borrower is in compliance with all covenants, terms and conditions applicable to Borrower, under or pursuant to the Borrower Loan Documents and the Funding Loan Documents and under or pursuant to any other Debt owing by Borrower to any Person, and disclosing any noncompliance therewith, and any Event of Default or Potential Default, and describing the status of Borrower's actions to correct such noncompliance, Event of Default or Potential Default, as applicable; and

(h) Other Items and Information. Such other information concerning the assets, business, financial condition, operations, property, prospects and results of operations of Borrower, General Partner, Guarantor or the Project, as Funding Lender or Governmental Lender reasonably requests from time to time.

Section 5.23. Additional Notices. Borrower will, promptly after becoming aware thereof, give notice to Funding Lender and the Governmental Lender of:

(a) any Lien affecting the Project, or any part thereof, other than Liens expressly permitted under this Borrower Loan Agreement;

(b) any Legal Action which is instituted by or against Borrower, General Partner or Guarantor, or any Legal Action which is threatened against Borrower, General Partner or Guarantor which, in any case, if adversely determined, could have a material adverse effect upon the business, operations, properties, prospects, assets, management, ownership or condition (financial or otherwise) of Borrower, General Partner, Guarantor or the Project;

(c) any Legal Action which constitutes an Event of Default or a Potential Default or a default under any other Contractual Obligation to which Borrower, General Partner or Guarantor is a party or by or to which Borrower, General Partner or Guarantor, or any of their respective properties or assets, may be bound or subject, which default would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower, General Partner or Guarantor, as applicable;

(d) any default, alleged default or potential default on the part of Borrower under any of the CC&R's (together with a copy of each notice of default, alleged default or potential default received from any other party thereto);

(e) any notice of default, alleged default or potential default on the part of Borrower received from any tenant or occupant of the Project under or relating to its lease or occupancy agreement (together with a copy of any such notice), if, in the aggregate, notices from at least fifteen percent (15%) of the tenants at the Project have been received by Borrower with respect to, or alleging, the same default, alleged default or potential default;

(f) any change or contemplated change in (i) the location of Borrower's or General Partner's executive headquarters or principal place of business; (ii) the legal, trade, or fictitious business names used by Borrower or General Partner; or (iii) the nature of the trade or business of Borrower; and

(g) any default, alleged default or potential default on the part of any general or limited partner (including, without limitation, General Partner and the Equity Investor) under the Partnership Agreement.

Section 5.24. Compliance with Other Agreements; Legal Requirements.

(a) Borrower shall timely perform and comply with, and shall cause General Partner to timely perform and comply with the covenants, agreements, obligations and restrictions imposed on them under the Partnership Agreement, and Borrower shall not do or permit to be done anything to impair any such party's rights or interests under any of the foregoing.

(b) Borrower will comply and, to the extent it is able, will require others to comply with, all Legal Requirements of all Governmental Authorities having jurisdiction over the Project or construction and/or rehabilitation of the Improvements, and will furnish Funding Lender with reports of any official searches for or notices of violation of any requirements established by such Governmental Authorities. Borrower will comply and, to the extent it is able, will require its agents to comply, with applicable CC&R's and all restrictive covenants and all obligations created by private contracts and leases which affect ownership, construction, rehabilitation, equipping, fixturing, use or operation of the Project, and all other agreements requiring a certain percentage of the Units to be rented to persons of low or moderate income. The Improvements, when completed, shall comply with all applicable building, zoning and other Legal Requirements, and will not violate any restrictions of record against the Project or the terms of any other lease of all or any portion of the Project. Funding Lender shall at all times have the right to audit, at Borrower's expense, Borrower's compliance with any agreement requiring a certain percentage of the Units to be rented to persons of low or moderate income, and Borrower shall supply all such information with respect thereto as Funding Lender may request and otherwise cooperate with Funding Lender in any such audit. Without limiting the generality of the foregoing, Borrower shall properly obtain, comply with and keep in effect (and promptly deliver copies to Funding Lender of) all permits, licenses and approvals which are required to be obtained from Governmental Authorities in order to construct, occupy, operate, market and lease the Project.

Section 5.25. Completion and Maintenance of Project. Borrower shall cause the construction or rehabilitation, as the case may be, of the Improvements, to be prosecuted with diligence and continuity and completed substantially in accordance with the Plans and Specifications, and in accordance with the Construction Funding Agreement, free and clear of any liens or claims for liens (but without prejudice to Borrower's rights of contest under Section 10.16 hereof) ("Completion") on or before the Completion Date. Borrower shall thereafter maintain the Project as a residential apartment complex (with additional commercial space) in good order and condition, ordinary wear and tear excepted. A maintenance program shall be in place at all times to assure the continuation of first class maintenance.

Section 5.26. Fixtures. Borrower shall deliver to Funding Lender, on demand, any contracts, bills of sale, statements, receipted vouchers or agreements under which Borrower or any other Person claims title to any materials, fixtures or articles incorporated into the Improvements.

Section 5.27. Income from Project. Borrower shall first apply all Gross Income to Expenses of the Project, including all amounts then required to be paid under the Borrower Loan Documents and the Funding Loan Documents and the funding of all sums necessary to meet the Replacement Reserve Fund Requirement, before using or applying such Gross Income for any other purpose. Prior to the Conversion Date, with the exception of asset management fees, tax credit adjustment amounts and payments of deferred developer fees payable pursuant to the Partnership Agreement, Borrower shall not make or permit any distributions or other payments of Net Operating Income to its partners, shareholders or members, as applicable, in each case, without the prior Written Consent of Funding Lender unless such distribution or other payment is made in accordance with the terms of the Partnership Agreement. For the avoidance of doubt, prior to Conversion, Gross Income may be applied to construction period interest and other construction costs.

Section 5.28. Leases and Occupancy Agreements.

(a) Lease Approval.

(i) Borrower and Master Tenant may enter into leases of space within the Improvements (and amendments to such leases) in the ordinary course of business with bona fide third party tenants without Funding Lender's prior Written Consent if:

(A) The lease is a Permitted Lease;

(B) Borrower, acting in good faith following the exercise of due diligence, has determined that the tenant meets requirements imposed under any applicable CC&R and is financially capable of performing all of its obligations under the lease; and

(C) The lease conforms to the Rent Schedule attached as an exhibit to the Construction Funding Agreement and reflects an arm's-length transaction, subject to the requirement that the Borrower comply with any applicable CC&R.

(ii) If any Event of Default has occurred and is continuing, Funding Lender may make written demand on Borrower to submit all future leases for Funding Lender's approval prior to execution. Borrower shall comply with any such demand by Funding Lender.

(iii) No approval of any lease by Funding Lender shall be for any purpose other than to protect Funding Lender's security for the Borrower Loan and to preserve Funding Lender's rights under the Borrower Loan Documents and the Funding Loan Documents. No approval by Funding Lender shall result in a waiver of any default of Borrower. In no event shall any approval by Funding Lender of a lease be a representation of any kind with regard to the lease or its enforceability, or the financial capacity of any tenant or guarantor.

(b) Landlord's Obligations. Borrower shall perform all obligations required to be performed by it as landlord under any lease affecting any part of the Project or any space within the Improvements.

(c) Leasing and Marketing Agreements. Except as may be contemplated in the Management Agreement with Borrower's Manager, Borrower shall not without the approval of Funding Lender enter into any leasing or marketing agreement and Funding Lender reserves the right to approve the qualifications of any marketing or leasing agent.

Section 5.29. Project Agreements and Licenses. To the extent not heretofore delivered to Funding Lender, Borrower will furnish to Funding Lender, as soon as available, true and correct copies of

all Project Agreements and Licenses and the Plans and Specifications, together with assignments thereof to Funding Lender and consents to such assignments where required by Funding Lender, all in form and substance acceptable to Funding Lender. Except for the Subordinate Debt contemplated herein made on a subordinate basis, neither Borrower nor General Partner will assign or grant, a security interest in any of the Project Agreements and Licenses, other than to Funding Lender.

Section 5.30. Payment of Debt Payments. In addition to its obligations under the Borrower Note, Borrower will (i) duly and punctually pay or cause to be paid all principal of and interest on any Debt of Borrower as and when the same become due on or before the due date; (ii) comply with and perform all conditions, terms and obligations of other instruments or agreements evidencing or securing such Debt; (iii) promptly inform Funding Lender of any default, or anticipated default, under any such note, agreement, instrument; and (iv) forward to Funding Lender a copy of any notice of default or notice of any event that might result in default under any such note, agreement, instrument, including Liens encumbering the Project, or any portion thereof, which have been subordinated to the Security Instrument (regardless of whether or not permitted under this Borrower Loan Agreement).

Section 5.31. ERISA. Borrower will comply, and will cause each of its ERISA Affiliates to comply, in all respects with the provisions of ERISA, to the extent applicable.

Section 5.32. Patriot Act Compliance. Borrower shall use its good faith and commercially reasonable efforts to comply with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over Borrower and/or the Project, including those relating to money laundering and terrorism. Funding Lender shall have the right to audit Borrower's compliance with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over Borrower and/or the Project, including those relating to money laundering and terrorism. In the event that Borrower fails to comply with the Patriot Act or any such requirements of Governmental Authorities, then Funding Lender may, at its option, cause Borrower to comply therewith and any and all costs and expenses incurred by Funding Lender in connection therewith shall be secured by the Security Instrument and shall be immediately due and payable.

Borrower covenants that it shall comply with all Legal Requirements and internal requirements of Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect. Without limiting the foregoing, Borrower shall not take any action, or permit any action to be taken, that would cause Borrower's representations and warranties in Section 4.1.48 and this Section 5.32 to become untrue or inaccurate at any time during the term of the Funding Loan. Upon any Beneficiary Party's request from time to time during the term of the Funding Loan, Borrower shall certify in writing to such Beneficiary Party that Borrower's representations, warranties and obligations under Section 4.1.48 and this Section 5.32 remain true and correct and have not been breached, and in addition, upon request of any Beneficiary Party, Borrower covenants to provide all information required to satisfy obligations under all Legal Requirements and internal requirements of Funding Lender relating to money laundering, anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect, during the term of the Funding Loan. Borrower shall immediately notify the Funding Lender in writing of (a) Borrower's actual knowledge that any of such representations, warranties or covenants are no longer true and have been breached, (b) Borrower has a reasonable basis to believe that they may no longer be true and have been breached or (c) Borrower becomes the subject of an investigation by Governmental Authorities related to money laundering, anti-terrorism, trade embargos and economic sanctions. Borrower shall also reimburse Funding Lender for any expense incurred by Funding Lender in evaluating the effect of an investigation by Governmental Authorities on the Funding Loan and Funding Lender's interest in the collateral for the Funding Loan, in obtaining necessary license from Governmental Authorities as may be necessary for Funding Lender to enforce its rights under the Funding Loan Documents, and in complying with all Legal Requirements and internal requirements of Funding Lender relating to money laundering,

anti-terrorism, trade embargos and economic sanctions, now or hereafter in effect applicable to Funding Lender as a result of the existence of such an event and for any penalties or fines imposed upon Funding Lender as a result thereof.

Section 5.33. Funds from Equity Investor. Borrower shall use its best efforts to cause the Equity Investor to fund all installments of the Equity Contributions in the amounts and at the times subject and according to the terms of the Partnership Agreement.

Section 5.34. Tax Covenants. The Borrower further represents, warrants and covenants as follows:

(a) General. The Borrower shall not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the exclusion of interest on the Governmental Lender Note from gross income (as defined in Section 61 of the Code), for federal income tax purposes and, if it should take or permit any such action, the Borrower will take all lawful actions that it can take to rescind such action promptly upon having knowledge thereof and that the Borrower will take such action or actions, including amendment of this Borrower Loan Agreement, the Security Instrument and the Regulatory Agreement, as may be necessary, in the opinion of Tax Counsel, to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service applicable to the Governmental Lender Note, the Funding Loan or affecting the Project. Capitalized terms used in this Section 5.34 shall have the respective meanings assigned to them in the Regulatory Agreement or, if not defined therein, in the Funding Loan Agreement. With the intent not to limit the generality of the foregoing, the Borrower covenants and agrees that, prior to the final maturity of the Governmental Lender Note, unless it has received and filed with the Governmental Lender and the Funding Lender a Tax Counsel No Adverse Effect Opinion (other than with respect to interest on any portion of the Governmental Lender Note for a period during which such portion of the Governmental Lender Note is held by a "substantial user" of any facility financed with the proceeds of the Governmental Lender Note or a "related person," as such terms are used in Section 147(a) of the Code), the Borrower will comply with this Section 5.34.

(b) Use of Proceeds. The use of the net proceeds of the Funding Loan at all times will satisfy the following requirements:

(i) Limitation on Net Proceeds. At least 95% of the net proceeds of the Funding Loan (within the meaning of the Code) actually expended shall be used to pay Qualified Project Costs that are costs of a "qualified residential rental project" (within the meaning of Sections 142(a)(7) and 142(d) of the Code) and property that is "functionally related and subordinate" thereto (within the meaning of Sections 1.103-8(a)(3) and 1.103-8(b)(4)(iii) of the Regulations).

(ii) Limit on Costs of Funding. The proceeds of the Funding Loan will be expended for the purposes set forth in this Borrower Loan Agreement and in the Funding Loan Agreement and no portion thereof in excess of two percent of the proceeds of the Funding Loan, within the meaning of Section 147(g) of the Code, will be expended to pay Costs of Funding of the Funding Loan.

(iii) Prohibited Facilities. The Borrower shall not use or permit the use of any proceeds of the Funding Loan or any income from the investment thereof to provide any airplane, skybox, or other private luxury box, health club facility, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(iv) Limitation on Land. Less than 25 percent of the net proceeds of the Funding Loan actually expended will be used, directly or indirectly, for the acquisition of land or an interest therein, nor will any portion of the net-proceeds of the Funding Loan be used, directly or indirectly, for the acquisition of land or an interest therein to be used for farming purposes.

(v) Limitation on Existing Facilities. No portion of the net proceeds of the Funding Loan will be used for the acquisition of any existing property or an interest therein unless (A) the first use of such property is pursuant to such acquisition or (B) the rehabilitation expenditures with respect to any building and the equipment therefor equal or exceed 15 percent of the cost of acquiring such building financed with the proceeds of the Funding Loan (with respect to structures other than buildings, this clause shall be applied by substituting 100 percent for 15 percent). For purposes of the preceding sentence, the term "rehabilitation expenditures" shall have the meaning set forth in Section 147(d)(3) of the Code.

(vi) Accuracy of Information. The information furnished by the Borrower and used by the Governmental Lender in preparing its certifications with respect to Section 148 of the Code and the Borrower's information statement pursuant to Section 149(e) of the Code is accurate and complete as of the date of origination of the Funding Loan.

(vii) Limitation of Project Expenditures. The acquisition, construction and equipping of the Project were not commenced (within the meaning of Section 144(a) of the Code) prior to the 60th day preceding the adoption of the ordinance of the Governmental Lender with respect to the Project on October 30, 2024, and no obligation for which reimbursement will be sought from proceeds of the Funding Loan relating to the acquisition, construction or equipping of the Project was paid or incurred prior to 60 days prior to such date, except for permissible "preliminary expenditures", which include architectural, engineering surveying, soil testing, reimbursement bond issuance and similar costs incurred prior to the commencement of construction, rehabilitation or acquisition of the Project.

(viii) Qualified Costs. The Borrower hereby represents, covenants and warrants that the proceeds of the Funding Loan shall be used or deemed used exclusively to pay costs which are (A) capital expenditures (as defined in Section 1.150-1(a) of the Code's regulations) and (B) not made for the acquisition of existing property, to the extent prohibited in Section 147(d) of the Code and that for the greatest number of buildings the proceeds of the Funding Loan shall be deemed allocated on a pro rata basis to each building in the Project and the land on which it is located so that each building and the land on which it is located will have been financed twenty-five percent (25%) or more by the proceeds of the Funding Loan for the purpose of complying with Section 42(h)(4)(B) of the Code; provided however, the foregoing representation, covenant and warranty is made for the benefit of the Borrower and its partners and neither the Funding Lender nor the Governmental Lender shall have any obligation to enforce this statement nor shall they incur any liability to any person, including without limitation, the Borrower, the partners of the Borrower, any other affiliate of the Borrower or the holders or payees of the Funding Loan and the Borrower Note for any failure to meet the intent expressed in the foregoing representation, covenant and warranty; and provided further, failure to comply with this representation, covenant and warranty shall not constitute a default or event of default under this Borrower Loan Agreement or the Funding Loan Agreement.

(c) Limitation on Maturity. The average maturity of the Governmental Lender Note does not exceed 120 percent of the average reasonably expected economic life of the Project to be financed by the Funding Loan, weighted in proportion to the respective cost of each item comprising the property the cost of which has been or will be financed, directly or indirectly, with the Net Proceeds of the Funding Loan.

For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (A) the Closing Date for the Funding Loan or (B) the date on which such property is placed in service (or expected to be placed in service). In addition, land shall not be taken into account in determining the reasonably expected economic life of property.

(d) No Arbitrage. The Borrower shall not take any action or omit to take any action with respect to the Gross Proceeds of the Funding Loan or of any amounts expected to be used to pay the principal thereof or the interest thereon which, if taken or omitted, respectively, would cause the Governmental Lender Note to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code. Except as provided in the Funding Loan Agreement and this Borrower Loan Agreement, the Borrower shall not pledge or otherwise encumber, or permit the pledge or encumbrance of, any money, investment, or investment property as security for payment of any amounts due under this Borrower Loan Agreement or the Borrower Note relating to the Funding Loan, shall not establish any segregated reserve or similar fund for such purpose and shall not prepay any such amounts in advance of the redemption date of an equal principal amount of the Funding Loan, unless the Borrower has obtained in each case a Tax Counsel No Adverse Effect Opinion with respect to such action, a copy of which shall be provided to the Governmental Lender and the Funding Lender. The Borrower shall not, at any time prior to the final maturity of the Funding Loan, invest or cause any Gross Proceeds to be invested in any investment (or to use Gross Proceeds to replace money so invested), if, as a result of such investment the Yield of all investments acquired with Gross Proceeds (or with money replaced thereby) on or prior to the date of such investment exceeds the Yield of the Funding Loan to the Maturity Date, except as permitted by Section 148 of the Code and Regulations thereunder or as provided in the Regulatory Agreement. The Borrower further covenants and agrees that it will comply with all applicable requirements of said Section 148 and the rules and Regulations thereunder relating to the Funding Loan and the interest thereon, including the employment of a Rebate Analyst acceptable to the Governmental Lender and Funding Lender at all times from and after the Funding Date for the calculation of rebatable amounts to the United States Treasury Department. The Borrower agrees that it will cause the Rebate Analyst to calculate the rebatable amounts not later than forty-five days after the fifth anniversary of the Delivery Date of the Bonds and each five years thereafter and not later than forty-five days after the final Computation Date and agrees that the Borrower will pay all costs associated therewith. The Borrower agrees to provide evidence of the employment of the Rebate Analyst satisfactory to the Governmental Lender and Funding Lender.

(e) No Federal Guarantee. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the Borrower shall not take or omit to take any action which would cause the Governmental Lender Note to be "federally guaranteed" within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(f) Representations. The Borrower has supplied or caused to be supplied to Tax Counsel all documents, instruments and written information requested by Tax Counsel, and all such documents, instruments and written information supplied by or on behalf of the Borrower at the request of Tax Counsel, which have been reasonably relied upon by Tax Counsel in rendering its opinion with respect to the exclusion from gross income of the interest on the Governmental Lender Note for federal income tax purposes, are true and correct in all material respects, do not contain any untrue statement of a material fact and do not omit to state any material fact necessary to be stated therein in order to make the information provided therein, in light of the circumstances under which such information was provided, not misleading, and the Borrower is not aware of any other pertinent information which Tax Counsel has not requested.

(g) Qualified Residential Rental Project. The Borrower hereby covenants and agrees that the Project will be operated as a "qualified residential rental project" within the meaning of Section 142(d) of the Code, on a continuous basis during the longer of the Qualified Project Period (as defined in the Regulatory Agreement) or any period during which any portion of the Governmental Lender Note remains

outstanding, to the end that the interest on the Governmental Lender Note shall be excluded from gross income for federal income tax purposes. The Borrower hereby covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(h) Information Reporting Requirements. The Borrower will comply with the information reporting requirements of Section 149(e)(2) of the Code requiring certain information regarding the Governmental Lender Note to be filed with the Internal Revenue Service within prescribed time limits.

(i) Funding Loan Not a Hedge Bond. The Borrower covenants and agrees that not more than 50% of the proceeds of the Funding Loan will be invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more within the meaning of Section 149(g)(3)(A)(ii) of the Code, and the Borrower reasonably expects that at least 85% of the spendable proceeds of the Funding Loan will be used to carry out the governmental purposes of the Funding Loan within the three-year period beginning on the Closing Date.

(j) Termination of Restrictions. Although the parties hereto recognize that, subject to the provisions of the Regulatory Agreement, the provisions of this Borrower Loan Agreement shall terminate in accordance with Section 10.14 hereof, the parties hereto recognize that pursuant to the Regulatory Agreement, certain requirements, including the requirements incorporated by reference in this Section, may continue in effect beyond the term hereof.

(k) Public Approval. The Borrower covenants and agrees that the proceeds of the Funding Loan will not be used in a manner that deviates in any substantial degree from the Project described in the written notice of a public hearing regarding the Funding Loan.

(l) 40/60 Test Election. The Borrower and the Governmental Lender hereby elect to apply the requirements of Section 142(d)(1)(B) to the Project. The Borrower hereby represents, covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(m) Modification of Tax Covenants. Subsequent to the origination of the Funding Loan and prior to its payment in full (or provision for the payment thereof having been made in accordance with the provisions of the Funding Loan Agreement), this Section 5.34 hereof may not be amended, changed, modified, altered or terminated except as permitted herein and by the Funding Loan Agreement and with the Written Consent of the Governmental Lender and the Funding Lender. Anything contained in this Borrower Loan Agreement or the Funding Loan Agreement to the contrary notwithstanding, the Governmental Lender, the Funding Lender and the Borrower hereby agree to amend this Borrower Loan Agreement and, if appropriate, the Funding Loan Agreement and the Regulatory Agreement, to the extent required, in the opinion of Tax Counsel, in order for interest on the Governmental Lender Note to remain excludable from gross income for federal income tax purposes. The party requesting such amendment, which may include the Funding Lender, shall notify the other parties to this Borrower Loan Agreement of the proposed amendment and send a copy of such requested amendment to Tax Counsel. After review of such proposed amendment, Tax Counsel shall render to the Funding Lender and the Governmental Lender an opinion as to the effect of such proposed amendment upon the includability of interest on the Governmental Lender Note in the gross income of the recipient thereof for federal income tax purposes. The Borrower shall pay all necessary fees and expenses incurred with respect to such amendment. The Borrower, the Governmental Lender and, where applicable, the Funding Lender per written instructions from the Governmental Lender shall execute, deliver and, if applicable, the Borrower shall file of record, any and all documents and instruments, including without limitation, an amendment to the Regulatory Agreement, with a file-stamped copy to the Funding Lender, necessary to effectuate the intent of this Section 5.34, and the Borrower and the Governmental Lender hereby appoint the Funding Lender as their

true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Governmental Lender, as is applicable, any such document or instrument (in such form as may be approved by and upon instruction of Tax Counsel) if either the Borrower or the Governmental Lender defaults in the performance of its obligation under this Section 5.34; provided, however, that the Funding Lender shall take no action under this Section 5.34 without first notifying the Borrower or the Governmental Lender, as is applicable, of its intention to take such action and providing the Borrower or the Governmental Lender, as is applicable, a reasonable opportunity to comply with the requirements of this Section 5.34.

The Borrower irrevocably authorizes and directs the Funding Lender and any other agent designated by the Governmental Lender to make payment of such amounts from funds of the Borrower, if any, held by the Funding Lender, or any agent of the Governmental Lender or the Funding Lender. The Borrower further covenants and agrees that, pursuant to the requirements of Treasury Regulation Section 1.148-1(b), it (or any related person contemplated by such regulations) will not purchase interests in the Funding Loan in an amount related to the amount of the Borrower Loan.

Section 5.35. Payment of Rebate.

(a) Arbitrage Rebate. The Borrower agrees to take all steps necessary to compute and pay any rebatable arbitrage relating to the Funding Loan or the Governmental Lender Note in accordance with Section 148(f) of the Code including:

(i) Delivery of Documents and Money on Computation Dates. The Borrower will deliver to the Servicer, within 55 days after each Computation Date:

(A) a statement, signed by the Borrower, stating the Rebate Amount as of such Computation Date;

(B) if such Computation Date is an Installment Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to at least 90% of the Rebate Amount as of such Installment Computation Date, less the future value of any "previous rebate payments" made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations), or (2) if such Computation Date is the final Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to the Rebate Amount as of such final Computation Date, less the future value of any "previous rebate payments" made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations); and

(C) an Internal Revenue Service Form 8038-T properly signed and completed as of such Computation Date.

(ii) Correction of Underpayments. If the Borrower shall discover or be notified as of any date that any payment paid to the United States Treasury pursuant to this Section 5.35 of an amount described in Section 5.35(a)(i)(A) or (B) above shall have failed to satisfy any requirement of Section 1.148-3 of the Regulations (whether or not such failure shall be due to any default by the Borrower, the Governmental Lender or the Funding Lender), the Borrower shall (1) pay to the Servicer (for deposit to the Rebate Fund) and cause the Servicer to pay to the United States Treasury from the Rebate Fund the underpayment of the Rebate Amount, together with any penalty and/or interest due, as specified in Section 1.148-3(h) of the Regulations, within 175 days after any discovery or notice and (2) deliver to the Servicer an Internal Revenue Service Form 8038-T completed as of such date. If such underpayment of the Rebate Amount, together with any penalty

and/or interest due, is not paid to the United States Treasury in the amount and manner and by the time specified in the Regulations, the Borrower shall take such steps as are necessary to prevent the Governmental Lender Note from becoming an arbitrage bond within the meaning of Section 148 of the Code.

(iii) Records. The Borrower shall retain all of its accounting records relating to the funds established under this Borrower Loan Agreement and all calculations made in preparing the statements described in this Section 5.35 for at least six years after the later of the final maturity of the Governmental Lender Note or the date the Funding Loan is retired in full.

(iv) Costs. The Borrower agrees to pay all of the fees and expenses of a nationally recognized Tax Counsel, the Rebate Analyst a certified public accountant and any other necessary consultant employed by the Borrower or the Funding Lender in connection with computing the Rebate Amount.

(v) No Diversion of Rebatable Arbitrage. The Borrower will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the Gross Proceeds of the Funding Loan which is not purchased at Fair Market Value or includes terms that the Borrower would not have included if the Funding Loan were not subject to Section 148(f) of the Code.

(vi) Modification of Requirements. If at any time during the term of this Borrower Loan Agreement, the Governmental Lender, the Funding Lender or the Borrower desires to take any action which would otherwise be prohibited by the terms of this Section 5.35, such Person shall be permitted to take such action if it shall first obtain and provide to the other Persons named herein a Tax Counsel No Adverse Effect Opinion with respect to such action.

(b) Rebate Fund. The Servicer shall establish and hold a separate fund designated as the "Rebate Fund." The Servicer shall deposit or transfer to the credit of the Rebate Fund each amount delivered to the Servicer by the Borrower for deposit thereto and each amount directed by the Borrower to be transferred thereto.

(c) Within 15 days after each receipt or transfer of funds to the Rebate Fund, the Servicer shall withdraw from the Rebate Fund and pay to the United States of America the entire balance of the Rebate Fund.

(d) All payments to the United States of America pursuant to this Section 5.35 shall be made by the Servicer for the account and in the name of the Governmental Lender and shall be paid through the United States Mail (return receipt requested or overnight delivery), addressed to the appropriate Internal Revenue Service Center and accompanied by the appropriate Internal Revenue Service forms (such forms to be provided to the Servicer by the Borrower or the Rebate Analyst as set forth in this Section 5.35).

(e) The Borrower shall preserve all statements, forms and explanations received delivered pursuant this Section 5.35 and all records of transactions in the Rebate Fund until six years after the retirement of the Funding Loan.

(f) Moneys and securities held in the Rebate Fund shall not be deemed funds of the Funding Lender or of the Governmental Lender and are not pledged or otherwise subject to any security interest in favor of the Funding Lender to secure the Funding Loan or any other obligations.

(g) Notwithstanding anything to the contrary in this Borrower Loan Agreement, no payment shall be made to the United States if the Borrower shall furnish to the Governmental Lender and the Funding Lender an opinion of Tax Counsel to the effect that such payment is not required under Section 148(d) and (f) of the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Governmental Lender Note. In such event, the Borrower shall be entitled to withdraw funds from the Rebate Fund to the extent the Borrower shall provide a Tax Counsel No Adverse Effect Opinion to the Governmental Lender and the Funding Lender with respect to such withdrawal.

(h) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 5.35 need not be made to the extent that neither the Governmental Lender nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on a Tax Counsel No Adverse Effect Opinion, a copy of which shall be provided to the Funding Lender.

Section 5.36. Covenants under Funding Loan Agreement. The Borrower will fully and faithfully perform all the duties and obligations which the Governmental Lender has covenanted and agreed in the Funding Loan Agreement to cause the Borrower to perform and any duties and obligations which the Borrower is required in the Funding Loan Agreement to perform. The foregoing will not apply to any duty or undertaking of the Governmental Lender which by its nature cannot be delegated or assigned.

Section 5.37. Continuing Disclosure Agreement. The Borrower and the Funding Lender shall enter into the Continuing Disclosure Agreement to provide for the continuing disclosure of information about the Funding Loan, the Borrower and other matters as specifically provided for in such agreement.

ARTICLE VI

NEGATIVE COVENANTS

Borrower hereby covenants and agrees as follows, which covenants shall remain in effect so long as any Borrower Payment Obligation or other obligation of Borrower under any of the other Borrower Loan Documents or the Funding Loan Documents remains outstanding or unperformed. Borrower covenants and agrees that it will not, directly or indirectly:

Section 6.1. Management Agreement. Without first obtaining the Funding Lender's prior Written Consent, enter into the Management Agreement, and thereafter the Borrower shall not, without the Funding Lender's prior Written Consent (which consent shall not be unreasonably withheld, conditioned or delayed) and subject to the Regulatory Agreement: (i) surrender, terminate or cancel the Management Agreement or otherwise replace the Manager or enter into any other management agreement unless directed to do so by a governmental entity; (ii) reduce or consent to the reduction of the term of the Management Agreement; (iii) increase or consent to the increase of the amount of any charges under the Management Agreement; (iv) otherwise modify, change, supplement, alter or amend in any material respect, or waive or release in any material respect any of its rights and remedies under, the Management Agreement; or (v) suffer or permit the occurrence and continuance of a default beyond any applicable cure period under the Management Agreement (or any successor management agreement) if such default permits the Manager to terminate the Management Agreement (or such successor management agreement).

Section 6.2. Dissolution. Dissolve or liquidate, in whole or in part, merge with or consolidate into another Person.

Section 6.3. Change in Business or Operation of Property. Enter into any line of business other than the ownership and operation of the Project, or make any material change in the scope or nature of its business objectives, purposes or operations, or undertake or participate in activities other than the

Section 6.4. Debt Cancellation. Cancel or otherwise forgive or release any claim or debt owed to the Borrower by a Person, except for adequate consideration or in the ordinary course of the Borrower's business in its reasonable judgment.

Section 6.5. Assets. Purchase or own any real property or personal property incidental thereto other than the Project.

Section 6.6. Transfers. Make, suffer or permit the occurrence of any Transfer other than a transfer permitted under the Security Instrument or the CHA ROFR Agreement, nor transfer any material License required for the operation of the Project.

Section 6.7. Debt. Other than as expressly approved in writing by the Funding Lender, create, incur or assume any indebtedness for borrowed money (including subordinate debt) whether unsecured or secured by all or any portion of the Project or interest therein or in the Borrower or any partner thereof (including subordinate debt) other than (i) the Borrower Payment Obligations, (ii) the Subordinate Debt, (iii) secured indebtedness incurred pursuant to or permitted by the Borrower Loan Documents and the Funding Loan Documents, (iv) unsecured deferred developer fees as permitted pursuant to the terms of the Development Agreement (as defined in the Partnership Agreement), and (v) trade payables incurred in the ordinary course of business.

Section 6.9. Principal Place of Business. Change its principal place of business without providing 30 days' prior Written Notice of the change to the Funding Lender, the Governmental Lender, and the Servicer.

Section 6.10. Partnership Agreement. Without the Funding Lender's prior Written Consent (which consent shall not be unreasonably withheld, conditioned or delayed) surrender, terminate, cancel, modify, change, supplement, alter or amend in any material respect, or waive or release in any material respect, any of its rights or remedies under the Partnership Agreement; provided, however, the consent of Funding Lender is not required for an amendment of the Partnership Agreement resulting solely from the "Permitted Transfer" of partnership interests of Borrower as defined in and permitted by the Security Instrument or for modifications that do not: (A) impose any additional or greater obligations on the Borrower or any of the partners, managers or members of Borrower, (B) reduce or relieve the Borrower or any of the partner, managers or members of the Borrower of any of their obligations, (C) modify the timing, amounts, number, conditions or other terms of the installments or other payment obligations of the partners or members of the Borrower or (D) impair the collateral for the loan from the Funding Lender; provided, however, that the Borrower shall promptly provide to the Funding Lender a copy of any modifications to the Borrower's organizational documents that do not require the Funding Lender's consent.

Section 6.11. ERISA. Maintain, sponsor, contribute to or become obligated to contribute to, or suffer or permit any ERISA Affiliate of the Borrower to, maintain, sponsor, contribute to or become obligated to contribute to, any Plan, or permit the assets of the Borrower to become "plan assets," whether by operation of law or under regulations promulgated under ERISA.

Section 6.12. No Hedging Arrangements. Without the prior Written Consent of the Funding Lender or unless otherwise required by this Borrower Loan Agreement, the Borrower will not enter into or guarantee, provide security for or otherwise undertake any form of contractual obligation with respect to any interest rate swap, interest rate cap or other arrangement that has the effect of an interest rate swap or interest rate cap or that otherwise (directly or indirectly, derivatively or synthetically) hedges interest rate risk associated with being a debtor of variable rate debt or any agreement or other arrangement to enter into any of the above on a future date or after the occurrence of one or more events in the future.

Section 6.13. Loans and Investments; Distributions; Related Party Payments.

(a) Without the prior Written Consent of Funding Lender in each instance, Borrower shall not (i) lend money, make investments, or extend credit, other than in the ordinary course of its business as presently conducted; or (ii) repurchase, redeem or otherwise acquire any interest in Borrower, any Borrower Affiliate or any other Person owning an interest, directly or indirectly, in Borrower, or make any distribution, in cash or in kind, in respect of interests in Borrower, any Borrower Affiliate or any other Person owning an interest, directly or indirectly, in Borrower (except to the extent permitted by Section 5.27 and 6.10 hereof and subject to the limitations set forth in the Security Instrument).

(b) Disbursements for fees and expenses of any Borrower Affiliate and developer fees (however characterized) will only be paid to the extent that such fee or expense bears a proportionate relationship to the percentage of completion of the construction or rehabilitation, as the case may be, of the Improvements, as determined by the Construction Consultant, and only after deducting the applicable Retainage. Except as otherwise permitted by the Funding Lender, no Disbursements for the Developer Fee or any "deferred developer fees" shall be made prior to the Conversion Date other than in accordance with the Approved Developer Fee Schedule.

Section 6.14. Amendment of Related Documents or CC&R's. Without the prior Written Consent of Funding Lender in each instance, except as provided herein or in the Construction Funding Agreement, Borrower shall not enter into or consent to any amendment, termination, modification, or other alteration of any of the Related Documents or any of the CC&R's (including, without limitation, those contained in this Borrower Loan Agreement, any Architect's Agreement or Engineer's Contract, any Construction Contract, and any Management Agreement, but excluding the Partnership Agreement, which is covered by Section 6.10), or any assignment, transfer, pledge or hypothecation of any of its rights thereunder, if any.

Section 6.15. Personal Property. Borrower shall not install materials, personal property, equipment or fixtures subject to any security agreement or other agreement or contract wherein the right is reserved to any Person other than Borrower to remove or repossess any such materials, equipment or fixtures, or whereby title to any of the same is not completely vested in Borrower at the time of installation, without Funding Lender's prior Written Consent; provided, however, that this Section 6.15 shall not apply to laundry equipment or other equipment that is owned by a third-party vendor and commercial tenants.

Section 6.16. Fiscal Year. Without Funding Lender's Written Consent, which shall not be unreasonably withheld, neither Borrower nor General Partner shall change the times of commencement or termination of its fiscal year or other accounting periods, or change its methods of accounting, other than to conform to GAAP.

Section 6.17. Publicity. Neither Borrower nor General Partner shall issue any publicity release or other communication to any print, broadcast or on-line media, post any sign or in any other way identify Funding Lender or any of its affiliates as the source of the financing provided for herein, without the prior written approval of Funding Lender in each instance (provided that nothing herein shall prevent Borrower

or General Partner from identifying Funding Lender or its affiliates as the source of such financing to the extent that Borrower or General Partner are required to do so by disclosure requirements applicable to publicly held companies). Borrower and General Partner agree that no sign shall be posted on the Project in connection with the construction or rehabilitation of the Improvements unless such sign identifies Citigroup and its affiliates as the source of the financing provided for herein or Funding Lender consents to not being identified on any such sign.

Section 6.18. Subordinate Loan Documents. Without Funding Lender's prior written consent, Borrower will not surrender, terminate, cancel, modify, change, supplement, alter, amend, waive, release, assign, transfer, pledge or hypothecate any of its rights or remedies under the Subordinate Loan Documents.

Section 6.19. Ground Lease. Without the Funding Lender's prior written consent, the Borrower will not surrender, terminate, cancel, modify, change, supplement, alter, amend, waive, release, assign, transfer, pledge or hypothecate any of its rights or remedies under the Ground Lease.

which the Guaranty terminates in accordance with its terms (or the date upon which all of the Guaranties have terminated in accordance with their terms, if more than one Guaranty was executed by such Guarantor) and the Borrower replaces such Guarantor with a person or entity satisfying the Funding Lender's mortgage credit standards for principals and acceptable to the Funding Lender in its sole and absolute discretion within thirty (30) days after notice thereof from the Funding Lender;

(o) the inability of Borrower to satisfy any condition for the receipt of a Disbursement hereunder (other than an Event of Default specifically addressed in this Section 8.1) and failure to resolve the situation to the satisfaction of Funding Lender for a period in excess of thirty (30) days after Written Notice from Funding Lender, subject to Force Majeure;

However, no such notice or grace period shall apply to the extent such failure could, in the Funding Lender's judgment, absent immediate exercise by the Funding Lender of a right or remedy under this Borrower Loan Agreement, result in harm to the Funding Lender, impairment of the Borrower Note or this Borrower Loan Agreement or any security given under any other Borrower Loan Document.

Section 8.2. Remedies.

Section 8.2.1 Acceleration. Upon the occurrence of an Event of Default (other than an Event of Default described in paragraph (e), (f) or (i) of Section 8.1) and at any time and from time to time thereafter, as long as such Event of Default continues to exist, in addition to any other rights or remedies available to the Governmental Lender pursuant to the Borrower Loan Documents or at law or in equity, the Funding Lender may, take such action, without notice or demand, as the Funding Lender deems advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Borrower Payment Obligations to be immediately due and payable (including, without limitation, the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Borrower Note to be immediately due and payable), without notice or demand, and apply such payment of the Borrower Payment Obligations in any manner and in any order determined by Funding Lender, in Funding Lender's sole and absolute discretion; and upon any Event of Default described in paragraph (e), (f) or (i) of Section 8.1, the Borrower Payment Obligations shall become immediately due and payable, without notice or demand, and the Borrower hereby expressly waives any such notice or demand, anything contained in any Borrower Loan Document to the contrary notwithstanding. Notwithstanding anything herein to the contrary, enforcement of remedies hereunder and under the Funding Loan Agreement shall be controlled by the Funding Lender.

Section 8.2.2 Remedies Cumulative. Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to the Funding Lender against the Borrower under the Borrower Loan Documents or at law or in equity may be exercised by the Funding Lender, at any time and from time to time, whether or not all or any of the Borrower Payment Obligations shall be declared due and payable, and whether or not the Funding Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Borrower Loan Documents. Any such actions taken by the Funding Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as the Funding Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of the Funding Lender permitted by law, equity or contract or as set forth in the Borrower Loan Documents. Without limiting the generality of the foregoing, the Borrower agrees that if an Event of Default is continuing, all Liens and other rights, remedies or privileges provided to the Funding Lender shall remain in full force and effect until it has exhausted all of its remedies, the Security Instrument has been foreclosed, the Project has been sold and/or otherwise realized upon satisfaction of the Borrower Payment Obligations or the Borrower Payment Obligations have been paid in full. To the extent permitted by applicable law, nothing contained in any Borrower Loan Document shall be construed as requiring the Funding Lender to resort to any portion of the Project for the satisfaction of any of the Borrower Payment Obligations in preference or priority to any other portion, and the Funding Lender may seek satisfaction out of the entire Project or any part thereof, in its absolute discretion.

Notwithstanding any provision herein to the contrary, the Governmental Lender and the Funding Lender agree that any cure of any default made or tendered by the Equity Investor shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 8.2.3 Delay. No delay or omission to exercise any remedy, right, power accruing upon an Event of Default, or the granting of any indulgence or compromise by the Funding Lender shall impair any such remedy, right or power hereunder or be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Potential Default or Event of Default shall not be construed to be a waiver of any subsequent Potential Default or Event of Default or to impair any remedy, right or power consequent thereon. Notwithstanding

any other provision of this Borrower Loan Agreement, the Funding Lender reserves the right to seek a deficiency judgment or preserve a deficiency claim, in connection with the foreclosure of the Security Instrument to the extent necessary to foreclose on the Project, the Rents, the funds or any other collateral.

Section 8.2.4 Set Off; Waiver of Set Off. Upon the occurrence of an Event of Default, Funding Lender may, at any time and from time to time, without notice to Borrower or any other Person (any such notice being expressly waived), set off and appropriate and apply (against and on account of any obligations and liabilities of Borrower to Funding Lender arising under or connected with this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents, irrespective of whether or not Funding Lender shall have made any demand therefor, and although such obligations and liabilities may be contingent or unmatured), and Borrower hereby grants to Funding Lender, as security for the Borrower Payment Obligations, a security interest in, any and all deposits (general or special, including but not limited to Debt evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Debt at any time held or owing by Funding Lender to or for the credit or the account of Borrower.

Section 8.2.5 Assumption of Obligations. In the event that the Funding Lender or its assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under this Borrower Loan Agreement, the Borrower Note, the Regulatory Agreement, and any other Borrower Loan Documents and Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

Section 8.2.6 Accounts Receivable. Upon the occurrence of an Event of Default, Funding Lender shall have the right, to the extent permitted by law, to impound and take possession of books, records, notes and other documents evidencing Borrower's accounts, accounts receivable and other claims for payment of money, arising in connection with the Project, and to make direct collections on such accounts, accounts receivable and claims for the benefit of Funding Lender.

Section 8.2.7 Defaults under Other Documents. Funding Lender shall have the right to cure any default under any of the Related Documents [and the Subordinate Loan Documents], but shall have no obligation to do so.

Section 8.2.8 Completion of Improvements. Upon the occurrence of any Event of Default, Funding Lender shall have the right to cause an independent contractor selected by Funding Lender to enter into possession of the Project and to perform any and all work and labor necessary for the completion of the Project substantially in accordance with the Plans and Specifications, if any, and to perform Borrower's obligations under this Borrower Loan Agreement. All sums expended by Funding Lender for such purposes shall be deemed to have been disbursed to and borrowed by Borrower and shall be secured by the Security Documents.

Section 8.2.9 Right to Directly Enforce. Notwithstanding any other provision hereof to the contrary, the Funding Lender shall have the right to directly enforce all rights and remedies hereunder with or without involvement of the Governmental Lender, provided that only the Governmental Lender may enforce the Unassigned Rights and Funding Lender shall not impair Governmental Lender's enforcement of Unassigned Rights. In the event that any of the provisions set forth in this Section 8.2.10 are inconsistent with the covenants, terms and conditions of the Security Instrument, the covenants, terms and conditions of the Security Instrument shall prevail.

Section 8.2.10 Power of Attorney. Effective upon the occurrence of an Event of Default, and continuing until and unless such Event of Default is cured or waived, Borrower hereby constitutes and appoints Funding Lender, or an independent contractor selected by Funding Lender, as its true and lawful attorney-in-fact with full power of substitution, for the purposes of completion of the Project and performance of Borrower's obligations under this Borrower Loan Agreement in the name of Borrower, and hereby empowers said attorney-in-fact to do any or all of the following upon the occurrence and continuation of an Event of Default (it being understood and agreed that said power of attorney shall be deemed to be a power coupled with an interest which cannot be revoked until full payment and performance of all obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents):

- (a) to use any of the funds of Borrower or General Partner, including any balance of the Borrower Loan, as applicable, and any funds which may be held by Funding Lender for Borrower (including all funds in all deposit accounts in which Borrower has granted to Funding Lender a security interest), for the purpose of effecting completion of the construction or rehabilitation, as the case may be, of the Improvements, in the manner called for by the Plans and Specifications;
- (b) to make such additions, changes and corrections in the Plans and Specifications as shall be necessary or desirable to complete the Project in substantially the manner contemplated by the Plans and Specifications;
- (c) to employ any contractors, subcontractors, agents, architects and inspectors required for said purposes;
- (d) to employ attorneys to defend against attempts to interfere with the exercise of power granted hereby;
- (e) to pay, settle or compromise all existing bills and claims which are or may be liens against the Project or the Improvements, or may be necessary or desirable for the completion of the construction or rehabilitation, as the case may be, of the Improvements, or clearance of objections to or encumbrances on title;
- (f) to execute all applications and certificates in the name of Borrower, which may be required by any other construction contract;
- (g) to prosecute and defend all actions or proceedings in connection with the Project and to take such action, require such performance and do any and every other act as is deemed necessary with respect to the completion of the construction or rehabilitation, as the case may be, of the Improvements, which Borrower might do on its own behalf;
- (h) to let new or additional contracts to the extent not prohibited by their existing contracts;
- (i) to employ watchmen and erect security fences to protect the Project from injury; and
- (j) to take such action and require such performance as it deems necessary under any of the bonds or insurance policies to be furnished hereunder, to make settlements and compromises with the sureties or insurers thereunder, and in connection therewith to execute instruments of release and satisfaction.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default, rights and remedies may be pursued pursuant to the terms of the Borrower Loan Documents and

the Funding Loan Documents. The parties hereto acknowledge that, among the possible outcomes to the pursuit of such remedies, is the situation where the Funding Lender assignees or designees become the owner of the Project and assume the obligations identified above, and the Borrower Note, the Borrower Loan and the other Borrower Loan Documents and Funding Loan Documents remain outstanding.

ARTICLE IX

SPECIAL PROVISIONS

Section 9.1. Sale of Note and Secondary Market Transaction.

Section 9.1.1 Cooperation. Subject to the restrictions of Section 2.4 of the Funding Loan Agreement, at the Funding Lender's or the Servicer's request (to the extent not already required to be provided by the Borrower under this Borrower Loan Agreement), the Borrower shall use reasonable efforts to satisfy the market standards to which the Funding Lender or the Servicer customarily adheres or which may be reasonably required in the marketplace or by the Funding Lender or the Servicer in connection with one or more sales or assignments of all or a portion of the Governmental Lender Note and the Funding Loan or participations therein or securitizations of single or multi-class securities (the "Securities") secured by or evidencing ownership interests in all or a portion of the Governmental Lender Note and the Funding Loan (each such sale, assignment and/or securitization, a "Secondary Market Transaction"); provided that the Borrower shall not incur any third party or other out-of-pocket costs and expenses in connection with a Secondary Market Transaction, including the costs associated with the delivery of any Provided Information or any opinion required in connection therewith, and all such costs shall be paid by the Funding Lender or the Servicer, and shall not materially modify Borrower's rights or obligations. Without limiting the generality of the foregoing, the Borrower shall, so long as the Borrower Loan is still outstanding:

(a) (i) provide such financial and other information with respect to the Borrower Loan, and with respect to the Project, the Borrower, the Manager, the contractor of the Project or the Borrower Controlling Entity, (ii) provide financial statements, audited, if available, relating to the Project with customary disclaimers for any forward looking statements or lack of audit, and (iii), at the expense of the Funding Lender or the Servicer, perform or permit or cause to be performed or permitted such site inspection, appraisals, surveys, market studies, environmental reviews and reports (Phase I's and, if appropriate, Phase II's), engineering reports and other due diligence investigations of the Project, as may be reasonably requested from time to time by the Funding Lender or the Servicer or the Rating Agencies or as may be necessary or appropriate in connection with a Secondary Market Transaction or Exchange Act requirements (the items provided to the Funding Lender or the Servicer pursuant to this paragraph (a) being called the "Provided Information"), together, if customary, with appropriate verification of and/or consents (including, without limitation, auditor consents) to include or incorporate by reference the Provided Information in an offering document or otherwise provide the Provided Information to investors and potential investors or opinions of counsel of independent attorneys acceptable to the Funding Lender or the Servicer and the Rating Agencies;

(b) make such representations and warranties as of the closing date of any Secondary Market Transaction with respect to the Project, the Borrower, the Borrower Loan Documents and the Funding Loan Documents reasonably acceptable to the Funding Lender or the Servicer, consistent with the facts covered by such representations and warranties as they exist on the date thereof; and

(c) execute such amendments to the Borrower Loan Documents and the Funding Loan Documents to accommodate such Secondary Market Transaction so long as such amendment does not affect the material economic terms of the Borrower Loan Documents and the Funding Loan Documents and is not otherwise adverse to the Borrower in its reasonable discretion.

Section 9.1.2 Use of Information. The Borrower understands that certain of the Provided Information and the required records may be included in disclosure documents in connection with a Secondary Market Transaction, including a prospectus or private placement memorandum (each, a “Secondary Market Disclosure Document”), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies and service providers or other parties relating to the Secondary Market Transaction. In the event that the Secondary Market Disclosure Document is required to be revised, the Borrower shall cooperate, subject to Section 9.1.1(c) hereof, with the Funding Lender and the Servicer in updating the Provided Information or required records for inclusion or summary in the Secondary Market Disclosure Document or for other use reasonably required in connection with a Secondary Market Transaction by providing all reasonably requested current information pertaining to the Borrower and the Project necessary to keep the Secondary Market Disclosure Document accurate and complete in all material respects with respect to such matters. The Borrower hereby consents to any and all such disclosures of such information.

Section 9.1.3 Borrower Obligations Regarding Secondary Market Disclosure Documents. In connection with a Secondary Market Disclosure Document, the Borrower shall provide, or in the case of a Borrower-engaged third party such as the Manager, cause it to provide, information reasonably requested by the Funding Lender pertaining to the Borrower, the Project or such third party (and portions of any other sections reasonably requested by the Funding Lender pertaining to the Borrower, the Project or the third party). The Borrower shall, if requested by the Funding Lender and the Servicer, certify in writing that the Borrower has carefully examined those portions of such Secondary Market Disclosure Document, pertaining to the Borrower, the Project or the Manager, and such portions (and portions of any other sections reasonably requested and pertaining to the Borrower, the Project or the Manager) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; provided that the Borrower shall not be required to make any representations or warranties regarding any Provided Information obtained from a third party except with respect to information it provided to such parties. Furthermore, the Borrower hereby indemnifies the Funding Lender, the Governmental Lender and the Servicer for any Liabilities to which any such parties may become subject to the extent such Liabilities arise out of or are based upon the use of the Provided Information in a Secondary Market Disclosure Document; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from third parties except with respect to information it provided to such parties.

Section 9.1.4 Borrower Indemnity Regarding Filings. In connection with filings under the Exchange Act or the Securities Act, the Borrower shall (i) indemnify Funding Lender, the Governmental Lender and the underwriter group for any securities (the “Underwriter Group”) for any Liabilities to which Funding Lender, the Governmental Lender, the Servicer or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information of a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information, in the light of the circumstances under which they were made not misleading and (ii) reimburse the Funding Lender, the Governmental Lender, the Servicer, the Underwriter Group and other indemnified parties listed above for any legal or other expenses reasonably incurred by the Funding Lender, the Governmental Lender, the Servicer or the Underwriter Group in connection with defending or investigating the Liabilities; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties.

Section 9.1.5 Indemnification Procedure. Promptly after receipt by an indemnified party under Section 9.1.4 hereof of notice of the commencement of any action for which a claim for indemnification is to be made against the Borrower, such indemnified party shall notify the Borrower in writing of such commencement, but the omission to so notify the Borrower will not relieve the Borrower from any liability

that it may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the Borrower. In the event that any action is brought against any indemnified party, and it notifies the Borrower of the commencement thereof, the Borrower will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by Written Notice delivered to the indemnified party promptly after receiving the aforesaid notice of commencement, to assume the defense thereof with counsel selected by the Borrower and reasonably satisfactory to such indemnified party in its sole discretion. After notice from the Borrower to such indemnified party under this Section 9.1.5, the Borrower shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnified party shall settle or compromise any claim for which the Borrower may be liable hereunder without the prior Written Consent of the Borrower.

Section 9.1.6 Contribution. In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 9.1.4 hereof is for any reason held to be unenforceable by an indemnified party in respect of any Liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under Section 9.1.4 hereof, the Borrower shall contribute to the amount paid or payable by the indemnified party as a result of such Liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 10(f) of the Securities Act) shall be entitled to contribution from any Person not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the indemnified parties and the Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. The parties hereto hereby agree that it may not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

Any party may change such party's address for the notice or demands required under this Borrower Loan Agreement by providing written notice of such change of address to the other parties as provided herein.

Section 10.2. Brokers and Financial Advisors. The Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the Borrower Loan, other than those disclosed to the Funding Lender and whose fees shall be paid by the

Borrower pursuant to separate agreements. The Borrower and the Funding Lender shall indemnify and hold the other harmless from and against any and all claims, liabilities, costs and expenses of any kind in any way relating to or arising from a claim by any Person that such Person acted on behalf of the indemnifying party in connection with the transactions contemplated herein. The provisions of this Section 10.2 shall survive the expiration and termination of this Borrower Loan Agreement and the repayment of the Borrower Payment Obligations.

Section 10.3. Survival. This Borrower Loan Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by the Governmental Lender of the Borrower Loan and the execution and delivery to the Governmental Lender of the Borrower Note and the assignment of the Borrower Note to the Funding Lender, and shall continue in full force and effect so long as all or any of the Borrower Payment Obligations is unpaid. All the Borrower's covenants and agreements in this Borrower Loan Agreement shall inure to the benefit of the respective legal representatives, successors and assigns of the Governmental Lender, the Funding Lender and the Servicer.

Section 10.4. Preferences. To the extent the Borrower makes a payment to the Governmental Lender or the Servicer, or the Governmental Lender or the Servicer receives proceeds of any collateral, which is in whole or part subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the Borrower Payment Obligations or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by the Governmental Lender or the Servicer. In furtherance of the preceding sentence, the Governmental Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by the Borrower to any portion of the Borrower Payment Obligations.

Section 10.5. Waiver of Notice. The Borrower shall not be entitled to any notices of any nature whatsoever from the Funding Lender or the Servicer except with respect to matters for which this Borrower Loan Agreement or any other Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender or the Servicer, as the case may be, to the Borrower and except with respect to matters for which the Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. The Borrower hereby expressly waives the right to receive any notice from the Funding Lender or the Servicer, as the case may be, with respect to any matter for which no Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender or the Servicer to the Borrower.

Section 10.6. Offsets, Counterclaims and Defenses. The Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by the Funding Lender or the Servicer with respect to a Borrower Loan Payment. Any assignee of Funding Lender's interest in and to the Borrower Loan Documents or the Funding Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses that are unrelated to the Borrower Loan Documents or the Funding Loan Documents which the Borrower may otherwise have against any assignor of such documents, and no such unrelated offset, counterclaim or defense shall be interposed or asserted by the Borrower in any action or proceeding brought by any such assignee upon such documents, and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by the Borrower.

Section 10.7. Publicity. The Funding Lender and the Servicer (and any affiliates of either party) shall have the right to issue press releases, advertisements and other promotional materials describing the Funding Lender's or the Servicer's participation in the making of the Borrower Loan or the Borrower

Loan's inclusion in any Secondary Market Transaction effectuated by the Funding Lender or the Servicer or one of its or their affiliates. All news releases, publicity or advertising by the Borrower or Borrower Affiliates through any media intended to reach the general public, which refers to the Borrower Loan Documents or the Funding Loan Documents, the Borrower Loan, the Funding Lender or the Servicer in a Secondary Market Transaction, shall be subject to the prior Written Consent of the Funding Lender or the Servicer, as applicable.

Section 10.8. Construction of Documents. The parties hereto acknowledge that they were represented by counsel in connection with the negotiation and drafting of the Borrower Loan Documents and the Funding Loan Documents and that the Borrower Loan Documents and the Funding Loan Documents shall not be subject to the principle of construing their meaning against the party that drafted them.

Section 10.9. No Third Party Beneficiaries. The Borrower Loan Documents and the Funding Loan Documents are solely for the benefit of the Governmental Lender, the Funding Lender, the Servicer and the Borrower and, with respect to Section 9.1.4 hereof, the Underwriter Group, and nothing contained in any Borrower Loan Document shall be deemed to confer upon anyone other than the Governmental Lender, the Funding Lender, the Servicer, and the Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

Section 10.10. Assignment. The Borrower Loan, the Security Instrument, the Borrower Loan Documents and the Funding Loan Documents and all Funding Lender's rights, title, obligations and interests therein may be assigned by the Funding Lender, at any time in its sole discretion, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise. Upon such assignment, all references to Funding Lender in this Borrower Loan Agreement and in any Borrower Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of the Funding Lender. Borrower shall accord full recognition to any such assignment, and all rights and remedies of Funding Lender in connection with the interest so assigned shall be as fully enforceable by such assignee as they were by Funding Lender before such assignment. In connection with any proposed assignment, Funding Lender may disclose to the proposed assignee any information that Borrower has delivered, or caused to be delivered, to Funding Lender with reference to Borrower, General Partner, Guarantor or any Borrower Affiliate, or the Project, including information that Borrower is required to deliver to Funding Lender pursuant to this Borrower Loan Agreement, provided that such proposed assignee agrees to treat such information as confidential. The Borrower may not assign its rights, interests or obligations under this Borrower Loan Agreement or under any of the Borrower Loan Documents or Funding Loan Documents, or Borrower's interest in any moneys to be disbursed or advanced hereunder, except only as may be expressly permitted hereby.

Section 10.11. [Intentionally Omitted].

Section 10.12. Governmental Lender, Funding Lender and Servicer Not in Control; No Partnership. None of the covenants or other provisions contained in this Borrower Loan Agreement shall, or shall be deemed to, give the Governmental Lender, the Funding Lender or the Servicer the right or power to exercise control over the affairs or management of the Borrower, the power of the Governmental Lender, the Funding Lender and the Servicer being limited to the rights to exercise the remedies referred to in the Borrower Loan Documents and the Funding Loan Documents. The relationship between the Borrower and the Governmental Lender, the Funding Lender and the Servicer is, and at all times shall remain, solely that of debtor and creditor. No covenant or provision of the Borrower Loan Documents or the Funding Loan Documents is intended, nor shall it be deemed or construed, to create a partnership, joint venture, agency or common interest in profits or income between the Borrower and the Governmental Lender, the Funding Lender or the Servicer or to create an equity interest in the Project in the Governmental Lender, the Funding

Lender or the Servicer. Neither the Governmental Lender, the Funding Lender nor the Servicer undertakes or assumes any responsibility or duty to the Borrower or to any other person with respect to the Project or the Borrower Loan, except as expressly provided in the Borrower Loan Documents or the Funding Loan Documents; and notwithstanding any other provision of the Borrower Loan Documents and the Funding Loan Documents: (1) the Governmental Lender, the Funding Lender and the Servicer are not, and shall not be construed as, a partner, joint venturer, alter ego, manager, controlling person or other business associate or participant of any kind of the Borrower or its stockholders, members, or partners and the Governmental Lender, the Funding Lender and the Servicer do not intend to ever assume such status; (2) the Governmental Lender, the Funding Lender and the Servicer shall in no event be liable for any the Borrower Payment Obligations, expenses or losses incurred or sustained by the Borrower; and (3) the Governmental Lender, the Funding Lender and the Servicer shall not be deemed responsible for or a participant in any acts, omissions or decisions of the Borrower, the Borrower Controlling Entities or its stockholders, members, or partners. The Governmental Lender, the Funding Lender, the Servicer and the Borrower disclaim any intention to create any partnership, joint venture, agency or common interest in profits or income between the Governmental Lender, the Funding Lender, the Servicer and the Borrower, or to create an equity interest in the Project in the Governmental Lender, the Funding Lender or the Servicer, or any sharing of liabilities, losses, costs or expenses.

Section 10.13. Release. The Borrower hereby acknowledges that it is executing this Borrower Loan Agreement and each of the Borrower Loan Documents and the Funding Loan Documents to which it is a party as its own voluntary act free from duress and undue influence.

Section 10.14. Term of Borrower Loan Agreement. This Borrower Loan Agreement shall be in full force and effect until all payment obligations of the Borrower hereunder have been paid in full and the Borrower Loan and the Funding Loan have been retired or the payment thereof has been provided for; except that on and after payment in full of the Borrower Note, this Borrower Loan Agreement shall be terminated, without further action by the parties hereto; provided, however, that the obligations of the Borrower under Sections 5.11 (Governmental Lender's and Funding Lender's Fees), 5.14 (Expenses), 5.15 (Indemnity), 9.1.4, 9.1.5, 9.1.6 and 10.15 (Reimbursement of Expenses) hereof, as well as under Section 5.7 of the Construction Funding Agreement, shall survive the termination of this Borrower Loan Agreement.

Section 10.15. Reimbursement of Expenses. If, upon or after the occurrence of any Event of Default or Potential Default, the Governmental Lender, the Funding Lender or the Servicer shall employ attorneys or incur other expenses for the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained herein, the Borrower will on demand therefor reimburse the Governmental Lender, the Funding Lender and the Servicer for fees of such attorneys and such other expenses so incurred.

The Borrower's obligation to pay the amounts required to be paid under this Section 10.15 shall be subordinate to its obligations to make payments under the Borrower Note.

Section 10.16. Permitted Contests. Notwithstanding anything to the contrary contained in this Borrower Loan Agreement, Borrower shall have the right to contest or object in good faith to any claim, demand, levy or assessment (other than in respect of Debt or Contractual Obligations of Borrower under any Borrower Loan Document or Related Document) by appropriate legal proceedings that are not prejudicial to Funding Lender's or Governmental Lender's rights, but this shall not be deemed or construed as in any way relieving, modifying or providing any extension of time with respect to Borrower's covenant to pay and comply with any such claim, demand, levy or assessment, unless Borrower shall have given prior Written Notice to the Governmental Lender and the Funding Lender of Borrower's intent to so contest or object thereto, and unless (i) Borrower has, in the Governmental Lender's and the Funding Lender's

judgment, a reasonable basis for such contest, (ii) Borrower pays when due any portion of the claim, demand, levy or assessment to which Borrower does not object, (iii) Borrower demonstrates to Funding Lender's satisfaction that such legal proceedings shall conclusively operate to prevent enforcement prior to final determination of such proceedings, (iv) Borrower furnishes such bond, surety, undertaking or other security in connection therewith as required by law, or as requested by and satisfactory to Funding Lender, to stay such proceeding, which bond, surety, undertaking or other security shall be issued by a bonding company, insurer or surety company reasonably satisfactory to Funding Lender and shall be sufficient to cause the claim, demand, levy or assessment to be insured against by the Title Company or removed as a lien against the Project, (v) Borrower at all times prosecutes the contest with due diligence, and (vi) Borrower pays, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by Borrower, the amount so determined to be due and owing by Borrower. In the event that Borrower does not make, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by Borrower, any payment required to be made pursuant to clause (vi) of the preceding sentence, an Event of Default shall have occurred, and Funding Lender may draw or realize upon any bond or other security delivered to Funding Lender in connection with the contest by Borrower, in order to make such payment.

Section 10.17. Funding Lender Approval of Instruments and Parties. All proceedings taken in accordance with transactions provided for herein, and all surveys, appraisals and documents required or contemplated by this Borrower Loan Agreement and the persons responsible for the execution and preparation thereof, shall be satisfactory to and subject to approval by Funding Lender. Funding Lender's approval of any matter in connection with the Project shall be for the sole purpose of protecting the security and rights of Funding Lender. No such approval shall result in a waiver of any default of Borrower. In no event shall Funding Lender's approval be a representation of any kind with regard to the matter being approved.

Section 10.18. Funding Lender Determination of Facts. Funding Lender shall at all times be free to establish independently, to its reasonable satisfaction, the existence or nonexistence of any fact or facts, the existence or nonexistence of which is a condition of this Borrower Loan Agreement.

Section 10.19. Calendar Months. With respect to any payment or obligation that is due or required to be performed within a specified number of Calendar Months after a specified date, such payment or obligation shall become due on the day in the last of such specified number of Calendar Months that corresponds numerically to the date so specified; provided, however, that with respect to any obligation as to which such specified date is the 29th, 30th or 31st day of any Calendar Month: if the Calendar Month in which such payment or obligation would otherwise become due does not have a numerically corresponding date, such obligation shall become due on the first day of the next succeeding Calendar Month.

Section 10.20. Determinations by Lender. Except to the extent expressly set forth in this Borrower Loan Agreement to the contrary, in any instance where the consent or approval of the Governmental Lender and the Funding Lender may be given or is required, or where any determination, judgment or decision is to be rendered by the Governmental Lender and the Funding Lender under this Borrower Loan Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Governmental Lender and the Funding Lender, as applicable (or its designated representative) at its sole and exclusive option and in its sole and absolute discretion.

Section 10.21. Governing Law. This Borrower Loan Agreement shall be governed by and enforced in accordance with the laws of the State, without giving effect to the choice of law principles of the State that would require the application of the laws of a jurisdiction other than the State.

Section 10.22. Consent to Jurisdiction and Venue. Borrower agrees that any controversy arising under or in relation to this Borrower Loan Agreement shall be litigated exclusively in the State. The state and federal courts and authorities with jurisdiction in the State shall have exclusive jurisdiction over all controversies which shall arise under or in relation to this Borrower Loan Agreement. Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing herein is intended to limit Beneficiary Parties' right to bring any suit, action or proceeding relating to matters arising under this Borrower Loan Agreement against Borrower or any of Borrower's assets in any court of any other jurisdiction.

Section 10.23. Successors and Assigns. This Borrower Loan Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate. The terms used to designate any of the parties herein shall be deemed to include the heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate, of such parties. References to a "person" or "persons" shall be deemed to include individuals and entities.

Section 10.24. Severability. The invalidity, illegality or unenforceability of any provision of this Borrower Loan Agreement shall not affect the validity, legality or enforceability of any other provision, and all other provisions shall remain in full force and effect.

Section 10.25. Entire Agreement; Amendment and Waiver. This Borrower Loan Agreement contains the complete and entire understanding of the parties with respect to the matters covered. This Borrower Loan Agreement may not be amended, modified or changed, nor shall any waiver of any provision hereof be effective, except by a written instrument signed by the party against whom enforcement of the waiver, amendment, change, or modification is sought, and then only to the extent set forth in that instrument. No specific waiver of any of the terms of this Borrower Loan Agreement shall be considered as a general waiver. Without limiting the generality of the foregoing, no disbursement of Borrower Loan proceeds shall constitute a waiver of any conditions to the Governmental Lender's or the Funding Lender's obligation to make further disbursements of Borrower Loan proceeds nor, in the event Borrower is unable to satisfy any such conditions, shall any such waiver have the effect of precluding the Governmental Lender or the Funding Lender from thereafter declaring such inability to constitute a Potential Default or Event of Default under this Borrower Loan Agreement.

Section 10.26. Counterparts. This Borrower Loan Agreement may be executed in multiple counterparts, each of which shall constitute an original document and all of which together shall constitute one agreement.

Section 10.27. Captions. The captions of the sections of this Borrower Loan Agreement are for convenience only and shall be disregarded in construing this Borrower Loan Agreement.

Section 10.28. Servicer. Borrower hereby acknowledges and agrees that, pursuant to the terms of Section 39 of the Security Instrument: (a) from time to time, the Governmental Lender or the Funding Lender may appoint a servicer to collect payments, escrows and deposits, to give and to receive notices under the Borrower Note, this Borrower Loan Agreement or the other Borrower Loan Documents, and to otherwise service the Borrower Loan and (b) unless Borrower receives Written Notice from the Governmental Lender or the Funding Lender to the contrary, any action or right which shall or may be taken or exercised by the Governmental Lender or the Funding Lender may be taken or exercised by such servicer with the same force and effect.

Section 10.29. Beneficiary Parties as Third Party Beneficiary. Each of the Beneficiary Parties shall be a third party beneficiary of this Borrower Loan Agreement for all purposes.

Section 10.30. Waiver of Trial by Jury. TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, EACH OF BORROWER AND THE BENEFICIARY PARTIES (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS BORROWER LOAN AGREEMENT OR THE RELATIONSHIP BETWEEN THE PARTIES THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

Section 10.31. Time of the Essence. Time is of the essence with respect to this Borrower Loan Agreement.

Section 10.32. Modifications. Modifications (if any) to this Borrower Loan Agreement ("Modifications") are set forth on Exhibit __ attached to this Borrower Loan Agreement. In the event of a Transfer under the terms of the Security Instrument, some or all of the Modifications to this Borrower Loan Agreement may be modified or rendered void by the Governmental Lender or the Funding Lender at its option by notice to Borrower or such transferee.

Section 10.36. Reference Date. This Borrower Loan Agreement is dated for reference purposes only as of the first day of [____], 20[___], and will not be effective and binding on the parties hereto unless and until the Closing Date (as defined herein) occurs.

ARTICLE XI

LIMITATIONS ON LIABILITY

Section 11.1. Limitation on Liability. Notwithstanding anything to the contrary herein, the liability of the Borrower hereunder and under the other Borrower Loan Documents and the Funding Loan Documents shall be limited to the extent set forth in the Borrower Note.

Section 11.2. Limitation on Liability of Governmental Lender. The Funding Loan, and interest thereon, are special, limited obligations of the Governmental Lender, payable solely from the Security pledged under the Funding Loan Agreement. The Funding Loan is not a general indebtedness of the Governmental Lender or a charge against its general credit or the general credit taxing powers of the State, the Governmental Lender, or any other political subdivision thereof, and shall never give rise to any pecuniary liability of the Governmental Lender, and neither the Governmental Lender, the State nor any other political subdivision thereof shall be liable for the payments of principal and interest on the Funding Loan, and the Funding Loan is payable from no other source, but are special, limited obligations of the Governmental Lender, payable solely out of the security pledged hereunder and receipts of the Governmental Lender derived pursuant to this Funding Loan Agreement (and not against any money due or to become due to the Governmental Lender pursuant to Unassigned Rights). No holder of the Funding Loan or any interest therein has the right to compel any exercise of the taxing power of the State, the Governmental Lender or any other political subdivision thereof to pay the Funding Loan or the interest thereon.

No recourse shall be had for the payment of the principal of, premium, if any, or the interest on the Funding Loan or for any claim based thereon or any obligation, covenant or agreement in the Funding Loan

Agreement against any official of the Governmental Lender, or any official, officer, agent, employee or independent contractor of the Governmental Lender or any person executing this Borrower Loan Agreement. No covenant, stipulation, promise, agreement or obligation contained in this Borrower Loan Agreement or any other document executed in connection herewith shall be deemed to be the covenant, stipulation, promise, agreement or obligation of any present or future official, officer, agent or employee of the Governmental Lender in his or her individual capacity and neither any official of the Governmental Lender nor any officers executing this Borrower Loan Agreement shall be liable personally or be subject to any personal liability or accountability by reason of this Borrower Loan Agreement.

Section 11.3. Waiver of Personal Liability. No member, officer, agent or employee of the Governmental Lender or any director, officer, agent or employee of the Governmental Lender shall be individually or personally liable for the payment of any principal (or prepayment price) of or interest on the Funding Loan or any other sum hereunder or be subject to any personal liability or accountability by reason of the execution and delivery of this Borrower Loan Agreement; but nothing herein contained shall relieve any such member, director, officer, agent or employee from the performance of any official duty provided by law or by this Borrower Loan Agreement.

Section 11.4. Limitation on Liability of Funding Lender's Officers, Employees, Etc.

(a) Borrower assumes all risks of the acts or omissions of the Governmental Lender and the Funding Lender, provided, however, this assumption is not intended to, and shall not, preclude Borrower from pursuing such rights and remedies as it may have against the Governmental Lender and the Funding Lender at law or under any other agreement. None of Governmental Lender and the Funding Lender, nor the other Beneficiary Parties or their respective officers, directors, employees or agents shall be liable or responsible for (i) any acts or omissions of the Governmental Lender and the Funding Lender; or (ii) the validity, sufficiency or genuineness of any documents, or endorsements, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent or forged. In furtherance and not in limitation of the foregoing, the Governmental Lender and the Funding Lender may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, unless acceptance in light of such notice or information constitutes gross negligence or willful misconduct on the part of the Governmental Lender and the Funding Lender.

(b) None of the Governmental Lender, the Funding Lender, the other Beneficiary Parties or any of their respective officers, directors, employees or agents shall be liable to any contractor, subcontractor, supplier, laborer, architect, engineer or any other party for services performed or materials supplied in connection with the Project. The Governmental Lender and the Funding Lender shall not be liable for any debts or claims accruing in favor of any such parties against Borrower or others or against the Project. Borrower is not and shall not be an agent of the Governmental Lender and the Funding Lender for any purpose. Neither the Governmental Lender nor the Funding Lender is a joint venture partner with Borrower in any manner whatsoever. Prior to default by Borrower under this Borrower Loan Agreement and the exercise of remedies granted herein, the Governmental Lender and the Funding Lender shall not be deemed to be in privity of contract with any contractor or provider of services to the Project, nor shall any payment of funds directly to a contractor, subcontractor or provider of services be deemed to create any third party beneficiary status or recognition of same by the Governmental Lender and the Funding Lender. Approvals granted by the Governmental Lender and the Funding Lender for any matters covered under this Borrower Loan Agreement shall be narrowly construed to cover only the parties and facts identified in any written approval or, if not in writing, such approvals shall be solely for the benefit of Borrower.

(c) Any obligation or liability whatsoever of the Governmental Lender and the Funding Lender that may arise at any time under this Borrower Loan Agreement or any other Borrower Loan Document shall be satisfied, if at all, out of the Funding Lender's assets only. No such obligation or liability shall be

personally binding upon, nor shall resort for the enforcement thereof be had to, the Project or any of the Governmental Lender's or the Funding Lender's shareholders (if any), directors, officers, employees or agents, regardless of whether such obligation or liability is in the nature of contract, tort or otherwise.

Section 11.5. Delivery of Reports, Etc. ARTICLE XII

DEFEASANCE

Section 12.1. Defeasance Conditions. If the conditions specified in this Section 12.1 are met, then Borrower will have the right to defease the Borrower Loan in whole ("**Defeasance**") and obtain the release of the Mortgaged Property from the Lien of the Security Instrument upon the satisfaction of each of the following conditions:

- (a) Borrower will not have the right to obtain Defeasance at any of the following times:
 - (A) prior to the second (2nd) anniversary of the Closing Date;
 - (B) if the Governmental Lender Note has been assigned to a REMIC trust, prior to the period commencing on the second (2nd) anniversary of the "startup date" of the last REMIC within the meaning of Section 860G(a)(9) of the Code that holds all or any portion of the Governmental Lender Note and including the last day of the Lockout Period (as defined in the Borrower Note);
 - (C) after the last day of the Lockout Period (as defined in the Borrower Note); or
 - (D) after Funding Lender has accelerated the maturity of the unpaid principal balance of, accrued interest on, and other amounts payable under the Borrower Note.
- (b) Borrower shall have given Funding Lender and Governmental Lender Notice ("**Defeasance Notice**") specifying a Business Day ("**Defeasance Closing Date**") on which Borrower desires to close the Defeasance. The Defeasance Closing Date specified by Borrower may not be more than 60 calendar days, nor less than 30 calendar days, after the latest date on which Funding Lender and Governmental Lender each receives the Defeasance Notice.

(c) The Defeasance Notice must be accompanied by a \$10,000 non-refundable fee ("**Defeasance Fee**") payable to Funding Lender for Funding Lender's processing of the Defeasance. If the Defeasance is not consummated on the Defeasance Closing Date (as may be extended by agreement of the parties) for any reason, in addition to forfeiting the Defeasance Fee, Borrower agrees to reimburse Funding Lender and Governmental Lender for all third-party costs and expenses incurred by any of them in reliance on the executed Defeasance Notice, within 5 Business Days after Borrower receives a written demand for payment, accompanied by a statement, in reasonable detail, of such third-party costs and expenses.

(d) No Event of Default shall have occurred and be continuing.

(e) Borrower shall have delivered each of the following documents to Funding Lender, in form and substance satisfactory to Lender, on or prior to the Defeasance Closing Date, unless Funding Lender has issued a written waiver of its right to receive any such document:

(i) One or more opinions of counsel for Borrower confirming each of the following:

(A) Funding Lender or Collateral Agent (defined below), as applicable, has a valid and perfected first Lien and first priority security interest in the Defeasance Collateral and the proceeds of the Defeasance Collateral.

(B) The Pledge Agreement (defined below) is duly authorized, executed, delivered and enforceable against Borrower in accordance with its terms.

(C) If, as of the Defeasance Closing Date, the Note is held by a REMIC trust, then each of the following is correct:

(1) The Defeasance has been effected in accordance with the requirements of Treasury Regulation Section 1.860G-2(a)(8) (as such regulation may be modified, amended or replaced from time to time).

(2) The qualification and status of the REMIC trust as a REMIC will not be adversely affected or impaired as a result of the Defeasance.

(3) That there will be no imposition of a tax under applicable REMIC provisions as a result of the Defeasance.

(D) The Defeasance will not result in a "sale or exchange" of the Note within the meaning of Section 1001(c) of the Tax Code and the temporary and final regulations promulgated thereunder.

(ii) A written certificate from an independent certified public accounting firm (reasonably acceptable to Funding Lender), confirming that the Defeasance Collateral will generate cash sufficient to make all Scheduled Debt Payments (defined below) as they fall due under the Note, including full payment due on the Borrower Note on the earlier of the Mandatory Tender Date or the Maturity Date.

(iii) Funding Lender's form of a pledge and security agreement ("**Pledge Agreement**") and financing statements which pledge and create a first priority security interest in the Defeasance Collateral in favor of Funding Lender or Collateral Agent, as applicable.

- (iv) Funding Lender's form of a transfer and assumption agreement ("**Transfer and Assumption Agreement**"), pursuant to which a newly-formed single purpose entity identified by Borrower and approved by Funding Lender and Governmental Lender as an accommodation borrower (the "**Successor Borrower**") will assume all obligations of Borrower under the Borrower Loan and Borrower and Guarantor will be relieved from liability in connection with the Borrower Loan, including liabilities with respect to any loss, liability, damage, claim, cost or expense which directly or indirectly arises from or relates to any Prohibited Activities or Conditions existing prior to the date of the Defeasance Closing Date if Borrower delivers to Funding Lender a current environmental assessment report for the Mortgaged Property prepared at Borrower's expense by a qualified environmental consultant engaged by Borrower and approved by Funding Lender, and in a manner reasonably satisfactory to Funding Lender which (i) is dated within 90 days prior to the date of the proposed Defeasance Date, and (ii) evidences no presence of Hazardous Materials on the Mortgaged Property and no other Prohibited Activities or Conditions with respect to the Mortgaged Property.
- (v) Forms of all documents necessary to release the Mortgaged Property from the Liens created by the Security Instrument and related UCC financing statements (collectively, "**Release Instruments**"), each in appropriate form required by the Property Jurisdiction.
- (vi) Tax Counsel No Adverse Effect Opinion.
- (vii) If the Governmental Lender Note has been securitized in a Secondary Market Transaction, a written affirmation from a Rating Agency that the credit rating of the Securities issued by such Rating Agency immediately prior to the Defeasance will not be qualified, downgraded or withdrawn as a result of the occurrence of such event, which affirmation may be granted or withheld in such Rating Agency's sole and absolute discretion, and, if required by the Approved Rating Agencies, Borrower shall also deliver or cause to be delivered (from counsel satisfactory to Funding Lender) a non-consolidation opinion with respect to the Successor Borrower in form and substance satisfactory to Funding Lender and the applicable Rating Agency.
- (viii) Any other opinions, certificates, documents or instruments that Lender may reasonably request.
- (ix) Borrower will deliver to Funding Lender or Collateral Agent, as applicable, on or prior to the Defeasance Closing Date, each of the following:
 - (A) Either money (which must be moneys or other amounts on deposited for a period of 123 days during which there shall not have occurred the filing of a voluntary or involuntary petition in bankruptcy under the United States Bankruptcy Code, or the commencement of a proceeding under any other applicable laws concerning insolvency, reorganization or bankruptcy, by or against the Borrower or the Governmental Lender; however, such amounts may be on deposit for a lesser period of time and still constitute eligible funds for the purpose of this Agreement if the Funding Lender receives an opinion of counsel acceptable to the Funding Lender to the effect that the use of such funds, if on deposit for such

lesser period, will not constitute a voidable preference under the federal bankruptcy laws) or securities (which must be Government Obligations (as defined in the Funding Loan Agreement in clause (a) under the definition of "Permitted Investments"), subject to the Tax Certificate (the "**Defeasance Collateral**"), which meets all of the following requirements:

- (1) It is owned by Successor Borrower, free and clear of all Liens and claims of third parties.
 - (2) It is in an amount sufficient to provide for (1) redemption payments to occur prior, but as close as possible, to all successive Borrower Loan Payment Dates occurring under the Borrower Note after the Defeasance Closing Date, and (2) delivery of earnings and redemption proceeds at least equal to the amount of principal and interest due on the Borrower Note on each Borrower Loan Payment Date including full payment due on the Borrower Note on the Maturity Date ("**Scheduled Debt Payments**").
 - (3) All earnings and redemption payments received from the Defeasance Collateral will be paid directly to Funding Lender or the Collateral Agent, as applicable, to be applied on account of the scheduled principal and interest due on the Borrower Note on each Borrower Loan Payment Date after the Defeasance Closing Date.
 - (4) The pledge of the Defeasance Collateral will be effected through the book-entry facilities of a qualified securities intermediary designated by Funding Lender in conformity with all applicable laws.
- (B) All accrued and unpaid interest and all other sums due under the Borrower Note, this Borrower Loan Agreement and under the other Borrower Loan Documents up to the Defeasance Closing Date; provided that if the Defeasance Date is not a Borrower Loan Payment Date, the Borrower shall also pay interest that would have accrued on the Borrower Note through and including the next Borrower Loan Payment Date, unless the Defeasance Collateral shall include (or if the Government Obligations constituting the Defeasance Collateral) shall provide for payment of) all principal and interest computed from the Borrower Loan Payment Date prior to the Defeasance Date through the next succeeding Borrower Loan Payment Date;
- (x) Borrower will pay all reasonable costs and expenses incurred by Funding Lender, Collateral Agent, if applicable, and Governmental Lender in connection with the Defeasance in full on or prior to the Defeasance Closing Date, which payment is required prior to Funding Lender's issuance of the Release Instruments and whether or not Defeasance is completed. Such expenses include all fees, costs and expenses incurred by Funding Lender and its agents in connection with the Defeasance (including reasonable attorneys' fee and costs for the review and preparation of the Pledge Agreement and of the other materials described in this Loan Agreement and any related documentation, Rating Agencies' fees, or other costs related to the Defeasance). Funding Lender reserves the right to require that

Borrower post a deposit to cover costs which Funding Lender reasonably anticipates will be incurred in connection with the Defeasance.

- (xi) No transfer fee or review fee will be payable to Funding Lender upon a Defeasance made in accordance with this Section 12.1.

Section 12.2 Release. If Borrower obtains a release of the Mortgaged Property from the Lien of the Security Instrument pursuant to Section 12.1, then the Borrower Payment Obligations will be secured by the Pledge Agreement and reference will be made to the Pledge Agreement for other rights of Funding Lender; the Collateral Agent, if applicable, and Governmental Lender as to collateral for the Borrower Payment Obligations.

Section 12.3. Collateral Agent. Funding Lender shall have the right, to be exercised in its sole discretion, to appoint a third-party bank (the "Collateral Agent") to hold and invest the Defeasance Collateral.
